4. To transact any other business that may properly come before the Annual Meeting or any adjournments thereof.

The Board of Directors has fixed the close of business on May 2, 2008 as the record date for determining the stockholders entitled to receive notice of and to vote at the Annual Meeting and any continuation or adjournment thereof.

All stockholders are cordially invited to attend the Annual Meeting. ZOOM TECHNOLOGIES, INC.
PROXY STATEMENT FOR THE 2008 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 26, 2008

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy is solicited on behalf of the Board of Directors of Zoom Technologies, Inc., for use at the Annual Meeting of Stockholders to be held on Thursday, June 26, 2008 at 10:00 a.m. Eastern time (the "Annual Meeting"), or at any continuation or adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at the headquarters of Zoom located at 207 South Street, Boston, Massachusetts 02111. This proxy statement, the accompanying Notice of the Annual Meeting, proxy card, and Zoom's Annual Report on Form 10-K for the year ending December 31, 2007 are first being mailed to stockholders on or about May 7, 2008. In this proxy statement we refer to Zoom Technologies, Inc. as "Zoom," "we," or "us."

Record Date, Stock Ownership and Voting

Only stockholders of record at the close of business on May 2, 2008 are entitled to receive notice of and to vote at the Annual Meeting. At the close of business on May 2, 2008 there were outstanding and entitled to vote 9,346,966 shares of common stock, par value \$.01 per share ("Common Stock"). Each stockholder is entitled to one vote for each share of Common Stock.

One-third of the shares of Common Stock outstanding and entitled to vote is required to be present or represented by proxy at the Annual Meeting in order to constitute the quorum necessary to take action at the Annual Meeting. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of elections appointed for the Annual Meeting. The inspector of elections will treat abstentions as shares of Common Stock that are present and entitled to vote for purposes of determining a quorum. Shares of Common Stock held of record by brokers who do not return a signed and dated proxy or do not comply with the voting instructions will not be considered present at the Annual Meeting, will not be counted towards a quorum and will not be voted on any proposal. Shares of Common Stock held of record by brokers who return a signed and dated proxy or comply with the voting instructions ("broker non-votes") but who fail to vote on any proposal will be considered present at the Annual Meeting and will count toward the quorum but will be deemed not to have voted on such proposal.

The five (5) nominees for the Board of Directors who receive the greatest number of votes cast by stockholders present in person or represented by proxy and entitled to vote thereon will be elected Directors of Zoom. Abstentions and broker non-votes will have no effect on the outcome of the vote for the election of Directors.

The proposal to approve the plan of recapitalization will require the affirmative vote of a majority of the issued and outstanding shares of voting capital stock. Abstentions and broker non-votes will count as votes cast against such proposal.

The proposal to adjourn the annual meeting to permit us to seek more proxies if necessary will require the affirmative vote of a majority of the issued and outstanding shares of voting capital stock present and eligible to be cast at the annual meeting. Abstentions will be counted as present and/or represented and entitled to vote, and will be included in calculating the number of votes cast. Abstentions will thus have the effect of a "no" vote on this proposal. Broker non-votes will not be included in calculating the number of votes cast on such proposal and accordingly will not affect the outcome of the vote.

We do not intend to submit any other proposals to the stockholders at the annual meeting. The Board of Directors was not aware, a reasonable time before mailing of this proxy statement to stockholders, of any other business that may properly be presented for action at the annual meeting. If any other business should properly come before the annual meeting, shares represented by all proxies received by us will be voted with respect thereto in accordance with the best judgment of the persons named as attorneys in the proxies.

Revocability of Proxies

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before the final vote. A person's proxy vote may be revoked by filing a written notice of revocation with the Secretary of Zoom at Zoom's headquarters, 207 South Street, Boston, Massachusetts 02111, by duly executing a proxy bearing a later date, or by attending the Annual Meeting and voting in person.

