Record Date, Outstanding Shares and Voting Rights

Only stockholders of record at the close of business on April 26, 2010 (the **Record Date**) are entitled to notice of and to vote at the Meeting. At the close of business on that date, there were 88,804,862 shares of the Company's common stock, \$0.00005 par value per share (the **Common Stock**), outstanding and entitled to vote. Each outstanding share of the Company's Common Stock entitles the record holder to cast one (1) vote for each matter to be voted upon.

The holders of a majority of all shares of the Common Stock, issued, outstanding and entitled to vote are required to be present in person or to be represented by proxy at the Meeting in order to constitute a quorum for the transaction of business. Votes withheld, abstentions and shares held in street name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter (**broker non-votes**) shall be counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Meeting.

The affirmative vote of the holders of a plurality of the votes cast at the Meeting is required for the election of directors (Proposal No. 1). The affirmative vote of the holders of a majority of the votes cast in person or by proxy of the shares entitled to vote is required to ratify the appointment of Brightman Almagor Zohar & Co., a member of Deloitte Touche Tohmatsu (Deloitte), as the Company's independent registered public accounting firm for the current fiscal year (Proposal No. 2).

Shares which abstain from voting on a particular matter and broker non-votes will not be counted as votes in favor of such matter and will also not be counted as votes cast or shares voting on such matter. Accordingly, abstentions and broker non-votes will have no effect on either of the proposals.

Voting Instructions

Included with this Proxy Statement is a proxy card from your bank, broker or other nominee for the Meeting, with instructions for voting.

Those stockholders who elect to vote by mail, should complete, sign and return the proxy card in the prepaid and addressed envelope that was enclosed with the proxy materials, and the shares will be voted at the Meeting in the manner directed. If you complete, sign and return your proxy card, it will be voted as you direct. In the event no choice is specified on a signed proxy card, the persons named as proxies will vote:

FOR the election of each of Abraham Efrati, Dr. Irit Arbel, Dr. Abraham Israeli, Dr. Robert Shorr and Malcolm Taub as directors;

FOR the ratification of the appointment of Brightman Almagor Zohar & Co., a member of Deloitte Touche Tohmatsu (Deloitte), as the Company's independent registered public accounting firm for the current fiscal year; and In their discretion as to any other matter that may be properly brought before the Meeting or any adjournments thereof.

If the shares you own are held in street name by a bank, broker or other nominee, that person, as the record holder of your shares, is required to vote your shares according to your instructions. Your bank, broker or other nominee will send you directions on how to vote those shares. Under applicable stock exchange rules, if you do not give instructions to your bank, broker or other nominee, it will still be able to vote your shares with respect to certain discretionary items, but will not be allowed to vote your shares with respect to certain non-discretionary items. In the case of non-discretionary items, the shares that do not receive voting instructions will be treated as broker non-votes, the effect of which is discussed above in the section entitled Record Date, Outstanding Shares and Voting Rights above.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth certain information as of April 15, 2010 with respect to the beneficial ownership of Common Stock of the Company by the following: (i) each of the Company's current directors; (ii) each of the Named Executive Officers (as defined below); (iii) all of the current executive officers and directors as a group; and (iv) each person known by the Company to own beneficially more than five percent (5%) of the outstanding shares of the Company's Common Stock.

For purposes of the following table, beneficial ownership is determined in accordance with the rules of the SEC and the information is not necessarily indicative of beneficial ownership for any other purpose. Except as otherwise noted in the footnotes to the table, the Company believes that each person or entity named in the table has sole voting and investment power with respect to all shares of the Company's Common Stock shown as beneficially owned by that person or entity (or shares such power with his or her spouse). Under the SEC's rules, shares of the Company's Common Stock issuable under options that are exercisable on or within 60 days after April 15, 2010 (Presently Exercisable Options) or under warrants that are exercisable on or within 60 days after April 15, 2010 (Presently Exercisable Warrants) are deemed outstanding and therefore included in the number of shares reported as beneficially owned by a person or entity named in the table and are used to compute the percentage of the Common Stock beneficially owned by that person or entity. These shares are not, however, deemed outstanding for computing the percentage of the Common Stock beneficially owned by any other person or entity. Unless otherwise indicated, the address of each person listed in the table is c/o Brainstorm Cell Therapeutics Inc., 110 East 59th Street, New York, New York 10022.

