PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

November 3, 2010

Bio-Path Holdings, Inc. (the "Company") is furnishing this Proxy Statement and the enclosed proxy in connection with the solicitation of proxies by the Board of Directors (the "Board") of the Company for use at the Annual Meeting of Shareholders to be held on November 3, 2010 at 4:00 p.m., Central Daylight Time, at Winstead PC, 24 Waterway Avenue, Suite 500, The Woodlands, Texas 77380, and at any adjournments thereof (the "Annual Meeting").

The Annual Meeting is being held for the following purposes, as more fully described in this Proxy Statement:

1. To elect three (3) directors, each to serve until the 2011 Annual Meeting of Shareholders or until their successors have been duly elected and qualified;
2. To ratify and approve the appointment of Mantyla, McReynolds, LLC as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2010; and
3. To transact such other business as may properly come before the meeting or any adjournments or postponements thereof.

The Company is not aware, as of the date hereof, of any matters to be voted upon at the Annual Meeting other than those stated in this Proxy Statement and the accompanying Notice of Annual Meeting of Shareholders. If any other matters are properly brought before the Annual Meeting, the enclosed proxy card gives discretionary authority to the persons named as proxies to vote the shares represented by the proxy card in their discretion.

VOTING

Record Holders

You may own common stock either (1) directly in your name, in which case you are the record holder of such shares, or (2) indirectly through a broker, bank or other nominee, in which case such nominee is the record holder. If your shares are registered directly in your name, we are sending these proxy materials directly to you. If the record holder of your shares is a nominee, you will receive proxy materials from such record holder.

Quorum

Only holders of the Company's common stock as of the close of business on September 15, 2010 (the "Record Date") are entitled to vote at the Annual Meeting. Shareholders who hold shares of the Company in "street name" may vote at the Annual Meeting only if they hold a valid proxy from their broker. As of the Record Date, there were 49,126,167 shares of common stock outstanding.

A majority of the outstanding shares of common stock entitled to vote at the Annual Meeting must be present in person or by proxy in order for there to be a quorum at the meeting. Shareholders of record who are present at the meeting in person or by proxy and who abstain from voting, including brokers holding customers' shares of record who cause abstentions to be recorded at the meeting, will be included in the number of shareholders present at the

meeting for purposes of determining whether a quorum is present.

Each shareholder of record is entitled to one vote at the Annual Meeting for each share of common stock held by such shareholder on the Record Date. Shareholders may vote their shares by using the proxy card enclosed with this Proxy Statement. All proxy cards received by the Company that are properly signed and have not been revoked will be voted in accordance with the instructions contained in the proxy cards.

Under Utah law and the Company's Amended and Restated Articles of Incorporation and Bylaws, if a quorum exists at the meeting, the affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked "Withhold Authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. For each other item, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked "Abstain" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

For shares held in "street name" through a broker or other nominee, the broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if shareholders do not give their broker or nominee specific instructions, their shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

Proxies

If the enclosed form of Proxy is properly signed and returned, the shares represented thereby will be voted at the Annual Meeting in accordance with the instructions specified thereon. If the Proxy does not specify how the shares represented thereby are to be voted, the Proxy will be voted FOR the election of the three nominees to the Board listed in the Proxy, unless the authority to vote for the election of such nominees is withheld, and, if no contrary instructions are given, the Proxy will be voted FOR the approval of Proposal Two described in the accompanying Notice and this Proxy Statement.

Revocation of Proxy

A shareholder of record may revoke a proxy at any time before it is voted at the Annual Meeting by (a) delivering a proxy revocation or another duly executed proxy bearing a later date to the Secretary of the Company at 3293 Harrison Boulevard, Suite 220, Ogden, Utah 84403 or (b) attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not revoke a proxy unless the shareholder actually votes in person at the meeting.

