PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON

July 15, 2005

QUESTIONS AND ANSWERS ABOUT THIS PROXY STATEMENT AND VOTING

Why am I receiving these materials?

You have been sent this proxy statement and the enclosed proxy card because Patient Safety Technologies, Inc. (the “*Company*”) is soliciting your proxy to vote at the Annual Meeting on the proposals described in this proxy statement (the “*Proposals*”). You are invited to attend the Annual Meeting to vote in person on the Proposals. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign, date and return the enclosed proxy card to indicate your vote with respect to each of the Proposals. The Notice of Annual Meeting of Stockholders, this proxy statement and the accompanying proxy cards are first being mailed to stockholders on or about June 14, 2005.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on June 19, 2005 (the “*Record Date*”) will be entitled to vote at the Annual Meeting. As of the Record Date, there were 5,448,094 shares of Common Stock and 10,950 shares of Preferred Stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on the Record Date your shares were registered directly in your name with the Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, the Company encourages you to fill out and return the enclosed proxy card to ensure your representation at the Annual Meeting.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on the Record Date your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to direct your brokerage firm, bank, dealer or other similar organization on how to vote the shares in your account. You are also invited to attend the Annual Meeting, as discussed further below. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent. Your brokerage firm, bank, dealer or other agent should have provided you a voting instruction card for you to use in directing the stockholder of record how to vote your shares or obtain a proxy allowing you to vote your shares personally.

What am I voting on?

There are three matters scheduled for a vote at the Annual Meeting:

- **Proposal No. 1:** The election of Alice M. Campbell as a Class II Director to hold office for a three-year term expiring in 2008, or until her successor has been duly elected and qualified or until her earlier death, resignation or removal, in accordance with the Company's bylaws, as amended;

- **Proposal No. 2:** The election of Herbet Langsam as a Class II Director to hold office for a three-year term expiring in 2008, or until his successor has been duly elected and qualified or until his earlier death, resignation or removal, in accordance with the Company's bylaws, as amended;
- **Proposal No. 3:** The ratification of the appointment by the Board of Directors of the Company (the "**Board**") of Rothstein, Kass & Company, P.C. ("**Rothstein Kass**") to serve as independent auditors for the fiscal year ending December 31, 2005; and
- To consider and transact such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

Each of these Proposals, as well as the recommendation of the Board with respect to each of these Proposals, are described in greater detail elsewhere in this proxy statement.

How do I vote?

Your vote is important. Please sign and return the enclosed proxy card in the enclosed envelope to ensure that your shares are represented at the meeting. You may also vote by telephone or over the Internet. Please refer to the proxy card and other voting instructions included with these proxy materials for more information on the voting methods available to you. **If you vote your proxy over the Internet or by telephone, you do NOT need to mail back your proxy card.** The procedures for voting are fairly straightforward, as described below.

With respect to the election of directors, you may either vote "FOR" the nominee proposed by the Board or you may abstain from voting for the nominee specified. For each of the other matters to be voted on, you may vote "FOR" or "AGAINST" or "ABSTAIN" from voting.

Can I vote by telephone or electronically?

If you are a registered stockholder (that is, if you hold your stock in certificate form), you may vote by telephone, or electronically through the Internet, by following the instructions included with your proxy card. If your shares are held in "street name," please check your proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically. Please follow the voting instructions on the enclosed proxy card.

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy using the enclosed proxy card. To vote in person, you need only attend the Annual Meeting, where you will be given a ballot to vote on each of the proposals. To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the postage prepaid envelope provided. If you are a holder of record of Common Stock, you should complete, sign and date the proxy card marked with "Common Stock" in the upper right hand corner. If you are a holder of record of Preferred Stock, you should complete, sign and date the proxy card marked with "Preferred Stock" in the upper right hand corner. If you are a holder of record of both Common Stock and Preferred Stock, you should complete, sign and date both proxy cards. So long as we receive your signed proxy card by the Annual Meeting, your shares will be voted as you have directed on the card.

