2. Ratification of Appointment of Auditors

Kabani & Company Inc. was appointed as Auditors for the Company for the fiscal year ended June 30, 2010. The following sets forth the tabulation of the shares voting for this matter.

Total Shares Voted	For	Against	Abstain	Broker Non-Votes	Percent
28,430,492	28,065,151	274,083	91,258	0	98.71%

The meeting was also called for the purpose of approving an issuance of shares of common stock and shares of common stock underlying warrants all issued as part of a financing which closed in June 2007. Approval of this proposal requires the approval of a majority of the voting power of the outstanding shares present and entitled to vote on this matter. Therefore, abstentions and broker non-votes have the same effect as votes against such proposals. As of the time of the meeting, approximately 48% of the votes cast had been cast in favor of the proposal, with a substantial number of broker non-votes and other shares not represented in the voting. After considering the importance of the matter, the number of votes not cast and the fact that shareholders represented at the meeting were so closely divided on the proposal, shareholders present at the meeting approved a motion presented by management to adjourn and reconvene the meeting to allow additional time to solicit proxies from those shareholders who had not voted on the proposal.

Please see the supplement to the proxy statement filed with contemporaneously herewith for information regarding the adjourned meeting date of April 23, 2010. The Company undertakes to file an amendment to this 8-K upon conclusion of the shareholders' meeting on the adjourned meeting date.
