**PROXY STATEMENT FOR THE 2009 ANNUAL
MEETING OF STOCKHOLDERS
TO BE HELD ON SEPTEMBER 25, 2009**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of JAKKS Pacific, Inc. (the Company) for use at the 2009 Annual Meeting of Stockholders to be held on September 25, 2009, and at any adjournment of that meeting (the Annual Meeting). Throughout this Proxy Statement, we, us and our are used to refer to the Company.

The shares of our common stock represented by each proxy will be voted in accordance with the stockholder's instructions as to each matter specified thereon, unless no instruction is given, in which case, the proxy will be voted in favor of such matter. A proxy may be revoked by the stockholder at any time before it is exercised by delivery of written revocation or a subsequently dated proxy to our corporate Secretary or by voting in person at the Annual Meeting.

We are mailing this Proxy Statement to our stockholders on or about August 14, 2009, accompanied by our Annual Report to Stockholders for our fiscal year ended December 31, 2008.

Voting Securities and Votes Required

At the close of business on July 31, 2009, the record date for the determination of stockholders entitled to vote at the Annual Meeting, there were outstanding and entitled to vote an aggregate of 27,928,231 shares of our common stock, par value \$.001 per share. All holders of our common stock are entitled to one vote per share.

The affirmative vote of the holders of a plurality of the shares of our common stock present or represented by proxy at the Annual Meeting is required for election of directors. The affirmative vote of the holders of a majority of the shares of our common stock present or represented by proxy at the Annual Meeting is required for the ratification of the appointment by the Board of Directors of BDO Seidman, LLP as our independent auditors for the current fiscal year, all as hereinafter described. A majority of the outstanding shares of our common stock represented in person or by proxy at the Annual Meeting will constitute a quorum at the meeting. All shares of our common stock represented in person or by proxy (including shares which abstain or do not vote for any reason with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum is present at the Annual Meeting. Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the number of shares present and entitled to vote with respect to any particular matter, but will not be counted as a vote in favor of such matter. Accordingly, an abstention from voting on a matter has the same legal effect as a vote against the matter. If a broker or nominee holding stock in street name indicates on the proxy that it does not have discretionary authority to vote as to a particular matter (broker non-votes), those shares will not be considered as present and entitled to vote with respect to such matter. Accordingly, a broker non-vote on a matter has no effect on the voting on such matter.

Our directors hold office until the next annual meeting of stockholders and until their successors are elected and qualified.

Committees of the Board of Directors

We have an Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee.

Audit Committee

The primary functions of the Audit Committee are to select or to recommend to our Board the selection of outside auditors; to monitor our relationships with our outside auditors and their interaction with our management in order to ensure their independence and objectivity; to review, and to assess the scope and quality of, our outside auditor's services, including the audit of our annual financial statements; to review our financial management and accounting

procedures; to review our financial statements with our management and outside auditors; and to review the adequacy of our system of internal accounting controls. Messrs. Blatte, Glick and Miller are the current members of the Audit Committee, are each independent (as that term is defined in NASD Rule 4200(a)(14)), and are each able to read and understand fundamental financial statements. Mr. Blatte is the Chairman of the Audit Committee and possesses the financial expertise required under Rule 401(h) of Regulation SK of the Act and NASD Rule 4350(d)(2). He is further independent, as that term is defined under Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act. We will, in the future, continue to have (i) an Audit Committee of at least three members comprised solely of independent directors, each of whom will be able to read and understand fundamental financial statements (or will become able to do

so within a reasonable period of time after his or her appointment); and (ii) at least one member of the Audit Committee that will possess the financial expertise required under NASD Rule 4350(d)(2). Our Board has adopted a written charter for the Audit Committee and the Audit Committee reviews and reassesses the adequacy of that charter on an annual basis. The full text of the charter is available on our website at www.jakks.com.

Compensation Committee

The functions of the Compensation Committee are to make recommendations to the Board regarding compensation of management employees and to administer plans and programs relating to employee benefits, incentives, compensation and awards under our 2002 Stock Award and Incentive Plan (the 2002 Plan). Messrs. Glick (Chairman), Almagor and Miller are the current members of the Compensation Committee. The Board has determined that each of them are independent, as defined under the applicable rules of the Nasdaq Stock Market. A copy of the Compensation Committee's Charter is appended hereto. Executive officers that are members of our Board make recommendations to the Compensation Committee with respect to the compensation of other executive officers that are not on the Board. Except as otherwise prohibited, the Committee may delegate its responsibilities to subcommittees or individuals.

Our executive compensation program is administered by the Compensation Committee. The base salary and the long-term compensation of our executive officers are governed by the terms of their individual employment agreements. The Compensation Committee has, with input from the Company's compensation consultant, Frederick W. Cook & Co., Inc. (FWC), established target performance levels for incentive bonuses based on a number of factors designed to further our executive compensation objectives, including our performance, the compensation received by similarly situated executive officers at peer group companies, the conditions of the markets in which we operate and the relative earnings performance of peer group companies.

Pursuant to the terms of the employment agreements of Messrs. Friedman and Berman, during the first quarter of each year, the Compensation Committee establishes the targeted level of our Adjusted EPS (as defined in the employment agreements) growth targets and corresponding bonuses, as a percentage of base salary, Messrs. Friedman and Berman will earn if the targets are met. The Compensation Committee has wide discretion to set the target levels of Adjusted EPS and has worked together with FWC to establish target levels that are thought to be fair to the executives and that will accomplish the general objectives of also promoting growth and alignment with our shareholders' interests.

The Compensation Committee also annually reviews the overall compensation of our executive officers for the purpose of determining whether discretionary bonuses should be granted. In 2007, FWC presented a report to the Compensation Committee comparing our performance, size and executive compensation levels to those of peer group companies. FWC also reviewed with the Compensation Committee the base salaries, annual bonuses, total cash compensation, long-term compensation and total compensation of our senior executive officers relative to those companies. The performance comparison presented to the Compensation Committee each year includes a comparison of our total shareholder return, earnings per share growth, sales, net income (and one-year growth of both measures) to the peer group companies. The Compensation Committee reviews this information along with details about the components of each executive officer's compensation.

Nominating and Corporate Governance Committee

The functions of the Nominating and Corporate Governance Committee are to develop our corporate governance system and to review proposed new members of our Board of Directors, including those recommended by our stockholders. Messrs. Almagor (Chairman), Glick and Miller are the current members of our Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee operates pursuant to a written charter adopted by the Board. The full text of the charter is available on our website at www.jakks.com. The

Board has determined that each member of this Committee is independent, as defined under the applicable rules of the Nasdaq Stock Market. For instructions on how stockholders may submit recommendations for director nominees to our Nominating and Corporate Governance Committee, see Stockholder Communications, below.