The percentage of the Common Stock beneficially owned by each person or entity named in the following table is based on 88,804,862 shares of Common Stock outstanding as of April 15, 2010 plus any shares issuable upon exercise of Presently Exercisable Options and Presently Exercisable Warrants held by such person or entity.

Change in Control

Subscription Agreement

On July 2, 2007, we entered into a subscription agreement (the "Subscription Agreement") with ACCBT Corp. (ACCBT), pursuant to which we agreed to sell and issue (i) up to 27,500,000 shares of our Common Stock for an aggregate subscription price of up to \$5.0 million, and (ii) for no additional consideration, warrants to purchase up to 30,250,000 shares of our Common Stock. Subject to certain closing conditions, separate closings of the purchase and sale of the shares and the warrants were scheduled to take place from August 30, 2007 through November 15, 2008. If ACCBT purchases all of the shares that it is entitled to under the Subscription Agreement and converts all of the warrants that it is entitled to receive, it will own approximately 66.9% of the Common Stock of the Company. A change in control of the Company will occur upon ACCBT's purchase and/or conversion of more than 50% of our Common Stock. To date, ACCBT has purchased 29,166,667 shares of the Company's Common Stock and assigned to its designees 12,041,667 shares of the Company's Common Stock under the Subscription Agreement. ACCBT also purchased warrants to purchase 1,181,925 shares of the Company's Common Stock from Ramot and converted the warrants to shares.

A more detailed description of the Subscription Agreement may be found under "Certain Relationships and Related Transactions".

Security Holders Agreement

Pursuant to the Subscription Agreement, ACCBT and certain other security holders of the Company holding at least 31% of the issued and outstanding shares of our Common Stock entered into a Security Holders Agreement (the Security Holders Agreement). The security holders party to the Security Holders Agreement agreed, upon the payment by ACCBT of its first \$1.0 million under the Subscription Agreement, to vote all of their shares such that ACCBT's nominees to our Board of Directors will constitute a minimum of

4

40% of the Board of Directors, and, upon the payment by ACCBT of its second \$1.0 million, to vote all of their shares such that ACCBT's nominees will constitute a minimum of 50.1% of the Board of Directors. To date, ACCBT has paid over \$4 million pursuant to the Subscription Agreement and therefore has the right to nominate 50.1% of the Board of Directors under the Security Holders Agreement.

The security holders who are parties to the Security Holders Agreement also agreed, for so long as ACCBT holds at least 5% of the issued and outstanding shares of our Common Stock, not to vote any of their shares to approve the following matters, without the written consent of ACCBT: (i) any change in our certificate of incorporation or bylaws, or alteration of our capital structure; (ii) the declaration or payment of a dividend or the making of any distributions; (iii) the taking of any steps to liquidate, dissolve, wind-up or otherwise terminate our corporate existence; or (iv) the entering into any transaction the effect of which would place control of our business in the hands of an arm's length third party.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

The Board recommends that the five nominees named below be elected to serve on the Board, each of whom is presently serving as a director. The affirmative vote of the holders of a plurality of the votes cast in person or by proxy at an annual meeting of stockholders by the shares entitled to vote is required for the election by stockholders of directors to the Board. Shares of Common Stock represented by all proxies received and not marked so as to withhold authority to vote for any individual nominee or for all nominees will be voted for the election of the five nominees named below. Each nominee has consented to being named in this Proxy Statement and has indicated his or her willingness to serve if elected. If for any reason any nominee should become unable or unwilling to serve, the persons named as proxies may vote the proxy for the election of a substitute nominee selected by the Board. The Board has no reason to believe that any nominee will be unable to serve. Shareholders may vote for no more than five nominees for director.

The Board currently has the following seven members: Abraham Efrati, Dr. Irit Arbel, Dr. Abraham Israeli, Dr. Jonathan C. Javitt, Moshe Lion, Dr. Robert Shorr and Malcolm Taub. Two of the Company's current directors, Dr. Jonathan C. Javitt and Moshe Lion, have decided not to seek re-election and will no longer be members of the Board after the Meeting. After the Meeting, there will be two vacancies on the Board. There are presently no plans to fill such vacancies.

Biographical and certain other information concerning the Company's current directors and the nominees for election to the Board is set forth below. Information with respect to the number of shares of the Company's Common Stock beneficially owned by each director as of April 15, 2010 appears above under Security Ownership of Certain Beneficial Owners and Management. No director or executive officer is related by blood, marriage or adoption to any other director or executive officer.