Solicitation

All costs of this solicitation of proxies will be borne by Zoom. Zoom may reimburse banks, brokerage firms and other persons representing beneficial owners of shares for their reasonable expenses incurred in forwarding solicitation materials to such beneficial owners. Solicitation of proxies by mail may be supplemented by telephone, fax, electronic mail, or personal solicitations by Directors, officers, or employees of Zoom. No additional compensation will be paid for any such services. Zoom may engage a professional proxy solicitation firm to assist in the proxy solicitation and, if so, will pay such solicitation firm customary fees plus expenses.

PROPOSAL NO. 1

- Joseph J. Donovan

Unless otherwise instructed, the proxy holders will vote the proxies received by them for the nominees named below. All nominees are currently Directors of Zoom. In the event that any nominee is unable or unwilling to serve as a Director at the time of the Annual Meeting, the proxies will be voted for the nominee, if any, who shall be designated by the present Board of Directors to fill the vacancy. It is not expected that any nominee will be unable or unwilling to serve as a Director. The proposed nominees are not being nominated pursuant to any arrangement or understanding with any person. Each Director elected will hold office until the next Annual Meeting or until his successor is duly elected or appointed and qualified, unless his office is earlier vacated in accordance with the Certificate of Incorporation of Zoom or he becomes disqualified to act as a Director. The five (5) nominees who receive the greatest number of votes cast by stockholders present, in person or by proxy, and entitled to vote at the Annual Meeting, will be elected Directors of Zoom.

Board of Directors' Meetings and Committees

The Board of Directors held six (6) meetings during the year ending December 31, 2007. Each Director attended at least 75% of the meetings of the Board of Directors and each Committee on which he served. All of Zoom's Directors are encouraged to attend Zoom's annual meeting of stockholders. All of Zoom's Directors, other than Mr. Woods, were in attendance at Zoom's 2007 Annual Meeting.

Standing committees of the Board include an Audit Committee, a Compensation Committee and a Nominating Committee. During 2007 Messrs. Donovan, Furman and Woods served as the members of each of these Committees.

Board Independence. The Board of Directors has reviewed the qualifications of Messrs. Donovan, Furman and Woods and has determined that each individual is "independent" as such term is defined under the current listing standards of the Nasdaq Stock Market. In addition, each member of the Audit Committee is independent as required under Section 10A (m) (3) of the Securities Exchange Act of 1934, as amended.

Audit Committee. Messrs. Donovan, Furman and Woods are currently the members of the Audit Committee. The Board of Directors has determined that Mr. Woods qualifies as an "audit committee financial expert" as defined by applicable SEC rules.

The Audit Committee operates under a written charter adopted by the Board of Directors, which is publicly available on Zoom's website at www.zoom.com. Under the provisions of the Audit Committee Charter, the primary functions of the Audit Committee are to assist the Board of Directors with the oversight of (i) Zoom's financial reporting process, accounting functions and internal controls and (ii) the qualifications, independence, appointment, retention, compensation and performance of Zoom's independent registered public accounting firm. The Audit Committee is also responsible for the establishment of "whistle-blowing" procedures, and the oversight of certain other compliance matters. The Audit Committee held six (6) meetings during 2007. See "Audit Committee Report" below.

Compensation Committee. Messrs. Donovan, Furman and Woods are currently the members of Zoom's Compensation Committee. The primary functions of the Compensation Committee include (i) reviewing and approving Zoom's executive compensation, (ii) reviewing the recommendations of the Chief Executive Officer regarding the compensation of senior officers, (iii) evaluating the performance of the Chief Executive Officer, and (iv) overseeing the administration of, and the approval of grants of stock options and other equity awarded under Zoom's stock option plans. The Compensation Committee operates under a written charter adopted by the Board of Directors. A copy of the Compensation Committee's written charter is publicly available on Zoom's website at www.zoom.com. The Compensation Committee held one (1) meeting during 2007.