The Nominating and Corporate Governance Committee will review, on an annual basis, the composition of our Board of Directors and the ability of its current members to continue effectively as directors for the

6

upcoming fiscal year. In the ordinary course, absent special circumstances or a change in the criteria for Board membership, the Nominating and Corporate Governance Committee will renominate incumbent directors who continue to be qualified for Board service and are willing to continue as directors. If that Committee thinks it in our best interests to nominate a new individual for director in connection with an annual meeting of stockholders, or if a vacancy on the Board occurs between annual stockholder meetings, the nominating committee will seek out potential candidates for Board appointment who meet the criteria for selection as a nominee and have the specific qualities or skills being sought. Director candidates will be selected based on input from members of the Board, our senior management and, if the Committee deems appropriate, a third-party search firm. The Nominating and Corporate Governance Committee will evaluate each candidate's qualifications and check relevant references and each candidate will be interviewed by at least one member of that Committee. Candidates meriting serious consideration will meet with all members of the Board. Based on this input, the Nominating and Corporate Governance Committee will evaluate whether a prospective candidate is qualified to serve as a director and whether the Committee should recommend to the Board that this candidate be appointed to fill a current vacancy on the Board, or presented for the approval of the stockholders, as appropriate.

Meetings of the Board of Directors and Board Member Attendance at Annual Stockholder Meeting

From January 1, 2008 through December 31, 2008, the Board of Directors, Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee each met or acted without a meeting pursuant to unanimous written consent fifteen times, thirteen times, nine times and five times, respectively.

We do not have a formal written policy with respect to board members' attendance at annual stockholder meetings, although we do encourage each of them to attend. All of the directors then serving attended our 2008 Annual Stockholder Meeting.

Stockholder Communications

Stockholders interested in communicating with our Board may do so by writing to any or all directors, care of our Chief Financial Officer, at our principal executive offices. Our Chief Financial Officer will log in all stockholder correspondence and forward to the director addressee(s) all communications that, in his judgment, are appropriate for consideration by the directors. Any director may review the correspondence log and request copies of any correspondence. Examples of communications that would be considered inappropriate for consideration by the directors include, but are not limited to, commercial solicitations, trivial, obscene, or profane items, administrative matters, ordinary business matters, or personal grievances. Correspondence that is not appropriate for Board review will be handled by our Chief Financial Officer. All appropriate matters pertaining to accounting or internal controls will be brought promptly to the attention of our Audit Committee Chair.

Stockholder recommendations for director nominees are welcome and should be sent to our Chief Financial Officer, who will forward such recommendations to our Nominating and Corporate Governance Committee, and should include the following information: (a) all information relating to each nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) the names and addresses of the stockholders making the nomination and the number of shares of our common stock which are owned beneficially and of record by such stockholders; and (c) appropriate biographical information and a statement as to the qualification of each nominee, and must be submitted in the time frame described under the caption, "Stockholder Proposals for 2010 Annual Meeting," below. The Nominating and Corporate Governance Committee will evaluate

candidates recommended by stockholders in the same manner as candidates recommended by other sources, using criteria, if any, approved by the Board from time to time. Our stockholder communication policy may be amended at any time with the consent of our Nominating and Corporate Governance Committee.

Code of Ethics

We have a Code of Ethics that applies to all our employees, officers and directors. This code is posted on our website, www.jakks.com. We will disclose when there have been waivers of, or amendments to, such Code, as required by the rules and regulations promulgated by the Securities and Exchange Commission and/or Nasdaq.

Certain Relationships and Related Transactions

One of our directors, Murray L. Skala, is a partner in the law firm of Feder Kaszovitz LLP (f/k/a Feder, Kaszovitz, Isaacson, Weber, Skala, Bass & Rhine LLP), which has performed, and is expected to continue to perform, legal services for us. In 2008, we incurred approximately \$2,534,136 for legal fees and \$300,913 for reimbursable expenses payable to that firm. As of December 31, 2007 and 2008, legal fees and reimbursable expenses of \$916,048 and \$1,530,653, respectively, were payable to this law firm.

Pursuant to our Code of Ethics (a copy of which may be found on our website, www.jakks.com), all of our employees are required to disclose to our General Counsel, the Board of Directors or any committee established by the Board of Directors to receive such information, any material transaction or relationship that reasonably could be expected to give rise to actual or apparent conflicts of interest between any of them, personally, and us. In addition, our Code of Ethics also directs all employees to avoid any self-interested transactions without full disclosure. This policy, which applies to all of our employees, is reiterated in our Employee Handbook which states that a violation of this policy could be grounds for termination. In approving or rejecting a proposed transaction, our General Counsel, Board of Directors or designated committee will consider the facts and circumstances available and deemed relevant, including but not limited to, the risks, costs, and benefits to us, the terms of the transactions, the availability of other sources for comparable services or products, and, if applicable, the impact on director independence. Upon concluding their review, they will only approve those agreements that, in light of known circumstances, are in or are not inconsistent with, our best interests, as they determine in good faith.

Legal Proceedings

On October 19, 2004, we were named as defendants in a lawsuit commenced by WWE in the U.S. District Court for the Southern District of New York concerning our toy licenses with WWE and the video game license between WWE and the joint venture company operated by THQ and us, captioned World Wrestling Entertainment, Inc. v. JAKKS Pacific, Inc., et al., 1:04-CV-08223-KMK (the "WWE Action"). The complaint also named as defendants THQ, the joint venture, certain of our foreign subsidiaries, Jack Friedman (our Chairman and Co-Chief Executive Officer), Stephen Berman (our Co-Chief Executive Officer, President and Secretary and a member of our Board of Directors), Joel Bennett (our Executive Vice President and Chief Financial Officer), Stanley Shenker and Associates, Inc., Bell

Licensing, LLC, Stanley Shenker and James Bell.

WWE sought treble, punitive and other damages (including disgorgement of profits) in an undisclosed amount and a declaration that the video game license with the joint venture, which is scheduled to expire in 2009 (subject to the joint venture's right to extend that license for an additional five years), and an amendment to our toy licenses with WWE, which are scheduled to expire in 2009, are void and unenforceable. This action alleged violations by the defendants of the Racketeer Influenced and Corrupt Organization Act (RICO) and the anti-bribery provisions of the Robinson-Patman Act, and various claims under state law.

On February 16, 2005, we filed a motion to dismiss the WWE Action. On March 30, 2005, the day before WWE's opposition to our motion was due, WWE filed an Amended Complaint seeking, among other things, to add the Chief Executive Officer of THQ as a defendant and to add a claim under the Sherman Act. The Court allowed the filing of the Amended Complaint and ordered a two-stage resolution of the viability of the Complaint, with motions to dismiss the federal jurisdiction claims based on certain threshold issues to proceed and all other matters to be deferred for consideration if the Complaint survived scrutiny with respect to the threshold issues. The Court also stayed discovery pending the determination of the motions to dismiss.

The motions to dismiss the Amended Complaint based on these threshold issues were fully briefed and argued and, on March 31, 2006, the Court granted the part of our motion seeking dismissal of the Robinson-Patman Act and Sherman Act claims and denied the part of our motion seeking to dismiss the RICO claims on the basis of the threshold issue that was briefed (the March 31 Order).

On April 7, 2006, we sought certification to appeal from the portion of the March 31 Order denying our motion to dismiss the RICO claim on the one ground that was briefed. Shortly thereafter, WWE filed a motion for reargument with respect to the portion of the March 31 Order that dismissed the Sherman Act claim and, alternatively, sought judgment with respect to the Sherman Act claim so that it could pursue an immediate appeal. At a court conference on April 26, 2006 the Court deferred the requests for judgment and for certification and set up briefing schedules with respect to our motion to dismiss the RICO claim on grounds that were not the subject of the first round of briefing, and our motion to dismiss the action based on the release contained in a January 15, 2004 Settlement Agreement and General Release between WWE and the Company (the Release). The Court also established a briefing schedule for WWE's motion for reargument of the dismissal of the Sherman Act claim. These motions were argued and submitted in September 2006. Discovery remained stayed.

