Item 3.03. Material Modifications to Rights of Security Holders.

The information set forth in Item 5.03 is incorporated by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On May 5, 2010, Sino Clean Energy Inc. (the "Company") received confirmation from the Secretary of State of the State of Nevada that the Certificate of Change Pursuant to NRS 78.209 (the "Certificate of Change") to the Amended and Restated Articles of Incorporation to effect a reverse stock split was duly filed and on May 7, 2010, the Company effected a reverse stock split pursuant to which each ten (10) currently issued and outstanding shares of Company's common stock, par value \$0.001 (the "Common Stock"), were automatically converted into one (1) share of Common Stock, and each ten (10) authorized shares of Common Stock were automatically converted into one (1) share of Common Stock. Pursuant to NRS 78.207 of Nevada General Corporate Law, stockholders' approval was not required as the reverse stock split did not change the percentage of shares held by stockholders of the Company, and did not contain any provision pursuant to which only money was to be paid or scrip to be issued to stockholders and the decrease in the number of authorized shares of Common Stock did not adversely alter or change any preference or any relative or other right given to any other class or series of outstanding shares.

The total number of shares of the Company's Common Stock issued and outstanding was reduced from 165,562,494 shares to approximately 16,557,000 shares of Common Stock and the total number of shares of the Company's Common Stock authorized was reduced from 300,000,000 shares to 30,000,000 shares of Common Stock.

Each stockholder's percentage ownership interest in the Company and proportional voting power remains unchanged after the reverse stock split except for minor changes and adjustments resulting from rounding up fractional shares to the nearest whole shares. The rights and privileges of the holders of Common Stock are substantially unaffected by the reverse stock split.

A copy of the Certificate of Change that was filed with the Secretary of State of the State of Nevada is attached to this Form 8-K as Exhibit 3.1.

Item. 8.01. Other Events

On May 6, 2010, the Company issued a press release announcing the reverse stock split. To denote the reverse stock split the Company's Common Stock will trade under the symbol "SCLXD" for a period of 20 trading days. After 20 trading days the Company's Common Stock will resume trading under the symbol "SCLX." A copy of the Press Release is attached hereto as Exhibit 99.1.