PROPOSAL NO. 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors has appointed Brightman Almagor Zohar & Co., a member of Deloitte Touche Tohmatsu (Deloitte) as the Company s independent registered public accounting firm to audit the Company s financial statements for the current fiscal year. Deloitte has audited the financial statements of the Company for the fiscal years ending December 31, 2009 and 2008. The Board of Directors is asking the Company s stockholders to ratify the appointment of Deloitte as the Company s independent registered public accounting firm. Although ratification is not required by the Company s Bylaws or otherwise, the Board is submitting the appointment of Deloitte to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection of Deloitte as the Company s independent registered public accounting firm, the Board will reconsider its selection. Even if the appointment is ratified, the Board, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Board determines that such a change would be in the Company s and its stockholders best interests. A representative of Deloitte is not expected to be present at the Meeting and will not have the opportunity to make a statement or be available to respond to appropriate questions from stockholders.

The Board of Directors recommends a vote FOR ratification of the appointment of Brightman Almagor Zohar & Co., a member of Deloitte Touche Tohmatsu, as the Company s independent registered public accounting firm for the current fiscal year.

CORPORATE GOVERNANCE AND BOARD MATTERS

Independence of Members of Board of Directors

The Board of Directors has determined that each of Dr. Arbel, Dr. Israeli, Dr. Javitt, Mr. Lion, Dr. Shorr and Mr. Taub satisfies the criteria for being an independent director under the standards of the Nasdaq Stock Market, Inc. (Nasdaq) and has no material relationship with the Company other than by virtue of service on the Board of Directors. During the course of determining the independence of Dr. Israeli, the Board of Directors considered the Agreement entered into by and among the Company, Hadasit and Dr. Israeli described above in Certain Arrangements and below under Certain Relationships and Related Transactions .

Board Leadership Structure

The Board of Directors is comprised of a substantial majority of independent directors and the Audit, Committee is comprised entirely of independent directors. On April 13, 2010, the Board elected Dr. Abraham Israeli as a director and to serve as Chairman of the Board. Previously, the Company did not have a Chairman of the Board. The Chairman presides at all Board meetings. Due to the recent creation of this role, the responsibilities of the Chairman have not yet been established. The Company expects his role and responsibilities to include maintaining an active relationship with the Chief Executive Officer, participating in preparation for board meetings (suggesting agenda items as appropriate), serving as a supplemental channel for communications between board members and the Chief Executive Officer and providing counsel to individual directors on the performance of their duties. The position of Chairman (Dr. Israeli) and Chief Executive Officer (Mr. Efrati) are separate. Together, the Chairman and Chief Executive Officer provide strategic guidance and oversight to the Company. The Board believes that Dr. Israeli serving as Chairman is optimal because it will provide the Board with strong and consistent leadership, and the other members of the Board (all of whom are independent) bring various perspectives and opinions. Taken together, the Board believes that this leadership structure provides an appropriate balance of experienced leadership, independent oversight and management input.

Risk Management and Oversight Process

The Company is still a development stage company and as such has not yet developed a risk management policy or procedure. Generally, the entire Board and the Audit Committee are involved in overseeing risk associated with the Company and monitor and assess those risks in reviews with management and with the Company's outside advisors and independent registered public accounting firm. The Audit Committee reviews regulatory risk, operational risk and enterprise risk, particularly as they relate to financial reporting, on a regular basis with management, the Company's independent registered public accounting firm and the Company's outside consultants and advisors. In its regular meetings, the Audit Committee discusses the scope and plan for the internal audit and includes management in its review of accounting and financial controls, assessment of business risks and legal and ethical compliance programs. The Board monitors the Company's governance and succession risk by review with management and outside advisors. The Board monitors CEO succession and the Company's compensation policies and related risks by reviews with management.

Board Meetings

The Board of Directors held four (4) meetings during the fiscal year ended December 31, 2009. Each incumbent director attended at least 75% of the aggregate number of meetings of the Board of Directors during this time. The

Company's directors are strongly encouraged to attend the Company's annual meeting of stockholders. Last year, the Company did not hold an annual meeting of stockholders.