On November 30, 2007, the Court indicated that the WWE Action would be dismissed. On December 21, 2007 the Court dismissed the WWE Action with prejudice (the December 2007 Order) based on (1) the failure to plead RICO injury; (2) the bar of the RICO statute of limitations; (3) the denial of WWE's motion for reconsideration of the Sherman Act claim; and (4) the lack of subject matter jurisdiction with respect to the pendent state law claims. Thereafter, WWE filed an appeal to the Second Circuit Court of Appeals. We filed a motion for reconsideration of the part of the December 2007 Order that stated that the Release did not bar the WWE Action. That motion was fully briefed and submitted to the Court. In September 2008, the Court granted the motion and held that the applicability of a January 2004 release executed by WWE in favor of the Company would not be determined in connection with the motion to dismiss the action. We also filed a cross-appeal based on the Court's earlier order denying our request to dismiss based on the lack of a cognizable enterprise and based on the December 2007 Order's statement with respect to the Release. WWE moved to dismiss our cross-appeal. It was withdrawn without prejudice to our right to argue these issues as grounds for affirmance of the December 2007 Order. The appeal briefing was completed and argument was held on May 6, 2009. On May 19, 2009, the Second Circuit Court of Appeals unanimously affirmed dismissal of the WWE Action on statute of limitations grounds.

In November 2004, several purported class action lawsuits were filed in the United States District Court for the Southern District of New York: (1) Garcia v. JAKKS Pacific, Inc. et al., Civil Action No. 04-8807 (filed on November 5, 2004), (2) Jonco Investors, LLC v. JAKKS Pacific, Inc. et al., Civil Action No. 04-9021 (filed on November 16, 2004), (3) Kahn v. JAKKS Pacific, Inc. et al., Civil Action No. 04-8910 (filed on November 10, 2004), (4) Quantum Equities L.L.C. v. JAKKS Pacific, Inc. et al., Civil Action No. 04-8877 (filed on November 9, 2004), and (5) Irvine v. JAKKS Pacific, Inc. et al., Civil Action No. 04-9078 (filed on November 16, 2004) (the Class Actions). The complaints in the Class Actions alleged that defendants issued positive statements concerning increasing sales of our WWE licensed products which were false and misleading because the WWE licenses had allegedly been obtained through a pattern of commercial bribery, our relationship with the WWE was being negatively impacted by the WWE's contentions and there was an increased risk that the WWE would either seek modification or nullification of

the licensing agreements with us. Plaintiffs also alleged that we misleadingly failed to disclose the alleged fact that the WWE licenses were obtained through an unlawful bribery scheme. The plaintiffs in the Class Actions were described as purchasers of our common stock, who purchased from as early as October 26, 1999 to as late as October 19, 2004.

The Class Actions sought compensatory and other damages in an undisclosed amount, alleging

violations of Section 10(b) of the Securities Exchange Act of 1934 (the Exchange Act) and Rule 10b-5 promulgated thereunder by each of the defendants (namely the Company and Messrs. Friedman, Berman and Bennett), and violations of Section 20(a) of the Exchange Act by Messrs. Friedman, Berman and Bennett. On January 25, 2005, the Court consolidated the Class Actions under the caption In re JAKKS Pacific, Inc. Shareholders Class Action Litigation, Civil Action No. 04-8807. On May 11, 2005, the Court appointed co-lead counsels and provided until July 11, 2005 for an amended complaint to be filed; and a briefing schedule thereafter with respect to a motion to dismiss. The motion to dismiss was fully briefed and argument occurred on November 30, 2006. The motion was granted in January 2008 to the extent that the Class Actions were dismissed without prejudice to plaintiffs' right to seek leave to file an amended complaint based on statements that the WWE licenses were obtained from the WWE as a result of the long-term relationship with WWE. A motion seeking leave to file an amended complaint was granted and an amended complaint filed. Briefing was completed with respect to a motion to dismiss that was scheduled for argument in October 2008. The Court adjourned the argument date. The parties have notified the Court that an agreement in principle to resolve this action has been reached. The agreement, which is subject to agreement as to documentation and Court approval, will settle the matter for \$3.9 million, without any admission of liability on the part of the Company, or its officers and directors.

We believe that the claims in the WWE Action are without merit and, if necessary, will continue to defend vigorously against the WWE Action.

On December 2, 2004, a shareholder derivative action was filed in the Southern District of New York by Freeport Partner, LLC against us, nominally, and against Messrs. Friedman, Berman and Bennett, Freeport Partners v. Friedman, et al., Civil Action No. 04-9441 (the Derivative Action). The Derivative Action seeks to hold the individual defendants liable for damages allegedly caused to us by their actions and in particular to hold them liable on a contribution theory with respect to any liability we incur in connection with the Class Actions. On or about February 10, 2005, a second shareholder derivative action was filed in the Southern District of New York by David Oppenheim against us, nominally, and against Messrs. Friedman, Berman, Bennett, Blatte, Glick, Miller and Skala, Civil Action 05-2046 (the Second Derivative Action). The Second Derivative Action seeks to hold the individual defendants liable for damages allegedly caused to us by their actions as a result of alleged breaches of their fiduciary duties. On or about March 16, 2005, a third shareholder derivative action was filed. It is captioned Warr v. Friedman, Berman, Bennett, Blatte, Glick, Miller, Skala, and JAKKS (as a nominal defendant), and it was filed in the Superior Court of California, Los Angeles County (the Third Derivative Action). The Third Derivative Action seeks to hold the individual defendants liable for (1) damages allegedly caused to us by their alleged breaches of fiduciary duty, abuse of control, gross mismanagement, waste of corporate assets and unjust enrichment; and (2) restitution to us of profits, benefits and other compensation obtained by them. Stays and/or extensions of time to answer are in place with respect to the derivative actions. Agreement in principle to resolve the Derivative Actions has been reached, but it is subject to Board approval and Court approval.

On March 1, 2005, we delivered a Notice of Breach of Settlement Agreement and Demand for Indemnification to WWE (the Notification). The Notification asserted that WWE's filing of the WWE Action violated a Covenant Not to Sue contained in a January 15, 2004 Settlement Agreement and General Release (General Release) entered into between WWE and us and, therefore, that we were demanding indemnification, pursuant to the Indemnification provision contained in the General Release, for all losses that the WWE's actions have caused or will cause to us and our officers, including but not limited to any losses sustained by us in connection with the Class Actions. On March 4, 2005, in a letter from its outside counsel, WWE asserted that the General Release does not cover the claims in the WWE Action.

On March 30, 2006, WWE's counsel wrote a letter alleging breaches by the joint venture of the video game agreement relating to the manner of distribution and the payment of royalties to WWE with respect to sales of the WWE video games in Japan. WWE has demanded that the alleged breaches be cured within the time periods provided in the video

game license, while reserving all of its rights, including its alleged right of termination of the video game license.