Decisions regarding executive compensation are made by the Compensation Committee. The Compensation Committee is also responsible for administering the 1990 Stock Option Plan and the 1998 Employee Equity Incentive Plan, including determining the individuals to whom stock options are awarded, the terms upon which option grants are made, and the number of shares subject to each option granted. Mr. Manning and Mr. Kramer, both of whom are executive officers and Directors of Zoom, made recommendations to the Compensation Committee regarding the granting of stock options and participated in deliberations of the Compensation Committee concerning executive officer compensation. Neither Mr. Manning nor Mr. Kramer participated in any deliberation or vote establishing their compensation.

Nominating Committee. Messrs. Donovan, Furman, and Woods are currently the members of Zoom's Nominating Committee. The primary functions of the Nominating Committee are to (i) identify, review and evaluate candidates to serve as Directors of Zoom, and (ii) make recommendations to the Board of candidates for all directorships to be filled by the stockholders or the Board.

The Nominating Committee may consider candidates recommended by stockholders as well as from other sources such as other Directors or officers, third party search firms or other appropriate sources. For all potential candidates, the Nominating Committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board, and concern for the long-term interests of the stockholders. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources. If a stockholder wishes to recommend a candidate for Director for election at the 2009 Annual Meeting of Stockholders, it must follow the procedures described in "Deadline for Receipt of Stockholder Proposals and Recommendations for Director."

The Nominating Committee operates under a written charter adopted by the Board of Directors. A copy of the Nominating Committee's written charter is publicly available on Zoom's website at www.zoom.com. The Nominating Committee held one (1) meeting during 2007.

(1) All options set forth in the above table were granted under the 1990 Stock Option Plan, as amended and vest as to 50% on each of the first and second anniversary of the date of grant provided the holder of the option remains employed by Zoom. Options generally may not be exercised later than 36 months after the date of grant.

(2) These options were granted on May 5, 2005.

(3) These options were granted on December 12, 2006.

Option Exercises

None of our named executive officers exercised any stock options during the fiscal year ended December 31, 2007.

Employment, Termination and Change of Control Agreements

On December 12, 2006 the Compensation Committee of the Board of Directors of Zoom approved certain compensatory arrangements for each of the named executive officers. The purpose of these arrangements is to encourage the named executive officers to continue as employees and/or assist in the event a change-in-control of Zoom. Zoom has entered into agreements with each of the named executive officers formalizing the compensation arrangement described below.

The arrangements approved by the Board of Directors are as follows:

- If the named executive officer is terminated by Zoom for any reason other than for cause or within six months after a change-in-control or liquidation of Zoom, then (i) all outstanding stock options issued after December 7, 2006 held

by the named executive officer will become immediately vested and will be exercisable for a period of up to 30 days after termination and (ii) Zoom will pay severance to the named executive officer in an amount equal to the greater of three months' base salary or a number of weeks of base salary equal to the number of full years employed by Zoom divided by two.

· Each named executive officer will receive severance pay equal to six months' base salary if (i) the named executive officer's employment is terminated without cause within six months after a change-in-control, (ii) the named executive officer's job responsibilities, reporting status or compensation are materially diminished and the named executive officer leaves the employment of the acquiring company within six months after the change-in-control, or (iii) Zoom is liquidated. In addition, in the event of a change-in-control or liquidation of Zoom, outstanding stock options granted on or after December 7, 2006 will become immediately vested.

For purposes of the arrangements described above, “change-in-control” shall mean: (A) any merger, consolidation, share exchange, business combination or other similar transaction in which the shareholders of Zoom would own less than 50% of the surviving entity following the consummation thereof; and in the event Zoom issues its own stock as consideration in the transaction, a change-in-control shall be deemed to occur only if Zoom issues a number of shares equal to more than 100% of the sum of its outstanding shares of Common Stock plus any outstanding options, with that sum calculated immediately prior to the closing of such transaction, and only if that issuance is direct consideration for a business being acquired as a result of such transaction, and that any other shares issued in connection with any financing or any stock options or other equity awards to new employees, whether or not in connection with or related to such transaction, shall not be included in determining such consideration; or (B) the acquisition by a person or entity, or any “group” (as such term is defined under Section 13(d) of the Securities Exchange Act of 1934) of the beneficial ownership of 50% or more of the voting stock of Zoom whether by tender offer, exchange offer or otherwise.