Whether or not you plan to attend the Annual Meeting, the Company encourages you to vote by proxy to ensure your representation at the Annual Meeting. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your brokerage firm, bank, dealer, or other similar organization, you should have received a voting instruction card with these proxy materials from that organization. Simply complete and mail the voting instruction card to ensure your representation at the Annual Meeting. Alternatively, you may vote in person at the Annual Meeting. However, to vote in person at the Annual Meeting, you must obtain a valid proxy from your brokerage firm, bank, dealer or other similar organization. Follow the instructions from your brokerage firm, bank, dealer, or other similar organization included with these proxy materials, or contact your brokerage firm, bank, dealer, or other similar organization to request a proxy form.

If your shares are held in “street name,” you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares only with respect to “discretionary” items, but not with respect to “non-discretionary” items. Discretionary items are proposals considered routine under the rules of certain self-regulatory organizations, such as the New York Stock Exchange and the American Stock Exchange, on which your broker may vote shares held in street name in the absence of your voting instructions. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as broker non-votes (which are considered shares for which the brokerage firm, bank, dealer, or other similar organization or nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on certain proposals).

How many votes do I have?

On each matter to be voted upon at the Annual Meeting, you have one vote for each share of Common Stock and one vote for each share of Preferred Stock you own as of the Record Date. The Common Stock and Preferred Stock will vote together as a single class with regard to each of the proposals to be considered at the Annual Meeting.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, all of your shares will be voted “FOR” the election of the nominee for director and “FOR” each of the other proposals described in this proxy statement. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card as your proxy) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

The Company will pay for the entire cost of soliciting proxies. The Company may also reimburse brokerage firms, banks, dealers, or other similar organizations or agents for the cost of forwarding proxy materials to beneficial owners. In addition to these mailed proxy materials, the Company’s directors and officers may also solicit proxies in person, by telephone or by other means of communication; however, directors and officers will not be paid any additional compensation for soliciting proxies.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card marked “Common Stock” or “Preferred Stock” in the upper right hand corner, it means that your shares are registered in more than one name or are registered in different accounts. Please complete, sign, date and return each proxy card to ensure that all of your shares are voted at the Annual Meeting.

Can I change my vote after submitting my proxy card?

You can change your vote by revoking your proxy at any time before the final vote at the Annual Meeting. You may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy card at a later date;
- You may send a written notice that you are revoking your proxy to the Company’s Corporate Secretary at 100 Wilshire Boulevard, Suite 1500, Santa Monica, California 90401; or
- You may attend the Annual Meeting and vote in person in accordance with the procedures specified above. However, simply attending the Annual Meeting will not, by itself, revoke your proxy.

Following the final vote at the Annual Meeting, you may not revoke your proxy or otherwise change your vote.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting.

How many votes are needed to approve each proposal?

- **Proposal No. 1:** Proposal No. 1 (the election of Alice M. Campbell as a Class II Director to hold office for a three-year term expiring in 2008, or until her successor has been duly elected and qualified or until her earlier death, resignation or removal, in accordance with the Company's bylaws, as amended) will be approved if a plurality of the total votes properly cast in person or by proxy at the Annual Meeting by the holders of Common Stock and Preferred Stock, voting together as a single class, vote "FOR" the proposal. Abstentions and broker non-votes will have no effect on the result of the vote.
- **Proposal No. 2:** Proposal No. 2 (the election of Herbert Langsam as a Class II Director to hold office for a three-year term expiring in 2008, or until his successor has been duly elected and qualified or until his earlier death, resignation or removal, in accordance with the Company's bylaws, as amended) will be approved if a plurality of the total votes properly cast in person or by proxy at the Annual Meeting by the holders of Common Stock and Preferred Stock, voting together as a single class, vote "FOR" the proposal. Abstentions and broker non-votes will have no effect on the result of the vote.
- **Proposal No. 3:** The ratification of the appointment by the Board of Directors of the Company of Rothstein Kass to serve as independent auditors for the fiscal year ending December 31, 2005 will be approved if a majority of the total votes properly cast in person or by proxy at the Annual Meeting by the holders of Common Stock and Preferred Stock, voting together as a single class, vote "FOR" the proposal. Abstentions and broker non-votes will have no effect on the result of the vote.