On April 28, 2006 the joint venture responded, asserting, among other things, that WWE had acquiesced in the manner of distribution in Japan and the payment of royalties with respect to such sales and, in addition,

10

had separately released the joint venture from any claims with respect to such matter, including the payment of royalties with respect to such sales, and that there is therefore no basis for an allegation of a breach of the license agreement. While the joint venture does not believe that WWE has a valid claim, it tendered a protective cure of the alleged breaches with a full reservation of rights. WWE rejected that cure and reserved its rights.

On October 12, 2006, WWE commenced a lawsuit in Connecticut state court against THQ and THQ/JAKKS Pacific LLC (the LLC), involving a claim set forth above concerning allegedly improper sales of WWE video games in Japan and other countries in Asia (the Connecticut Action). The lawsuit seeks, among other things, a declaration that WWE is entitled to terminate the video game license and monetary damages and raised Connecticut Unfair Trade Practices Act (CUTPA) and contract claims against THQ and the LLC. A motion to strike the CUTPA claim was denied in May 2007. Cross-motions for summary judgment were filed. Discovery issues arose, a Court conference to address issues relating to discovery occurred on August 4, 2009, and a further order of the Court is expected shortly.

In March 2007, WWE filed a motion seeking leave to amend its complaint in the Connecticut Action to add the principal part of the state law claims present in the WWE Action to the Connecticut Action. That motion further sought, *inter alia*, to add our Company and Messrs. Friedman, Berman and Bennett (the Individual Defendants) as defendants in the Connecticut Action. The motion was argued on May 8, 2007 and was granted from the bench, subject to a decision that the schedule was suspended and no discovery matters would be addressed until pleading motions were resolved. In June 2007, our Company and the Individual Defendants moved for a stay of the Connecticut Action, *inter alia*, based on the pendency of the WWE Action. On July 30, 2007, in light of the pending motion to dismiss in the WWE Action, the Court ordered a 120-day stay of the Connecticut Action (the Stay). In November 2007 we moved for a continuation of the Stay. WWE served discovery and sought leave to file an amended complaint alleging the state law claims from the WWE Action. Thereafter we moved for a conference and a stay of discovery. A conference was held on January 14, 2008 at which WWE was allowed to amend its complaint to assert the state law claims set forth in the WWE Action and a briefing schedule was established with respect to a combined motion to strike and a motion for summary judgment (the Dispositive Motion). This motion was briefed and argument was held on May 19, 2008. WWE cross-moved for partial summary judgment striking our Release defense. In August 2008, the Dispositive Motion was granted. WWE filed a motion for reargument which was denied. Thereafter, WWE filed an appeal. This appeal has been assigned to the Connecticut Supreme Court. Briefing on the appeal is scheduled to be completed in September 2009, with argument to be held thereafter. In July 2008, THQ filed a cross-complaint which asserts claims by THQ and Mr. Farrell for indemnification from the Company in the event that WWE prevails on any of its claims against THQ and Farrell and also asserts claims by THQ that the Company breached its fiduciary duties to THQ in connection with the videogame license between WWE and THQ/JAKKS Pacific LLC and seeks equitable and legal relief, including substantial monetary and exemplary damages against the Company in connection with this claim. The Company requested that THQ revise its claims and THQ objected to this request. The Company moved to sever and stay the cross-claims pending WWE's appeal of its dismissed claims to which the cross-claims relate. That motion has been fully briefed and submitted for decision unless the Court deems argument necessary. On July 31, 2009, the Company withdrew the request to revise and moved for summary judgment and to strike the cross-complaint. This matter has not yet been resolved. The Company intends to contest all of these claims vigorously.

We believe that the claims in the Connecticut Action are without merit and we intend to defend vigorously against them. However, because this action is subject to appeal, we cannot assure you as to the outcome of the action, nor can we estimate the range of our potential losses. THQ and the LLC have stated that they believe the claims in the Connecticut Action prior to the additional claims in the amended complaint are without merit and have filed an opposition to WWE's motion for partial summary judgment and filed a motion for summary judgment dismissing the remaining claims in the Connecticut Action as a matter of law on multiple grounds and they intend to continue to defend themselves vigorously. In connection with the above motion and cross-motions for summary judgment, discovery issues arose and, as set forth above, were addressed at a court conference on August 4, 2009, and a further

Court order is expected shortly. However,

because this action is in its preliminary stage, we cannot assure you as to the outcome, nor can we estimate the range of our potential losses, if any.

Our agreement with THQ provides for payment of a preferred return to us in connection with our joint venture. The preferred return is subject to change after June 30, 2006 and is to be set for the distribution period beginning July 1, 2006 and ending December 31, 2009 (the Next Distribution Period). The agreement provides that the parties will negotiate in good faith and agree to the preferred return not less than 180 days prior to the start of the Next Distribution Period. It further provides that if the parties are unable to agree on a preferred return, the preferred return will be determined by arbitration. The parties were unable to reach an agreement with respect to the preferred return for the Next Distribution Period and the preferred return was submitted for determination through arbitration. On July 24, 2009, a decision was rendered by the arbitrator setting the preferred return rate at 6%.

In order to exercise the joint venture's right to renew the WWE videogame license for the renewal period running from January 1, 2010 through December 31, 2014, the Company, on behalf of the joint venture, sent out a Notice of Renewal to WWE on June 30, 2009 (the Renewal Notice). THQ has commenced an action in California Superior Court (the California Action) seeking a declaratory judgment that JAKKS cannot renew the videogame license without THQ's consent and that THQ is not obligated to consent. THQ also seeks a declaratory judgment that the restrictive covenant contained in the joint venture agreement is unenforceable. The Company has filed a demurrer in the California Action. THQ also filed an arbitration in California seeking a declaratory judgment that the same restrictive covenant is unenforceable (the California Arbitration). The Company commenced an arbitration in New York (the New York Arbitration) seeking, among other things, a declaratory judgment that (a) it is empowered to serve the Renewal Notice and (b) the restrictive covenant is enforceable. The Company also seeks to hold THQ liable for its breach of fiduciary duty with respect to its dealings with the Company and the LLC. The Company also commenced an action in New York Supreme Court to enjoin the California Arbitration. The application to enjoin the California Arbitration has been argued and is awaiting decision. The Company has requested of the American Arbitration Association that the New York Arbitration proceed and the California Arbitration not proceed.

While the parties have been in contact with each other to begin negotiations with respect to the Preferred Return for the Distribution Period beginning January 1, 2010 and ending December 31, 2014 (the Renewal Distribution Period), no agreement has been reached to date with respect to the preferred return to us in connection with the Renewal Distribution Period.

We are a party to, and certain of our property is the subject of, various other pending claims and legal proceedings that routinely arise in the ordinary course of our business, but we do not believe that any of these claims or proceedings will have a material effect on our business, financial condition or results of operations.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely upon a review of Forms 3 and 4 and amendments thereto furnished to us during 2008 and Forms 5 and amendments thereto furnished to us with respect to 2008, during 2008, Jack Friedman and Stephen Berman, executive officers of our Company and members of our Board of Directors, each untimely filed one report on Form 4 reporting one late transaction and Michael Miller, one of our directors, also untimely filed one report on Form 4 reporting one late transaction. Based solely upon a review of Forms 3 and 4 and amendments thereto furnished to us during 2008 and Forms 5 and amendments thereto furnished to us with respect to 2008, all other Forms 3, 4 and 5 required to be filed during 2008 were done so on a timely basis.