Potential Termination and Change-in-Control Payments

In the event a named executive officer had been terminated by Zoom on December 31, 2007 for any reason other than cause or a change-in-control or liquidation of Zoom, then the named executive officer would have received the following cash payments: Mr. Frank Manning \$37,290; Mr. Kramer \$37,290; Mr. Crist \$36,816; Ms. Randall \$37,020 and Mr. Terry Manning \$30,875. These amounts represent the greater of three months salary or the number of weeks of base salary equal to the number of years employed by Zoom divided by two. In the event of termination as a result of a change-in-control or liquidation, the named executive officers would receive the following cash payments: Mr. Frank Manning \$64,636; Mr. Kramer \$64,636; Mr. Crist \$73,632; Ms. Randall \$64,168 and Mr. Terry Manning \$61,750. These amounts represent six months’ base salary. In the event of either termination of employment, all options held by the named executive officers that were issued after December 7, 2006 would become immediately vested. The value of the acceleration of vesting would equal the number of shares multiplied by the excess of the then current stock price over the exercise price of the options. As of December 31, 2007, the stock price was lower than the exercise price of such options, therefore the acceleration of vesting provision has no monetary value.

Director Compensation

The following table sets forth information concerning the compensation of our Directors who are not named executive officers for the fiscal year ended December 31, 2007.

Name	Fees Earned or Paid in Cash	Option Awards (1)(2)(3)	All Other Compensation	Total
Bernard Furman	\$ 2,500	\$ 10,095	—\$	12,595
J. Ronald Woods	\$ 2,000	\$ 10,095	—\$	12,095
Joseph J. Donovan	\$ 3,000	\$ 10,095	—\$	13,095

(1) The amounts in the Option Awards column reflect the dollar amount recognized as compensation cost for financial statement reporting purposes for the fiscal year ended December 31, 2007, in accordance with SFAS 123(R) for all stock options granted in 2007. The calculation in the table above excludes all assumptions with respect to forfeitures. There can be no assurance that the amounts set forth in the Option Awards column will ever be realized.

(2) As of December 31, 2007, each non-employee Director holds the following aggregate number of shares under outstanding stock options:

Name	Number of Shares Underlying Outstanding
------	--

Stock Options

Bernard Furman	48,000
J. Ronald Woods	48,000
Joseph J. Donovan	48,000

(3) The number of shares underlying stock options granted to each non-employee Director in 2007 and the grant date fair market value of such stock options is:

Name	Grant Date	Number of Shares underlying Stock Options Grants in 2007	Grant Date Fair Value of Stock Option Grants in 2007
Bernard Furman	1/10/2007	12,000	\$ 4,753
	7/10/2007	12,000	\$ 5,342
J. Ronald Woods	1/10/2007	12,000	\$ 4,753

Joseph J. Donovan	1/10/2007	12,000	\$ 4,753
	7/10/2007	12,000	\$ 5,342

Each non-employee Director of Zoom receives a fee of \$500 per quarter plus a fee of \$500 for each meeting at which the Director is personally present. Travel and lodging expenses are also reimbursed.

Each non-employee Director of Zoom is also granted stock options under Zoom's 1991 Directors Stock Option Plan, as amended (the "Directors Plan"). The Directors Plan provides in the aggregate that 450,000 shares of Common Stock (subject to adjustment for capital changes) may be issued upon the exercise of options granted under the Directors Plan. Each non-employee Director automatically receives an option to purchase 12,000 shares of Common Stock on January 10 and July 10 of each year. The exercise price for the options granted under the Directors Plan is the fair market value of the Common Stock on the date the option is granted. During 2007 Messrs. Furman, Woods, and Donovan each received options to purchase 24,000 shares of Common Stock at an average exercise price of \$1.215 per share.

