News Release

ABLEAUCTIONS 3RD QUARTER RESULTS EXPECTED TO BE STRONGEST FOR THE YEAR TO DATE, EXCEEDING QUARTERLY AVERAGES FOR 2005

September 28, 2005

Ableauctions.com Inc. (AMEX:AAC) (the Company) announced today that it will release its third quarter 2005 results on November 15, 2005 with revenue of approximately \$1.7 million, compared to revenue of \$613,849 in the previous quarter and revenue of \$1.29 million in the corresponding quarter in 2004. The Company also expects net income for the period to be the strongest for 2005.

Revenues from our liquidation operations have fluctuated widely over the course of the year, and will continue to fluctuate based upon seasonality, the inventory available and the timing of orders, said Abdul Ladha, President and CEO of Ableauctions. Fundamentally however, we believe our live auction operations are strong and are on course with our growth expectations of 45% for the year. We continue to expand and re-invest into our core business units. If our share price continues to decline, management may consider utilizing its strong cash reserves to repurchase shares.

About Ableauctions.com

This press release contains forward-looking statements, particularly as related to, among other things, the business plans of the Company, statements relating to goals, plans and projections regarding the Company's financial position and the Company's business strategy. The words or phrases "would be," "will allow," "intends to," "may result," "are expected to," "will continue," "anticipates," "expects," "estimate," "project," "indicate," "could," "potentially," "should," "believe," "considers" or similar expressions are intended to identify "forward-looking statements." These forward-looking statements fall within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Act of 1934 and are subject to the safe harbor created by these sections. Actual results could differ materially from those projected in the forward-looking statements as a result of a number of risks and uncertainties. Such forward-looking statements are based on current expectations, involve known and unknown risks, a reliance on third parties for information, transactions or orders that may be cancelled, and other factors that may cause our actual results, performance or achievements, or developments in our industry, to differ materially from the anticipated results, performance or achievements expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially from anticipated results include risks and uncertainties related to the performance of our staff, management, financing, competition, on-line auction business, our ability to implement or manage our expansion strategy, general economic conditions, our ability to license our software to other auction houses, our ability to acquire profitable companies and integrate them into our business successfully and other factors that are detailed in our Annual Report on Form 10-KSB and on documents we file from time-to-time with the Securities and Exchange Commission. Statements made herein are as of the date of this press release and should not be relied upon as of any subsequent date. The Company cautions readers not to place undue reliance on such statements. The Company does not undertake, and the Company specifically disclaims any obligation, to update any

forward-looking statements to reflect occurrences, developments, unanticipated events or circumstances after the date of such statement. Actual results may differ materially from the Company's expectations and estimates. The Company does not realize nor book the full revenue of auctions that it facilitates in its financials, only the net auction fees, that can vary from time-to-time, that it realizes.