Voting instructions

You are entitled to one vote at the Annual Meeting for each common share of the Company you owned as of the Record Date. The number of shares you own (and may vote) is listed on your proxy card. You can vote your shares using one of the following methods:

Voting by attending the Meeting. A shareholder may vote his or her shares in person at the Annual Meeting. A shareholder planning to attend the meeting should bring proof of identification for entrance to the meeting. If your shares are not registered in your own name, you will need appropriate documentation to confirm your ownership to vote personally at the Annual Meeting. Examples of such documentation include a broker's statement, letter or other document that will confirm your ownership of shares of the Company as of the Record Date.

Voting by proxy card. All shares entitled to vote and represented by properly executed proxy cards received prior to the Annual Meeting and not revoked, will be voted at the Annual Meeting in accordance with the instructions indicated on those proxy cards. If no instructions are indicated on a properly executed proxy card, the shares represented by that proxy card will be voted as recommended by the Board. If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to

adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named in the enclosed proxy card and acting thereunder generally will have discretion to vote on those matters in accordance with their best judgment. The Company does not currently anticipate that any other matters will be raised at the Annual Meeting.

Submitting Proxies Via the Internet or by Telephone. Many shareholders who hold their shares through a broker or bank may have the option to submit their proxies or voting instructions via the Internet or by telephone. If your shares are held in "street name," you should check the voting instruction card that has been provided to you by your broker and follow the instructions that have been provided for Internet or telephone voting on that card. Shareholders of record may not vote by Internet or telephone, but may vote in person or by proxy.

Holders of common shares are not entitled to cumulative voting rights.

Solicited by Board; Costs

The proxy card accompanying this Proxy Statement is solicited by the Board of the Company.

The Company will bear the entire cost of the solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement, the Proxy and any additional solicitation materials furnished to the shareholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. The Company may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by telephone, telegram or any other means by directors, officers or employees of the Company. No additional compensation will be paid to these individuals for any such services. Except as described above, the Company does not presently intend to solicit proxies by any process other than by mail.

Householding matters

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of this notice and proxy statement may have been sent to multiple shareholders in your household. If you would prefer to receive separate copies of a proxy statement either now or in the future, please contact our transfer agent, Fidelity Transfer Company, at 8915 South 700 East, Sandy, Utah 84070. Upon written request, we will provide a separate copy of this proxy statement. In addition, shareholders sharing an address can request delivery of a single copy of proxy statements if you are receiving multiple copies upon written request to our Corporate Secretary at the address stated above.

PROPOSAL ONE: ELECTION OF DIRECTORS

At the Annual Meeting, the shareholders will vote on the election of three (3) directors to serve until the Annual Meeting of Shareholders in 2011 or until their successors have been duly elected and qualified. We currently have nominated three directors, one of whom we consider to be an independent director. We are in the process of reviewing candidates to add to our Board, but we have not yet identified appropriate additional directors with the background and experience that we believe would be helpful to our operations and future growth. We will continue to seek out additional qualified persons to serve as Board members. We currently do not have a nomination committee and accordingly our entire Board serve as our nomination committee.

The Board has unanimously nominated Peter H. Nielsen, Douglas P. Morris, and Gillian Ivers-Read, BSc for election to the Board. Thomas Garrison resigned as a Director, effective September 17th, 2010, and, as such, is not seeking re-election to the Board at the Annual Meeting. The nominees have indicated that they are willing and able to serve as directors. If a nominee becomes unable or unwilling to serve, the accompanying proxy may be voted for the election of such other person as shall be designated by the Board. The nominated directors will be elected by a plurality of the votes cast, in person or by proxy, at the Annual Meeting, assuming a quorum is present.

Unless otherwise instructed, it is the intention of the persons named in the accompanying proxy card to vote shares represented by properly executed proxy cards for the election of each of the nominees for director.

Ms. Ivers-Read has a BS with Honors from University College London in Pharmacology.

Criteria for Board Membership. In selecting candidates for appointment or re-election to the Board, the Board considers, and in the future will consider, the availability of candidates with appropriate balance of experience, skills and characteristics required of the Board. We will attempt to increase the size of our Board in such a manner so that, in the future, at least a majority of the directors are independent.

