Compensation Approach

The compensation program balances three important objectives:

- provide adequate compensation to attract and retain talented employees;
- provide strong incentives for management to craft and execute a value-creating growth strategy; and
- manage the compensation program in a way that the cost to stockholders is appropriate for the performance achieved.

Our program has three components:

- salary, which is set at competitive levels to attract required talent;
- annual cash bonus plan, which rewards management for meeting the Company's annual business objectives;

and

- long-term equity incentive plan, which rewards management for the effective execution of a long-term growth strategy and an incentive to remain committed to the long-term success of the organization.

All three components are designed to allow us to compete for and retain the services of the persons needed for the growth and success of the Company.

2014 Incentive Plan

Our 2014 Incentive Plan provides for both equity and cash based incentive compensation and for the grant of incentive awards to employees, consultants and non-employee directors of our company and its affiliates. The 2014 Incentive Plan is administered by the Compensation Committee of our Board of Directors.

Material Terms of Our 2014 Incentive Plan

Our 2014 Incentive Plan authorizes (i) a plan participant to purchase common stock of the Company for cash at a purchase price to be decided by the Compensation Committee, but not more than the fair market value per share of such common stock purchased on the date of such purchase, and (ii) the grant of:

- nonqualified stock options to purchase common stock;
- incentive options to purchase common stock;
- unrestricted stock;
- restricted stock;
- phantom stock;
- stock appreciation rights; and
- other stock or cash-based awards.

Shares Subject to Our 2014 Incentive Plan. We initially reserved 420,000 shares of common stock for issuance under our 2014 Incentive Plan, which is the equivalent of approximately 15% of the sum of (i) the issued and outstanding shares of our common stock immediately following our spin-off from Ashford Trust in November 2014 and (ii) the shares of our common stock reserved for issuance pursuant to the deferred compensation obligations we assumed in connection with the spin-off. In the event the outstanding shares of common stock are changed into or exchanged for a different number or kind of shares or other securities of the company by reason of a merger, consolidation, recapitalization, reclassification, stock split, stock dividend, combination of shares or the like, the aggregate number and class of securities available under our 2014 Incentive Plan will be ratably adjusted. In the event the number of shares to be delivered upon the exercise or payment of any award granted under the 2014 Incentive Plan is reduced for any reason whatsoever, including any optional forfeitures for the payment of taxes, or in the event any award granted under our 2014 Incentive Plan can no longer under any circumstances be exercised or paid, the number of shares no longer subject to such award will be released from such award and be available under the 2014 Incentive Plan for the grant of additional awards.

The 2014 Incentive Plan contains a provision pursuant to which there is an automatic increase of authorized shares on January 1 of each year equal to 15% of the sum of (i) the fully diluted share count as of January 1 of such year and (ii) the shares of common stock reserved for issuance under the company's deferred compensation plan, less shares available under the 2014 Incentive Plan as of December 31 of the previous year. After application of this

Table of Contents

provision, as of January 1, 2018, we had 491,571 shares of our common stock, or securities convertible into 491,571 shares of our common stock available for issuance under our 2014 Incentive Plan.

Eligibility. Under the 2014 Incentive Plan, we may grant awards to the employees, consultants and non-management directors of our company and its affiliates. While we may grant incentive stock options only to employees of the company or its affiliates, we may grant nonqualified stock options, bonus stock, stock appreciation rights, stock awards and performance awards to any eligible participant. We have approximately 104 employees and five non-management directors, all of whom are eligible to participate in the 2014 Incentive Plan.

Administration. Our 2014 Incentive Plan is administered by the Compensation Committee of our Board of Directors. With respect to any grant or award to any individual covered by Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) which is intended to be performance-based compensation, the Compensation Committee has consisted and continues to consist solely of two or more members of our Board of Directors, each of whom qualifies as a non-management director within the meaning of Section 16b-3 under the Exchange Act.

The Compensation Committee selects the participants who are granted any award, and employees, consultants and non-management directors of our company or our affiliates are eligible to receive awards under the 2014 Incentive Plan, except that only employees of our company are eligible to receive an award of an incentive stock option and only employees, consultants and non-management directors of our company are eligible to receive an award of a nonqualified stock option or stock appreciation right.

