Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On September 11, 2009, the Board of Directors of Sanswire Corp. (the "Company"), in consultation with its independent accounting firm, determined that the Company will restate its financial statements for the years ended 2007 and 2008, as reported on Form 10-K and for the corresponding interim periods.

The Company reviewed its previously filed financials and determined that certain of its convertible debentures and warrants should have been treated as derivatives pursuant to EITF 00-19. The Company did treat these instruments as derivatives in 2009 pursuant to EITF 07-05, which the Company adopted in 2009. These are non-cash adjustments.

The Company has subsequently filed its Quarterly Report on Form 10-Q for the period ended June 30, 2009 and an Amended Form 10-K which includes restated financial statements for the fiscal years ended 2008 and 2007. We have submitted our restated 10-Q for the period ended March 31, 2009 to our auditors and await their approval to file. Below is a summary of the adjustments required:
