Tuesday, September 14, 2010

Our annual meeting of stockholders will be held on Tuesday, September 14, 2010, at One Jericho Plaza, Second Floor Wing A, Jericho, New York 11753, at 10:00 a.m.

Our Board of Directors is soliciting your proxy to vote your shares of common stock at the annual meeting. This proxy statement, which was prepared by our management for the Board, contains information about the matters to be considered at the meeting or any adjournments or postponements of the meeting and is first being sent to stockholders on or about July 23, 2010.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to be Held on September 14, 2010. This proxy statement, the proxy card and annual report are available at <http://phx.corporate-ir.net/phoenix.zhtml?c=113414&p=proxy>.

ABOUT THE MEETING

What is being considered at the meeting?

You will be voting for

the election of nine directors for a term of one year or until their successors are elected and qualified.

the adoption of the Company's 2010 Stock Incentive Plan.

the ratification of the appointment of Grant Thornton LLP as our auditors for fiscal 2011.

In addition, our management will report on our performance during fiscal 2010 and respond to your questions.

The Board of Directors does not intend to present to the meeting any matters not referred to in the form of proxy. If any proposal not set forth in this proxy statement should be presented for action at the meeting, and is a matter which should come before the meeting, it is intended that the shares represented by proxies will be voted with respect to such matters in accordance with the judgment of the persons voting them.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by mail. In order for us to conduct our meeting, a majority of our outstanding shares as of July 16, 2010, must be present at the meeting, in person or by proxy. This is referred to as a quorum. On July 16, 2010, we had

5,494,448 shares issued and outstanding, excluding treasury shares.

Who is entitled to vote at the meeting?

You may vote if you owned stock as of the close of business on July 16, 2010. Each share of stock is entitled to one vote.

How do I vote?

You can vote in two ways:

1. By attending the meeting; or
2. By completing, signing and returning the enclosed proxy card.

Can I change my mind after I vote?

Yes, you may revoke your proxy and change your vote at any time before the polls close at the meeting. You can do this by (1) signing another proxy with a later date and returning it to us prior to the meeting, or (2) voting again at the meeting.

What if I return my proxy card but do not include voting instructions?

Proxies that are signed and returned but do not include voting instructions will be voted **FOR** the election of the nominee directors, **FOR** the adoption of the 2010 Stock Incentive Plan and **FOR** the ratification of the appointment of Grant Thornton LLP.

What does it mean if I receive more than one proxy card?

It means that you have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is American Stock Transfer & Trust Company, 800-937-5449.

Will my shares be voted if I do not provide my proxy?

Yes, on certain items, if they are held in a brokerage account. Your shares may be voted under certain circumstances if they are held in the name of the brokerage firm. Brokerage firms generally have the authority to vote customers' unvoted shares, which are referred to as broker non-votes, on certain routine matters. Brokerage firms do not have the authority to vote your shares on non-routine matters, such as the election of directors and the adoption of the 2010 Stock Incentive Plan. When a brokerage firm votes its customers' unvoted shares, these shares are also counted for purposes of establishing a quorum. Shares represented by broker non-votes will be counted as voted by the brokerage firm for the ratification of the appointment of Grant Thornton LLP as our auditors for fiscal 2011. Please see the next question for information regarding the vote required to approve the matters being considered at the Annual Meeting and the treatment of broker non-votes.

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy.

What vote is required to approve each of the matters to be considered at the meeting and how are the votes counted?

Proposal 1: Election of Directors: Directors are elected by a plurality of the votes cast. Plurality means that the nine individuals who receive the highest number of votes will be elected as directors. Abstentions will have no effect on the voting outcome with respect to the election of directors. You may vote either FOR or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote tally for the election of directors. For this proposal, brokerage firms do not have authority to vote shares of their customers that are held in street name. Therefore, any shares not voted by a customer will be treated as broker non-votes, and broker non-votes will have no effect on the results of the election of directors.

Proposal 2: Adoption of the 2010 Stock Incentive Plan: To be approved, this proposed adoption of the 2010 Stock Incentive Plan must receive an affirmative vote from stockholders present in person or represented by proxy at the annual meeting representing a majority of the votes cast on the proposal. Abstentions will have no effect on the results of this vote. For this proposal, brokerage firms do not have the authority to vote shares of their customers that are held in street name. Therefore, any shares not voted by a customer will be treated as broker non-votes, and broker non-votes will have no effect on the outcome of this proposal.

Proposal 3: Ratification of Independent Registered Public Accounting Firm: To be approved, this proposal to ratify our selection of an independent registered public accounting firm must receive an affirmative vote from stockholders present in person or represented by proxy at the annual meeting representing a majority of the votes cast on the proposal. Abstentions will have no effect on the results of this vote. For this proposal, brokerage firms have authority to vote shares of their customers that are held in street name. If a broker does not exercise this authority, the resulting broker non-votes will have no effect on the outcome of this proposal.

Who will count the votes?

Representatives of American Stock Transfer & Trust Company, the transfer agent for our common stock, will tabulate the votes.

We believe that each of our nominees has the necessary professional

We also believe each of our nominees has other attributes necessary to create an effective board, such as high personal and professional ethics, integrity and values; practical wisdom and judgment; and a commitment to representing the long-term interests of all our stockholders. In addition to these attributes, in each individual's biography set forth below, we have highlighted specific experience, qualifications, and skills that we believe qualify each individual to serve as a director of Nathan's.

Board Recommendation

The Board of Directors recommends a vote FOR each of the directors listed above.

CORPORATE GOVERNANCE

Board Leadership

The Executive Chairman of the Board is Howard Lorber. The Chairman and Chief Executive Officer roles are split, and Eric Gatoff serves as Chief Executive Officer. As the former Chief Executive Officer, the Executive Chairman of the Board provides guidance to the Chief Executive Officer with respect to strategic initiatives. The Executive Chairman also approves the agenda for Board meetings and leads the Board in its discussions. The Chief Executive Officer is responsible for implementing the Company's strategic and operating objectives and day-to-day decision-making related to such implementation. The Board believes that the separation of the offices of Executive Chairman and Chief Executive Officer is appropriate at this time as it allows Mr. Gatoff to focus primarily on his management responsibilities. Unless invited, none of our management directors (consisting of Messrs. Lorber, Gatoff, Norbitz and Perlyn) participates in sessions of non-management directors. Our non-management directors meet at least twice annually in executive session without management. Typically, our non-management directors also have informal meetings without management in conjunction with our regular Audit or Board meetings. In addition, we have designated a Lead Independent Director (A.F. Petrocelli), who is expected to lead sessions of, and facilitate communications among, our non-employee directors.

The Board currently has three standing committees (Audit, Compensation and Nominating) that are chaired and composed entirely of independent directors. Given the role and scope of authority of these committees, and that a majority of the Board is composed of independent directors, the Board believes that its leadership structure, with the Chairman of the Board leading Board discussions, and the Lead Independent Director leading non-management executive sessions, is appropriate.

Our Board of Directors is our Company's ultimate decision-making body except with respect to those matters reserved to the stockholders. Our Board selects our senior management team, which is charged with the conduct of our business. Having selected our senior management team, our Board acts as an advisor and counselor to senior management and oversees its performance.

Code of Ethics

Our Board of Directors has adopted a Financial Officer Code of Ethics applicable to the Company's Chief Executive Officer, Chief Operating Officer, Chief Financial Officer and all other members of the Company's Finance Department. This Code of Ethics is posted on the Company's website within a broader Code of Business Conduct and Ethics at www.nathansfamous.com in the Investor Relations section. We intend to satisfy the disclosure requirement under Item 10 of Form 8-K regarding an amendment to, or a waiver from, the provision of our Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions and that relates to any element of such provision of our Code of Ethics by posting such information on our website within four business days of the date of such amendment or waiver. In the case of a waiver, the nature of the waiver, the name of the person to whom the waiver was granted and the date of the waiver will also be disclosed.

Risk Oversight

As part of its oversight functions, the Board of Directors is responsible for oversight of risk management at the Company. Responsibility for oversight of risk management is delegated from the Board to the Audit Committee,

which reviews with management the Company's major risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The Compensation Committee, as described in the Compensation Discussion and Analysis, separately reviewed the compensation program with respect to incentives for risk-taking by employees.

Director Independence

The Board of Directors has determined that each of Messrs. Eide, Genson, Leistner, Petrocelli and Raich are independent in accordance with NASDAQ rules. To determine independence, the Board of Directors adopted and applied the categorical standards of independence included in NASDAQ Listing Rule 5605(a)(2), which include a series of objective tests, such as that the director is not an employee of the company and has not engaged in various types of business dealings with the company.

Board of Directors and Committee Meetings

There were eight meetings of the Board of Directors during the fiscal year ended March 28, 2010. Each director attended at least 75% of the meetings of the Board of Directors and the committees thereof on which he served.

Our Board of Directors currently has three standing committees: the Audit Committee (established in accordance with Section 3(a)(58)(A) of the Exchange Act), the Compensation Committee and the Nominating Committee. Each director who served on these committees during fiscal 2010 met the criteria for independence as that term is defined by the Securities and Exchange Commission and The NASDAQ Stock Market LLC. We select independent directors as members of these committees with the expectation that they will be free of relationships that might interfere with their exercise of independent judgment.

Audit Committee

For the fiscal year ended March 28, 2010, there were six meetings of the Audit Committee. Two of the directors who were members of the Audit Committee attended all of the Audit Committee meetings during such fiscal year, the remaining director attended five of the meetings. Our Audit Committee is involved in

discussions with our independent public accountants with respect to the scope and results of our year-end audit, our internal accounting controls and the professional services furnished to us by the independent auditors the review of the adequacy and effectiveness of our internal controls over financial reporting. See Audit Committee Report.

In addition, our Audit Committee focuses on the qualitative aspects of our financial reporting to stockholders and on our processes to manage business and financial risk. Our independent registered public accounting firm reports directly and is held accountable to the Audit Committee in connection with the audit of our annual financial statements and related services. Our Audit Committee has sole authority over the appointment, compensation and oversight of the work of the independent registered public accounting firm, and where appropriate, the replacement of the independent registered public accounting firm.

The members of our Audit Committee are Robert Eide (Chairman), Brian Genson and Barry Leistner. A copy of our Audit Committee Charter is available on our website at www.nathansfamous.com.

We currently do not have an audit committee financial expert. Nevertheless, the Audit Committee has available to it the financial education and experience of Charles Raich, an independent director under NASDAQ listing standards, to perform the functions of an audit committee financial expert. Mr. Raich has the financial education and experience necessary to qualify as an audit committee financial expert ; however, Mr. Raich is ineligible to serve on the Audit Committee because, as the managing partner of Raich Ende Malter & Co., LLP, an independent public accounting firm which received fees from Nathan s in respect of tax services (an aggregate of approximately \$149,000 in fiscal 2010), Mr. Raich is deemed to receive indirect compensation from Nathan s. Due to his receipt of indirect compensation, Mr. Raich is not independent for the purposes of Securities Exchange Act Rule 10A-3.