The 2014 Incentive Plan will terminate on the tenth anniversary of the date of approval by our stockholders, and no new awards may be granted after the termination date. Awards made before the termination of our 2014 Incentive Plan will continue in accordance with their terms.

Non-Equity Incentive Plan Compensation Awards

Cash bonuses are set by the Compensation Committee based upon the achievement of strategic and financial objectives set at the beginning of the year by the Board and management. In 2017, the objectives included relative total stockholder return, earnings growth, new services and increased exposure to the investment and analyst communities. The Compensation Committee selected seven metrics, assigned weights to each and set performance targets for threshold, mid-point and maximum bonus levels, with interpolation for performance between the threshold, mid-point and maximum targets, as shown in the table below.

In 2017, the named executive officers met or exceeded the maximum performance target for all but one of the measures as shown in the table below. As a result, each executive earned a bonus for 2017 at a level equal to 94.6% of their maximum potential.

Tax Considerations

Section 162(m) of the Code limits the deductibility of compensation paid to certain of our executive officers. Prior to the recently enacted Tax Cut and Jobs Act (the *Tax Act*) Section 162(m) of the Code contained an exemption from such limit on the deductibility of compensation in excess of \$1,000,000 to certain officers of companies with securities registered under Section 12 of the Exchange Act for certain performance-based compensation. To qualify for deductibility under Section 162(m) of the Code, compensation in excess of \$1,000,000 paid to our named executive officers (other than our chief financial officer who was not subject to Section 162(m) of the Code prior to the Tax Act, but will be so after the Tax Act) during any fiscal year generally was required to be performance-based compensation as determined under Section 162(m) of the Code. Compensation generally qualified as performance-based if, among other requirements, was payable only upon the attainment of pre-established, objective performance goals based on performance criteria that had been approved by our stockholders, and the committee of our Board that established and certified the attainment of such goals consists only of outside directors. All members of our Compensation Committee have at all pertinent times qualified as outside directors for purposes of Section 162(m). The Tax Act amended Section 162(m) to eliminate the exemption from the limit on deductibility for performance-based income and to expand the officers covered by the limitation.

Our company is structured such that compensation is not paid and deducted by the corporation, but at the lower-level operating partnership, which also serves as the employer. The IRS has previously issued a private letter ruling holding that in the event that a publicly held corporation's covered employees receive compensation from a partnership in which such corporation has an ownership interest for services performed to such partnership, Section 162(m) of the Code does not apply to either the partnership, for compensation paid to the covered employee, or to the corporation, for its share of income or loss from the partnership that includes compensation expenses for such services performed by the covered employee. Consistent with that ruling, we have taken a position that compensation expense paid and incurred at the operating partnership level is not subject to the Section 162(m) of the Code limit. As such, the Compensation Committee does not believe that it is necessary to meet the requirements of the performance-based compensation exception to Section 162(m) of the Code. As private letter rulings are applicable only for the taxpayer who obtains the ruling, and we have not obtained a private letter ruling addressing this issue, there can be no assurance that the IRS will not challenge our position that Section 162(m) of the Code does not apply to compensation paid at the operating partnership level.

While the tax impact of any compensation arrangement is one factor to be considered, such impact is evaluated in light of the Compensation Committee's overall compensation philosophy and objectives.

Deferred Compensation Plan

In 2007, Ashford Trust implemented a deferred compensation plan which allowed its executives and directors, at their election, to defer portions of their compensation. We assumed the plan in connection with the spin-off, and it was subsequently amended and restated. Mr. Monty Bennett is the only named executive officer that has participated in this plan. On the spin-off date, we assumed a liability of \$16,956,712 in connection with Mr. Bennett's portion of the deferred compensation plan. No additional compensation has been deferred under the amended and restated plan following the spin-off.

Pursuant to the terms of the amended and restated plan, Mr. Bennett elected to invest his deferred compensation amounts in our common stock. As a result of this election, we have agreed to issue Mr. Bennett 195,579 shares of our common stock to satisfy the assumed deferred compensation obligation, and such shares will be issued beginning when the applicable deferral periods expire. We became obligated to begin payment of the deferred compensation obligations (and issuance of shares of our common stock) to Mr. Bennett over a five-year period that will begin in 2020. Such shares will be issued in equal quarterly installments of 9,779 shares per installment beginning in the first quarter of 2020.

