Item 8.01. Other Events

On November 9, 2004, American Mortgage Acceptance Company ("AMAC"), together with two other co-lenders, provided a commitment (the "Commitment") to fund up to \$122 million to finance the proposed acquisition by Prime/Mansur Investment Partners, LLC (the "Borrower") of all of the common shares and operating partnership units of Prime Group Realty Trust and Prime Group Realty, L.P. (collectively, "Prime") pursuant to a merger agreement entered into by Prime and the Borrower and certain affiliates of the Borrower on October 27, 2004 (the "Merger"). AMAC will be responsible for funding up to \$74.5 million and the co-lenders will be responsible for funding up to \$47.5 million.

In connection with providing the Commitment, AMAC received a commitment fee of \$435,000.

Prime is a publicly traded real estate investment trust that invests in office and industrial properties, predominately in the Metropolitan Chicago area.

There can be no assurance that the Commitment will be funded especially in light of the fact that on November 10, 2004, Prime issued a press release stating that the Merger terminated automatically in accordance with the terms of the merger agreement because the Borrower did not obtain a financing commitment that satisfied the requirements of the merger agreement. Prime went on to say that it will continue its ongoing process of exploring a possible strategic transaction involving Prime.