The approval of each proposal described in this proxy statement is independent from the approval of each of the other proposals described in this proxy statement.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. For purposes of Proposal Nos. 1, 2, and 3, a quorum will be present if at least a majority of the outstanding shares of Common Stock and Preferred Stock are represented by stockholders present at the Annual Meeting or by proxy. As of the Record Date, there were 5,448,094 shares of Common Stock and 10,950 shares of Preferred Stock outstanding and entitled to vote.

Your shares will be counted towards the quorum only if you submit a valid proxy card or if you vote at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the Annual Meeting may adjourn or postpone the Annual Meeting to another date upon which a quorum may be obtained.

Any adjournment may be made with respect to one or more proposals for the Company, but not necessarily for all proposals of the Company. In the event that a quorum is present at the Annual Meeting but sufficient votes to approve any proposal are not received, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit further solicitation of proxies or to obtain the vote required for approval of one or more proposals.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published promptly after certification in a press release or current report on Form 8-K, as well as in the Company's Form 10-Q

for the quarter ending September 30, 2005.

PROPOSAL NO. 3
RATIFICATION OF SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

Background

As previously reported in the current report on Form 8-K filed by the Company with the SEC on July 9, 2004, Ernst & Young LLP (“E&Y”) informed the Company on July 6, 2004 that, due to economic reasons, E&Y would not stand for re-election as the Company’s independent accountants for the year ending December 31, 2004 and that the client-auditor relationship between the Company and E&Y would cease upon the filing of the Company’s quarterly report on Form 10-Q for the quarterly period ended June 30, 2004. E&Y’s report on the financial statements for either of the past two years did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope, or accounting principles.

As a result of E&Y’s resignation, on October 28, 2004, the Company, upon the approval and recommendation of the Audit Committee (which consisted solely of directors who are not “interested persons” of the Company), engaged Rothstein Kass to serve as the Company’s independent accountants for the fiscal year ended December 31, 2004. Prior to this engagement, Rothstein Kass had not performed any services on behalf of the Company or been consulted in respect of the Company during the Company’s two most recent fiscal years or any subsequent interim period. Rothstein Kass has advised the Company that neither the firm nor any present member or associate of it has any material financial interest, direct or indirect, in the Company or its subsidiaries. The engagement of Rothstein Kass to serve as the Company’s independent accountants for the fiscal year ended December 31, 2004 was ratified by the Company’s stockholders on March 30, 2005.

On May 27, 2005, upon the approval and recommendation of the Audit Committee, consisting solely of directors who are not interested persons, the Company engaged Rothstein Kass to serve as the Company’s independent accountants for the fiscal year ending December 31, 2005.

The Company expects that a representative of Rothstein Kass will be present at the Annual Meeting and will have an opportunity to make a statement if he or she so chooses and will be available to respond to appropriate questions.

Unless marked to the contrary, the shares represented by the enclosed proxy card will be voted “FOR” ratification of the appointment of Rothstein Kass as the independent public accountants of the Company.

Vote Required; Board Recommendation

Proposal No. 3 (the ratification of the appointment by the Board of Rothstein Kass to serve as independent auditors for the fiscal year ending December 31, 2005) will be approved if a majority of the total votes properly cast in person or by proxy at the Annual Meeting by the holders of Common Stock and Preferred Stock, voting together as a single class, vote “FOR” the proposal. Abstentions and broker non-votes will have no effect on the result of the vote. *The Board unanimously recommends that you vote all of your shares “FOR” the ratification of Rothstein Kass as independent public accountants as described in this Proposal No. 3.*

Audit Committee Report

As of September 23, 2004, the members of the Company’s Audit Committee consisted of Irving Levine (Chairman) and Laurence Foster. Effective October 22, 2004, Messrs. Levine and Foster were replaced on the Audit Committee by Alice Campbell, Herbert Langsam, and Lytle Brown III.