Table of Contents

Prior to our assumption and amendment of the deferred compensation plan in November 2014, Ashford Trust paid deferred compensation plan participants who elected the company stock investment option dividend equivalents, which accrued as additional shares, if and to the extent Ashford Trust paid dividends on its common stock. Thereby, each executive who participated in the deferred compensation plan and elected the company stock investment option received his investment shares plus any related dividend equivalent shares at the time that distributions were made from the plan subject to applicable rules and limitations. After our assumption and amendment of the deferred compensation plan in November 2014, deferred compensation plan participants may elect our common stock as an investment option, and we will continue to make such dividend equivalent payments in shares of our common stock to the extent we pay dividends and deferred compensation plan participants elect common stock as the investment option.

Compensation Risk Assessment

The Compensation Committee has overall responsibility for overseeing the risks relating to our compensation policies and practices. The Committee uses its independent compensation consultant, Gressle & McGinley, to independently consider and analyze the extent, if any, to which our compensation policies and practices might create risks for the Company, as well as policies and practices that could mitigate any risks. After conducting this review in early 2018, the Compensation Committee has determined that none of our compensation policies and practices create any risks that are reasonably likely to have a material adverse effect on our Company.

Potential Payments Upon Termination of Employment or Change of Control

We have employment agreements with each of our executive officers, some of which were approved while the Company was a controlled subsidiary of Ashford Trust prior to the spin-off, and we assumed Ashford Trust's existing deferred compensation plan. Under the terms of the employment agreements, each of our named executive officers is entitled to receive certain severance benefits after termination of employment. The amount and nature of these benefits vary depending on the circumstances under which employment terminates. The employment agreements provide for certain specified benefits during the entire term of the employment agreement.

Each of the employment agreements of our named executive officers provides that, if the executive's employment is terminated as a result of death or disability of the executive; by us without cause (including non-renewal of the agreement by us); by the executive for good reason; or after a change of control (each as defined in the applicable employment agreement), the executive will be entitled to accrued and unpaid salary to the date of such termination, pay for unused vacation and any unpaid incentive bonus from the prior year plus the following severance payments and benefits, subject to his execution and non-revocation of a general release of claims:

- a lump-sum cash severance payment (more fully described below);
- pro-rated payment of the incentive bonus for the year of termination, payable at the time incentive bonuses are paid to the remaining senior executives for the year in which the termination occurs;
- all restricted equity securities held by such executive will become fully vested; provided however, for all executives other than Messrs. Bennett and Kessler, if a change of control occurs and the executive's employment is terminated by the executive without good reason, only unvested restricted equity securities awarded prior to September 13, 2017 will become fully vested and the unvested restricted equity securities awarded on or after

September 13, 2017 will be forfeited; and

- health benefits for 36 months following the termination of employment of Messrs. Bennett and Kessler, or 24 months following the termination of employment of the other executives, and life and disability benefits for 36 months following the termination of employment of Messrs. Bennett and Kessler, or 24 months following the termination of employment of the other executives, in each case at the same level of benefit as in effect immediately preceding such termination, subject to reduction to the extent that the executive receives comparable benefits from a subsequent employer (other than a Remington affiliate for Mr. Bennett), payable by the Company over the period of coverage.

The lump sum severance payment payable upon termination of an executive's employment agreement in any of the circumstances described above is calculated as the sum of such executive's then-current annual base salary plus his average bonus over the prior three years, multiplied by a severance multiplier. The severance multiplier is:

- one for all executives in the event of termination as a result of death or disability of the executive;

Table of Contents

- two for all executives other than Messrs. Bennett and Kessler and three for Messrs. Bennett and Kessler in the event of and termination by us without cause (including non-renewal of the agreement) or termination by the executive for good reason;
- three for Messrs. Bennett and Kessler in the event of termination by the Company without cause or by the executive for any reason within one year following a change in control.

