### ELECTION OF DIRECTORS

At the Annual Meeting, the Board of Directors will consist of five directors. Pursuant to Articles Supplementary filed by the Company on October 14, 2002, directors are divided into three classes and elected for terms of three years each and until their successors are elected and qualify. The Board has nominated Ronald A. Seff, M.D. for election as director at the 2003 Annual Meeting to serve for a term of three years each and until his successor is elected and qualifies. The terms of office of Cary Luskin and Howard Silverman, Ph.D. will expire at the 2004 Annual Meeting, and the terms of office of Stephen C. Knepper and Harvey B. Grossblatt will expire at the 2005 Annual Meeting. Under the Bylaws of the Company, the affirmative vote of the holders of a majority of the stock issued and entitled to vote is necessary to elect a director. A quorum for the Annual Meeting consists of a majority of the issued and outstanding Shares present in person or by proxy and entitled to vote. Withholding of a vote will have the same effect as a vote against the director.

Unless contrary instruction is given, the persons named in the proxies solicited by the Board of Directors will vote each such proxy for the election of the named nominee. If the nominee is unable to serve, the shares represented by all properly executed proxies which have not been revoked will be voted for the election of such substitute as the Board of Directors may recommend. Alternatively, the Board of Directors may reduce the size of the Board to eliminate any vacancy caused by the nominee's inability to serve. At this time, the Board does not anticipate that the nominee will be unavailable to serve.

The following table sets forth, for the nominee and each continuing director, his name, age as of the Record Date, the year he first became a director of the Company, and the expiration of his current term. There are no known arrangements or understandings between any director or nominee for director of the Company and any other person pursuant to which such director or nominee has been selected as a director or nominee.

### INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors has selected the firm of Grant Thornton LLP as the Company's independent public accountants for the current fiscal year. Grant Thornton LLP has served as the Company's independent public accountants since 1999. Representatives of Grant Thornton LLP are expected to be present at the meeting, and will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions.

The following is a description of the fees billed to the Company by Grant Thornton LLP (the "Auditor") during the fiscal years ended March 31, 2003 and 2002:

8

#### Audit Fees

Audit fees include fees paid by the Company to the Auditor in connection with the annual audit of the Company's consolidated financial statements, and review of the Company's interim financial statements. Audit fees also include fees for services performed by the Auditor that are closely related to the audit and in many cases could only be provided by the Auditor. Such services include consents related to Securities and Exchange Commission and other regulatory filings. The aggregate fees billed to the Company by the Auditor for audit services rendered to the Company for the years ended March 31, 2003 and 2002 totaled \$69,500 and \$42,250, respectively.

#### Audit Related Fees

#### Approval of Independent Auditor Services and Fees

## Edgar Filing: UNIVERSAL SECURITY INSTRUMENTS INC - Form DEF 14A

The Company's Audit Committee reviews all fees charged by the Company's independent auditors, and actively monitors the relationship between audit and non-audit services provided. Effective April 1, 2003, the Audit Committee must pre-approve all services provided by the Company's independent auditors and fees charged. The Audit Committee has further mandated that all independent auditor services strictly adhere to the limitations contained within the SEC's release, "Strengthening the Commission's Requirements Regarding Auditor Independence", which was issued in final form in January 2003. The release restricts engagement of the independent auditors to perform non-audit services; requires Audit Committee pre-approval of all audit and non-audit services; addresses the duration of time certain independent auditor partners can serve on the audit engagement and the manner of the partners' compensation; restricts employment by the Company of senior engagement team personnel; requires the independent auditor to report certain matters to the Audit Committee; and requires certain disclosures to investors of information related to the nature of audit and non-audit services provided and associated fees. The Company's senior corporate financial management administers these requirements, and will report throughout the year to the Audit Committee.

### OTHER MATTERS

The Board of Directors is not aware of any other matter which may be presented for action at the 2003 Annual Meeting of Stockholders, but should any other matter requiring a vote of the stockholders arise at the 2003 Annual Meeting, it is intended that the proxies will be voted with respect thereto in accordance with the discretion of the person or persons voting the proxies, discretionary authority to do so being included in the proxy.