Compensation Committee

For the fiscal year ended March 28, 2010, there were two meetings of the Compensation Committee. Each of the members of the Compensation Committee attended all of the meetings. Our Compensation Committee

reviews the performance of our executive officers

reviews compensation programs for our officers and key employees, including cash bonus levels and grants under our stock option and incentive plans. See Compensation Discussion and Analysis and Compensation Committee Report reviews director compensation

Pursuant to its charter, the Compensation Committee has the ability to delegate its authority to subcommittees, although to date it has not done so.

7

The members of the Compensation Committee are Robert Eide (Chairman), Brian Genson and Barry Leistner. A copy of our Compensation Committee Charter is available on our website at www.nathansfamous.com.

Nominating Committee

For the fiscal year ended March 28, 2010, there were two meetings of the Nominating Committee. Our Nominating Committee is responsible for

reviewing suggestions of candidates for director made by directors, stockholders, management and others making recommendations to the Board regarding the composition of the Board nomination of individual candidates for election to the Board considering nominee recommendations made by stockholders provided that the names of such nominees, accompanied by relevant biographical information, are submitted in accordance with the procedures set forth below under Stockholder Nominees for Director.

In fulfilling its responsibilities for identifying and evaluating nominees for director, the Nominating Committee takes into account the prior experience of director nominees and its application to their responsibilities as a director of Nathan's; however, there are no stated minimum qualifications for director nominees.

The Company does not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Nominating Committee strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills, and expertise to oversee the Company's businesses. In addition to considering a candidate's background and accomplishments, candidates are reviewed in the context of the current composition of the Board and the evolving needs of our businesses. The Company's policy is to have at least a majority of directors qualify as independent under the listing requirements of NASDAQ.

The members of the Nominating Committee are A.F. Petrocelli (Chairman), Brian Genson, Robert Eide and Charles Raich. A copy of our Nominating Committee Charter is available on our website at www.nathansfamous.com.

In addition, all of our independent directors met informally in conjunction with each regularly scheduled Board of Directors meeting and also met in a formal executive session once during our fiscal year ended March 28, 2010.

Director Attendance at Annual Meetings

Our Board of Directors encourages director attendance at our Annual Meetings of Stockholders. All of the Company's nine directors attended last year's Annual Meeting.

Stockholder Nominees for Director

Any stockholder who wants to nominate a candidate for election to the Board must deliver timely notice to our Secretary at our principal executive offices. Pursuant to our by-laws, in order to be timely, the notice must be delivered

in the case of an annual meeting, not less than 60 nor more than 90 days prior to the anniversary date of the immediately preceding annual meeting of stockholders, although if we did not hold an annual meeting or the annual meeting is called for a date that is more than 30 days before or more than 60 days after the anniversary date of the prior year's annual meeting, the notice must be received not earlier than the close of business on the 90th day prior to such annual meeting and not later than the close of business on the later of the 60th day prior to such annual meeting

or the 10th day following the day on which public announcement of the date of such meeting is first made by us; and
8

in the case of a special meeting of stockholders called for the purpose of electing directors, the notice must be received not earlier than the close of business on the 90th day prior to such special meeting and not later than the close of business on the later of the 60th day prior to such special meeting or the 10th day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the board of directors to be elected at such meeting.

The stockholder's notice to the Secretary must set forth (1) as to each person whom the stockholder proposes to nominate for election as a director (a) his name, age, business address and residence address, (b) his principal occupation and employment, (c) the number of shares of common stock of Nathan's which are owned beneficially or of record by him and (d) any other information relating to the nominee that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act, and the rules and regulations promulgated thereunder; and (2) as to the stockholder giving the notice (a) his name and record address and (b) the number of shares of Nathan's common stock which are owned beneficially or of record by him. Policy For Stockholder Communications

Mail can be addressed to directors in care of the Office of the Secretary, Nathan's Famous, Inc., One Jericho Plaza, Second Floor - Wing A, Jericho, New York 11753. At the direction of the Board of Directors, all mail received will be opened and screened for security purposes. The mail will then be logged in. All mail, other than trivial or obscene items, will be forwarded. Mail addressed to a particular director will be forwarded or delivered to that director. Mail addressed to Outside Directors or Non-Management Directors will be forwarded or delivered to each of the non-employee directors. Mail addressed to the Board of Directors will be forwarded or delivered to the Executive Chairman of the Board.

Certain Relationships and Related Persons Transactions

In July 2007, the Board adopted written Related Person Transaction Policies and Procedures, which were revised in July 2009 (as revised, the Related Person Policy). The Related Person Policy covers transactions with the Company where the Related Person (a term that includes executive officers, directors, director nominees, holders of 5% or more of the Company's stock (a Significant Stockholder) and immediate family members of the foregoing) had, has or will have a direct or indirect material interest and the amount involved meets or exceeds the minimum threshold for disclosure in the Company's proxy statement under relevant Securities and Exchange Commission rules, which is currently \$120,000. Pursuant to the Related Person Policy, all transactions that are subject to the policy must be approved or ratified by our Audit Committee.

The Audit Committee will determine whether the terms of a covered transaction are fair to the Company and no less favorable to the Company than would be generally available absent the relationship with the Related Person, whether there are business reasons for the transaction, whether the transaction impairs the independence of an outside director and whether the transaction is material, among other considerations. Under the Related Person Policy, the Audit Committee has considered and exempted certain transactions from the application of the Related Person Policy, as follows: (1) Interests arising only from the Related Person's position as a director of another corporation or organization that is a party to the transaction; (2) Interests arising only from the direct or indirect ownership by the Related Person and all other Related Persons in the aggregate of less than a 10% equity interest (other than a general partnership interest) in another entity which is a party to the transaction; (3) Interests arising from both the position and ownership level described in (1) and (2) above; (4) Interests arising solely from the Related Person's position as an

executive officer or employee of another entity (whether or not the person is also a director of such entity) that is a participant in the transaction, where (a) the Related Person and all other Related Persons own in the aggregate less than a 10% equity interest in such entity, (b) the Related Person and his or her immediate family members are not involved in the negotiation of the terms of the transaction with the Company and do not receive any special benefits as a result of the transaction and (c) the amount involved in the transaction equals less than the

9

greater of \$200,000 or 5% of the annual consolidated net sales of the recipient; (5) Interests arising solely from the ownership of a class of the Company's equity securities if all holders of that class of equity securities receive the same benefit on a pro rata basis; (6) A transaction that involves compensation to an executive officer if the compensation has been approved by the Compensation Committee of the Board or recommended to the Board for approval by the Compensation Committee of the Board and then approved by the Board; (7) A transaction that involves compensation to a director for services as a director of the Company if such compensation will be reported pursuant to Item 402(k) of Regulation S-K; (8) A transaction that is specifically contemplated by provisions of the certificate of incorporation or by-laws of the Company; (9) Interests arising solely from indebtedness of a Significant Stockholder or an immediate family member of a Significant Stockholder to the Company; (10) A transaction where the rates or charges involved in the transaction are determined by competitive bids; (11) A transaction that involves the rendering of services as a common or contract carrier or public utility at rates or charges fixed in conformity with law or governmental authority; or (12) A transaction that involves services as a bank depository of funds, transfer agent registrar, trustee under a trust indenture, or similar services in accordance with certain SEC rules, including the employment of executive officers on terms approved by the Compensation Committee and the payment of compensation to a director if the compensation is required to be reported in the Company's proxy statement under Item 402 of Regulation S-K promulgated by the Securities and Exchange Commission.

In the event that prior approval is not feasible, the Related Person Policy provides that a transaction may be ratified by the Audit Committee as soon as reasonably practicable following the date of the transaction. On an annual basis, the Audit Committee is required to review all subsequent and previously approved or ratified related-party transactions that remain ongoing to determine whether they should continue.

To identify related-party transactions, each year we require our directors and officers to complete Director and Officer Questionnaires which, among other things, require each of them to identify any transactions with us in which the officer or director or their family members have an interest; we post the Related Person Policy on our website; we will periodically distribute the Related Person Policy to our executive officers, directors and nominees; and we will periodically make internal inquiries regarding Company relationships with known entities that qualify as related parties. In fiscal 2010, Raich Ende Malter & Co., LLP, of which Mr. Raich is managing partner, provided tax services resulting in fees of approximately \$149,000. Based on his equity interest in Raich Ende Malter & Co., LLP, Mr. Raich may be deemed to have an interest in 39.6% of the amount paid to that firm (approximately \$59,000). The Audit Committee has ratified the continuing retention of Raich Ende Malter & Co., LLP, as well as the resulting fees incurred during fiscal 2010.

PROPOSAL 2 APPROVAL OF THE NATHAN S FAMOUS, INC. 2010 STOCK INCENTIVE PLAN

Nathan s presently maintains the 2001 Stock Option Plan and the 2002 Stock Incentive Plan, each of which was approved by stockholders. As of the date of this proxy statement, 168,500 shares of common stock remain available for future awards under the 2001 Stock Option Plan and 2,500 shares of common stock remain available for future awards under the 2002 Stock Incentive Plan.

In order to increase the number of shares available for stock option grants and provide for the grant of other stock awards to our executive officers, other employees of and consultants to the Company, its affiliates and subsidiaries, and to non-employee directors of the Company, the Board has adopted and approved, subject to stockholder approval, the Nathan s Famous, Inc. 2010 Stock Incentive Plan (the 2010 Plan).

At the meeting, you will be asked to approve the adoption of the 2010 Plan. A copy of this plan, as proposed to be adopted, is set forth as Exhibit A to this proxy statement. The principal features of the 2010 Plan are summarized below, but the summary is qualified in its entirety by the full text of the 2010 Plan.

Stock Subject to the Plan

We will be able to issue up to 150,000 shares of common stock under the 2010 Plan, together with any shares which have not been issued under the 2001 Stock Option Plan and the 2002 Stock Incentive Plan as of July 19, 2010 (171,000 shares), plus any shares subject to any outstanding options or restricted stock grants under the 2001 Stock Option Plan or the 2002 Stock Incentive Plan that were outstanding as of July 19, 2010 and that subsequently expire unexercised, or are otherwise forfeited, up to a maximum of an additional 100,000 shares. The stock to be offered under the 2010 Plan consists of shares of our common stock, whether authorized but unissued or reacquired. The number of shares issuable and the exercise price of outstanding options are subject to adjustment upon the occurrence of certain events, including stock dividends, stock splits, mergers, consolidations, reorganizations, recapitalizations, or other capital adjustments.

Administration of the Plan

The Compensation Committee will have the discretion to grant awards to our executive officers, other key employees of and consultants to the Company, its affiliates and subsidiaries, and non-employee directors of the Company. The Committee will determine whether to make any such grant and, if it so determines, the nature of the award and the number of shares applicable to such award. However, in any calendar year, a participant may not receive awards of options or stock appreciation rights that relate to more than 50,000 shares or other awards that relate to more than 25,000 shares. The Committee has authority to interpret the 2010 Plan, including to prescribe, amend and rescind the rules and regulations relating to the 2010 Plan.