If an executive's employment is terminated by the executive officer without good reason (as defined in the applicable employment agreement), the executive will be entitled to accrued and unpaid salary to the date of such termination and any unpaid incentive bonus from the prior year. Additionally, the employment agreements for each of the executives includes non-compete provisions, and in the event the executive elects to end his employment with us without good reason, in exchange for the executive honoring his non-compete provisions, he will be entitled to the following additional payments:

- health benefits for the duration of the executive's non-compete period following the executive's termination of employment at the same level of benefit as in effect immediately preceding such termination, subject to reduction to the extent that the executive receives comparable benefits from a subsequent employer; and
- a non-compete payment equal to the sum of his then-current annual base salary plus average bonus over the prior three years, paid equally over the twelve-month period immediately following the executive's termination.

If any named executive officer's employment agreement is terminated by the Company for cause (as defined in the applicable employment agreement) the executive will be entitled solely to any accrued and unpaid salary to the date of such termination and any unpaid incentive bonus from the prior year.

Each of the employment agreements contain standard confidentiality, non-compete, non-solicitation and non-interference provisions. The confidentiality provisions apply during the term of the employment agreement and for anytime thereafter. The non-interference provisions apply during the term of the employment agreement. The non-solicitation provisions apply during the term of the agreement, and for a period of one year following the termination of the executive. The non-compete provisions apply during the term of the employment agreements and for a period of one year thereafter. The non-compete provisions of Mr. Monty Bennett's employment agreement specifically allow Mr. Bennett to engage in certain potentially competitive activities consistent with his positions at Remington and consistent with the mutual exclusivity agreement between Remington and the company.

Additionally, in the event of an executive's termination for any reason, all deferred compensation amounts payable under our deferred compensation plan become due and payable in a single lump sum payment within 45 days of the termination date.

Mr. Brooks, a named executive officer of the Company, passed away on March 29, 2018. As a result, we expect to pay to Mr. Brooks's estate a cash payment in accordance with the provisions of the employment agreement between Mr. Brooks and the Company discussed above. In addition, all equity awards granted to Mr. Brooks, including non-qualified stock options, vested immediately upon his passing.

Compensation of Directors

Each of our non-employee directors was paid an annual base retainer of \$100,000 prior to August 2017, which retainer was increased to \$150,000 effective August 2017. Such retainer is payable 50% in cash and 50% in common stock of the Company. Effective August 2017, the Lead Director is paid an additional annual cash retainer of \$25,000; the chairman of each of the Audit Committee and Compensation Committee are paid an additional annual cash retainer of \$10,000; the chairman of the Nominating and Corporate Governance Committee is paid an additional annual cash retainer of \$5,000; and each member of the Audit Committee other than the chairman are paid an additional annual cash retainer of \$2,500. There are no additional fees paid for attending meetings. Our non-employee directors may also be eligible for additional cash retainers from time to time for their service on special committees. Officers receive no additional cash compensation for serving on the Board. All directors are also reimbursed for reasonable out-of-pocket expenses incurred in connection with their services on the Board.

Our 2014 Incentive Plan provides for grants of stock to non-employee directors. On the date of the first meeting of the Board following each annual meeting of stockholders at which a non-employee director is initially elected or re-elected to the Board, each non-employee director receives a grant of shares of our common stock valued at 50%

of the director annual base retainer as of the date of grant. These stock grants are fully vested immediately. In accordance with this policy, we granted 946 shares of fully vested common stock to each of our non-employee directors on May 16, 2017. Our Co-President and Chief Executive Officer and our Chief Strategy Officer, who are both members of the Board, did not receive additional compensation for their services as directors.

Each of our non-employee directors must hold an amount of common stock having a value in excess of three times his or her annual Board retainer fee (excluding any portion of the retainer fee representing additional compensation for being a Committee chair). The following table summarizes the compensation paid by us to our non-employee directors for their services as director for the fiscal year ended December 31, 2017:

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE.

This section of our annual report on Form 10-K/A describes certain relationships and related person transactions we have that could give rise to conflicts of interest. A related transaction is any transaction, arrangement or relationship, or series of similar transactions, arrangements or relationships, since the beginning of our last fiscal year or currently proposed, in which: (i) our Company was or is to be a participant, (ii) the amount involved exceeds \$120,000, and (iii) any related person had or will have a direct or indirect material interest.

