Item 7.01 Regulation FD Disclosure

On January 22, 2015, the Company issued a press release announcing that it intends to commence an underwritten public offering of depositary shares, each representing 1/100th of a share of its newly designated Series A Cumulative Redeemable Preferred Stock, which will pay quarterly dividends at an annual rate to be set at the pricing of the offering. The offering will be made, subject to market and other conditions, pursuant to a prospectus supplement and an accompanying prospectus filed as part of an effective shelf registration statement filed with the Securities and Exchange Commission on Form S-3. Wells Fargo Securities, BofA Merrill Lynch, and Stifel will act as joint book running managers for the offering. The Company plans to use the net proceeds from the offering from the offering to repay indebtedness under CorEnergy's revolving line of credit and for general corporate purposes.

The press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

Item 9.01 Financial Statements and Exhibits.