The cost of soliciting proxies will be borne by the Company. Arrangements will be made with brokerage firms and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the Shares held of record by such persons, and the Company will reimburse them for their reasonable out-of-pocket expenses. Officers and directors may also solicit proxies.

The nominee for election as director who receives the affirmative vote of the holders of a majority of the stock issued and entitled to vote at the Annual Meeting for the election of directors will be elected. In respect of any other matter, the affirmative vote of the holders of a majority of the stock issued and entitled to vote in respect of that matter is necessary to approve the matter.

9

As a matter of policy, the Company will accord confidentiality to the votes of individual stockholders, whether submitted by proxy or ballot, except in limited circumstances, including any contested election, or as may be necessary to meet legal requirements. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Company and will determine whether or not a quorum is present. Abstentions will be treated as Shares that are present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain Shares to vote on a particular matter, those Shares will be treated as present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining approval of that matter.

Any stockholder desiring to present a proposal at the 2004 Annual Meeting of Stockholders and wishing to have that proposal included in the proxy

### APPENDIX A UNIVERSAL SECURITY INSTRUMENTS, INC. AUDIT COMMITTEE CHARTER

#### PURPOSE

The role of the Audit Committee (the "Committee") is to oversee:

## Edgar Filing: UNIVERSAL SECURITY INSTRUMENTS INC - Form DEF 14A

- o Management in the performance of its responsibility for the integrity of the Company's accounting and financial reporting, and its systems of internal controls;
- o The performance and qualifications of the independent auditor (including the independent auditor's independence);
- o The performance of the Company's internal audit function; and
- o The Company's compliance with legal and regulatory requirements.

Consistent with this oversight function, the Committee shall authorize investigations into any matters within the Committee's responsibilities and, in doing so, the Committee shall have full access to the Company's records, employees, and independent auditor (with or without the presence of management).

The Committee shall have the authority, to the extent it deems necessary or appropriate, to retain legal, accounting or other advisors for advice and assistance. The Company shall pay the costs of retaining any advisors selected by the Committee.

The Committee shall meet at least four times each year or more frequently as circumstances dictate. The Committee shall meet with the Company's independent auditor at least quarterly, and shall meet with the Company's Chief Financial Officer ("CFO") at least annually or more frequently as circumstances dictate.

The Committee shall review and reassess the adequacy of this Charter at least annually. Any proposed changes shall be submitted to the Company's Board of Directors (the "Board") for its approval. The Committee shall annually evaluate the processes, activities and effectiveness of the Committee, including the composition, expertise, and availability of the Committee members.

### STRUCTURE AND MEMBER QUALIFICATIONS

The members of the Committee shall be annually appointed by the Board, and may be replaced by the Board according to the Company's Bylaws.

The Committee shall have at least three members and shall consist solely of "independent" Directors, consistent with the listing standards of the American Stock Exchange and applicable legal requirements.

The membership of the Committee shall have the following qualifications:

- o Each member of the Committee shall be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement or will become able to do so within a reasonable period of time after his or her appointment to the Committee.
- o At least one member of the Committee must have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.
- o If the Board determines, at least one member shall qualify as an "audit committee financial expert" as defined by the Securities

and Exchange Commission ("SEC").

The Board will assess and determine the qualifications of the Committee members set forth in this Charter.

The Board shall select the Audit Committee Chair. If a Chair is not designated or present, a Chair may be designated by a majority vote of the Committee members present.

## RESPONSIBILITIES AND DUTIES

The Committee recognizes that the Company's management is responsible for the completeness and accuracy of the Company's financial statements and disclosures and for maintaining effective internal controls. The Committee also recognizes that the independent auditor is responsible for auditing the Company's financial statements. Accordingly, management and the independent auditor have more knowledge and more detailed information about the Company than do Committee members and the Committee's primary responsibility is oversight. In carrying out its oversight responsibilities, the Committee will be relying, in part, on the expertise of management and the independent auditor.