Repricing

The Committee does not have the right to reprice any outstanding awards without the affirmative vote of a majority of the stockholders voting on the repricing proposal.

Participants

Our executive officers, other employees of and consultants to the Company, its affiliates and subsidiaries, and non-employee directors of the Company are eligible to participate in the 2010 Plan.

Forms of Equity-Based Awards Available

Under the 2010 Plan, the Committee may grant stock options, stock appreciation rights and other stock-based awards, restricted stock, and restricted stock units, all of which will vest over the period of time established by the Committee at the time of the grant of the award. Any shares subject to options or stock appreciation rights shall be counted against the number of shares issuable under the 2010 Plan as one share for every share subject to such an award. Any awards other than options or stock appreciation rights shall be counted against the number of shares issuable under the 2010 Plan as 3.2 shares for every one share subject to such award. To the extent that a share that was subject to an award that counted as 3.2 shares against the number of shares issuable under the 2010 Plan is recycled back into the 2010 Plan due to a cancellation, forfeiture or otherwise, the 2010 Plan shall be credited with 3.2 shares.

Stock Options Exercise Price, Term and Vesting Schedule

Stock options granted under the 2010 Plan will be non-qualified stock options. The exercise price for the options will be not less than the market value of our common stock on the date of grant of the stock option. Stock options granted under the 2010 Plan shall expire not later than five years from the date of grant and will become exercisable in installments, as determined at the time of the grant.

Upon the exercise of a stock option, optionees may pay the exercise price plus any taxes due in respect of such exercise in cash, by certified or bank cashier's check or, at our option, in shares of common stock valued at their fair market value on the date of exercise, or a combination of cash and stock.

A stock option is exercisable during the optionee's lifetime only by him and cannot be exercised by him unless, at all times since the date of grant and at the time of exercise, he is serving as an employee, director or consultant, except that, upon termination of his service (other than by death or by total disability), he may exercise an option for a period of three months after his termination but only to the extent such option is exercisable on the date of such termination.

Upon termination of service by total disability or death, the optionee, the optionee's estate or any person who acquires the right to exercise such option by bequest or inheritance or by reason of the total disability or death of the optionee, as the case may be, may exercise such option at any time within twelve months after his or her termination, but only to the extent such option is exercisable on the date of such termination.

Stock Appreciation Rights and Other Stock-Based Awards

The Committee may grant stock appreciation rights (SARs), which represent the right to receive an amount equal to the excess of the fair market value of a share of stock on the date of redemption over an amount set by the Committee that is not less than the fair market value of a share of stock on the date of the award. Amounts paid on the exercise of a SAR may be paid in cash, in stock or in any combination thereof; provided that a SAR, including one that entitles the holder to a cash payment on redemption, will have terms that ensure that participants will not incur a tax penalty under Section 409A of the Internal Revenue Code. Upon termination of employment, directorship or provision of consulting services, including by death or disability, awards of SARs shall be payable in accordance with their terms. The Committee may also grant rights to dividends and dividend equivalents (which may not be granted in connection with options or stock appreciation rights). The terms of any rights to dividends or dividend equivalents will be determined by the Committee at the time of grant.

Restricted Stock

The Committee may grant awards of restricted stock which are awards of common stock of the Company subject to such terms, conditions and restrictions as the Committee may provide in the award instruments granting the restricted stock. Conditions attached to the restricted stock may include, but are not limited to, restrictions upon the sale, assignment, transfer or other disposition of the restricted stock and the requirement of forfeitures of the restricted stock upon certain terminations of employment. Restricted stock will vest over such period as the Committee determines at the time of grant. When the period of restriction on restricted stock terminates, the unrestricted shares are delivered to the participant. Upon termination of employment, directorship or provision of consulting services, including by death or disability, rights to awards of restricted stock shall vest or be forfeited in accordance with their terms.

Restricted Stock Units

The Committee may grant awards of restricted stock units which units represent the participant's right to receive shares of stock subject to such terms, conditions and restrictions as the Committee may provide in the award instruments granting the restricted stock units. Restricted stock units awarded generally will vest over such period as the Committee determines at the time of grant. The award agreement will specify whether dividend equivalents on the restricted stock units will be paid in cash or deemed reinvested in additional restricted stock units. Our stock will be paid to the participant, or the participant's beneficiary in case of the participant's death, in exchange for restricted stock units within ninety days following the participant's separation from service, the expiration of a director's service, or death.

12

Change in Control

In the event of a change in control, at the option of the Board, (a) all options and other awards outstanding on the date of the change in control shall become immediately and fully exercisable and/or payable, and (b) an optionee will be permitted to surrender for cancellation within 60 days after the change in control any option or portion of an option which was granted more than six months prior to the date of such surrender, to the extent not yet exercised, and to receive a cash payment in an amount equal to the excess, if any, of the fair market value (on the date of surrender) of the shares of common stock subject to the option or portion thereof surrendered, over the aggregate purchase price for such shares.

For purposes of the 2010 Plan, a change in control is defined as

a change in control as such term is presently defined in Rule 12b-2 under the Securities Exchange Act of 1934 (the Exchange Act); or

if any person (as such term is used in Section 13(d) and 14(d) of the Exchange Act) other than Nathan s or any person who on the date of the adoption of the 2010 Plan is a director or officer of Nathan s, becomes the beneficial owner (as defined in Rule 13d-3 under the Exchange Act) directly or indirectly, of securities representing thirty percent (30%) or more of the voting power of our then outstanding securities; or

if during any period of two consecutive years during the term of the 2010 Plan, individuals who at the beginning of such period constitute the Board of Directors, cease for any reason to constitute at least a majority of the Board.

Grants Under the Plan

No grants of awards have been made under the 2010 Plan. Grants under the 2010 Plan are to be granted to the persons and in the amounts determined by the Committee, so it is not currently possible to predict the number of shares of common stock that will be granted or who will receive grants under the 2010 Plan after the Annual Meeting.

Accordingly, amounts to be awarded to named executive officers and others under the 2010 Plan are not yet determinable.

Federal Income Tax Consequences

The following is a brief summary of the Federal income tax consequences as of the date hereof with respect to awards under the 2010 Plan for participants who are both citizens and residents of the United States. This description of the Federal income tax consequences is based upon law and Treasury interpretations in effect on the date of this proxy statement (including proposed and temporary regulations which may be changed when finalized), and it should be understood that this summary is not exhaustive, that the law may change and further that special rules may apply with respect to situations not specifically discussed herein, including Federal employment taxes, foreign, state and local taxes and estate or inheritance taxes. As such, participants have been urged to consult with their own qualified tax advisors. The 2010 Plan is not qualified under Section 401(a) of the Internal Revenue Code of 1986, as amended (the Code). In addition, this summary assumes that all awards are exempt from, or comply with, the rules under Section 409A of the Internal Revenue Code regarding nonqualified deferred compensation.

Stock Options

The options to be granted under the 2010 Plan are non-qualified stock options. No taxable income will be realized by the participant upon the grant of a non-qualified option and Nathan s will not receive a tax deduction.

Exercise with Cash

On exercise, the excess of the fair market value of the stock at the time of exercise over the option price of such stock will be compensation and (i) will be taxable at ordinary income tax rates in the year of exercise, (ii) will be subject to withholding for Federal income tax purposes and (iii) generally will be an allowable income tax deduction to us. The participant's tax basis for stock acquired upon exercise of a non-qualified option will be equal to the option price paid for the stock, plus any amounts included in income as compensation.

13

Exercise with Common Stock

The participant's compensation income and our deduction will not be affected by whether the exercise price is paid in cash or in shares of common stock. However, if the participant pays the exercise price of an option in whole or in part with previously-owned shares of common stock, the participant's tax basis and holding period for the newly-acquired shares is determined as follows: As to a number of newly-acquired shares equal to the number of previously-owned shares used by the participant to pay the exercise price, no gain or loss will be recognized by the participant on the date of exercise and the participant's tax basis and holding period for the previously-owned shares will carry over to the newly-acquired shares on a share-for-share basis, thereby deferring any gain inherent in the previously-owned shares. As to each remaining newly-acquired share, the participant's tax basis will equal the fair market value of the share on the date of exercise and the participant's holding period will begin on the day after the exercise date.

Disposition of Option Shares

When a sale of the acquired shares occurs, a participant will recognize gain or loss equal to the difference between the sales proceeds and the tax basis of the shares. Such gain or loss will be treated as capital gain or loss if the shares are capital assets. The capital gain or loss will be long-term capital gain or loss treatment if the shares have been held for more than 12 months. There will be no tax consequences to us in connection with a sale of shares acquired under an option.

Stock Appreciation Rights and Other Stock-Based Awards

Under existing tax laws, a participant will not realize any taxable income when a SAR is granted and Nathan's will not receive a tax deduction. When a SAR is exercised, the spread between the price received at exercise and the fair market value of the SAR at the time of exercise is ordinary income to the participant (subject to withholding), and Nathan's receives a tax deduction for the amount of income recognized by the participant. Further, under existing tax laws, a participant will not realize taxable income upon the grant of a stock-based award that provides for dividend rights, and Nathan's will not receive a tax deduction. Upon payment of the dividend, the participant will be required to include as taxable ordinary income in the year of receipt an amount equal to the amount of cash received, and Nathan's will receive a tax deduction for the same amount.

Restricted Stock

A participant who is granted restricted stock generally will realize taxable income on the fair market value of the restricted stock, less any amount paid by the employee, at the time the award is no longer subject to restrictions on transfer or a substantial risk for forfeiture. However, a participant can elect under Code Section 83(b), within 30 days of receipt of the award, to recognize taxable ordinary income equal to the fair market value of Nathan's common stock, less any amount paid by the employee, on the date of the award. Nathan's receives a deduction in an amount equal to the ordinary income recognized by the participant in the taxable year in which restrictions lapse (or in the taxable year of the award if, at that time, the participant filed a timely election to accelerate recognition of income under Section 83(b) of the Code).

Restricted Stock Units

A participant who is granted restricted stock units will not realize any taxable income when the restricted stock unit is granted and Nathan's will not receive a tax deduction at that time. A participant will realize taxable income on the fair market value of unrestricted common shares, less any amount paid by the participant, on the date such shares are

transferred to the participant and Nathan s will receive a deduction for the same amount.

Section 162(m) Provisions

Section 162(m) of the Code imposes a limitation on the deductibility of certain compensation paid to certain executive officers of publicly traded companies. Compensation (including with respect to stock options or stock rights) paid to these officers in excess of \$1,000,000 cannot be claimed as a tax deduction by such companies, unless such compensation qualifies for an exemption as performance-based compensation under Code Section 162(m). We do not anticipate that Code Section 162(m) will impact on our ability to deduct compensation due to awards made under the 2010 Plan.