Item 11. Executive Compensation

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy and Objectives

We believe that a strong management team comprised of highly talented individuals in key positions is critical to our ability to deliver sustained growth and profitability, and our executive compensation program is an important tool for attracting and retaining such individuals. We also believe that our most important resource is our people. While some companies may enjoy an exclusive or limited franchise or are able to

12

exploit unique assets or proprietary technology, we depend fundamentally on the skills, energy and dedication of our employees to drive our business. It is only through their constant efforts that we are able to innovate through the creation of new products and the continual rejuvenation of our product lines, to maintain superior operating efficiencies, and to develop and exploit marketing channels. With this in mind, we have consistently sought to employ the most talented, accomplished and energetic people available in the industry. Therefore, we believe it is vital that our named executive officers receive an aggregate compensation package that is both highly competitive with the compensation received by similarly-situated executive officers at peer group companies, and also reflective of each individual named executive officer's contributions to our success on both a long-term and short-term basis. As discussed in greater depth below, the objectives of our compensation program are designed to execute this philosophy by compensating our executives at the top quartile of their peers.

Our executive compensation program is designed with three main objectives:

- to offer a competitive total compensation opportunity that will allow us to continue to retain and motivate highly talented individuals to fill key positions;
 - to align a significant portion of each executive's total compensation with our annual performance and the interests of our stockholders; and
 - reflect the qualifications, skills, experience and responsibilities of our executives
- Administration and Process

Our executive compensation program is administered by the Compensation Committee. The Compensation Committee receives legal advice from our outside general counsel and has retained Frederick W. Cook & Co., Inc. (FWC), a compensation consulting firm, that provided advice directly to the Compensation Committee. The base salary, bonus structure and the long-term equity compensation of our executive officers are governed by the terms of their individual employment agreements (see Employment Agreements and Termination of Employment Arrangements). With respect to our chief executive officer and president (now our co-chief executive officers), the Compensation Committee, with input from FWC, establishes target performance levels for incentive bonuses based on a number of factors that are designed to further our executive compensation objectives, including our performance, the compensation received by similarly-situated executive officers at peer group companies, the conditions of the markets in which we operate and the relative earnings performance of peer group companies.

Pursuant to the terms of their employment agreements, during the first quarter of each year, the Compensation Committee establishes the targeted level of our Adjusted EPS (as defined below) growth and corresponding bonus levels, as a percentage of base salary, Messrs. Friedman and Berman will earn if the target is met. Pursuant to the terms of their employment agreements, this bonus is capped at a maximum of 200% of base salary, although the Compensation Committee has the authority, in its discretion, to increase the maximum. The Compensation Committee also has wide discretion to set the target levels of Adjusted EPS and they work together with FWC to establish target levels that will accomplish the general objectives outlined above of also promoting growth and alignment with our shareholders' interests. The employment agreements also give the Compensation Committee the authority to award additional compensation to Messrs. Friedman, Berman and Bennett as it determines in its sole discretion based upon criteria it establishes.

Adjusted EPS is the net income per share of our common stock calculated on a fully-diluted basis in accordance with GAAP, applied on a basis consistent with past periods, as adjusted in the sole discretion of the Compensation Committee to take account of extraordinary or special items.

While the Compensation Committee does not establish target performance levels for our chief financial officer, it does consider similar factors when determining such officer's bonus. The employment agreement for Mr. Bennett authorizes our Compensation Committee and Board of Directors to award an annual bonus to Mr. Bennett in an amount up to

50% of his salary as the Committee or Board determines in its discretion and also gives the Compensation Committee and the Board the discretionary authority to pay Mr. Bennett additional incentive compensation as it determines.

13

The Compensation Committee also annually reviews the overall compensation of our named executive officers for the purpose of determining whether discretionary bonuses should be granted. In 2008, FWC presented a report to the Compensation Committee comparing our performance, size and executive compensation levels to those of peer group companies. FWC also reviewed with the Compensation Committee the base salaries, annual bonuses, total cash compensation, long-term compensation and total compensation of our senior executive officers relative to those companies. The performance comparison presented to the Compensation Committee each year includes a comparison of our total shareholder return, earnings per share growth, sales, net income (and one-year growth of both measures) to the peer group companies. The Compensation Committee reviews this information along with details about the components of each named executive officer's compensation.

Peer Group

One of the factors considered by the Compensation Committee is the relative performance and the compensation of executives of peer group companies. The peer group is comprised of a group of the companies selected in conjunction with FWC that we believe provides relevant comparative information, as these companies represent a cross-section of publicly-traded companies with product lines and businesses similar to our own throughout the comparison period.

The composition of the peer group is reviewed annually and companies are added or removed from the group as circumstances warrant. For the last fiscal year, the peer group companies utilized for executive compensation analysis were:

Activision, Inc.
Electronic Arts, Inc.
EMak Worldwide, Inc.
Hasbro, Inc.
Leapfrog Enterprises, Inc.
Marvel Enterprises, Inc.
Mattel, Inc.
RC2 Corp.
Russ Berrie and Company, Inc.
Take-Two Interactive, Inc.
THQ Inc.

Elements of Executive Compensation

The compensation package for the Company's senior executives has both performance-based and non-performance based elements. Based on its review of each named executive officer's total compensation opportunities and performance, and our performance, the Compensation Committee determines each year's compensation in the manner that it considers to be most likely to achieve the objectives of our executive compensation program. The specific elements, which include base salary, annual cash incentive compensation and long-term equity compensation, are described below.

The Compensation Committee has negative discretion to adjust performance results used to determine annual incentive and the vesting schedule of long-term incentive payouts to the named executive officers. The Compensation Committee also has discretion to grant bonuses even if the performance targets were not met.

Base Salary

Each of our named executive officers received compensation in 2008 pursuant to the terms of his respective employment agreement. As discussed in greater detail below, the employment agreements for Messrs. Friedman and Berman expire on December 31, 2010 and Mr. Bennett's employment agreement expires on December 31, 2009.

Pursuant to the terms of their employment agreements, Messrs. Friedman and Berman each receive a base salary which, pursuant to his employment agreement, is increased automatically each year by \$25,000. Mr. Bennett's employment agreement does not provide for automatic annual increases in base salary. Any increase or additional increase in base salary, as the case may be, is determined by the Compensation Committee based on a combination of two factors. The first factor is the Compensation Committee's

evaluation of the salaries paid in peer group companies to executives with similar responsibilities. The second factor is the Compensation Committee's evaluation of the executive's unique role, job performance and other circumstances. Evaluating both of these factors allows us to offer a competitive total compensation value to each individual named executive officer taking into account the unique attributes of, and circumstances relating to, each individual, as well as marketplace factors. This approach has allowed us to continue to meet our objective of offering a competitive total compensation value and attracting and retaining key personnel. Based on its review of these factors, the Compensation Committee determined not to increase any of the base salaries of Messrs. Friedman and Berman above the contractually required minimum increase in 2009 as unnecessary to maintain our competitive total compensation position in the marketplace, but did determine to raise Mr. Bennett's base salary for 2008 by \$20,000.