Committees of the Board

On February 7, 2008, the Board of Directors established a standing Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, which assists the Board of Directors in fulfilling its responsibilities to stockholders concerning the Company's financial reporting and internal controls, and facilitates open communication among the Audit Committee, Board of Directors, outside auditors and management. The Audit Committee discusses with management and the Company's outside auditors the

10

financial information developed by the Company, the Company's systems of internal controls and the Company's audit process. The Audit Committee is solely and directly responsible for appointing, evaluating, retaining and, when necessary, terminating the engagement of the independent auditor. The independent auditors meet with the Audit Committee (both with and without the presence of the Company's management) to review and discuss various matters pertaining to the audit, including the Company's financial statements, the report of the independent auditors on the results, scope and terms of their work, and their recommendations concerning the financial practices, controls, procedures and policies employed by the Company. The Audit Committee preapproves all audit services to be provided to the Company, whether provided by the principal auditor or other firms, and all other services (review, attest and non-audit) to be provided to the Company by the independent auditor. The Audit Committee coordinates the Board of Directors' oversight of the Company's internal control over financial reporting, disclosure controls and procedures and code of conduct. The Audit Committee is charged with establishing procedures for (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters; and (ii) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters. The Audit Committee reviews all related party transactions on an ongoing basis, and all such transactions must be approved by the Audit Committee. The Audit Committee is authorized, without further action by the Board of Directors, to engage such independent legal, accounting and other advisors as it deems necessary or appropriate to carry out its responsibilities. The Board of Directors has adopted a written charter for the Audit Committee, which is available in the corporate governance section of the Company's website at www.brainstorm-cell.com. The Audit Committee currently consists of Mr. Lion (Chairman), Dr. Arbel and Dr. Shorr, each of whom is independent as defined under applicable Nasdaq listing standards. The Audit Committee held three (3) meetings during the fiscal year ended December 31, 2009.

The Board of Directors does not have a standing nominating committee, instead each member of the Board of Directors participates in the consideration of director nominees. Due to the size of the Company, the Board of Directors does not currently have a policy regarding stockholder recommendations of director nominees. The Board of Directors does not have any specific, minimum qualifications for director nominees, but considers a variety of factors in selecting director nominees, including, but not limited to the following: integrity, education, business acumen, knowledge of the Company's business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The Board believes that experience as a leader of a business or institution, sound judgment, effective interpersonal and communication skills, strong character and integrity, and expertise in areas relevant to the Company's business are important attributes in maintaining the effectiveness of the Board. As a matter of practice, the Board considers the diversity of the backgrounds and experience of prospective directors as well as their personal characteristics (e.g., gender, ethnicity, age) in evaluating, and making decisions regarding, Board composition, in order to facilitate Board deliberations that reflect a broad range of perspectives. The Board believes that the Board is comprised of a diverse group of individuals.

Due to the size of the Company, the Board of Directors does not have a standing compensation committee. Each member of the Board of Directors participates in the consideration and determination of executive and director compensation. Executive officers suggest proposed executive compensation, but the Board is the sole decision-maker. Director compensation is reviewed by the Board on a yearly basis. The Company has not used a compensation consultant to determine executive or director compensation.

Family Relationships

There are no family relationships between the executive officers or directors of the Company.

Involvement in Certain Legal Proceedings

None.

Communication with the Board of Directors

Due to the size of the Company, the Company has no formal process for stockholders to send communications to the Board of Directors. Stockholders may send written communications to the Board of Directors or any individual members to the Company's offices, 110 East 59th Street, 25th Floor, New York, NY 10022. All such communications will be relayed accordingly, except for mass mailings, job inquiries, surveys, business solicitations or advertisements, or patently offensive or otherwise inappropriate material.

Research and License Agreement with Ramot

On July 8, 2004, we entered into a Research and License Agreement (the *Original Ramot Agreement*) with Ramot at Tel Aviv University Ltd. (*Ramot*), a former 5% stockholder of the Company, the technology licensing company of Tel Aviv University, which agreement was amended on March 30, 2006 by the Amended Research and License Agreement (described below). Under the terms of the Original Ramot Agreement, Ramot granted to us an exclusive license to (i) the know-how and patent applications on the above-mentioned stem cell technology developed by the team led by Prof. Melamed and Dr. Offen, and (ii) the results of further research to be performed by the same team on the development of the stem cell technology. Simultaneously with the execution of the Original Ramot Agreement, we entered into individual consulting agreements with Prof. Melamed and Dr. Offen pursuant to which all intellectual property developed by Prof. Melamed or Dr. Offen in the performance of services thereunder will be owned by Ramot and licensed to us under the Original Ramot Agreement.