A related person means: (i) any director, director nominee or executive officer of the Company, (ii) any person known to the Company to be the beneficial owner of more than 5% of its outstanding voting stock at the time of the transaction, (iii) any immediate family member of either of the foregoing or (iv) a firm, corporation or other entity in which any of the foregoing is a partner or principal or in a similar position or in which such person has at least a 10% equity interest.

Conflict of Interest Policies

We take conflicts of interest seriously and aim to ensure that transactions involving conflicts or potential conflicts are thoroughly examined and only approved by independent Board members.

Because we could be subject to various conflicts of interest arising from our relationships with Ashford Trust, Braemar, AIM, their respective affiliates and other parties, to mitigate any potential conflicts of interest, we have adopted a number of conflict of interest policies. Our bylaws require that, at all times, a majority of the Board be independent directors and our Corporate Governance Guidelines require that two-thirds of the Board be independent directors at all times that we do not have an independent chairman.

Our Corporate Governance Guidelines also provide that all decisions related to our advisory agreements with Ashford Trust and Braemar, our mutual exclusivity agreement with Remington and certain agreements with Ashford Trust that we entered into pursuant to our spin-off from Ashford Trust in 2014 be approved by a majority of the independent directors, except as specifically provided otherwise in such agreements.

Finally, our directors also are subject to provisions of Maryland law that address transactions between Maryland corporations and our directors or other entities in which our directors have a material financial interest. Such transactions may be voidable under Maryland law, unless certain safe harbors are met. Our charter contains a requirement, consistent with one such safe harbor, that any transaction or agreement involving us, any of our wholly owned subsidiaries or our operating partnership and a director or officer or an affiliate or associate of any director or officer requires the approval of a majority of disinterested directors.

Advisory Agreements and Relationships with Ashford Trust and Braemar

Edgar Filing: Ashford Inc. - Form 10-K/A

We, through our operating subsidiary, Ashford LLC, advise Ashford Trust and Braemar in the management of their investments and day-to-day operations, subject to the supervision and oversight of the respective board of directors of such entities, pursuant to advisory agreements executed between Ashford LLC and each of Ashford Trust and Braemar. We may also perform similar services for new or existing platforms created by us, Ashford Trust or Braemar. We share many of the same executive officers with Ashford Trust and Braemar, and we all have one common director, Mr. Monty J. Bennett, our Chief Executive Officer and Chairman.

Advisory Agreement with Ashford Trust

Our advisory agreement with Ashford Trust has an initial 10-year term that expires on June 10, 2025 and is automatically renewed for successive five-year terms after its expiration unless terminated either by us or Ashford Trust, as applicable. We are entitled to receive from Ashford Trust an annual base fee calculated as 0.70% or less of the total market capitalization of Ashford Trust, subject to a minimum quarterly fee. We are also entitled to receive an incentive fee from Ashford Trust based on its out-performance, as measured by total annual stockholder return, as compared to Ashford Trust's defined peer group. For the year ended December 31, 2017, we earned a base fee of \$34.7 million and an incentive fee of \$1.8 million.

In addition, we are entitled to receive directly or be reimbursed, on a monthly basis, for all expenses paid or incurred by us or our affiliates on behalf of Ashford Trust or in connection with the services provided by us pursuant to our advisory agreement with Ashford Trust, which includes Ashford Trust's pro rata share of our office overhead and administrative expenses incurred in providing our duties under the advisory agreement.

Table of Contents

The board of directors of Ashford Trust also has the authority to make annual equity awards to us or directly to our employees, officers, consultants and non-employee directors, based on the achievement by Ashford Trust of certain financial and other hurdles established by its boards of directors. In March 2017, Ashford Trust awarded equity grants of its common stock, LTIP units, performance stock units, and performance LTIP units to our executives valued at approximately \$13.1 million. In April 2017, Ashford Trust awarded equity grants of its common stock and LTIP units valued at approximately \$1.9 million to our non-executive employees.

We are also entitled to receive a termination fee from Ashford Trust under certain circumstances.