The following is the Audit Committee Report (the “Report”) approved for inclusion in the Company’s definitive proxy statement filed with the SEC on June 14, 2005:

The Report

The Audit Committee reviewed and discussed with management Patient Safety Technologies’ audited financial statements as of and for the year ended December 31, 2004. The Audit Committee also discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee’s responsibilities are set forth in the Amended & Restated Charter of the Audit Committee adopted by the Board, which was filed as an Appendix to Patient Safety Technologies’ proxy statement for its 2004 Annual Meeting of Stockholders, held March 30, 2005. Each of the members of the Audit Committee qualifies as an “independent” director under the applicable listing standards of AMEX.

The Audit Committee received and reviewed the written disclosures and the letter from the independent accountants required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and have discussed with the accountants the accountants’ independence. The Audit Committee considered whether the provisions of non-financial audit services were compatible with the independence of Rothstein, Kass & Company, P.C. (“Rothstein Kass”) in performing financial audit

services.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the financial statements referred to above be included in Patient Safety Technologies' annual report on Form 10-K for the year ended December 31, 2004 for filing with the SEC.

Information Regarding the Board and its Committees

Listing standards for the AMEX require that a majority of the members of the Board qualify as “independent” as defined by AMEX rules and as affirmatively determined by the Board. From time to time, the Board consults with the Company’s outside legal counsel to ensure that the Board’s determinations of its independence are consistent with all relevant securities and other laws and regulations regarding the definition of “independence,” including those set forth in pertinent listing standards of AMEX, as in effect time to time.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent auditors, the Board affirmatively has determined that all of the current members of the Board, other than Mr. Ault and Dr. Louis Glazer, are independent directors of the Company within the meaning of the AMEX listing standards.

With the exception of Stephen L. Brown, Louis Glazer, Lytle Brown III, Herbert Langsam, and Alice Campbell, each member of the Board received director’s fees of \$500 per meeting for 2004. Milton “Todd” Ault III received one payment of \$500 for his attendance at a meeting of directors held in 2004. For the year ended December 31, 2004, the Company reimbursed directors for travel expenses incurred in connection with the performance of their duties.

The Board met eleven times during the fiscal year ended December 31, 2004. Each Board member attended 75% or more of the aggregate number of meetings of the Board and of the committees on which he or she served that were held during the period for which he or she was a director or committee member, respectively. Furthermore, it is the Company’s policy to invite, but not require, each of its directors and director nominees to attend the Company’s annual meeting of stockholders.

The Board has three committees: an Audit Committee, an Executive Committee and a Compensation Committee. The Audit Committee and Compensation Committee operate pursuant to a committee charter. The charter of each committee is available without charge, upon a written request mailed to: c/o Corporate Secretary, Patient Safety Technologies, Inc., 100 Wilshire Boulevard, Suite 1500, Santa Monica, California 90401.

- (3) Louis Glazer, Gen. Lytle Brown, Herbert Langsam and Alice Campbell were elected to the Board at the Special Meeting and were also appointed as members of the respective committees listed above.

Below is a description of each committee of the Board. The Board has determined that each member of each committee meets the applicable rules and regulations regarding “independence” and that each member is free of any relationship that would interfere with his or her individual exercise of independent judgment with regard to the Company. Each of the committees described below has authority to engage legal counsel or other experts or consultants, as it deems appropriate to carry out its responsibilities.

Audit Committee

The Audit Committee operates pursuant to an Amended and Restated Charter of the Audit Committee, which sets forth the responsibilities of the Audit Committee. The primary function of the Audit Committee is to oversee and monitor the Company’s accounting and reporting processes and the audits of the Company’s financial statements. The Audit Committee met three times during 2004.