14

Sections 280G and 4999

Section 280G of the Code limits our income tax deductions for compensation in the event that we undergo a change in control. Accordingly, all or some of the amount that would otherwise be deductible by us may not be deductible with respect to those options and restricted shares that become immediately exercisable or vested in the event of a change in control. In addition, if Code Section 280G limits our deduction with respect to an award to a given participant, a 20% federal excise tax (i.e., in addition to the federal income tax) will be withheld from that participant under Section 4999 on that portion of the cash or value of the common stock received by that participant that is non-deductible under Code Section 280G.

Conclusion

The affirmative vote of a majority of the votes cast on this proposal in person or by proxy at the annual meeting is required for approval of the adoption of the 2010 Plan.

Board Recommendation

Our Board of Directors recommends a vote FOR the proposal to adopt the 2010 Stock Incentive Plan.

PROPOSAL 3 RATIFICATION OF APPOINTMENT OF GRANT THORNTON LLP AS AUDITORS FOR FISCAL 2011

Our Audit Committee Charter provides that the Audit Committee shall appoint annually a firm of independent registered public accountants to serve as auditors. The Audit Committee has appointed Grant Thornton LLP to act as auditors for our fiscal year ending March 27, 2011.

If this proposal is not approved at the annual meeting, our Audit Committee will reconsider the selection of Grant Thornton LLP for the ensuing fiscal year, but may determine that continued retention of Grant Thornton LLP is in our Company's and our stockholders' best interests. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our Company's and our stockholders' best interests.

We expect representatives of Grant Thornton LLP to be present at the annual meeting. They will have the opportunity to make a statement if they desire to do so and will also be available to respond to appropriate questions from stockholders.

Board Recommendation

Our Board of Directors recommends that our stockholders vote FOR ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending March 27, 2011.

AUDIT COMMITTEE REPORT

The Audit Committee assists the Company's Board of Directors in overseeing and monitoring the integrity of the Company's financial reporting process, compliance with legal and regulatory requirements related to financial reporting and the quality of internal and external audit processes. The Audit Committee's roles and responsibilities are set forth in a written charter, which is available on the Company's website www.nathansfamous.com under Investor Relations Corporate Governance. Among its duties, the Audit Committee is responsible for recommending to the Company's Board of Directors that the Company's financial statements be included in the Company's Annual Report on Form 10-K. As a basis for that recommendation, the Audit Committee engaged in the following activities. The Audit Committee reviewed and discussed the audited financial statements with Nathan's management and discussed with Grant Thornton LLP, Nathan's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. The Audit Committee also received from Grant Thornton the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding Grant Thornton's communications with the Audit Committee concerning independence, and has discussed with Grant Thornton that firm's independence. The Audit Committee has also reviewed and discussed the fees paid to Grant Thornton during the last fiscal year for audit services, which are set forth above under Audit Fees.

Management of the Company is responsible for the consolidated financial statements and reporting process, including establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rule 13a 15(e)); establishing and maintaining internal control over financial reporting (as defined in Exchange Act Rule 13a 15(f)); evaluating the effectiveness of disclosure controls and procedures; evaluating the effectiveness of internal control over financial reporting; and evaluating any change in internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, internal control over financial reporting. The independent registered public accounting firm is responsible for expressing an opinion on the conformity of these consolidated financial statements with accounting principles generally accepted in the United States, as well as expressing an opinion on the effectiveness of internal control over financial reporting.

During fiscal 2010, management tested and evaluated the Company's system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations. The Audit Committee reviewed the report of management contained in the Company's Annual Report on Form 10-K for the year ended March 28, 2010 filed with the Securities and Exchange Commission, as well as Grant Thornton's Reports of Independent Registered Public Accounting Firm included in the Company's Annual Report on Form 10-K. The latter reports relate to Grant Thornton's audit of (i) the consolidated financial statements and (ii) the effectiveness of internal control over financial reporting.

Based on the discussions with Grant Thornton concerning the audit, the independence discussions, and the discussions with the Company's management and Grant Thornton concerning the financial statement review and discussions, and such other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Company's Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 28, 2010, for filing with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

In considering our executive compensation policies and practices, we seek to balance our interest in limiting operating expenses and minimizing stockholder dilution with our interest in using compensation to attract, retain and motivate employees. In reconciling these competing concerns, we strive to act in the long-term best interests of the Company and our stockholders. The Compensation Committee works directly with independent compensation consultants from time to time to support the Board's commitment to be knowledgeable and current regarding executive compensation trends and best practices. The Compensation Committee previously retained GK Partners, a compensation consulting firm, to advise it with respect to the compensation of certain of its executive officers. The Compensation Committee may continue to retain outside executive compensation consulting firms (which historically have provided no other services to the Company) to provide general compensation expertise.

Risk Considerations

The Compensation Committee has considered whether our executive compensation program creates risks that are reasonably likely to have a material adverse effect on the Company and concluded that it does not. In doing so, the Committee considered the Company's strategic goals and operational practices and evaluated the design of its compensation programs to assess whether these programs foster a business environment that might drive inappropriate decision-making or behavior. While a significant portion of certain executives' compensation may be performance-based, the majority of our executive officers' cash compensation consists primarily of base salary, which we believe mitigates inappropriate or excessive risk-taking that could harm stockholder value. To the extent that executives receive equity incentive awards, typically such awards are long-term awards that are intended to align executives' interests with those of our stockholders.

Executive Compensation Program Objectives and Overview

The Company's current executive compensation programs are intended to achieve three fundamental objectives: (1) attract and retain qualified executives; (2) motivate performance to achieve specific short and long-term strategic and operating objectives of Nathan's; and (3) align executives' interests with the long-term interests of Nathan's stockholders. As described in more detail below, the material elements of our current executive compensation program for our principal executive officer, principal financial officer and the other three most highly compensated executive officers (Named Officers) include a base salary, an annual bonus opportunity, perquisites and retirement benefits. In addition, for certain Named Officers our compensation program also includes severance protection for certain actual or constructive terminations of employment and other post-termination benefits payable upon retirement, death or disability.

We believe that each element of our executive compensation program helps us to achieve one or more of our compensation objectives. The table below lists each material element of our executive compensation program and the compensation objective or objectives that it is designed to achieve.

Compensation	Objectives Attempted to be Achieved
Retirement Benefits (e.g., 401(k))	Attract and retain qualified executives
Severance and Other Benefits Upon Termination of Employment	Attract and retain qualified executives Motivate performance to achieve specific strategies and operating objectives

As indicated in the table above, base salaries, perquisites and personal benefits, retirement benefits and severance and other termination benefits are all primarily intended to attract and retain qualified executives. These are the elements of our current executive compensation program where the value of the benefit in any given year is not dependent on performance (although base salary amounts and benefits determined by reference to base salary may increase from year to year depending on cost-of-living or performance, among other things). We believe that in order to attract and retain top-caliber executives, we need to provide executives with predictable benefit amounts that reward their continued service. Some of the elements, such as base salaries and perquisites and personal benefits, are generally paid out on a short-term or current basis. Retirement or severance benefits are paid out on a longer-term basis upon retirement or other termination of employment. We believe that this mix of long-term and short-term elements allows us to achieve our dual goals of attracting and retaining executives (with the longer-term benefits geared toward retention and the short-term awards focused on recruitment).

Annual bonuses payable to our Named Officers are intended to motivate their performance to achieve specific financial, strategic and operating objectives. We believe the bonuses paid to our Named Officers, under their respective employment agreements and otherwise, also help us to attract and retain executives. Each executive's annual bonus is paid out on an annual short-term basis and is designed to reward performance for the applicable fiscal year, taking into consideration historical performance and whether or not the executive has taken steps in that period to achieve Nathan's long-term strategic and operating objectives, including objectives that may not be realized until succeeding fiscal periods.

Nathan's financial objectives include:

increasing each of revenues, profits from continuing operations, pre-tax cash flow, net income and earnings per share;
managing cash balances; and
controlling corporate general and administrative expenses.

There are also operating objectives that are specific to the Company's individual revenue centers (i.e., Company-owned restaurants, franchising (including Branded Menu Program), the Branded Product Program and retail licensing), all of which are designed to increase revenue and profit, as follows:

the level of sales at and cash contribution from Company-owned restaurants;
the number of new franchised and Branded Menu locations;
the amount of franchise fees and royalties earned from franchised and Branded Menu locations;
the level of sales and tonnage of products sold through the Branded Product Program;
the number of new Branded Product locations;
controlling the cost of goods sold through the Branded Product and Branded Menu Programs;
the amount of license royalties earned through the retail licensing program; and
the ability to control revenue-center specific overhead expenses.

Our equity-based compensation is primarily intended to align our executives' long-term interests with stockholders' long-term interests. We believe that the way to increase stockholder value is to increase the trading price of our common stock. Our equity incentive program primarily consists of the grant of stock options; our stock incentive plans only permit the grant of options with an exercise price equal to the market price on the grant date. Through the use of stock options, a significant portion of potential compensation is

23

tied directly to stock price appreciation, thereby aligning the interests of the Named Officers and other executives with those of our stockholders. We believe that the foregoing is an effective link between an increase in stockholder value and our executives' compensation.

We also believe equity-based compensation awards help us retain executives, as well as motivate performance to achieve specific strategies and operating objectives. Equity-based compensation is not necessarily awarded each year.

Equity-based compensation is earned on a longer-term basis than cash compensation and is designed to reward the achievement of our strategic and operating objectives for the applicable fiscal year, taking into consideration historical performance, and induce the executives to remain in our employ over the vesting period of the award.

The Compensation Committee's general philosophy is that bonus and equity compensation should be consistent with sound corporate governance principles, as well as competitive compensation practices. The Compensation Committee believes incentive compensation fluctuates with the Company's success in achieving financial and other goals, and that Nathan's should continue to use long-term compensation such as periodic grants of stock awards to align stockholder and executives' interests.

The Company has not established fixed quantitative goals for any of the objectives or metrics evaluated for the purpose of determining the amount of any bonus or equity-based compensation to be awarded.

In addition, the importance of the particular objective or metric to a specific executive's compensation depends on the responsibilities of an executive's position. Further, the specific objectives or metrics considered for a particular executive may be afforded greater or lesser weight in any fiscal year, depending on a variety of factors such as the Company's overall results, the emphasis of any particular component of Company's business during a particular fiscal year, the Company's performance in each area relative to its prior years' performance and relative to its competitors, the then-current competitive and economic environment, the implementation of strategic plans whose benefits may not be immediate, any extraordinary event, such as the sale or purchase of a company, brand or line of business, which may impact the Company positively or negatively and taking into account that the Company does not want to incentivize inappropriate or excessive risk taking that could harm stockholder value. As a result, an executive's success or failure as it relates to any one of the Company's objectives may determine whether or not that executive is awarded a bonus, as well as the amount that is awarded. If, following its evaluation of the foregoing, the Compensation Committee determines that an executive has helped the Company achieve one or more of the Company's objectives, a bonus and/or grant of equity-based compensation may be awarded.