Under the Original Ramot Agreement, we agreed to fund further research relating to the licensed technology in an amount of \$570,000 per year for an initial period of two years, and for an additional two-year period if certain research milestones were met.

In consideration for the license, we originally agreed to pay Ramot:

- An up-front license fee payment of \$100,000;
- An amount equal to 5% of all net sales of products; and
- An amount equal to 30% of all sublicense receipts.

On March 30, 2006, we entered into an Amended Research and License Agreement (the *Amended Research and License Agreement*) with Ramot. Under the Amended Research and License Agreement, the funding of further research relating to the licensed technology in an amount of \$570,000 per year was reduced to \$380,000 per year. Moreover, under the Amended Research and License Agreement, the initial period of time that we agreed to fund the research was extended from an initial period of two (2) years to an initial period of three (3) years. The Amended Research and License Agreement also extended the additional two-year period in the Original Ramot Agreement to an additional three-year period, if certain research milestones were met. In addition, the Amended Research and License Agreement reduced (i) certain royalties payments from five percent (5%) to three percent (3%) of all net sales in cases of third party royalties and (ii) potential payments concerning sublicenses from 30% to 20-25% of sublicense receipts.

We entered into a Second Amended and Restated Research and License Agreement with Ramot on July 26, 2007.

Like the Original Ramot Agreement, the amended license agreement imposed on us development and commercialization obligations, milestone and royalty payment obligations and other obligations. As of June 30, 2007, we owed Ramot an aggregate of \$513,249 in overdue payments and patent fees under the Amended Research and License Agreement. On August 1, 2007, we obtained a waiver and release from Ramot pursuant to which Ramot agreed to an amended payment schedule regarding our payment obligations under the amended license agreement and waived all claims against us resulting from our previous breaches, defaults and non-payment under the Amended

Research and License Agreement.

In addition, in the event that the research period , as defined in the amended license agreement, was extended for an additional three year period in accordance with the terms of the amended license agreement, then we had to make payments to Ramot during the first year of the extended research period in an aggregate amount of \$380,000.

On December 24, 2009, we entered into a Letter Agreement (the "Letter Agreement") with Ramot, pursuant to which, among other things, Ramot agreed to: (i) release the Company from its obligation to fund three years of additional research (which would have totaled \$1,140,000); and (ii) accept shares of common stock of the Company in lieu of \$272,000 in past-due amounts. Pursuant to the Letter Agreement, the Company agreed, among other things, to: (i) reimburse Ramot for outstanding patent-related expenses; and (ii) abandon its rights in certain patents of Ramot.

On July 2, 2007, we entered into a Subscription Agreement with ACCBT, a 5% stockholder and a company under the control of Mr. Chaim Lebovits, our President, pursuant to which we agreed to sell (i) up to 27,500,000 shares of our Common Stock for an aggregate subscription price of up to \$5.0 million, and (ii) for no additional consideration, warrants to purchase up to 30,250,000 shares of our Common Stock. Each warrant issued pursuant to the Subscription Agreement was to expire on November 5, 2011.

On August 20, 2007, we received an aggregate of \$1,000,000 from ACCBT, and, in connection therewith, ACCBT agreed to apply the principal amounts outstanding under a \$250,000 convertible promissory note, dated as of May 6, 2007, issued to ACCBT by the Company towards the \$5 million aggregate subscription price under the subscription agreement in exchange for shares of Common Stock (at which point the promissory note was cancelled). Accordingly, we issued to ACCBT an aggregate of 6,875,000 shares of Common Stock and a warrant to purchase an aggregate of 7,562,500 shares of Common Stock. On April 3, 2008, we closed a transaction where we received an aggregate of \$750,000 from ACCBT and a permitted assignee, and we issued 2,125,000 shares of Common Stock to the permitted assignee, 2,000,000 shares of Common Stock to ACCBT and a warrant to purchase an aggregate of 4,537,500 shares of Common Stock to ACCBT. On September 8, 2008, we received an aggregate of \$750,000 from ACCBT, and we issued to ACCBT an aggregate of 4,125,000 shares of Common Stock and a warrant to purchase an aggregate of 4,537,500 shares of Common Stock. we closed a transaction common stock and warrant financing in exchange for \$750,000.

On August 18, 2009, the Company entered into an amendment to the Subscription Agreement (the "Amendment"), dated as of July 31, 2009, with ACCBT.