The Audit Committee is presently composed of three persons, including Messrs. Herbert Langsam and Lytle Brown III and Ms. Alice Campbell, each of whom are considered independent under the rules promulgated by the AMEX and under Rule 10A-3 under the Exchange Act, and each of whom is financially literate as required by the rules of AMEX. Ms. Campbell serves as the Chairman of the Audit Committee. The Board has determined that Ms. Campbell is an “audit committee financial expert” as defined under Item 401 of Regulation S-K of the Exchange Act, and “financially sophisticated” as defined by the rules of AMEX. Ms. Campbell meets the current independence and experience requirements of Rule 10A-3 of the Exchange Act.

Messrs. Levine and Foster were replaced as members of the Audit Committee on October 22, 2004.

Executive Committee

The Executive Committee has and may exercise those rights, powers, and authority that the Board from time to time grants to it, except where action by the Board is required by statute, an order of the SEC, or the Company’s charter or bylaws. Messrs. Brown and Levine were members of the Executive Committee until October 22, 2004. The Company has not yet appointed replacement members to Executive Committee. The Executive Committee met zero times during 2004.

Compensation Committee

The Compensation Committee operates pursuant to an Amended and Restated Charter of the Compensation Committee. The Compensation Committee determines and recommends to the Board the compensation to be paid the Company’s executive officers and also reviews the amount of salary and bonus for each of the Company’s other officers and employees. In addition, the Compensation Committee determines and recommends to the Board the amount of stock option grants to be issued to the Company’s officers and directors under the Company’s existing Stock Incentive Plan and/or Non-Statutory Stock Option Plan, respectively and will determine individual performance awards for such participants.

The Compensation Committee members currently are Messrs. Herbert Langsam and Lytle Brown III and Ms. Alice Campbell, each of whom is “independent” for purposes of the AMEX rules. Each member of the Compensation Committee is a “non-employee director” for purposes of Rule 16b-3 under Section 16 of the Exchange Act. Mr. Langsam serves as the Chairman of the Compensation Committee. None of these individuals is a present or former officer or employee of the Company. Messrs. Levine and Lender were replaced as members of the Compensation Committee on October 22, 2004.

Compensation Committee Interlocks and Insider Participation

During the last fiscal year, no executive officer of the Company served either as: (1) a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served on the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of the Company; (2) a director of another entity, one of whose executive officers served on the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of the Company; or (3) a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served as a director of the Company.

Nomination of Directors

The Company currently does not have a separate nominating committee of the Board. Instead, all of the independent directors participate in the consideration of potential nominations for election to the Board. The Board believes that this approach is appropriate because, given the relatively small size of the Board, the independent directors are capable of evaluating potential nominees and reaching an agreement with respect to whom will be nominated.

To fulfill its responsibility to recruit and recommend to the stockholders nominees for election as directors, the Board reviews, on an annual basis, the appropriate skills and characteristics required of directors in the context of the current make-up of the Board. This assessment of nominees is based upon various criteria, including their integrity, independence, accomplishments, prior or current association with institutions noted for their excellence, ability to exercise sound business judgment, demonstrated leadership ability, breadth and knowledge about issues affecting the Company, and background and experience in areas important to the operation of the Company.

In the case of incumbent directors whose terms of office are set to expire, the Board reviews such directors' overall service to the Company during their terms, including the number of meetings attended, level of participation and quality of performance. Consideration of new director nominee candidates typically involves a series of internal discussions, review of information concerning candidates and interviews with selected candidates. In identifying potential new director candidates, the Board seeks recommendations from members of the Board, members of management, and stockholders. The Board may also, if necessary or appropriate, retain a professional search firm in order to assist it in these efforts.

The Board considers recommendations for Board candidates submitted by stockholders using the same criteria (described above) that it applies to recommendations from directors and members of management. In order to be considered, a recommendation from a stockholder must be received by the Board no later than the 120th calendar day before the date of the Company's proxy statement released to stockholders in connection with the previous year's annual meeting of stockholders and must include the stockholder's name and contact information, the candidate's name and contact information, a description of any relationship between the stockholder and the candidate, a description of the candidate's qualifications, and a signed statement from the candidate that he or she is willing and able to serve on the Board. Stockholders must submit recommendations in writing to the Board at c/o Corporate Secretary, Patient Safety Technologies, Inc., 100 Wilshire Boulevard, Suite 1500, Santa Monica, California 90401.