The Committee has not engaged in benchmarking to establish the compensation payable to its executive officers in part because the Company's business model has evolved to become more entrepreneurial and is no longer that of a traditional restaurant and franchise business. A large portion of the Company's revenue and operating profit is generated by its Branded Product, Branded Menu and retail licensing programs. Consequently, the Compensation Committee does not believe that traditional restaurant and franchise companies are actual peers for the purpose of performing a benchmark analysis. Nevertheless, although the Compensation Committee did not engage in benchmarking in establishing the compensation payable to the Named Officers, in carrying out its responsibilities, in fiscal 2007, the Compensation Committee sought the advice of GK Partners regarding the compensation of Eric Gatoff and Howard Lorber, both of whom entered into employment agreements on December 15, 2006, effective January 1, 2007. In establishing the base salary to be paid to Mr. Gatoff pursuant to his employment agreement, the Compensation Committee relied on the consulting firm's opinion that Mr. Gatoff's compensation and benefits arrangements, as set forth in his employment agreement, are within the range of Chief Executive Officer compensation, benefit and perquisite practices currently found in other public companies. In establishing the base salary to be paid to Mr. Lorber pursuant to his employment agreement, the Compensation Committee relied on the consulting firm's opinion that Mr. Lorber's compensation and benefits arrangements, as set forth in his employment agreement, are within the range of executive compensation, benefit and perquisite practices currently found in other

public companies. The Compensation Committee then evaluated the amount of the short-term components of our executive compensation program for the other Named Officers by rationalizing the compensation payable to the other Named Officers and other executives with that payable to Messrs. Gatoff and Lorber and taking into consideration that the base salary for certain Named Officers is established by contract.

Current Executive Compensation Program Elements

We currently have employment agreements in place for four of our Named Officers – Eric Gatoff, Howard M. Lorber, Wayne Norbitz and Donald L. Perlyn – each of which is described in further detail below in the context of this section. There is no employment agreement in effect for Ronald G. DeVos.

Eric Gatoff. On December 15, 2006, the Company entered into an employment agreement with Eric Gatoff pursuant to which Mr. Gatoff was appointed as Chief Executive Officer effective January 1, 2007. Under the terms of the agreement, Mr. Gatoff agreed to serve as Chief Executive Officer effective from January 1, 2007, until December 31, 2008, which period shall extend for additional one-year periods unless either party delivers notice of non-renewal no less than 180 days prior to the end of the term then in effect. No such non-renewal notice has been delivered to date.

Howard M. Lorber. On December 15, 2006, the Company entered into an employment agreement with Howard M. Lorber pursuant to which Mr. Lorber was appointed as Executive Chairman of the Board of the Company effective January 1, 2007 through December 31, 2012. The agreement superseded Mr. Lorber's previous employment agreement.

Wayne Norbitz. In December 1992, we entered into an employment agreement with Wayne Norbitz for a term expiring on December 31, 1996. The employment agreement was extended through December 31, 1997, on the original terms and automatically renews for successive one-year periods, unless 180 days' prior written notice is delivered to Mr. Norbitz. No such non-extension notice has been delivered to date.

Donald L. Perlyn. On November 16, 2007, the Company and Mr. Perlyn entered into an employment agreement for a term expiring on September 30, 2008. The term of the agreement automatically extends for successive one-year periods unless 180 days' prior written notice is delivered by one party to the other. No such non-extension notice has been delivered to date. The terms of the agreement are the same as the prior agreement between Mr. Perlyn and Miami Subs, which was entered into on September 30, 1999 in connection with our acquisition of Miami Subs.

Base Salaries

Salary is one of the main components of cash compensation and fits into our overall compensation objectives by providing a base for attracting and retaining significant contributors to the Company and by establishing a minimum level of compensation upon which our executives may rely. Our goal is to pay a base salary to our executives that is competitive with the base salaries of companies in our peer group or competitive with other companies with which we compete to attract and retain executives. The Compensation Committee has determined that structuring the Company's compensation program to place a significant emphasis on base salaries, which are fixed, mitigates the potential for inappropriate or excessive risk-taking by executive officers.

For the four Named Officers with employment agreements, base salaries are determined in accordance with the terms of such agreements. The base salaries reflected in the employment agreements for Messrs. Gatoff and Lorber were established by the Compensation Committee in consultation with the Company's outside compensation consulting firm. The base salary initially payable to each of Messrs. Norbitz and Perlyn pursuant to his respective employment agreement was the product of arms-length negotiations at the time his employment commenced, which base salary has been increased by the Compensation Committee in consultation with our Executive Chairman and our Chief Executive Officer. The base salary of Mr. DeVos is determined annually by the Compensation Committee in consultation with our Executive Chairman and our Chief Executive Officer, taking into consideration his role and responsibility within our Company, as well as his experience and prior performance. In addition, the base salaries of all of our Named Officers are reviewed annually by the Compensation Committee, which may make adjustments for

cost-of-living increases.

The base salary that was paid to each Named Officer in fiscal 2010 is the amount reported for such officer in the designated column of the Summary Compensation Table.

Annual Bonuses

Each of the Named Officers is eligible to receive a cash bonus, as determined by the Compensation Committee.

25

Pursuant to Mr. Gatoff's employment agreement, the amount of his bonus may equal up to 100% of his base salary and is dependent upon Nathan's achievement of performance goals established and agreed to by the Compensation Committee and Mr. Gatoff for each fiscal year during the employment term; provided that the bonus payable to Mr. Gatoff for the fiscal year ended March 25, 2007, was determined by the Compensation Committee in its discretion, based on Mr. Gatoff's status as Vice President and Corporate Counsel through December 31, 2006, and provided, further, that Mr. Gatoff was entitled to a minimum bonus of 50% of his base salary for the first two years of the employment agreement. Notwithstanding the terms of Mr. Gatoff's employment agreement, no specific performance goals have been established by the Compensation Committee. Instead, the amount of Mr. Gatoff's annual bonus has been established by the Compensation Committee after considering the recommendation of the Executive Chairman of the Board, taking into consideration his performance measured against Nathan's strategic and operating objectives, as described above. The Compensation Committee also takes into consideration Mr. Gatoff's efforts related to the Company's risk management.

Mr. Lorber's current employment agreement does not provide for a contractually-required bonus. Nevertheless, since Mr. Lorber is eligible for participation in the Company's executive bonus program, the Compensation Committee may award bonuses to Mr. Lorber from time to time as it deems appropriate.

The payment and amount of any bonus paid to the other Named Officers is discretionary and is based on a determination of the Compensation Committee following its evaluation of the Named Officer's performance measured against Nathan's strategic and operating objectives. In making its determination regarding the amount of the bonus payable to Messrs. Norbitz, Perlyn and DeVos, the Compensation Committee considers the recommendation of our Executive Chairman and our Chief Executive Officer, as well as any factors that are deemed to be appropriate. In arriving at the bonuses paid in respect of fiscal 2010, the Compensation Committee took into consideration Nathan's performance in light of the current economic recession. In the case of Mr. Norbitz, the Compensation Committee also considered the performance of the Company-owned restaurants and the amount of franchise fees and royalties earned from franchised locations in arriving at the bonus paid in respect of fiscal 2010. In the case of Mr. Perlyn, the Compensation Committee considered the performance of the Branded Product Program in arriving at the bonus paid in respect of fiscal 2010. In the case of Mr. DeVos, in arriving at the bonus paid in respect of fiscal 2010, in addition to the Company's financial objective of managing general and administrative expense, the Compensation Committee considered Mr. DeVos' efforts related to risk management and the implementation and maintenance of internal controls, including those controls required in connection with the Company's compliance with the Sarbanes-Oxley Act of 2002 (SOX).

Perquisites

In addition to base salaries and annual bonus opportunities, Nathan's provides the Named Officers with certain perquisites and personal benefits. We believe that certain perquisites and personal benefits are often a tax-advantaged way to provide the Named Officers with additional annual compensation that supplements their base salaries and bonus opportunities. When determining each Named Officer's base salary, either by contract or otherwise, we take into consideration the value of each Named Officer's perquisites and personal benefits.

The perquisites and personal benefits paid to each Named Officer in 2010 are reported in the All Other Compensation column of the Summary Compensation Table below, and are further described in the All Other Compensation table following the Summary Compensation Table.

Equity-Based Compensation

Nathan's policy is that the Named Officers' long-term compensation should be linked to the value provided to stockholders of Nathan's common stock. Accordingly, the Compensation Committee has periodically granted equity

awards under Nathan's stock incentive and stock option plans. Grants of equity awards are designed to reward our executives for assisting the Company in achieving its long-term objectives and link an increase in stockholder value to compensation.

An aggregate 168,500 shares are available for grants of options and 2,500 shares are available for grants of options or restricted stock under the Nathan's 2001 Stock Option Plan and 2002 Stock Incentive Plan, respectively. In the event that the 2010 Stock Incentive Plan is approved by stockholders, the aggregate 171,000 shares available for grant under the 2001 Stock Option Plan and 2002 Stock Incentive Plan will be

included in, and available for grant under, the 2010 Stock Incentive Plan. Restricted stock will be subject to such restrictions as the Compensation Committee may impose. Historically, the term of each option generally has been ten years; however, the 2001 Stock Option Plan and the 2010 Stock Incentive Plan provide that future option grants will have a term of no more than five years. The term of an option is determined at the time of grant. The purchase price of the shares of common stock subject to each option granted is not less than 100% of the fair market value of our common stock at the date of grant.

The Company currently has three stock option plans under which options are outstanding or may be issued. All of our stock plans provide that the Compensation Committee may adjust the number of shares under outstanding awards and for which future awards may be granted in the event of reorganization, stock split, reverse split, stock dividend, exchange or combination of shares, merger or any other change in capitalization. The participants in these plans are officers, directors and employees of, or consultants to, Nathan's and its subsidiaries or affiliates. See Equity Plan Information. In reviewing the form of stock compensation (i.e., stock options v. restricted stock) granted to any or all eligible participant(s), the Compensation Committee has historically considered a variety of important administrative and technical factors, including, but not limited to: (1) the overall availability of shares under the stock compensation plan; (2) the additional stockholder dilution effects of shares granted under the plan; (3) the number of stock options and restricted shares currently outstanding under the current plans and all previous plans (individually and in the aggregate); (4) the number of options or restricted shares previously vested and/or exercised (individually and in the aggregate); (5) the overall compensation expense and current accounting impact to Nathan's of any past or future grants; and (6) the applicable Company and employee tax implications of any such grant. When considering whether or not to make an equity grant, the Compensation Committee considers each Named Officer's responsibilities, his performance during the prior year, his expected future contribution to Nathan's performance and, for certain Named Officers, competitive data on grant values at comparable companies.

During 2010, the Compensation Committee made no awards to employees of restricted stock or stock options, including the Named Officers. Nevertheless, the Compensation Committee believes that the use of these awards encourages executives to continue to use their best professional skills and to remain in Nathan's employ.

