Long-Term Equity Stock Award

In 2004, the Board of Directors adopted and the shareholders approved the Colony Bankcorp, Inc. 2004 Restricted Stock Grant Plan. The plan enables our Board of Directors, or a committee thereof, to grant up to 143,500 shares of Colony Bankcorp, Inc. common stock to key officers and employees of Colony Bankcorp, Inc. and our subsidiary. The purpose of this plan is to attract, retain and develop strong management as the Company continues to expand, and to induce key individuals who render services that contribute materially to our success to remain with us for the long-term. Shares granted vest over a three year period. During the three year vesting period and under conditions set forth in Colony Bankcorp Inc.'s 2004 Restricted Stock Grant Plan, the shares are subject to forfeiture. In the event of a change in control of the Company, as defined in the Plan, all unvested stock grants immediately become fully vested.

The Restricted Stock Grant Plan assists the Company to:

- enhance the link between the creation of stockholder value and long-term executive incentive compensation;
- provide an opportunity for increased equity ownership by executives; and
- maintain competitive levels of total compensation.

The Compensation Committee (the "Committee") recommended for the Board of Director's approval that no stock grant awards be awarded for fiscal year 2013. The primary focus of the Committee is to retain key individuals and to increase equity ownership by executives with the stock grant awards. The compensation committee is motivated to keep our executive compensation packages competitive with peer companies. The compensation committee reviews, at least annually, the peer company disclosures regarding executive compensation in order to ensure that our overall compensation package compares favorably. One of the areas monitored is stock option plans or in our case a stock grant award plan. The CEO works daily with executive officers and top level officers and offers his input each year as to recommendations for stock awards based on the executive officers and top level officers' production and performance to the overall company strategy. The recommendation is for named executives other than himself and the CFO. Stock awards for the CEO and CFO are determined and set by the compensation committee, while awards for the other named executive officers and top level officers are considered upon the recommendation of the CEO. The CEO makes no recommendations in regard to his compensation. It was deemed prudent by the compensation committee to not grant any 2013 stock grant awards.

Colony Bankcorp, Inc. 401(k) Plan

The Company has adopted a 401(k) Plan which provides for the Board of Directors to make a discretionary contribution to the 401(k) Plan out of profits in an amount not to exceed 10 percent of the total annual eligible compensation of the employees eligible to participate in the plan. Employees are eligible for a Company contribution after completion of one year of service. The contribution by the Company is allocated among the participants based on participant's total eligible compensation. The employee's interest vests over a period of six years.

The Committee recommended that no contribution be made for fiscal year 2013. The Committee's recommendation to not make a company contribution was based upon company earnings performance for 2013.

Perquisites and Other Personal Benefits

The Company provides named executive officers with perquisites and other personal benefits that the Company and the Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to named executive officers.

The named executive officers are provided use of company automobiles, membership in country clubs, term life insurance coverage and director fees as part of their perquisites and other benefits. Detailed below is an analysis of 2013 perquisites and other benefits for fiscal year ended December 31, 2013.

Perquisites and other personal benefits for fiscal year ended December 31, 2013 are included in the All Other Compensation column of the 2013 Summary Compensation Table above.

The Committee takes into consideration the overall compensation package in making their decisions regarding the various elements of the package. The Committee views the most significant elements of the compensation package to be base salary, performance-based cash incentive payout, stock grant awards and the profit sharing contribution. Perquisites and other personal benefits are common place for executives in the banking industry and compare favorably to other peer companies. The Committee determined that the Company's executive compensation is competitive with the peer companies.

Such loans are made in strict compliance with state and Federal statutes and regulations of the Federal Deposit Insurance Corporation and the Georgia Department of Banking and Finance. Such loans were made in the ordinary course of business; were made on substantially the same terms, including interest rates and collateral, as were prevailing at the time for comparable transactions with persons not related to the lender; and did not involve more than normal risk of collectibility or present other unfavorable features.

Shareholder Communication with the Board of Directors

Our Board of Directors does not have an established written policy or process for security holders to send communications to the Board of Directors. However, it has been the practice of the Company to direct any such communications to the Chairman of the Board, who would, in his or her discretion, discuss the communications with the Board at a regular Board meeting. The Board has determined this policy and process to be satisfactory in allowing security holders to communicate directly with the Board of Directors.

The Company does not have a formal policy regarding director attendance at the Company’s Annual Meeting. However, directors are encouraged to attend and all were in attendance at last year’s Annual Meeting.

Proposal No. 2 – Non-Binding Advisory Vote On Executive Compensation

Section 14A(a)(1) of the Securities Exchange Act of 1934 requires the Company to permit a non-binding advisory vote (at least once every three years) on the compensation of its Named Executive Officers, as described and presented in the “Executive Compensation” section of this 2013 Proxy Statement, and the accompanying tables and narrative disclosure.

This proposal, commonly known as a “say-on-pay” proposal, gives the Company’s shareholders the opportunity to endorse or not endorse our executive compensation program and policies through the following resolution:

“Resolved, that the compensation of the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K located in the ‘Executive Compensation’ section of the 2013 Proxy Statement, and the accompanying executive compensation tables and narrative discussions is hereby APPROVED.”

Because your vote is advisory, it will not be binding upon the Board of Directors. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation.

The Board of Directors unanimously recommends a vote “FOR” this proposal.

Proposal No. 3 – Approval of Amendment To The Company’s Articles of Incorporation

On February 18, 2014, the Board of Directors unanimously voted to approve the following amendment to the Company’s articles of incorporation:

“In discharging their duties, and in determining what is believed to be in the best interests of Colony Bankcorp, Inc., the board of directors, committees of the board of directors, and individual directors, in addition to considering the effects of any action on Colony Bankcorp, Inc. or its shareholders, may consider the interests of the employees, customers, suppliers, and creditors of Colony Bankcorp, Inc. and its subsidiaries, the communities in which offices or other establishments of Colony Bankcorp, Inc. and its subsidiaries are located, and all other factors that such directors consider pertinent. This paragraph grants solely discretionary authority to the directors and shall not be deemed to provide to any constituency any right to be considered.”

You are being asked to vote for or against the proposed amendment, or you may withhold your vote.

Believing that it is in the best long-term interest of the Company for the Board to have ample flexibility in managing the Company and in making decisions on the Company’s behalf that may have wide-ranging repercussions on a number of various constituencies, the Board voted to approve this amendment to ensure that it is properly equipped with the tools to achieve those goals. The Georgia legislature amended the Georgia Corporations Code in 1989 to add the above-quoted provision as an optional provision that a corporation may elect to include in its articles of incorporation, and the Board has determined to revise the Company’s articles of incorporation to include this provision. The management of the Company is conducted on a daily basis under the direction of the Chief Executive Officer (CEO) selected by the Board. The Board and management agree that shareholder value is optimized by operating the Company in an ethical and forthright manner and by responsibility addressing the concerns of its various constituencies, which include the Company’s employees and customers, government officials, the Company’s suppliers, the communities the Company serves, and the public at large. Board members oversee the management of the Company and advise and counsel the CEO and the executive management team about policy matters, business affairs, and overall Company strategy. The Board believes that amending the Company’s articles of incorporation in the manner identified above will ensure that the Board is able to manage the Company’s business with the highest standards of ethical conduct and in conformity with applicable laws and regulations.

The Board of Directors unanimously recommends a vote "FOR" this proposal.
