**Other Events**

On August 6, 2009, a Final Judgment and Consent Decree ( *Judgment* ) was agreed to between iMergent, Inc. (the "Company") and the State of Washington. The Judgment is awaiting entry by the Court and is filed in the King County Superior Court, entitled State of Washington v. iMergent, Inc., Stores Online, Inc. The Judgment stemmed from a non-public investigation by the Attorney General of the State of Washington commenced several years ago claiming violations of the Business Opportunity Statute and certain consumer protection statutes.

The Company agreed to pay a total settlement of \$175,000. The Company had accrued a liability for the settlement amount in a previous period. The settlement amount includes refunds to certain State of Washington customers who may file claims. To the extent that filed claims exceed the refund amount, refunds will be paid on a pro-rata basis. The State of Washington will be entitled to retain any monies not claimed. There are no further costs or fees required to be paid by the Company.

In addition, the Company also agreed to certain actions intended to clarify the business practices of the Company. The Company is not required to register as a seller of a business opportunity. The settlement does not limit the Company's ability to conduct business in the State of Washington.
