On January 27, 2004, the board of directors of Arbios Systems, Inc. (the "Company") approved, by unanimous written consent, resolutions to dismiss its former independent accountants, Williams and Webster, P.S. ("Williams"). there was an explanatory paragraph relating to the Company's ability to continue as a going concern.

During the two most recent fiscal years, the Company had no disagreements with Williams, whether or not resolved, on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Williams' satisfaction, would have caused it to make reference to the subject matter of the disagreement in connection with its report. Williams did not advise the Company of any of the events requiring reporting in this Form 8-K under Item 304(a)(iv)(B).

On January 27, 2004, the board also approved, by unanimous written consent, resolutions to engage Stonefield Josephson, Inc. ("Stonefield") as its independent accountants to audit its financial statements for the year ending December 31, 2003, and for quarterly statements during 2004. Stonefield audited the financial statements of Arbios Technologies, Inc., a subsidiary of the Company, for the past two fiscal years. The Company did not consult with Stonefield regarding the application of accounting principles to a specific, completed or contemplated transaction, or the type of audit opinion that might be rendered on the Company's financial statements prior to the engagement.

Item 7. Financial Statements, Pro Forma Financial Information and Exhibits.