After consideration, and consistent with the Board's policies described above, all of the members of the Board recommended and unanimously approved the nomination of Alice M. Campbell and Herbert Langsam for reelection as a Class II Director at the Annual Meeting.

The Company has not yet entered into employment agreements with any of its key executives but plans to do so in the future. Neither Mr. Ault (as Chairman and Chief Executive Officer), Ms. Silverstein (as President and Secretary), Dr. Louis Glazer (as Chief Health and Science Officer of Patient Safety Consulting Group, LLC (f/k/a Franklin Medical Products, LLC)) nor Ms. Melanie Glazer (as Manager of Franklin Capital Properties, LLC) currently receive any compensation for their services to the Company or its wholly-owned subsidiaries. The Compensation Committee will consider, consistent with its duties, compensation agreements to be entered into with such parties.

There is no current compensation plan or arrangement with respect to any current executive officer which plan or arrangement results or will result from the resignation, retirement or any other termination of such individual's employment with the Company. Further, there is no current plan or arrangement with respect to any such persons, which will result from a change in control of the Company or a change in the individual's responsibilities following a change in control. The Compensation Committee will consider, consistent with its duties, the terms of any such agreements, plans or arrangements.

The Company previously had a termination agreement and change in control arrangement with respect to former executive officer Stephen L. Brown.

On December 10, 2004, the Company entered into a consulting agreement with William Horne (the "***Horne Consulting Agreement***"). The Horne Consulting Agreement provides that Mr. Horne will serve as a consultant to the Company on financial and accounting related matters of the Company. The term of the agreement is month-to-month. Pursuant to the terms of the Horne Consulting Agreement, Mr. Horne is entitled to receive a monthly consulting fee of approximately \$4,200, which the Board may increase at its discretion from time to time. The Board may also award options to Mr. Horne in the future, subject to applicable laws.

Indemnification Agreements

There are no indemnification agreements known to management which have been entered into by the Company.

Certain Relationships and Related Party Transactions

Certain of the Company's officers, directors and/or their family members have existing responsibilities and, in the future, may have additional responsibilities, to act and/or provide services as executive officers, directors, owners and/or managers of Ault Glazer. Accordingly, certain conflicts of interest between the Company and Ault Glazer may occur from time to time. The Company will attempt to resolve any such conflicts of interest in its favor. The officers and directors of the Company are accountable to the Company and to its stockholders as fiduciaries, which requires that the officers and directors exercise good faith and integrity in handling the Company's affairs.

The Board does not believe that the Company has any conflicts of interest with the business of Ault Glazer, other than Mr. Ault's, Ms. Silverstein's, and the Glazers' responsibility to provide certain management and administrative services to Ault Glazer and its clients from time-to-time. However, subject to applicable law, the Company may engage in transactions with Ault Glazer and related parties in the future. These related party transactions may raise conflicts of interest and, although the Company does not have a formal policy to address such conflicts of interest, the Audit Committee intends to evaluate relationships and transactions involving conflicts of interest on a case-by-case basis.

The Audit Committee will conduct a review of all related party transactions for potential conflict of interest situations on an ongoing basis, and the approval of the Audit Committee shall be required for all such transactions. The Audit Committee intends that any related party transactions will be on terms and conditions no less favorable to the Company than those terms and conditions reasonably obtainable from third parties and in accordance with applicable law.

As of the date of this proxy statement, Ault Glazer provides the Company with office space, telephone, computer, and internet service, office supplies, and administrative and secretarial support, all without charge. The Company has no obligation to reimburse Ault Glazer for any of these goods and services in the future. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers and directors, and persons who beneficially own more than 10% of the Common Stock, to file initial statements of beneficial ownership (Form 3), and statements of changes in beneficial ownership (Form 4 or 5), of securities of the Company with the SEC. Executive officers, directors and greater than 10% stockholders also are required by the SEC to furnish the Company with copies of all forms that they file pursuant to Section 16(a).