Annual Cash Incentive Compensation

The function of the annual cash bonus is to establish a direct correlation between the annual incentives awarded to the participants and our financial performance. This purpose is in keeping with our compensation program's objective of aligning a significant portion of each executive's total compensation with our annual performance and the interests of our shareholders.

The employment agreements for Messrs. Friedman and Berman provide for an incentive cash bonus award based on a percentage of each participant's base salary if the performance goals set by the Compensation Committee are met for that year. The employment agreements mandate that the specific criteria to be used is earnings per share and the Compensation Committee sets the various target thresholds to be met to earn increasing amounts of the bonus up to a maximum of 200% of base salary, although the Compensation Committee has the ability to increase the maximum in its discretion. During the first quarter of each year, the Compensation Committee meets to establish the target thresholds for that year. During 2008, the Company's EPS declined so Messrs. Friedman and Berman were not entitled to a mandated cash bonus. Mr. Bennett's employment agreement provides for an annual bonus of up to 50% of his base salary to be awarded in the discretion of the Compensation Committee or the Board of Directors, upon consideration of such factors as economic and business conditions affecting us and his personal performance. Following such consideration, the Compensation Committee determined to award Mr. Bennett a cash bonus of \$125,000 for 2008.

The employment agreement for each of our named executive officers contemplates that the Compensation Committee may grant discretionary bonuses in situations where, in its sole judgment, it believes they are warranted. The Compensation Committee approaches this aspect of the particular executive's compensation package by looking at the other components of each executive's aggregate compensation and then evaluating if any additional compensation is appropriate to meet our compensation goals. As part of this review, the Compensation Committee, with significant input from FWC, collects information about the total compensation packages in our peer group and various indicia of performance by the peer group such as sales, one-year sales growth, net income, one-year net income growth, market capitalization, size of companies, one- and three-year stockholder returns, etc. and then compares such data to our corresponding performance data. The Compensation Committee also gave particular consideration to the fact that we successfully completed three acquisitions, including the Disguise Halloween business, during 2008; the fact that we maintained our gross revenue levels in 2008 compared to 2007 despite the onset of a serious world-wide economic downturn during the latter part of 2008; and that management quickly identified successors within the company to assume responsibility for its CDI division with the departure of Geoffrey Greenberg at the end of 2008 following months of discussions with Mr. Greenberg regarding renewal of his employment agreement. In addition, in the case of Mr. Bennett, the Compensation Committee and the Board of Directors considered the continued expansion of Mr. Bennett's responsibilities as a result of our growth and Mr. Bennett's management of the integration of the operations we acquired into our overall financial controls. Following consideration of all of the above as well as input from FWC, the Compensation Committee approved discretionary bonuses in the amount of \$250,000 to each of Messrs. Friedman and Berman (representing less than 23% of their respective 2008 base salary). As a condition to this award, the Compensation Committee required that Messrs. Friedman and Berman agree that, with respect to the 120,000

shares of our restricted stock each received on January 1, 2009 pursuant to the terms of their employment agreements, sale or transfer of 7,250 of the first 60,000 shares scheduled to vest on January 1, 2010 be restricted for two years from the date of vesting and sale or transfer of 7,250 of the balance of such 120,000 shares initially scheduled to vest on January 1, 2011 (subject to

15

acceleration as provided in their respective employment agreements) be restricted for two years from the vesting date of the balance of such 120,000 shares.

Long-Term Compensation

Long-term compensation is an area of particular emphasis in our executive compensation program, because we believe that these incentives foster the long-term perspective necessary for our continued success. Again, this emphasis is in keeping with our compensation program objective of aligning a significant portion of each executive's total compensation with our long-term performance and the interests of our shareholders.

Historically, our long-term compensation program has focused on the granting of stock options that vested over time. However, commencing in 2006 we began shifting the emphasis of this element of compensation and we currently favor the issuance of restricted stock awards. The Compensation Committee believes that the award of full-value shares that vest over time is consistent with our overall compensation philosophy and objectives as the value of the restricted stock varies based upon the performance of our common stock, thereby aligning the interests of our executives with our shareholders. The Compensation Committee has also determined that awards of restricted stock are anti-dilutive as compared to stock options inasmuch as it feels that less restricted shares have to be granted to match the compensation value of stock options.

The employment agreements for Messrs. Friedman and Berman provide for annual grants of 120,000 shares of restricted stock subject to a two-year vesting period, all or part of which may be accelerated to one year if we achieve earnings per share growth targets. The initial vesting of the restricted stock is subject to our achieving pre-tax income in excess of \$2 million in the fiscal year that the grant is made. Since we had in excess of \$2 million of pre-tax income for 2008, 50% of the 2008 restricted stock awards to Messrs. Friedman and Berman vested on January 1, 2009. The remaining 50% of the 2008 award will vest on January 1, 2010. Mr. Bennett's employment agreement does not provide for any specified award of restricted shares, rather the Compensation Committee has discretion to determine if an award of restricted shares (or stock options) should be granted and if granted, the specific terms of the grant.

After a review of all of the factors discussed above, the Compensation Committee determined that, in keeping with our compensation objectives, other than the contractual amounts no additional restricted stock (or stock option) awards should be granted to our named executives for fiscal 2008.

Other Benefits and Perquisites

Our executive officers participate in the health and dental coverage, life insurance, paid vacation and holidays, 401(k) retirement savings plans and other programs that are generally available to all of the Company's employees.

The provision of any additional perquisites to each of the named executive officers is subject to review by the Compensation Committee. Historically, these perquisites include payment of an automobile allowance and matching contributions to a 401(k) defined contribution plan. In 2008, the named executive officers were granted the following perquisites: automobile allowance and matching contributions to a 401(k) defined contribution plan. We value perquisites at their incremental cost to us in accordance with SEC regulations.

We believe that the benefits and perquisites we provide to our named executive officers are within competitive practice and customary for executives in key positions at comparable companies. Such benefits and perquisites serve our objective of offering competitive compensation that allows us to continue to attract, retain and motivate highly talented people to these critical positions, ultimately providing a substantial benefit to our shareholders.

Change of Control/Termination Agreements

We recognize that, as with any public company, it is possible that a change of control may take place in the future. We also recognize that the threat or occurrence of a change of control can result in significant distractions of key management personnel because of the uncertainties inherent in such a situation. We further believe that it is essential and in our best interest and the interests of our shareholders to retain the services of our key management personnel in the event of the threat or occurrence of a change of control and to ensure their continued dedication and efforts in such event without undue concern for their personal financial and

16

employment security. In keeping with this belief and its objective of retaining and motivating highly talented individuals to fill key positions, which is consistent with our general compensation philosophy, the employment agreements for our executive officers contain provisions which guarantee the named executive officers specific payments and benefits upon a termination of employment as a result of a change of control of the Company. In addition, the employment agreements also contain provisions providing for certain lump-sum payments in the event the executive is terminated without cause or if we materially breach the agreement leading the affected executive to terminate the agreement for good reason.

Additional details of the terms of the change of control agreements and termination provisions outlined above are provided below.

Retirement Plans

Mr. Friedman's employment agreement provides that, commencing at age 67, he may retire and receive a single-life annuity retirement payment of \$975,000 per year for a period of ten (10) years following his retirement. Mr. Friedman is currently 70 years old. In the event of his death during such period, his estate will receive a death benefit equal to the difference between \$2,925,000 and retirement benefits previously paid to him. This retirement benefit is conditioned upon Mr. Friedman agreeing to accept the position of Chairman Emeritus of our Board of Directors, if so requested by the Board.