Advisory Agreement with Braemar

In connection with the amendment and restatement of our advisory agreement with Braemar, which amendment was approved by Braemar's stockholders at its 2017 annual meeting of stockholders and effective as of June 9, 2017, we received a cash payment from Braemar of \$5.0 million at the time the amended advisory agreement became effective. Our current advisory agreement with Braemar has an initial 10-year term that expires on January 24, 2027 and is subject to renewal by us for up to seven additional successive 10-year terms.

Generally, we are entitled to receive from Braemar an annual base fee fixed at 0.70% of the total market capitalization of Braemar, payable on a monthly basis. We are also entitled to receive an incentive fee from Braemar based on its out-performance, as measured by total annual stockholder return, as compared to Braemar's peers. For the year ended December 31, 2017, we earned a base fee of \$8.8 million and an incentive fee of \$1.3 million from Braemar.

In addition, we are entitled to receive directly or be reimbursed, on a monthly basis, for all expenses paid or incurred by us or our affiliates on behalf of Braemar or in connection with the services provided by us pursuant to our advisory agreement with Braemar, which includes Braemar's pro rata share of our office overhead and administrative expenses incurred in providing our duties under the advisory agreement. For the year ended December 31, 2017, we received reimbursable overhead and internal audit, insurance claims and advisory fees of \$2.1 million from Braemar.

The board of directors of Braemar also has the authority to make annual equity awards to us or directly to our employees, officers, consultants and non-employee directors, based on the achievement by Braemar of certain financial and other hurdles established by its boards of directors. In April 2017, Braemar awarded equity grants of its common stock, LTIP units, performance stock units, and performance LTIP units to our executives valued at approximately \$5.4 million, and awarded equity grants of its common stock, LTIP units and/or performance stock units to our non-executive employees valued at approximately \$0.5 million.

We are also entitled to receive a payment of \$45 million, in addition to the termination fee from Braemar, in the event the advisory agreement is terminated prior to any net incremental growth in Braemar's hotel portfolio. This amount may reduce ratably to zero over time based on such net incremental asset growth. We are also required to provide quarterly public disclosure of the incremental expenses of Ashford Inc. used to calculate the termination fee.

Service Providers

In accordance with our advisory agreements, we, or entities in which we have an interest, have a right to provide products or services to hotels owned by Ashford Trust and Braemar or their affiliates at market rates, provided such transactions are evaluated and approved by the independent directors of Ashford Trust and Braemar. Our relationships with such product and service providers often results in preferred pricing, premium service, and other benefits for Ashford Trust and Braemar hotels. We also anticipate that this arrangement will facilitate better long-term quality control and accountability.

If our independent directors request performance of services outside the scope of the advisory agreement, Ashford Trust and Braemar are obligated to pay for such services separately and in additional to the other fees charged by us under the applicable advisory agreement.

The table below sets forth entities in which we had an interest as of December 31, 2017 with which some of Ashford Trust's hotels and Braemar's hotels contracted for products and services, the approximate amounts paid or by or received from affiliates of Ashford Trust or Braemar for those services, our interests in such entities, and the number of board seats we are entitled to on such companies' boards.

Our Relationship and Agreements with Remington

Mutual Exclusivity Agreement

Immediately prior to the completion of our spin-off from Ashford Trust in 2014, we entered into a mutual exclusivity agreement with Remington, pursuant to which we agreed to utilize Remington to provide property management, project management and development services for all hotels, if any, that we may acquire as well as all hotels that future companies advised by us may acquire, to the extent that we have the right, or control the right, to direct such matters, unless our independent directors either (i) unanimously vote not to utilize Remington for such services or (ii) based on special circumstances or past performance, by a majority vote elect not to engage Remington because they have determined, in their reasonable business judgment, that it would be in our best interest not to engage Remington or that another manager or developer could perform the duties materially better. In exchange for our agreement to engage Remington for such services for all hotels, if any, that we may acquire as well as all hotels that future companies advised by us may acquire, Remington has agreed to grant to any such companies advised by us a right of first refusal to purchase any investments identified by Remington and any of its affiliates that meet the initial investment criteria of such entities, as identified in the advisory agreement between us and such entities, subject to any prior rights granted by Remington to other entities, including Ashford Trust, Braemar and us. The services that Remington provides under the mutual exclusivity agreement to Ashford Trust, Braemar and future companies advised by us includes (i) property management services, which consist of the day-to-day operations of hotels; (ii) project management services, which consist of construction management, interior design, architectural oversight, and the purchasing, expediting, warehousing, freight management, installation and supervision of furniture, fixtures, and equipment, and related services; and (iii) development services, which consist of building hotel properties or constructing hotel improvements. In connection with the consummation of the Transactions contemplated by the Combination Agreement, we and Remington expect (a) to amend and restate the mutual exclusivity agreement such that we will still agree to use Remington to provide only all property management services (and not project management and development services) for all hotels, if any, that we may acquire in the future, as well as all hotels that future companies that we advise may acquire, to the extent that we have the right, or control the right, to direct such matters (subject to the same exceptions with respect to votes of our independent directors as are currently contained in the mutual exclusivity agreement) and (b) Remington and its affiliates will assign their rights under the mutual exclusivity agreement with respect to project management and development services to PM LLC.