The Committee shall be responsible for the appointment, compensation, removal, and oversight of the work of the independent auditor. The independent auditors shall report directly to the Committee and the Committee shall oversee the resolution of disagreements between management and the independent auditors in the event that they arise.

To fulfill this oversight responsibility, the Committee should receive reports from management and the independent auditor, as appropriate, to fulfill the following duties and responsibilities (which, to the extent permitted by applicable regulation, may be delegated to one or more members of the Committee):

### Risk Assessment

- o Assess the Company's risk management process and the adequacy of the overall control environment, including controls in selected areas representing financial reporting, disclosure and compliance.
- o Assess any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal controls.
- o Assess the annual scope and plans of the independent auditors.

### Financial Reporting and Disclosure

- o Review and discuss with management and the independent auditor the annual audited and quarterly financial statements, related footnotes, disclosures made in the Management's Discussion and Analysis of Financial Condition and Results of Operations section of the Company's quarterly and annual SEC filings, the opinion of the independent auditor with respect to the audited financial statements, and the results of the independent auditor's quarterly review of the financial statements.

## Edgar Filing: UNIVERSAL SECURITY INSTRUMENTS INC - Form DEF 14A

- o Review and discuss with management and the independent auditor any significant events, transactions, changes in accounting estimates, changes in important accounting principles and their application, and any major issues as to the adequacy of internal controls affecting the quality of the Company's financial reporting.
- o Review, in conjunction with its review of the quarterly and annual reports, the process for the Chief Executive Officer ("CEO") and CFO certifications with respect to the financial statements and the Company's disclosure and internal controls.
- o Evaluate all significant deficiencies in the design or operation of internal controls which could adversely affect the Company's ability to record, process, summarize, and report financial data.

2

- o Review and discuss with management any proposed public release of earnings information, as well as financial information provided to analysts and rating agencies.

### Independent Auditor Oversight Responsibilities

- o Based upon a report from the independent auditor at least annually, review (a) the auditor's internal quality-control procedures, (b) any material issues raised by the most recent quality-control review, or peer review, of the firm, or by any recent inquiry or investigation by governmental or professional authorities respecting one or more independent audits carried out by the firm and (c) any steps taken to address any such issues.
- o Ensure that the independent auditor submits, on a periodic basis, a formal written statement delineating all relationships between the independent auditor and the Company, as required by the Independence Standards Board, Standard No. 1; discuss the statement with the independent auditor and evaluate the relationships and services that may affect the auditor's objectivity and independence; take appropriate action to satisfy itself of the auditor's independence.
- o Review matters related to the conduct of the annual audit, which are required to be communicated by AICPA Statement of Auditing Standards 61 and other generally accepted auditing standards.
- o Conduct the annual discussion with the independent auditor on the quality and acceptability of the Company's accounting principles and all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, the potential impact of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor.
- o Review the independent auditor's management letter.
- o Review with the independent auditor any audit problems or difficulties and management's response.

## Edgar Filing: UNIVERSAL SECURITY INSTRUMENTS INC - Form DEF 14A

- o Approve in advance all audit and non-audit services to be provided by, and all fees to be paid to, the independent auditor or devise policies delegating pre-approval authority to one or more members of the Committee.

### Ethical, Legal and Regulatory Compliance Matters

- o Assess the Company's processes regarding compliance with applicable laws, regulations and any code of business ethics adopted by the Board, including those matters that could have a significant impact on the financial statements, compliance with policies, reports from regulators and the provisions of any such code of business ethics applicable to the CEO and the Company's senior financial officers as defined by the SEC rules.
- o Assess the Committee's procedures for (a) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and (b) the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.
- o Review reports and disclosures of significant conflicts of interest and related-party transactions.

### REPORTS

The Committee shall report to the Board with respect to its activities as promptly as practicable following each meeting of the Committee.
