Vortex Resources Corp. (the “Company”) entered into that certain Registration Rights Agreement dated July 21, 2005, whereby the Company agreed to file a registration statement registering the 441,566 shares of the Company’s common stock issued in connection with the Navigator acquisition within 75 days of the closing of the transaction and have such registration statement declared effective within 150 days from the filing thereof. The holder of the Penalty subsequently assigned the Penalty to three unaffiliated parties (the “Penalty Holders”).

On December 26, 2008, the Company closed agreements with the Penalty Holders pursuant to which the Penalty Holders agreed to cancel any rights to the Penalty in consideration of the issuance 6,666,667 shares of common stock to each of the Penalty Holders.

The shares of common stock were issued in connection with this transaction in a private placement transaction made in reliance upon exemptions from registration pursuant to Section 4(2) under the Securities Act of 1933 and Rule 506 promulgated thereunder.