Retirement Benefits and Deferred Compensation Opportunities

401(k) Savings Plan

We sponsor a retirement plan intended to be qualified under Section 401(k) of the Internal Revenue Code of 1986. All non-union employees over age 21 who have been employed by us for at least one year are eligible to participate in the plan. Employees may contribute to the plan on a tax-deferred basis up to 20% of their total annual salary, but in no event more than the maximum permitted by the Internal Revenue Code (\$22,000 in calendar 2010, including \$5,500 catch-up contributions for employees 50 and over). Company contributions are discretionary. For the plan year ended December 31, 2009, we elected to make matching contributions at the rate of \$.25 per dollar contributed by each employee vesting at the cumulative rate of 20% per year of service starting one year after commencement of service and, accordingly, after six years of an employee's service with us, matching contributions are fully vested. As of March 28, 2010, approximately 47 employees had elected to participate in the plan. For the fiscal year ended March 28, 2010, we contributed approximately \$28,000 to the 401(k) plan, of which \$1,792 was a matching contribution for Mr. Norbitz and \$1,464 was a matching contribution for Mr. DeVos.

Deferred compensation, through both employer and employee contributions to the Nathan's 401(k) plan, is a tax-advantaged means of providing the Named Officers with additional compensation that supplements their base salaries and bonus opportunities.

Severance and Other Benefits Upon Termination of Employment

The Company's policy is to provide certain Named Officers with certain payments in the event of the termination of their employment prior to the end of their current employment term due to death, disability or other than for cause (as defined in their respective employment agreements). Nathan's selected such events because they are standard termination triggers in employment contracts. Nathan's determined that its failure to provide such standard termination provisions would adversely affect its ability to achieve its compensation objectives.

Please see the Potential Payments Upon Termination or Change-in-Control section below for a description of the potential payments that may be made to the Named Officers in connection with their termination of employment on a change in control.

Stock Ownership Guidelines

In June 2009, the Board of Directors adopted a Stock Retention Plan. Pursuant to the Stock Retention Plan, at the time that any officer or director exercises a stock option, he will be required to retain 33 1/3% of the total number of option shares then-exercised. In addition, officers and directors are required to retain 33 1/3% of the shares owned on the date of adoption of the Stock Retention Plan. Notwithstanding the terms of the Stock Retention Plan, the Board may determine to waive the requirement that shares be retained in the event that an officer or director is experiencing an immediate financial need.

Section 162(m) Policy

Section 162(m) of the Internal Revenue Code limits the deductibility by Nathan's of cash compensation in excess of \$1 million paid to the Chief Executive Officer and the four highest compensated executive officers during any taxable year, unless such compensation meets certain requirements. Base compensation paid to executive officers for fiscal 2010, other than compensation paid to Mr. Lorber, was within the \$1 million Section 162(m) threshold and should, therefore, also be deductible by Nathan's. Compensation paid to Mr. Lorber above the \$1 million Section 162(m) threshold (\$2,194,000) will not be deductible to Nathan's. Stock incentives granted under Nathan's existing plans are intended to comply with the rules under Section 162(m) for treatment as performance-based compensation. Nathan's should be allowed to deduct compensation related to options granted under each of its stock incentive plans and the formula portion of the cash bonuses.

Compensation Committee Report

Nathan's Compensation Committee has certain duties and powers as described in its charter. The Compensation Committee is currently composed of the non-employee directors named at the end of this report, each of whom is independent as defined by the NASDAQ Listing Rule 5605(a)(2). The Compensation Committee has reviewed and discussed with management the disclosure contained in the Compensation Discussion and Analysis set forth herein. Based upon this review and our discussions, the Nathan's Compensation Committee recommended to its Board of Directors that the Compensation Discussion and Analysis section be included in this Annual Proxy Statement and incorporated by reference into the Nathan's Annual Report on Form 10-K.

Estimation of Benefits

The following tables were prepared as though each Named Officer's employment was terminated on March 26, 2010 (the last business day of fiscal 2010). The amounts under the columns which reflect a Change in Control assume that a change in control occurred on March 26, 2010. However, the executives' employment was not terminated on March 26, 2010 and a change in control did not occur on that date. There can be no assurance that a termination of employment, a change in control or both would produce the same or similar results as those described if either or both of them occur on any other date or at any other price, or if any assumption is not correct in fact.

Stock options that become vested due to a change in control are valued based on their spread (i.e., the difference between the stock's fair market value and the exercise price).

RISK CONSIDERATIONS IN OUR COMPENSATION PROGRAMS

We believe that risks arising from our compensation policies and practices for our employees are not reasonably likely to have a material adverse effect on the Company. As discussed above in the Compensation Discussion and Analysis, our Compensation Committee reviewed our policies and practices for executive officers. The Compensation Discussion and Analysis further identifies the features of our executive compensation program that are designed to mitigate the potential for inappropriate or excessive risk-taking by executive officers. Management also provided an assessment to the Compensation Committee regarding our compensation policies and practices for employees other than our executive officers and noted several features of our compensation program for employees that reduce the likelihood of excessive risk-taking: pay is structured to include both fixed (salary) and variable compensation (bonus and equity), with a primary emphasis on fixed compensation; any increases to base salary are typically related to cost-of-living adjustments; only a small number of employees receive bonuses and, with the exception of two executive officers and two senior employees, such bonuses are not a significant component of an employee's total compensation; long-term incentives are granted as equity that vests over multiple years; and the existence of our corporate-wide ethics and compliance program.

FINANCIAL STATEMENTS

A copy of our Annual Report of Stockholders for the fiscal year ended March 28, 2010, has been provided to all stockholders as of July 23, 2010. Stockholders are referred to the report for financial and other information about us, but such report is not incorporated in this proxy statement and is not a part of the proxy soliciting material.

MISCELLANEOUS INFORMATION

Cost of Solicitation

The cost of soliciting proxies in the accompanying form, which we estimate to be \$35,000, will be paid by us. In addition to solicitations by mail, arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxy materials to their principals, and we may reimburse them for their expenses in so doing. To the extent necessary in order to assure sufficient representation, our officers and regular employees may request the return of proxies personally, by telephone or telegram. The extent to which this will be necessary depends entirely upon how promptly proxies are received, and stockholders are urged to send in their proxies without delay.

Deadline for Submission of Stockholder Proposals for the 2011 Annual Meeting

Proposals of stockholders intended to be presented at the 2011 Annual Meeting of Stockholders pursuant to SEC Rule 14a-8 must be received at our principal office not later than March 25, 2011, to be included in the proxy statement for that meeting.

In addition, our by-laws require that we be given advance notice of stockholder nominations for election to the Board of Directors and of other matters which stockholders wish to present for action at an annual meeting of stockholders. The required notice must be delivered to the Secretary of the Company at our principal offices not later than 60 days and not earlier than 90 days prior to the first anniversary date for the previous year's annual meeting of stockholders unless the date of the annual meeting is more than 30 days before or 60 days after the anniversary date. In such event, a stockholder's notice will be timely if it is delivered no earlier than 90 days prior to the meeting and not later than the close of business on the later of (i) the 60th day prior to the meeting or (ii) the 10th day following the day on which Nathan's publicly announces the date of the meeting. These requirements are separate from and in addition to the SEC requirements that a stockholder must meet in order to have a stockholder proposal included in our proxy statement.

Pursuant to our by-laws, if notice of any stockholder proposal is received before June 16, 2011, or after July 18, 2011, then the notice will be considered untimely and we are not required to present such proposal at the 2011 Annual Meeting. Additionally, if the Board of Directors chooses to present a proposal submitted after July 18, 2011, at the 2011 Annual Meeting, then the persons named in proxies solicited by the Board of Directors for the 2011 Annual Meeting may exercise discretionary voting power with respect to such proposal.

We will provide without charge to any stockholder, as of the record date, copies of our Annual Report on Form 10-K, upon written request delivered to Ronald G. DeVos, Secretary, at the Company's offices at One Jericho Plaza, Second Floor Wing A, Jericho, New York 11753.

By Order of the Board of Directors,

Secretary

In making such Award determinations, the Committee may take into account the Participant's present and potential contribution to the Company's success and such other factors as the Committee deems relevant.

(b) Subject to Section 11(b) of the Plan, the Committee may determine whether, to what extent and under what circumstances Awards may be settled, paid or exercised in cash, Shares or other Awards or other property, or canceled, forfeited or suspended.

(c) Subject to Section 11(b) of the Plan, the Committee shall have the authority to interpret the Plan and any Award or Agreement made under the Plan, to establish, amend, waive and rescind any rules and regulations relating to the administration of the Plan, to determine the terms and provisions of any Agreements entered into hereunder (not

The records of the Company and any Affiliate shall be conclusive on all persons unless determined to be incorrect. Participants and other persons entitled to benefit under the Plan must furnish the Committee such evidence, data or information as the Committee considers desirable to carry out the terms of the Plan.
- (i) To the fullest extent permitted by law, each member and former member of the Committee and each person to whom the Board or the Committee delegates or has delegated authority under this Plan shall be entitled to indemnification by the Company against and from any loss, liability, judgment, damage, cost and reasonable expense incurred by such member, former member or other person by reason of any action taken, failure to act or determination made in good faith under or with respect to this Plan.

ARTICLE IV SHARES AVAILABLE FOR AWARDS

- (a) Subject to adjustment as provided in Section 4(e), the maximum number of Shares that may be delivered pursuant to Awards granted under the Plan is 150,000, plus any shares that have been authorized but not issued pursuant to prior plans of the Company as of July 19, 2010 up to a maximum of an additional 171,000 Shares, plus any shares subject to any outstanding options or restricted stock grants under any plan of the Company that were outstanding as of July 19, 2010 and that subsequently expire unexercised, or are otherwise forfeited, up to a maximum of an additional 100,000 Shares. Notwithstanding the foregoing and subject to adjustment as provided in Section 4(e), no Participant may receive Awards of Options or stock appreciation rights under this Plan in any calendar year that relate to more than 50,000 Shares or other Awards in any calendar year that relate to more than 25,000 Shares.
- (b) Any Shares subject to Options or stock appreciation rights shall be counted against the numerical limits of this Article IV as one share for every share subject thereto. Any Awards other than Options or stock appreciation rights shall be counted against the numerical limits of this Article IV as 3.2 shares for every one share subject thereto. To the extent that a Share that was subject to an Award that counted as 3.2 Shares against the Plan reserve pursuant to the preceding sentence is recycled back into the Plan under paragraph (d) of this Article IV, the Plan shall be credited with 3.2 Shares.
- (c) Shares to be issued under the Plan may be made available from authorized but unissued Stock, Stock held by the Company in its treasury, or Stock purchased by the Company on the open market or otherwise. During the term of the Plan, the Company will at all times reserve and keep available the number of shares of Stock that shall be sufficient to satisfy the requirements of the Plan.
- (d) If any Shares covered by an Award or to which such an Award relates, terminate, lapse or are forfeited or cancelled, or such an Award is otherwise settled without the delivery of the full number of Shares underlying the Award, then the Shares covered by such Award, or to which such Award relates, to the extent of any such forfeiture,

termination, lapse, cancellation, etc., shall again be, or shall become available for issuance under the Plan; provided, however, that Shares (i) delivered in payment of the exercise price of an Option, (ii) not issued upon the net settlement or net exercise of stock appreciation rights, or (iii) delivered to or withheld by the Company to pay withholding taxes related to an Award, shall not become available again for issuance under this Plan.