PROPOSAL NO. 2

AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO EFFECT A REVERSE STOCK SPLIT

Our shares of common stock have traded below \$1.00 per share for some time. In order to continue to be eligible for listing on the Nasdaq Capital Market, our common stock must have a minimum bid price per share of at least \$1.00 for a period of at least ten consecutive business days. If we are not able to meet this requirement by May 14, 2008, we expect that Nasdaq will send us a notice of its plan to delist our common stock from the Nasdaq Capital Market. If this occurs, we expect to appeal the delisting based on our willingness to effect a recapitalization in the form of a reverse stock split at a ratio determined by our Board of Directors, in order to meet the minimum bid price requirements. The ratio for the reverse stock split would be determined by our Board of Directors in their discretion and calculated in their judgment to achieve the minimum bid price requirements while allowing us to continue to meet the other listing requirements for the Nasdaq Capital Market. If we do receive a delisting notice and our Board of Directors believes that the reverse stock split will result in the bid price of our common stock meeting at least the minimum requirements for continued listing on the Nasdaq Capital Market and that such reverse stock split will otherwise be acceptable to Nasdaq and will allow us to continue to meet the other listing requirements for the Nasdaq Capital Market, our Board of Directors will decide to effect such recapitalization. Otherwise, our Board would decide whether or not we should effect such recapitalization based on such factors as it believes are appropriate. One possible factor is the share price requirement that might result from merger and acquisition related activities.

Our Board of Directors has adopted a resolution declaring the advisability of (subject to our Board's later determination as to whether to effect such reverse stock split as discussed below), and submitting to the stockholders for approval, a proposal to amend our certificate of incorporation to effect a recapitalization in the form of a reverse stock split. Such approval permits, but does not require, our Board of Directors in their sole discretion to effect such recapitalization by filing such approved amendment to our certificate of incorporation. The text of the proposed amendment is set forth in *Exhibit A* to this proxy statement. If approved by the stockholders, the reverse stock split would only become effective if our Board of Directors determines to proceed with such recapitalization and, if so, at a time, and at a ratio to be determined by our Board of Directors (with the ratio to be determined by our Board of Directors in their discretion and calculated in their judgment to achieve the minimum bid price requirements while allowing us to continue to meet the other listing requirements for the Nasdaq Capital Market). Our Board of Directors may effect only one reverse stock split as a result of this authorization. The Board's decision as to whether and when to effect the reverse stock split will be based on a number of factors, including market conditions, existing and expected trading prices for our common stock, and the continued listing requirements of the Nasdaq Capital Market. Even if the stockholders approve the reverse stock split, Zoom reserves the right not to effect the reverse stock split if the Board of Directors does not deem it to be in the best interests of Zoom and its stockholders.

If the amendment is approved by Zoom's stockholders, and if the Board of Directors in its discretion still believes at that time the proposed recapitalization is in the best interests of Zoom and its stockholders, we will file the amendment to our certificate of incorporation with the Secretary of State of Delaware. The plan of recapitalization, also referred to as the Reverse Stock Split, will become effective as of 5:00 p.m. Eastern time on the date that the amendment to our certificate of incorporation is filed with the Secretary of State of Delaware. If for any reason our Board of Directors deems it advisable, we may abandon the Reverse Stock Split at any time before we file the amendment to our certificate of incorporation, whether before or after the meeting (even if such proposal has been approved by our stockholders).

In lieu of issuing less than one whole share resulting from the Reverse Stock Split to holders of a number of shares not evenly divisible by the number of pre-split shares for which each post-split share is to be exchanged, we will determine the fair value of each outstanding share of common stock held immediately before the Reverse Stock Split takes effect. We currently anticipate that the fair value of the outstanding common stock will be based on the average daily closing bid price per share of our common stock as reported by the primary trading market for our common

stock for the ten (10) trading days immediately preceding the Reverse Stock Split. In the event our Board of Directors determines that unusual trading activity would cause such amount to be an inappropriate measure of the fair value of our common stock, we may base the fair value of the outstanding common stock on the fair market value of the common stock as reasonably determined in good faith by our Board of Directors. Stockholders who hold a number of shares not evenly divisible by the number of pre-split shares for which each post-split share is to be exchanged immediately before the Reverse Stock Split takes effect will be entitled to receive, in lieu of a fractional share, cash in an amount equal to the fair value of the outstanding common stock times such fractional share.