Under the terms of the Subscription Agreement, ACCBT was no longer obligated to invest any further amounts in the Company. ACCBT agreed to invest an additional \$1,000,000 in the Company, and, in return, the Company agreed to amend the Subscription Agreement to, among other things: (i) decrease the purchase price per share of the up to 27,500,000 shares (the "Subscription Shares") of the Company's Common Stock that ACCBT previously purchased or will purchase pursuant to the terms of the Subscription Agreement, as amended, from \$0.1818 to \$0.12 (the "Repricing"); (ii) adjust the number of shares of Common Stock issuable under the Subscription Agreement in accordance with the Repricing; (iii) extend the expiration date of all Warrants (as described below); (iv) amend the exercise price of certain of the Warrants from \$0.36 to \$0.29; and (v) revise the investment schedule of the purchase and sale of the Subscription Shares. Pursuant to the Amendment, the Repricing retroactively applies to all Subscription Shares purchased by the Investor prior to the Amendment.

Pursuant to the Amendment, ACCBT agreed to purchase the remainder of the Subscription Shares, as adjusted, at an aggregate purchase price of \$947,347 at a price per share of \$0.12 in monthly installments of not less than \$50,000 (with the last payment in an amount up to the maximum subscription price of \$5.0 million) at closings to be held monthly beginning on August 1, 2009.

If the market price per share closes at or below \$0.05 per share on any 5 consecutive trading days after the date of the Amendment, then the obligation of ACCBT to purchase the remainder of the Subscription Shares shall terminate; however, ACCBT may elect to continue to make investments under the Amendment.

As described above, pursuant to the terms of the Subscription Agreement, the Company originally agreed to sell to ACCBT the Subscription Shares for an aggregate subscription price of up to \$5.0 million and, for no additional consideration, if ACCBT purchased the Subscription Shares, warrants to purchase up to 30,250,000 shares of Common Stock (the Warrants). As of July 31, 2009, ACCBT had purchased an aggregate of 18,306,925 shares of Common Stock for an aggregate purchase price of \$4,052,652, and the following Warrants (the Issued Warrants) had been issued to ACCBT: (i) 10,083,333 Warrants with an exercise price of \$0.20; (ii) 10,083,333 Warrants with an exercise price of \$0.29; and (iii) 1,008,334 Warrants (the Last Warrant) with an exercise price of \$0.36. Pursuant to the Amendment, the exercise price of the Last Warrant decreased from \$0.36 to \$0.29. At the closing upon which ACCBT shall have invested an aggregate of \$4,250,000, the Company shall issue a Warrant to ACCBT to purchase 3,529,166 shares of Common Stock at an exercise price of \$0.29. At the closing upon which ACCBT shall have invested \$5.0 million, the Company shall issue a Warrant to ACCBT to purchase 4,537,500 shares of Common Stock at an exercise price of \$0.29. At the request of ACCBT, the Company shall issue Warrants to ACCBT proportionally with respect to the amounts invested by the ACCBT. Pursuant to the Amendment, all of the Warrants, including the Issued Warrants, shall expire on November 5, 2013 instead of November 5, 2011.

In connection with the Repricing and the Amendment, the Company agreed to issue 9,916,667 shares of Common Stock to ACCBT for no additional consideration in order to retroactively apply the Repricing. On October 28, 2009, the Company issued the 9,916,667 shares of Common Stock to various designees of ACCBT, including 5,000,000 shares to Yosef Sternberg, a 5% stockholder of the Company.

Transfer of Warrant from Ramot at Tel Aviv University Ltd. to ACCBT Corp.

ACCBT designated other purchasers to acquire the remaining warrants to purchase 1,000,000 shares of our Common Stock. On September 10, 2007, ACCBT exercised the warrant for the entire 1,181,925 shares of our Common Stock for an aggregate exercise price of \$11,819.

On August 27, 2008, ACCBT received 960,000 shares of Common Stock upon a cashless exercise of a warrant to purchase 1,000,000 shares of Common Stock. The shares were sold to Jonathan Javitt, a Company director.

Ms. Shaltiel agreed that upon payment of the foregoing amounts in accordance with the foregoing schedule and the receipt of the stock grant, all of the Company's outstanding obligations owed to Ms. Shaltiel under the notes will be satisfied in full. Principal Accountant Fees and Services

The following table presents fees for professional audit services rendered by Deloitte for the audit of the Company's financial statements for the fiscal years ended December 31, 2009 and 2008 and fees billed for other services rendered by Deloitte during those periods.