We believe that by limiting our retirement benefits to only our senior-most executive we are striking a fair and reasonable balance between achieving our compensation objective of retaining a highly-talented individual to fill our most key position and the best interests of our stockholders.

Impact of Accounting and Tax Treatments

Section 162(m) of the Internal Revenue Code (the Code) prohibits publicly held companies like us from deducting certain compensation to any one named executive officer in excess of \$1,000,000 during the tax year. However, Section 162(m) provides that, to the extent that compensation is based on the attainment of performance goals set by the Compensation Committee pursuant to plans approved by the Company's shareholders, the compensation is not included for purposes of arriving at the \$1,000,000.

The Company, through the Compensation Committee, intends to attempt to qualify executive compensation as tax deductible to the extent feasible and where it believes it is in our best interests and in the best interests of our shareholders. However, the Compensation Committee does not intend to permit this arbitrary tax provision to distort the effective development and execution of our compensation program. Thus, the Compensation Committee is permitted to and will continue to exercise discretion in those instances in which mechanistic approaches necessary to satisfy tax law considerations could compromise the interests of our shareholders. In addition, because of the uncertainties associated with the application and interpretation of Section 162(m) and the regulations issued thereunder, there can be no assurance that compensation intended to satisfy the requirements for deductibility under Section 162(m) will in fact be deductible.

Compensation Committee Report

The compensation committee has reviewed and discussed the Compensation Discussion and Analysis (the CD&A) for the year ended December 31, 2008 with management. In reliance on the reviews and discussions referred to above, the compensation committee recommended to the board, and the board has approved, that the CD&A be furnished in the annual report on Form 10-K for the year ended December 31, 2008.

Mr. Friedman's employment agreement with us (see Employment Agreements) provides that if he retires and is at least 67 years old, then he is entitled to be paid an annual retirement benefit of \$975,000 (the Retirement Benefit) during the 10-year period following his retirement; provided, however, that Mr. Friedman must agree to serve as our non-executive Chairman Emeritus for so long as may be requested by the Board of Directors; and provided further, however, that if Mr. Friedman dies before the payment of his entire Retirement Benefit, the remaining Retirement Benefit will be reduced such that his designated beneficiary or estate, as the case may be, will receive in a lump sum the positive difference, if any, between \$2,925,000 and any Retirement Benefit already paid to him. Mr. Friedman was 69 years of age as at December 31, 2008.

(1) Assumes that if the Named Officer is terminated on December 31, 2008, they were employed through the end of the incentive period.

(2) Defined as (i) our violation or failure to perform or satisfy any material covenant, condition or obligation required to be performed or satisfied by us, or (ii) the material change in the nature or scope of the duties, obligations, rights or powers of the Named Officer's employment resulting from any action or failure to act by us.

(3) Defined as a Named Officer's inability to perform his duties by reason of any disability or incapacity (due to any physical or mental injury, illness or defect) for an aggregate of 180 days in any consecutive 12-month period.

(4) An amount equal to 90% of the Retirement Benefit described in footnote (1) above.

(5) Defined as (i) the Named Officer's conviction of, or entering a plea of guilty or nolo contendere (which plea is not withdrawn prior to its approval by the court) to, a felony offense and either the Named Officer's failure to perfect an appeal of such conviction prior to the expiration of the maximum period of time within which, under applicable law or rules of court, such appeal may be perfected or, if he does perfect such an appeal, the sustaining of his conviction of a felony offense on appeal; or (ii) the determination by our Board of Directors, after due inquiry, based on convincing evidence, that the Named Officer has:

- (A) committed fraud against, or embezzled or misappropriated funds or other assets of, our Company; violated, or caused us or any of our officers, employees or other agents, or any other individual or entity to violate,
- (B) any material law, rule, regulation or ordinance, or any material written policy, rule or directive of our Company or our Board of Directors;
- (C) willfully, or because of gross or persistent inaction, failed properly to perform his duties or acted in a manner detrimental to, or adverse to our interests; or
- (D) violated, or failed to perform or satisfy any material covenant, condition or obligation required to be performed or satisfied by him under his employment agreement with us;

and that, in the case of any violation or failure referred to in clause (B), (C) or (D), above, such violation or failure has caused, or is reasonably likely to cause, us to suffer or incur a substantial casualty, loss, penalty, expense or other liability or cost.

Section 280G of the Code disallows a company's tax deduction for what are defined as excess parachute payments and Section 4999 of the Code imposes a 20% excise tax on any person who receives excess parachute payments.
(7) As discussed above, Messrs. Friedman and Berman are entitled to certain payments upon termination of their employment, including termination following a change in control of

21

our Company. Under the terms of their respective employment agreements (see Employment Agreements), neither Mr. Friedman nor Mr. Berman are entitled to any payments that would be an excess parachute payment, and such payments are to be reduced by the least amount necessary to avoid the excise tax. Accordingly, our tax deduction would not be disallowed under Section 280G of the Code, and no excise tax would be imposed under Section 4999 of the Code.

Under the terms of Messrs. Friedman's and Berman's respective employment agreements (see Employment Agreements), if a change of control occurs, then they each have the right to terminate their employment and receive a payment equal to 2.99 times their then current annual salary (which was \$1,090,000 in 2008).

Each of Messrs. Friedman and Berman were granted and are scheduled to be granted restricted stock of our Company in accordance with the terms of their respective employment agreements (see Employment Agreements). Pursuant to the terms of those employment agreements, vesting accelerates for performance-based restricted stock upon a change in control, whether or not the relevant performance targets are met. Furthermore, (9) under our Third Amended and Restated 1995 Stock Option Plan and 2002 Stock Award and Incentive Plan, in the event of a change in control, stock options granted under those plans become immediately exercisable in full and under our 2002 Stock Award and Incentive Plan, shares of restricted stock granted under that plan are immediately vested. The stock price used to calculate values in the above tables is \$20.63 per share, the closing price on the last trading day of 2008.

Compensation of Directors

Analogous to our executive compensation philosophy, it is our desire to similarly compensate our non-employee directors for their services in a way that will serve to attract and retain highly qualified members. As changes in the securities laws require greater involvement by, and places additional burdens on, a company's directors it becomes even more necessary to locate and retain highly qualified directors. As such, in close cooperation with FWC, the Compensation Committee has reconfigured the structure of the compensation package of our directors so that it places our directors at approximately the median total compensation package for directors in our peer group.

For 2008, each of our non-employee directors received (i) a cash stipend of \$30,000 for serving on the Board, (ii) \$1,000 for each board or committee meeting attended (whether in person or by telephone), and (iii) a grant of restricted shares of our common stock valued at \$120,000 (using a per share value equal to the average closing price of our common stock for the last ten trading days of December in the year preceding the grant date). Directors are also reimbursed for reasonable expenses incurred in attending meetings. The Chairman of the Audit Committee receives a cash stipend of \$25,000 for serving in such capacity and the Chairmen of the Compensation Committee and the Nominating and Corporate Governance Committee each receive cash stipends of \$10,000 for serving in such capacities.

Newly-elected non-employee directors will receive a portion of the foregoing annual consideration, pro rated according to the portion of the year in which they serve in such capacity.

