## Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form 8-K

### Item 7.01 Regulation FD Disclosure

On February 28, 2007, American Mortgage Acceptance Company (the "Registrant") issued a press release (the "Press Release") announcing that the Registrant expects Adjusted Funds from Operations ("AFFO") per share for 2007 to be between approximately \$0.95 and \$1.00 and GAAP net income per share for 2007 to be between approximately \$0.79 and \$0.84. In connection with this guidance, the Registrant expects that the dividend per share in 2007 will reflect a payout ratio of 90% - 95% of AFFO. As was the case in 2006, the Registrant will continue to report both Funds from Operations ("FFO") and AFFO. AFFO excludes the changes in the fair value of derivative instruments, net of certain associated costs. The changes in the fair value of these derivative instruments will not have an impact on the Registrant's dividend per share.

A copy of the Press Release is attached to this report on Form 8-K as Exhibit 99.1 and incorporated herein by reference. The information included in this Item 7.01, including the information included in Exhibit 99.1 attached hereto, is intended to be furnished solely pursuant to this Item 7.01, and is not deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or incorporated by reference into any filing under the Securities Act of 1933, as amended ("Securities Act") or the Exchange Act, or otherwise subject to the liabilities of Sections 11 and 12 (a) (2) of the Securities Act.