	December 31, 2009	December 31, 2008
Audit Fees ⁽¹⁾	\$ 45,000	\$ 45,000
Audit-Related Fees		

Tax Fees		\$
All Other Fees	\$	\$
Total Fees	\$ 45,000	\$ 45,000

Audit fees are comprised of fees for professional services performed by Deloitte for the audit of the Company's (1) annual financial statements and the review of the Company's quarterly financial statements, as well as other services provided by Deloitte in connection with statutory and regulatory filings or engagements.

20

We did not use Deloitte for financial information system design and implementation. These services, which include designing or implementing a system that aggregates source data underlying the financial statements and generates information that is significant to our financial statements, are provided internally or by other service providers. We did not engage Deloitte to provide compliance outsourcing services.

Pre-approval Policies

Prior to the establishment of our Audit Committee, the Board of Directors pre-approved all services provided by our independent auditors. Our Audit Committee is now responsible for pre-approving all services provided by our independent auditors. All of the above services and fees were reviewed and approved by the Board or the Audit Committee, as applicable, before the services were rendered.

The Board of Directors has considered the nature and amount of fees billed by Deloitte and believes that the provision of services for activities unrelated to the audit is compatible with maintaining Deloitte's independence.

Engagement of New Independent Accountant

On April 28, 2008, the Company engaged Deloitte as its independent registered public accounting firm, commencing with the review of the Company's financial statements included in the Company's quarterly report on Form 10-Q for the fiscal quarter ended March 31, 2008. This action, which was approved by the Company's Audit Committee, dismissed Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, (Kost), as the Company's independent registered public accounting firm.

Except as noted in the paragraph immediately below, Kost's audit reports on the Company's consolidated financial statements for the fiscal years ended December 31, 2007 and 2006 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

The reports of Kost on the Company's consolidated financial statements as of and for the fiscal years ended December 31, 2007 and 2006, contained an explanatory paragraph which noted its substantial doubt about the Company's ability to continue to operate as a going concern by (i) the fact that the Company has incurred operating losses and has a negative cash flow from operating activities and has a working capital deficiency and (ii) the uncertainty which may result from one of the Company's research and development license agreements. The reports also noted that the Company's financial statements do not include any adjustments to reflect the possible future effects on the recoverability and classification of assets or the amounts and classification of liabilities that may result from the outcome of this uncertainty.

During the Company's fiscal years ended December 31, 2007 and 2006 and through the date of Kost's dismissal, there were no disagreements between the Company and Kost on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to Kost's satisfaction, would have caused it to make reference to the matter in conjunction with its report on the Company's consolidated financial statements for the relevant year.

Except as noted in the paragraph immediately below, during the Company's fiscal years ended December 31, 2007 and 2006 and through the current date there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

As disclosed in the Company's annual report on Form 10-KSB for the fiscal year ended December 31, 2007, a material weakness was identified, as the Company did not maintain effective controls over certain aspects of the financial reporting process because it lacked a sufficient complement of personnel with a level of accounting expertise and an

adequate supervisory review structure that is commensurate with the Company's financial reporting requirements. Specifically, the Company's Chief Financial Officer handles certain accounting issues of the Company alone as there is no one in the Company's accounting and finance departments who is qualified to assist him.

During the Company's fiscal years ended December 31, 2007 and 2006 and through the date of Kost's dismissal, neither the Company, nor anyone on behalf of the Company, consulted with Deloitte with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and no

written report or oral advice was provided by Deloitte to the Company that Deloitte concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing, or financial reporting issue or (ii) any matter that was the subject of either a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

Audit Committee Financial Expert

The Board of Directors has determined that Dr. Irit Arbel is an audit committee financial expert as defined in Item 407(d)(5) of Regulation S-K. Dr. Arbel is independent as defined under applicable Nasdaq listing standards.

Audit Committee Report

The Audit Committee of the Board of Directors has reviewed and discussed the Company's audited financial statements for the fiscal year ending December 31, 2009 with the Company's management. The Audit Committee has discussed with Deloitte, the Company's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61. The Audit Committee has discussed with Deloitte its independence and has received the written disclosures and the letter from Deloitte required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence. The Audit Committee has also considered whether Deloitte's provision of non-audit services to the Company is compatible with maintaining Deloitte's independence. Based on such reviews and discussions, among other things, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2009.