As soon as practicable after the date of the Reverse Stock Split, we will mail a letter to each holder of record of common stock issued and outstanding immediately before the Reverse Stock Split. The letter will contain instructions for the surrender of such certificate or certificates to our designated exchange agent in exchange for certificates representing the number of whole shares of common stock (plus the fair value of any remainder shares) into which the shares of common stock have been converted as a result of the Reverse Stock Split. No cash payment will be made or new certificate issued to a stockholder until the stockholder has surrendered his or her outstanding certificates together with the letter to our exchange agent. See "Exchange of Stock Certificates."

Purpose of the Reverse Split

Our shares of common stock have traded below \$1.00 per share for some time. The Board of Directors is recommending the Reverse Stock Split in order to reduce the number of outstanding shares with the expectation that each share will trade at a higher price. In addition, Nasdaq Marketplace Rule 4310 requires that in order for common stock to continue to be eligible for quotation on the Nasdaq Capital Market, it must have a minimum bid price per share of \$1.00 for a period in excess of ten consecutive business days, as well as meeting certain other requirements. On November 21, 2007, we received a letter from Nasdaq stating that for the last 30 consecutive business days, the bid price of our common stock has closed below the minimum \$1.00 per share requirement for continued inclusion under Marketplace Rule 4310(c)(4) and that we have 180 days or until May 14, 2008 to regain compliance with Nasdaq's bid price rule. If we are unable to demonstrate compliance with this rule by such date, Nasdaq will determine whether we meet the initial listing criteria for the Nasdaq Capital Market under Marketplace Rule 4310(c), except for the bid price requirement. If at any time before May 14, 2008, the bid price of our common stock closes at \$1.00 per share or more for a minimum of 10 consecutive business days, we will be provided written notification that we comply with the rule. Otherwise, we will receive notification that our common stock will be delisted. If that occurs, we will have the ability to request an appeal within 7 days of the notice of delisting. If we do appeal, we believe the delisting process would be stayed until the appeal is heard, typically within approximately 45 days of the appeal.

In the event we do receive a delisting notice and our Board of Directors determines that the reverse stock split will result in the bid price of our common stock meeting at least the minimum requirements for continued listing on the Nasdaq Capital Market and that such reverse stock split will otherwise be acceptable to Nasdaq and will allow us to continue to meet the other listing requirements for the Nasdaq Capital Market, we believe that the implementation of the Reverse Stock Split will be in the best interest of Zoom and its stockholders.

In the event that Zoom enters into a significant merger or acquisition transaction, Zoom might need to meet the Nasdaq Capital Market's initial listing requirements to remain on Nasdaq. Those requirements include a minimum share bid price of \$4. This is another reason that Zoom's Board might want to do a reverse split.

Delisting of our common stock may materially and adversely affect a holder's ability to dispose of, or to obtain accurate quotations as to the market value, of, the common stock. In addition, delisting may cause the common stock to be subject to "penny stock" regulations promulgated by the Securities and Exchange Commission. Under such regulations, broker-dealers are required to, among other things, comply with disclosure and special suitability determinations prior to the sale of shares of common stock. If the common stock becomes subject to these regulations, the market price of the common stock and the liquidity thereof could be materially and adversely affected.

Stockholders should recognize that if the Reverse Stock Split is effectuated, there can be no assurance that the market price of the common stock will, in fact, correspondingly increase following consummation of the Reverse Stock Split or, even if such price increases, such post-Reverse Stock Split market price will be sustained. The Reverse Stock Split may leave certain stockholders with an odd lot of our common stock (i.e., a number of shares less than 100). These shares may be more difficult to sell, or require a greater commission to sell, than shares in multiples of 100. Also, liquidity could be materially and adversely affected by the reduced number of shares that would be outstanding after the Reverse Stock Split. Consequently, there can be no assurance that the Reverse Stock Split will achieve the desired results that have been outlined above.