To the Company's knowledge, based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no additional forms were required for those persons, the Company believes that its executive officers, directors and greater than 10% beneficial owners have complied with the Section 16(a) filing requirements applicable to them for the fiscal year ended December 31, 2004, except that Brown did not timely file two reports on Form 4 covering nine transactions, one transaction and eight transactions respectively in 2004; Laurence Foster did not timely file one report on Form 4 covering three transactions in 2004; Hiram Lazar did not timely file one report on Form 4 covering twelve transactions in 2004; David Lender did not timely file one report on Form 4 covering three transactions in 2004; Irving Levine did not timely file three reports on Form 4 covering six transactions, three transactions, two transactions, and one transaction respectively in 2004; Ault Glazer did not timely file two Form 4 reports covering twenty-two transactions, one transaction and twenty-one transactions respectively in 2004; Louis Glazer did not timely file one report on Form 3 covering three transactions in 2004; Lynne Silverstein did not timely file on report of Form 3 covering three transactions in 2004; Alice Campbell did not timely file one report on Form 3 covering two transactions and one report on Form 4 covering two transactions in 2004; Herbert Langsam did not timely file one report on Form 3 covering one transaction and one report on Form 4 covering two transactions in 2004; Lytle Brown did not timely file one report on Form 3 covering one transaction and one report on Form 4 covering two transactions in 2004; and Steven Bodnar and BCM each did not timely file one report on Form 3 covering two transactions in 2004.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

In connection with the Annual Meeting, a number of brokers with account holders who are the Company stockholders will be “householding” our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement, please notify your broker or contact the Company’s Corporate Secretary at 100 Wilshire Boulevard, Suite 1500, Santa Monica, California 90401 or via phone at (310) 752-1416. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request “householding” of their communications should contact their broker.

No Dissenters' Rights

Stockholders do not have the statutory right to dissent and obtain an appraisal of their shares under Delaware law in connection with the matters to be voted on at the Annual Meeting.

Periodic Reports

The Company will furnish, without charge, a copy of the Company’s most recent annual report on Form 10-K and subsequent interim quarterly reports on Form 10-Q to any stockholder that requests a copy. Requests for the annual report should be directed to the Company’s Corporate Secretary at 100 Wilshire Boulevard, Suite 1500, Santa Monica, California 90401, phone: (310) 752-1416.

2005 ANNUAL MEETING OF STOCKHOLDERS

General

Any stockholder desiring to submit a proposal for action by the stockholders at the next annual meeting, tentatively scheduled for April 28, 2006, must submit such proposal in writing to the Company's Corporate Secretary at 100 Wilshire Boulevard, Suite 1500, Santa Monica, California 90401, on or prior to December 5, 2005. The submission of a proposal does not guarantee the inclusion in the Company's proxy statement or presentation at the 2006 annual meeting.

Discretionary Proxy Voting Authority/ Untimely Stockholder Proposals

Rule 14a-4(c) promulgated under the Exchange Act, as amended, governs the Company's use of its discretionary proxy voting authority with respect to a stockholder proposal that the stockholder has not sought to include in the Company's proxy statement. The rule provides that if a proponent of a proposal fails to notify the Company of the proposal at least 45 days before the date of mailing of the prior year's proxy statement, then the management proxies will be allowed to use their discretionary voting authority when the proposal is raised at the meeting, without any discussion of the matter required in the proxy statement. With respect to the Company's 2006 annual meeting of stockholders, if the Company is not provided notice of a stockholder proposal which the stockholder has not previously sought to include in the Company's proxy statement by November 7, 2005, management proxies will be allowed to use their discretionary authority as indicated above. Proxies solicited by the Company will confer discretionary voting authority with respect to these proposals, subject to SEC rules governing the exercise of this authority.