Mr. Monty J. Bennett, our Chief Executive Officer and Chairman of the Board, is also the Chief Executive Officer of Remington and, together with his father Mr. Archie Bennett, Jr. owns 100% of Remington, and, as a result, Mr. Monty J. Bennett will potentially benefit, directly or indirectly, from Remington's receipt of property management fees, project management fees and development fees by Remington from such future companies that we advise, as well as any such fees payable by us if we acquire or develop hotels in the future. Currently, our business strategy does not contemplate the acquisition or development of hotels.

Remington-Related Transactions

On September 17, 2015, we entered into an acquisition agreement to acquire 80% of Remington. The acquisition was subject to customary closing conditions, including that the transaction must be approved by our stockholders. Our stockholders approved the transaction on April 12, 2016. Effective March 24, 2017, Remington and Ashford Inc. mutually agreed to terminate the acquisition agreement due to the failure of certain closing conditions to be fully satisfied.

On April 6, 2018, we entered into a combination agreement to acquire the project management business of Remington, as described in a proxy statement/prospectus filed by the Company on April 23, 2018. The transactions are subject to customary closing conditions, including that the transactions be approved by our stockholders to the extent required by applicable law

or the terms of the Company's listing on the NYSE American. We are submitting a proposal to approve the transactions by our stockholders at our 2018 Annual Meeting of Stockholders.

Board Member Independence

The Board determines the independence of our directors in accordance with Section 803A of the NYSE American LLC Company Guide and in accordance with our Corporate Governance Guidelines. The full text of Corporate Governance Guidelines can be found in the Investor Relations section of our website at www.ashfordinc.com by clicking INVESTORS, then Corporate Governance, then Governance Documents, and then Corporate Governance Guidelines. The NYSE American LLC Company Guide requires an affirmative determination by the Board that the director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In determining whether any director has a relationship with us that would impair independence, the Board reviewed both the NYSE American LLC Company Guide and our own Corporate Governance Guidelines.

Following deliberations, the Board has affirmatively determined that, with the exception of Mr. Monty J. Bennett, our Chief Executive Officer and Chairman, and Mr. J. Robison Hays, III, our Co-President and Chief Strategy Officer, each director of the Company is independent of the Company and its management under the standards set forth in our Corporate Governance Guidelines and the NYSE American LLC Company Guide.

In making the independence determinations with respect to our current directors, the Board examined all relationships between each of our directors or their affiliates and the Company or its affiliates, including those reported below under Item 13 in this annual report on Form 10-K/A and one additional relationship that did not rise to the level of a reportable related person transaction but were taken into consideration by the Board in making independence determinations. Mr. Wheeler's wife owns a commercial printing company that is occasionally utilized by Ashford Inc., Ashford Trust and Braemar for printing needs. Total fees paid to this company by Ashford Inc., Ashford Trust and Braemar was \$64,397, \$95,614 and \$83,319 in 2017, 2016 and 2015, respectively. The Board determined that these transactions did not impair the independence of the director involved. As a result of such analysis and independence determinations, the Board is comprised of a majority of independent directors, as required by Section 803A of the NYSE American LLC Company Guide. Any reference to an independent director herein means such director satisfies the independence criteria set forth in the NYSE American LLC Company Guide.