(e) In the event of any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, share split, reverse share split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate

A-4

transaction or event affecting the Shares the Committee shall make such provision as it shall consider appropriate for

(i) the number and type of Shares (or other securities or property) which thereafter may be made the subject of Awards, including without limitation the individual limit set forth in Section 4(a), (ii) the number and type of Shares (or other securities or property) subject to outstanding Awards, and (iii) the grant, purchase, or exercise price with respect to any Award or, if deemed appropriate, make provision for a cash payment to the holder of an outstanding Award; provided, however, that the number of Shares subject to any Award shall always be a whole number. The determination of the Committee shall be conclusive; provided, further, with respect to any Award subject to Section 409A, any such adjustment shall be authorized only to the extent that such adjustment would not cause the Award to fail to comply with Section 409A.

(f) Following the Effective Date, (i) no additional stock awards shall be granted under the Prior Plans and (ii) all outstanding stock awards previously granted under the Prior Plans shall remain subject to the terms of the Prior Plans; provided, however, that after July 19, 2010 any shares subject to outstanding stock awards granted under the Prior Plans that expire or terminate for any reason prior to exercise or settlement or are forfeited because of the failure to meet a contingency or condition required to vest such shares or are reacquired, withheld (or not issued) to satisfy a tax withholding obligation in connection with an award other than an option or stock appreciation right (the Returning Shares) shall become available for issuance pursuant to Awards granted hereunder in accordance with the provisions of this Article IV. All Awards granted on or after the Effective Date of this Plan shall be subject to the terms of this Plan.

ARTICLE V ELIGIBILITY

All Employees, Consultants and Directors are eligible to participate in this Plan and receive Awards hereunder.

ARTICLE VI OPTIONS

The Committee is hereby authorized to grant Awards of Options to Participants.

(a) Unless otherwise provided by the Committee at the time of the grant of an Award, and not inconsistent with the provisions of the Plan and subject to Section 11(b) of the Plan, the terms of each Option shall be as follows:

(i) Each Option shall terminate, if not previously exercised or otherwise terminated, on a date five (5) years after the date of grant.

Each Option shall be exercisable only while (x) the Employee is employed by or providing services to the Company or an Affiliate, (y) the Director remains a Director of the Company, or (z) while the Consultant is providing consulting services to the Company or an Affiliate, except as set forth in Articles IX and XII hereof.

(iii) The exercise price per Share of each Option shall be 100% of the Fair Market Value per Share on the date of grant of the Option.

(b) Any Option granted hereunder shall be exercisable at such times as are set forth in Section 6(a) above. An Option may not be exercised for a fraction of a Share. An Option shall be deemed to be exercised when written notice of such exercise has been given to the Company in accordance with the terms of the Option by the person entitled to exercise the Option and full payment for the Shares with respect to which the Option is exercised has been received by the Company. Full payment may consist of any consideration and method of payment allowable under Section 6(c)

below. Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the stock certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the optioned Stock, notwithstanding the exercise of the Option. A share certificate for the number of Shares so acquired shall be issued to the optionee as soon as practicable after exercise of the option. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in Section (4)(e) of the Plan. Except as otherwise provided in Article IV, exercise of an Option in any manner shall result in a decrease in the number of Shares

A-5

which thereafter may be available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

- (c) The consideration to be paid for the Shares to be issued upon exercise of an Option may consist of (i) cash, (ii) check, (iii) other shares of the Company's Stock which have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option shall be exercised, which tendered shares have been held for a period of six months or more, or (iv) consideration received by the Company under any broker-assisted cashless exercise program implemented by the Company in connection with the Plan.
- (d) Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, state securities laws, and the requirements of any stock exchange upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance. As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares, if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned relevant provisions of law. Inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

ARTICLE VII RESTRICTED STOCK AND RESTRICTED STOCK UNIT AWARDS

The Committee is hereby authorized to grant Awards of Restricted Stock and/or Restricted Stock Units to Participants.

- (a) The Awards granted under this Article VII shall be subject to such restrictions as the Committee may impose (including, without limitation, any limitation on the right to vote Shares underlying Restricted Stock Awards or the right to receive any dividend, other right or property), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate. If the vesting conditions applicable to an Award of Restricted Stock or Restricted Stock Units relate exclusively to the passage of time and continued service as a Director, Employee or Consultant, the last vesting date of all or a portion of such Award shall occur no less than 36 months following the date of such Award, except that the foregoing restriction shall not apply to such Awards if they are issued in connection with the exercise of an Option or other Award hereunder.
- (b) Any Award of Restricted Stock or Restricted Stock Units may be evidenced in such manner as the Committee may deem appropriate, including, without limitation, book-entry registration or issuance of a stock certificate or certificates. In the event any stock certificate is issued in respect of Shares underlying a Restricted Stock Award, such certificate shall be registered in the name of the Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Shares.

ARTICLE VIII OTHER STOCK-BASED AWARDS

The Committee is hereby authorized to grant to Participants such other Awards (including, without limitation, stock appreciation rights and rights to dividends and dividend equivalents) that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares) as are deemed by the Committee to be consistent with the purposes of the Plan. Rights to dividends and dividend equivalents may not attach to Options or stock appreciations rights. Subject to the terms of the Plan, the Committee shall determine the terms and conditions of such Awards. Notwithstanding the foregoing, the term of a stock appreciation right shall not exceed five (5) years, and the exercise price for a stock appreciation right shall not be less than the Fair Market Value of a Share on the date of grant of such stock appreciation right. Shares or other securities delivered pursuant to a

A-6

purchase right granted under this Article VIII shall be purchased for such consideration, which may be paid by such method or methods and in such form or forms, including, without limitation, cash, Shares, other securities, other Awards, or other property, or any combination thereof, as the Committee shall determine, the value of which consideration, as established by the Committee, shall not be less than the Fair Market Value of such Shares or other securities as of the date such purchase right is granted.

ARTICLE IX

TERMINATION OF EMPLOYMENT, DIRECTORSHIP OR CONSULTING ARRANGEMENT

Except as otherwise provided in an applicable Agreement or determined by the Committee and to the extent not inconsistent with Section 13(k) hereof, in case of termination of employment, directorship or provision of consulting services, the following provisions shall apply:

(a) Termination of Status. If an Employee ceases to provide services as an Employee, Consultant or Director, if a Director ceases to serve as a Director or provide services as an Employee or Consultant or if a Consultant ceases to provide consulting services, such Person may, but only within three (3) months after the date he/she ceases to provide such services, exercise any Option to the extent that he/she was entitled to exercise it at the date of such termination. Notwithstanding the foregoing, in no event may the Option be exercised after its term has expired. To the extent that the Participant was not entitled to exercise an Option at the date of such termination, or if he/she does not exercise such Option (which he/she was entitled to exercise) within the time specified herein, the Option shall terminate. All other Awards shall be payable in accordance with their terms.

(b) Disability of a Participant. Notwithstanding the provisions of Section 9(a) above, in the event a Participant is unable to continue his/her service as an Employee, Director or Consultant as a result of Disability, he/she may, but only within twelve (12) months from the date of termination, exercise any Option to the extent he/she was entitled to exercise it at the date of such termination. Notwithstanding the foregoing, in no event may the Option be exercised after its term has expired. To the extent that he/she was not entitled to exercise the Option at the date of termination, or if he/she does not exercise such Option (which he/she was entitled to exercise) within the time specified herein, the Option shall terminate. All other Awards shall be payable in accordance with their terms.

(c) Death of Participant. In the event of the death of a Participant during the term of an Option, the Option shall be exercisable to the extent it was exercisable at the date of termination, at any time within twelve (12) months following the date of death, by the Participant's Successor. Notwithstanding the foregoing, in no event may the Option be exercised after its term has expired. All other Awards shall be payable in accordance with their terms.

ARTICLE X

DURATION

The Plan shall be effective as of July 19, 2010, subject to its approval by the stockholders of the Company. No Award shall be granted under the Plan after the tenth anniversary of the effective date. However, unless otherwise expressly provided in the Plan or in an applicable Agreement, any Award theretofore granted may extend beyond such date, and the authority of the Committee to administer the Plan and to amend, alter, adjust, suspend, discontinue, or terminate any such Award, or to waive any conditions or rights under any such Award, and the authority of the Board to amend the Plan, shall extend beyond such date.

ARTICLE XI

AMENDMENT, MODIFICATION AND TERMINATION

(a) Except to the extent prohibited by applicable law and unless otherwise expressly provided in an Agreement or in the Plan, the Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; *provided, however*, that no such amendment, alteration, suspension, discontinuation or termination shall be made without (i) shareholder approval (x) if such approval is necessary to comply with any tax or regulatory requirement for which or with which the Board deems it necessary or desirable to qualify or comply or (y) if the proposed amendment will increase the number of Shares that may be issued under the Plan, modify the requirements for participation in the Plan, or increase benefits that have already

A-7

accrued to Participants under the Plan or (ii) the consent of the affected Participant, if such action would adversely affect the rights of such Participant under any outstanding Award. Notwithstanding anything to the contrary herein, the Board may amend the Plan in such manner as may be necessary to enable the Plan to achieve its stated purposes in any jurisdiction outside the United States in a tax-efficient manner and in compliance with local rules and regulations. Notwithstanding the foregoing or any provision of the Plan or an Award to the contrary, (i) the Board may at any time (without the consent of any Participant) modify or amend any or all of the provisions of the Plan or an Award to the extent necessary to conform the provisions of the Plan or an Award to comply with Section 409A, the regulations issued thereunder or an exception thereto, regardless of whether such modification or amendment of the Award shall adversely affect the rights of a Participant, and (ii) except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of shares), the terms of outstanding Awards may not be amended to reduce the exercise price of outstanding Options or stock appreciation rights or cancel outstanding Options or stock appreciation rights in exchange for cash, other Awards, Options or stock appreciation rights with an exercise price that is less than the exercise price of the original Award, without stockholder approval.

(b) The Committee may waive any conditions or rights under, amend any terms of, or amend, alter, suspend, discontinue or terminate, any Award theretofore granted, prospectively or retroactively, without the consent of any Participant or holder or beneficiary of an Award, *provided, however*, that no such action shall impair the rights of a Participant or holder or beneficiary under any Award theretofore granted under the Plan. Notwithstanding the foregoing, the Committee may not change the vesting schedule of previously-granted Awards without shareholder approval.