As soon as we meet applicable listing criteria, we intend to seek listing on an exchange or on the Nasdaq Stock Market. When, and if that were to happen, of which there can be no assurance, we would be required to (i) have a majority of independent directors, (ii) have an audit committee with the financial literacy and sophistication requirements under the rules of the Nasdaq Stock Market or the applicable exchange; (iii) and at least one of audit committee member that qualifies as an “audit committee financial expert” under the rules of the Securities and Exchange Commission (the “SEC”).

Nominees for director are selected on the basis of their availability, depth and breadth of experience, integrity, ability to make independent analytical inquiries, understanding of the Company’s business environment, and willingness to devote adequate time to Board duties.

Shareholder Nominees. Our Board, and once we have a nominating committee, the nominating committee, will consider written proposals from shareholders for nominees for director. Any such nominations should be submitted to the nominating committee c/o the Secretary of the Company and should include the following information: (a) all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person’s written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) the names and addresses of the shareholders making the nomination and the number of shares of the Company’s common stock which are owned beneficially and of record by such shareholders; and (c) appropriate biographical information and a statement as to the qualification of the nominee, and should be submitted in the time frame described in the Bylaws of the Company and under the caption, “Shareholder Proposals for 2010 Annual Meeting” below.

Process for Identifying and Evaluating Nominees. Our Board believes the Company is well-served by its current directors. In the ordinary course, absent special circumstances or a material change in the criteria for Board membership, the Board will renominate incumbent directors who continue to be qualified for Board service and are

willing to continue as directors. In the future, if an incumbent director is not standing for re-election, or if a vacancy on the Board occurs between annual shareholder meetings, our Board will seek out potential candidates for Board appointment. Director candidates will be selected based on input from members of the Board, senior management of the Company and, if the Board deems appropriate, a third-party search firm. The Board will evaluate each candidate's qualifications and check relevant references. In addition, the Board is responsible for periodically determining the appropriate skills, perspectives, experiences, and characteristics required of Board candidates, taking into account the Company's needs and current make-up of the Board. This assessment should include appropriate knowledge, experience, and skills in areas deemed critical to understanding the Company and its business; personal characteristics, such as integrity and judgment; and the candidate's commitments to the boards of other companies. While the Board does not have a formal policy with respect to diversity of potential Board nominees, the Board considers the impact a potential Board nominee would have in terms of increasing the diversity of the Board with respect to professional experience, background, viewpoints, skills and areas of expertise. The resulting diversity of the Board allows each member of the Board an opportunity to provide specific input to Board decisions in his or her respective area of expertise.

Board Structure. Our Board does not have a policy requiring the separation of the offices of Chairman and Chief Executive Officer; rather, our Board determines from time to time whether it is in the best interests of our Company and our shareholders for the roles to be separate or combined. We believe that our Board should have the flexibility to make these determinations in a way that will best provide appropriate leadership for our Company. Given the growth of the Company, and the importance of the performance of the Company and the execution of corporate strategy in the Board's considerations and duties, the Board believes that Mr. Nielsen is the person best qualified to serve as the Chairman of the Board. Additionally, it is the view of our Board that having Mr. Nielsen serve in the combined positions of President, Chief Executive Officer and Chairman of the Board is in the best interests of the Company and its shareholders. It signals to our employees, suppliers, customers and the investment community that a single person is responsible for providing direction in the management of the Company's operations and growth initiatives. Such a single leader helps avoid the potential for duplication of efforts, for confusing or conflicting senses of direction or for personality conflicts. Moreover, the structure of our Board and committees, the level of independence represented on each, and the experience of our directors and our lead independent director balance and complement the combined offices of Chairman, President and Chief Executive Officer. The Board maintains the authority to modify this structure if and when the Board believes such modification would be in the best interests of the Company and its shareholders.

Required Vote

The three nominees receiving the highest number of affirmative votes of the outstanding shares of Common Stock, present or represented and entitled to be voted for such nominees, shall be elected as directors for a term ending upon the 2011 Annual Meeting of Shareholders or until their successors have been duly elected and qualified. The Proxies cannot be voted for a greater number of persons than three.

Recommendation of the Board

The Board recommends that the shareholders vote FOR the election of the nominees listed above.