Effect of the Reverse Stock Split

As a result of the Reverse Stock Split, the number of whole shares of common stock held by stockholders of record as of the close of business on the date of the Reverse Stock Split will be equal to the number of shares of common stock held immediately prior to the close of business on such date divided by such number as is determined by the ratio of the split. The Reverse Stock Split will not affect your percentage ownership interest in the company or proportional voting power, except for minor differences resulting from the payment of cash in lieu of fractional shares. The number of shares of common stock issued and outstanding will be reduced. Consequently, after the Reverse Stock Split the aggregate par value of the issued common stock will be lower. Future issuances of common stock may have the effect of diluting the earnings per share and book value per share, as well as the stock ownership and voting rights of our outstanding common stock. The Reverse Stock Split, which will increase the number of authorized but unissued shares of common stock, may be construed as having an anti-takeover effect by permitting the issuance of shares to purchasers who might oppose a hostile takeover bid or oppose any efforts to amend or repeal certain provisions of our certificate of incorporation or by-laws.

The authorized capital stock of the Company consists of 25,000,000 shares of common stock. There will be no change in the number of authorized capital stock as a result of the Reverse Stock Split. As of May 2, 2008, there were 9,346,966 shares of common stock issued and outstanding. The Reverse Stock Split will reduce this number, with the actual amount of the reduction depending on the ratio of the split. The terms of our common stock and the rights and privileges of the holders of such shares, will be unaffected by the Reverse Stock Split. Upon consummation of the Reverse Stock Split, the total number of shares currently reserved for issuance under our equity incentive plans would be decreased proportionately. The cash consideration payable per share upon exercise of outstanding stock options would be increased proportionately.

Dissenting stockholders will not have appraisal rights under Delaware law or under our certificate of incorporation or by-laws.

Exchange of Stock Certificates

As soon as practicable after the effective date of the Reverse Stock Split, we intend to encourage our stockholders to exchange their stock certificates evidencing shares of common stock outstanding before the effectiveness of the Reverse Stock Split for certificates representing the number of whole shares of common stock into which their shares have been converted as a result of the Reverse Stock Split, as well as cash in lieu of fractional shares resulting from the Reverse Stock Split. After the effective date of the Reverse Stock Split, the former certificates will represent only the right to receive certificates for the post-split shares when surrendered. At the effective date of the Reverse Stock Split, the former shares will cease to exist and thereafter, all trading activity and market quotations for the Company's common stock will be exclusively in new post-split shares.

You will be furnished with the necessary materials and instructions for the surrender and exchange of your stock certificates at the appropriate time by our designated exchange agent. You will not be required to pay a transfer or other fee in connection with the exchange of certificates.

You should not submit any certificates to our exchange agent until requested to do so.

United States Federal Income Tax Consequences of the Reverse Stock Split

The following is a general description of certain federal income tax consequences of the Reverse Stock Split to our common stockholders who are "United States persons" as defined for United States federal income tax purposes, and who hold our common stock as a capital asset. For United States federal income tax purposes, a "United States person" is a United States citizen or resident alien (as determined under the Internal Revenue Code of 1986, as amended, also referred to as the Code), a corporation or partnership organized under the laws of the United States or any state, and any estate or trust subject to United States federal income tax on its income regardless of source.

The summary is based on the Code, the applicable Treasury Regulations promulgated thereunder, judicial authority and current administrative rulings and practices all as in effect on the date of this proxy statement. We have not sought and will not seek an opinion of counsel or a ruling from the Internal Revenue Service regarding the federal income tax consequences of the Reverse Stock Split.