(c) With respect to Participants who reside or work outside the United States of America, the Committee may, in its sole discretion, amend, or otherwise modify, without shareholder approval, the terms of the Plan or Awards with respect to such Participant in order to conform such terms with the provisions of local law; provided that such amendment or other modification shall not increase the total number of Shares reserved for purposes of the Plan without the approval of the shareholders of the Company.

(d) The Committee shall be authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, an event affecting the Company, or the financial statements of the Company, or of changes in applicable laws, regulations or accounting principles), whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan.

(e) To the extent not inconsistent with Section 13(k) hereof, in connection with an event described in Article XII or in Section 4(e), the Committee may, in its discretion (i) cancel any or all outstanding Awards under the Plan in consideration for payment to the holder of each such cancelled Award of an amount equal to the portion of the consideration that would have been payable to such holder pursuant to such transaction if such Award had been fully vested and exercisable, and had been fully exercised, immediately prior to such transaction, less the exercise price if any that would have been payable therefor, or (ii) if the net amount referred to in clause (i) would be negative, cancel such Award for no consideration or payment of any kind. Payment of any amount payable pursuant to the preceding sentence may be made in cash and/or securities or other property in the Committee's discretion and to the extent applicable, must comply with Section 409A.

ARTICLE XII

CHANGE IN CONTROL, LIQUIDATION, MERGER OR

ASSET SALE

(a) In the event of a merger of the Company with or into another corporation or the sale of substantially all of the assets of the Company, outstanding Awards may be assumed or equivalent awards may be substituted by the successor corporation or a parent or subsidiary thereof (the Successor Corporation). If an Award is assumed or substituted for, the Award or equivalent award shall continue to be exercisable and/or payable as provided in the original terms thereof for so long as the Participant serves as an Employee, Director or Consultant or an employee, director or consultant of the Successor Corporation. Following such assumption or substitution, if the Participant s status as an Employee, Director or Consultant or employee,

A-8

director or consultant of the Successor Corporation, as applicable, is terminated other than upon a voluntary resignation, all Awards shall become immediately and fully exercisable and payable. Thereafter, the Award shall remain exercisable and/or payable in accordance with the terms of this Plan. If the Successor Corporation does not assume an outstanding Award or substitute for it an equivalent award, all Awards shall become immediately and fully exercisable and payable. In such event with respect to Options, the Board shall notify the Participant that the Option shall be fully exercisable for a period of sixty (60) days from the date of such notice, and upon the expiration of such period, the Option shall terminate.

For the purposes of this Section 12(a), an Award shall be considered assumed if, following the merger or sale of assets, the new Award confers the right to purchase or receive consideration, for each Share or right subject to the Award immediately prior to the merger or sale of assets, the consideration (whether stock, cash, or other securities or property) received in the merger or sale of assets by holders of Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares).

(b) In the event of a Change in Control, at the option of the Board, (i) all Awards outstanding on the date of such Change in Control shall become immediately and fully exercisable and payable, and (ii) a Participant will be permitted to surrender for cancellation within sixty (60) days after such Change in Control, any Option or portion of an Option which was granted more than six (6) months prior to the date of such surrender, to the extent not yet exercised, and to receive a cash payment in an amount equal to the excess, if any, of the Fair Market Value (on the date of surrender) of the Shares subject to the Option or portion thereof surrendered, over the aggregate purchase price for such Shares under the Option.

(c) In the event of a proposed dissolution or liquidation of the Company, all Awards shall become fully vested, exercisable and payable. To the extent an Option remains unexercised at the time of the dissolution or liquidation, the Option shall terminate.

ARTICLE XIII MISCELLANEOUS

(a) Nothing in the Plan or in any Agreement shall confer upon any Participant the right to continue in the service or employment of the Company or any Affiliate or affect any right which the Company or any Affiliate may have to terminate or modify the employment or provision of service of the Participant with or without cause.

(b) The Company shall have a right to withhold from any payment of cash or Stock to a Participant or other person under the Plan an amount sufficient to cover any required withholding taxes, including the Participant's social security and Medicare taxes (FICA) and Federal, state, local income tax or such other applicable taxes (Taxes) with respect to income arising from payment of the Award. The Company shall have the right to require the payment of any Taxes before issuing any Stock pursuant to the Award. The Committee may, if it deems appropriate in the case of a Participant, withhold such Taxes through a reduction of the number of Shares delivered to such individual, or allow the Participant to elect to cover all or any part of the required withholdings, and to cover any additional withholdings up to the amount needed to cover the Taxes with respect to income arising from payment of the Award, through a reduction of the number of Shares delivered to such individual or a subsequent return to the Company of Shares held by the Participant or other person, in each case valued in the same manner as used in computing the withholding taxes under the applicable laws. Notwithstanding the foregoing or any provisions of the Plan to the contrary, any broker-assisted cashless exercise shall comply with the requirements for equity classification of Paragraph 35 of FASB Statement No. 123(R) and any withholding satisfied through a net-settlement shall be limited to the minimum

statutory withholding requirements.

(c) Awards received by a Participant under this Plan shall not be deemed a part of a Participant's regular, recurring compensation for purposes of any termination, indemnity or severance pay laws and shall not be included in, nor have any effect on, the determination of benefits under any other employee benefit plan, contract or similar arrangement provided by the Company or an Affiliate, unless expressly so provided by such other plan, contract or arrangement, or unless the Board so determines.

A-9

(d) Subject to the provisions of the Plan, (i) no Award and no right under any Award shall be assignable, alienable, saleable or transferable by a Participant otherwise than by will or by the laws of descent and distribution, *provided, however,* that, if so determined by the Committee, a Participant may, in the manner established by the Committee, designate a beneficiary or beneficiaries to exercise the rights of the Participant, and to receive any property distributable, with respect to any Award upon the death of the Participant, (ii) each Award, and each right under any Award, shall be exercisable during the Participant's lifetime only by the Participant or, if permissible under applicable law, by the Participant's guardian or legal representative, and (iii) no Award and no right under any such Award, may be pledged, alienated, attached, or otherwise encumbered, and any purported pledge, alienation, attachment or encumbrance thereof shall be void and unenforceable against the Company. The provisions of this paragraph shall not apply to any Award which has been fully exercised, earned or paid, as the case may be, and shall not preclude forfeiture of an Award in accordance with the terms thereof.

(e) This Plan shall be unfunded and the Company shall not be required to segregate any assets that may at any time be represented by Awards under this Plan. Neither the Company, its Affiliates, nor the Board shall be deemed to be a trustee of any amounts to be paid under this Plan nor shall anything contained in this Plan or any action taken pursuant to its provisions create or be construed to create a fiduciary relationship between the Company and/or its Affiliates, and a Participant or Successor. To the extent any person acquires a right to receive an Award under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company.

(f) Any liability of the Company to any Participant with respect to an Award shall be based solely upon contractual obligations created by this Plan and the applicable Agreement. Except as may be required by law, neither the Company nor any member or former member of the Board, nor any other person participating (including participation pursuant to a delegation of authority hereunder) in any determination of any question under this Plan, or in the interpretation, administration or application of this Plan, shall have any liability to any party for any action taken, or not taken, under this Plan.

(g) No certificate for Shares distributable pursuant to this Plan shall be issued and delivered unless the issuance of such certificate complies with all applicable legal requirements, including, without limitation, compliance with the provisions of applicable state securities laws, the Securities Act of 1933, as amended and in effect from time to time or any successor statute, the Exchange Act and the requirements of the exchanges on which the Company's Shares may, at such time be listed.

(h) To the extent that federal laws do not otherwise control, this Plan and all determinations made and actions taken pursuant to this Plan shall be governed by the laws of Delaware and construed accordingly.

(i) In the event that any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining provisions of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

(j) No fractional shares shall be issued or delivered pursuant to this Plan or any Agreement, and the Committee shall determine whether cash, other securities, or other property shall be paid or transferred in lieu of any fractional shares, or whether such fractional Shares or any rights thereto shall be canceled, terminated, or otherwise eliminated.

(k) Notwithstanding any provision of the Plan or an Agreement to the contrary, if any Award or benefit provided under this Plan is subject to the provisions of Section 409A, the provisions of the Plan and any applicable Agreement shall be administered, interpreted and construed in a manner necessary to comply with Section 409A or an exception thereto (or disregarded to the extent such provision cannot be so administered, interpreted or construed). The following provisions shall apply, as applicable:

For purposes of Section 409A, and to the extent applicable to any Award or benefit under the Plan, it is intended that distribution events qualify as permissible distribution events for purposes of Section 409A and shall be (i) interpreted and construed accordingly. With respect to payments subject to Section 409A, the Company reserves the right to accelerate and/or defer any payment to the extent permitted and consistent with Section 409A. Whether a Participant has Separated from Service will be determined based on all of the facts and circumstances and,

to the extent applicable to any Award or benefit, in accordance with the guidance issued under Section 409A. For this purpose, a Participant will be presumed to have experienced a Separation from Service when it is anticipated that the level of *bona fide* services performed permanently will decrease to a level less than twenty percent (20%) of the average level of *bona fide* services performed by the Participant during the immediately preceding thirty-six (36) month period or such other applicable period as provided by Section 409A.

The Committee, in its discretion, may specify the conditions under which the payment of all or any portion of any Award may be deferred until a later date. Deferrals shall be for such periods or until the occurrence of such events, and upon such terms and conditions, as the Committee shall determine in its discretion, in accordance with the provisions of Section 409A, the regulations and other binding guidance promulgated thereunder; provided, however, that no deferral shall be permitted with respect to Awards to the extent it would result in a violation of Section 409A. An election shall be made by filing an election with the Company (on a form provided by the Company) on or prior to December 31st of the calendar year immediately preceding the beginning of the calendar year (or other applicable service period) to which such election relates (or at such other date as may be specified by the Committee to the extent consistent with Section 409A) and shall be irrevocable for such applicable calendar year (or other applicable service period).

The grant of Options and stock appreciation rights shall be granted under terms and conditions consistent with Treas. Reg. §1.409A-1(b)(5) such that any such Award does not constitute a deferral of compensation under Section 409A. Accordingly, any such Award may be granted with respect to Stock of the Company and any Subsidiary and Affiliate in which the Company has a controlling interest. In determining whether the Company has a controlling interest, the rules of Treas. Reg. §1.414(c)-2(b)(2)(i) shall apply; provided that the language "at least 50 percent" shall be used instead of "at least 80 percent" in each place it appears; provided, further, where legitimate business reasons exist (within the meaning of Treas. Reg. §1.409A-1(b)(5)(iii)(E)(i)), the language "at least 20 percent" shall be used instead of "at least 80 percent" in each place it appears. The rules of Treas. Reg. §§1.414(c)-3 and 1.414(c)-4 shall apply for purposes of determining ownership interests.

In no event shall any member of the Committee or the Company have any liability to any Participant (or any other Person) due to the failure of an Award to satisfy the requirements of Section 409A.

(l) Any Award granted hereunder is intended to be not subject to the limitations under Code Section 162(m).

This Nathan s Famous, Inc. 2010 Stock Incentive Plan is effective this 19th day of July, 2010.