The following table sets forth the compensation we paid to our non-employee directors for our fiscal year ended December 31, 2008:

Employment Agreements and Termination of Employment Arrangements

In March 2003 we amended and restated our employment agreements with each of Messrs. Friedman and Berman and on July 17, 2007 entered into a new employment agreement with Joel Bennett.

Mr. Friedman's amended and restated employment agreement, pursuant to which he serves as our Chairman and Chief Executive Officer, provides for an annual base salary in 2008 of \$1,090,000. Mr. Friedman's agreement expires December 31, 2010. His base salary is subject to annual increases determined by our Board of Directors, but in an amount not less than \$25,000 per annum. For each fiscal year between 2007 through 2010, Mr. Friedman's bonus will depend on our achieving certain earnings per share growth targets, with such earnings per share growth targets to be determined annually by the Compensation Committee of our Board of Directors. Depending on the levels of earnings per share growth that we achieve in each fiscal year, Mr. Friedman will receive an annual bonus from 0% to up to 200% of his base salary. This bonus will be paid in accordance with the terms and conditions of our 2002 Stock Award and Incentive Plan. In addition, in consideration for modifying and replacing the pre-tax income formula provided in his prior employment agreement for determining his annual bonus, and for entering into the amended employment agreement, Mr. Friedman was granted the right to be issued an aggregate of 1,080,000 shares of restricted stock. The first tranche of restricted stock, totaling 240,000 shares, was granted at the time the agreement became effective, and 120,000 shares were granted on each of January 1, 2004, 2005, 2006 and 2007 (or 480,000 shares in the aggregate). In each subsequent year of the employment agreement term, Mr. Friedman will receive 120,000 shares of restricted stock. The grant of these shares is in accordance with our 2002 Stock Award and Incentive Plan, and the vesting of each tranche of restricted stock is subject to our achieving pre-tax income in excess of \$2,000,000 in the fiscal year that the grant is made. Each tranche of restricted stock granted or to be granted from January 1, 2004 through January 1, 2008 is subject to a two-year vesting period, which may be accelerated to one year if we achieve certain earnings per share growth targets. Each tranche of restricted stock to be granted thereafter through January 1, 2010, is subject to a one-year vesting period. Finally, the agreement provides that Mr. Friedman upon his retirement at or after age 67 will receive a single-life annuity retirement payment equal to \$975,000 a year for a period of 10 years, or in the event of his death during such retirement period, his estate will receive a death benefit equal to the difference between \$2,925,000 and any prior retirement benefits previously paid to him; provided, however, that Mr. Friedman must agree to serve as Chairman Emeritus of our Board of Directors, if requested to do so by such Board.

Mr. Berman's amended and restated employment agreement, pursuant to which he serves as our President and Chief Operating Officer, provides for an annual base salary in 2008 of \$1,090,000. Mr. Berman's agreement expires December 31, 2010. His base salary is subject to annual increases determined by our Board of Directors, but in an amount not less than \$25,000 per annum. For our fiscal year ended December 31, 2006, Mr. Berman received a bonus of \$250,000. For each fiscal year between 2007 through 2010, Mr. Berman's bonus will depend on our achieving certain earnings per share growth targets, with such earnings per share growth targets to be determined annually by the Compensation Committee of our Board of Directors. Depending on the levels of earnings per share growth that we achieve in each fiscal year, Mr. Berman will receive an annual bonus of from 0% to up to 200% of his base salary. This bonus will be paid in accordance with the terms and conditions of our 2002 Stock Award and Incentive Plan. In addition, in consideration for modifying and replacing the pre-tax income formula provided in his prior employment agreement for determining his annual bonus, and for entering into the amended employment agreement, Mr. Berman was granted the right to be issued an aggregate of 1,080,000 shares of restricted stock. The first tranche of restricted stock, totaling 240,000 shares, was granted at the time the agreement became effective, and 120,000 shares were granted on each of January 1, 2004, 2005, 2006 and 2007 (or 480,000 shares in the aggregate). In each subsequent year of the employment agreement term, Mr. Berman will receive 120,000 shares of restricted stock. The grant of

these shares is in accordance with our 2002 Stock Award and Incentive Plan, and the vesting of each tranche of restricted stock is subject to our achieving pre-tax income in excess of \$2,000,000 in the fiscal year that the grant is made. Each tranche of restricted stock granted or to be granted from January 1, 2004 through January 1, 2008 is subject to a two-year vesting period, which may be accelerated to one year if we achieve

certain earnings per share growth targets. Each tranche of restricted stock to be granted thereafter through January 1, 2010, is subject to a one-year vesting period.

On July 17, 2007, we entered into a new employment agreement with Mr. Bennett that expires on December 31, 2009, pursuant to which he will receive (i) a base salary of \$400,000 per year; (ii) an annual discretionary bonus of up to 50% of his annual base salary, determined by the Compensation Committee or the Board of Directors; (iii) a \$1,000 per month car allowance; and (iv) a one-time grant of 15,000 shares of restricted stock, vesting over three years in equal annual installments of 5,000 shares on December 31, 2007, 2008 and 2009, provided he remains employed by us on each vesting date.

If we terminate Mr. Friedman's or Mr. Berman's employment other than for cause or if such Named Officer resigns because of our material breach of the employment agreement or because we cause a material change in his employment, we are required to make a lump-sum severance payment in an amount equal to the sum of his base salary on the termination date and the performance bonus paid for the last completed year prior to the termination date multiplied by a fraction the numerator of which is the number of full months remaining in the balance of the term of the employment agreement after the termination date and the denominator of which is 96. In the event of the termination of his employment under certain circumstances after a Change of Control (as defined in each employment agreement), we are required to make a one-time payment of an amount equal to 2.99 times of the base amount of such Named Officer determined in accordance with the applicable provisions of the Internal Revenue Code.

If Mr. Bennett's employment is terminated by (a) him for good reason (as described in his employment agreement) or due to a Change of Control (as defined in his employment agreement), or (b) by us other than as a result of the occurrence of a For Cause Event (as defined in his employment agreement), Mr. Bennett will be entitled to receive an amount equal to the total amount of his base annual salary in effect as of the date of termination; and if Mr. Bennett's employment terminates as a result of his death or disability, he or his guardian, custodian or other legal representative or successor will be entitled to continue to receive his base salary for a period of six months following the date of termination.

The foregoing is only a summary of the material terms of our employment agreements with the Named Officers. For a complete description, copies of such agreements are annexed herein in their entirety as exhibits or are otherwise incorporated herein by reference.

Employee Benefits Plan

We sponsor for our U.S. employees (including the Named Officers), a defined contribution plan under Section 401(k) of the Internal Revenue Code. The plan provides that employees may defer up to 50% of their annual compensation subject to annual dollar limitations, and that we will make a matching contribution equal to 100% of each employee's deferral, up to 5% of the employee's annual compensation. Our matching contributions, which vest immediately, totaled \$0.7 million, \$0.9 million and \$1.2 million for 2006, 2007 and 2008, respectively.

Compensation Committee Interlocks and Insider Participation

None of our executive officers has served as a director or member of a compensation committee (or other board committee performing equivalent functions) of any other entity, one of whose executive officers served as a director or a member of our Compensation Committee.