This discussion is for general information only and does not address aspects of federal income taxation that may be relevant to special classes of taxpayers, such as non-resident aliens, broker-dealers, tax-exempt organizations, banks or insurance companies, or stockholders who acquired their shares of our common stock in connection with the exercise of an employee stock option or right or otherwise as compensation or stockholders who hold our common stock as part of a hedge, straddle or conversion transaction. In addition, this summary does not discuss the tax consequences under the laws of any foreign, state or local jurisdiction. You are urged to consult your own tax advisors as to the federal, state, local and foreign tax consequences to you of the Reverse Stock Split.

We believe that the Reverse Stock Split should constitute a reorganization within the meaning of section 368(a)(1)(E) of the Code. Accordingly, we expect that the Reverse Stock Split to have the following material federal income tax consequences:

1. No gain or loss should be recognized in the Reverse Stock Split by holders of our common stock upon their receipt of post-split shares of our common stock in exchange for their pre-split shares of our common stock.
2. The aggregate tax basis in the shares of our common stock received by each of our stockholders in the Reverse Stock Split will be equal to each such stockholder's aggregate tax basis in the shares surrendered in exchange therefore, reduced by any cash received and increased by any gain recognized in the exchange.
3. The holding period of shares of our common stock received in the Reverse Stock Split will include the period for which the shares surrendered in exchange therefore were held.
4. A stockholders who receives cash in the Reverse Stock Split in lieu of a fractional share will recognize capital gain or loss (provided the receipt of cash is not essentially equivalent to a dividend) measured by the difference between the amount of cash received and the adjusted tax basis in the fractional share of common stock, had a fractional share actually been issued. Any such capital gain or loss will generally be long-term capital gain or loss to the extent such stockholder's holding period exceeds 12 months.
5. Zoom should recognize no gain or loss as a result of the Reverse Stock Split.

Our view regarding the tax consequences of the reverse stock split is not binding on the Internal Revenue Service or the courts. Accordingly, each stockholder should consult with his, her or its own tax advisor with respect to all of the potential tax consequences to such stockholder or her of the reverse stock split.

TO ENSURE COMPLIANCE WITH TREASURY DEPARTMENT CIRCULAR 230, STOCKHOLDERS ARE HEREBY NOTIFIED THAT: (A) ANY DISCUSSION OF FEDERAL TAX ISSUES IN THIS PROXY STATEMENT IS NOT INTENDED OR WRITTEN TO BE RELIED UPON, AND CANNOT BE RELIED UPON, BY STOCKHOLDERS FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON STOCKHOLDERS UNDER THE INTERNAL REVENUE CODE; (B) SUCH DISCUSSION IS INCLUDED HEREIN BY THE COMPANY IN CONNECTION WITH THE PROMOTION OR MARKETING (WITHIN THE MEANING OF CIRCULAR 230) BY THE COMPANY OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) STOCKHOLDERS SHOULD SEEK ADVICE BASED ON THEIR PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

Vote Required

Approval of the proposed amendment to our certificate of incorporation to effect the Reverse Stock Split will require the affirmative vote of a majority of all of the issued and outstanding shares of common stock.

Our Board of Directors reserves the right to abandon the proposed amendment without further action by our stockholders at any time before the filing of the amendment to our certificate of incorporation with the Delaware Secretary of State, notwithstanding authorization of the proposed amendment by our stockholders.

The foregoing summary of the proposed amendment to our certificate of incorporation to effect the Reverse Stock Split is qualified in its entirety by reference to the complete text of the proposed amendment, which is set forth as Exhibit A to this proxy statement.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE PROPOSED PLAN OF RECAPITALIZATION.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Securities Exchange Act of 1934, Zoom Directors and officers, as well as any person holding more than ten percent (10%) of Zoom's Common Stock, are required to report initial statements of ownership of Zoom's securities and any subsequent changes in such ownership to the Securities and Exchange Commission. Specific filing deadlines of these reports have been established and Zoom is required to disclose in this proxy statement any failure to file by these dates during the year ending December 31, 2007. Based on a review of such reports, and on written representations from reporting persons, Zoom believes that all Section 16(a) filing requirements were complied with during 2007.