CORPORATE GOVERNANCE

The Company's Board held a Board Meeting telephonically in April of fiscal 2009 and action was taken by unanimous written consent four times. Each member of the Board attended 75% or more of the aggregate of (i) the total number of Board meetings held during the period of such member's service and (ii) the total number of meetings of committees on which such member served, during the period of such member's service.

Board of Directors

Our operations are managed under the broad supervision of the Board, which has ultimate responsibility for the establishment and implementation of our general operating philosophy, objectives, goals and policies. Our Board is currently comprised of one independent director and two non-independent directors. The Board has determined that current director Gillian Ivers-Read is "independent" as independence is defined under the listing standards for The Nasdaq Stock Market. The Board based these determinations primarily on a review of the responses our directors provided to questions regarding employment and compensation history, affiliations and family and other relationships.

Board Committees

We currently have a compensation committee of the Board consisting of Gillian Ivers-Read, BSc and Douglas P. Morris. The compensation committee administers the Company's benefit plans, reviews and administers all compensation arrangements for executive officers, and establishes and reviews general policies relating to the compensation and benefits of our officers and employees.

Currently we do not have a separately designated audit committee; rather our entire Board acts as our audit committee, overseeing the accounting and financial reporting processes of the Company and audits of our financial statements by our independent registered public accounting firm. In this capacity, our entire Board is involved in appointing and providing the compensation of the independent accountants to conduct the annual audit of our accounts, reviewing the scope and results of the independent audits, reviewing and evaluating internal accounting policies, and approving all professional services to be provided to the Company by our independent accountants. We also do not currently have a nominating committee or corporate governance committee. The Board has determined that none of its current members qualifies as an audit committee financial expert as defined in Item 407(d)(5)(ii) of Regulation S-K. The Board has not adopted an audit committee charter.

We anticipate as our Board increases in size, we will appoint an audit committee, a nominating committee and a corporate governance committee.

Report of the Board of Directors Acting as the Audit Committee

The Board of Directors serves as the Company's audit committee. The Board acting as audit committee reviews the Company's financial reporting process. In this context, the Board:

- has reviewed and discussed with management the audited financial statements for the year ended December 31, 2009.
- has discussed with Mantyla, McReynolds, LLC, the Company's independent registered public accountants, the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T.
-

has received the written disclosures and the letter from Mantyla, McReynolds, LLC, required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communication with the Board concerning independence, and has discussed with Mantyla, McReynolds, LLC, the independent accountant's independence.

Based on this review and the discussions referred to above, the Board determined that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2009, for filing with the Securities and Exchange Commission. The Board also appointed Mantyla, McReynolds, LLC, as the Company's independent registered public accountants for 2010.

This report is submitted on behalf of the members of the Board acting as the audit committee:

Peter H. Nielsen
Douglas P. Morris
Gillian Ivers-Read, BSc

The Report of the Board acting as the audit committee set out above shall not be deemed "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall it be incorporated by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference and shall not otherwise be deemed filed under these Acts.

COMMUNICATIONS WITH DIRECTORS

We have not adopted a formal process by which shareholders may communicate with the Board. Shareholders or other interested parties may communicate with any director by writing to them c/o Douglas P. Morris, Secretary, Bio-Path Holdings, Inc., 3293 Harrison Boulevard, Suite 220, Ogden, Utah 84403 or by sending an e-mail to dmorris@biopathholdings.com.

CODE OF ETHICS

The Company has adopted a code of ethics that applies to all officers and employees, including its principal executive officer and principal financial officer. This code of ethics is available on our website www.biopathholdings.com.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

It is our policy that we will not enter into any transactions required to be disclosed under Item 404 of Regulation S-K promulgated by the SEC unless the Board first reviews and approves the transactions. The Board is required to review on an on-going basis, and pre-approve all related party transactions before they are entered into, including those transaction that are required to be disclosed under Item 404 of Regulation S-K. Related party transactions involving a director must also be approved by the disinterested members of the Board. It is the responsibility of our employees and directors to disclose any significant financial interest in a transaction between the Company and a third party, including an indirect interest. All related party transactions shall be disclosed in our filings with the SEC as required under SEC rules.

In addition, pursuant to our Code of Business Conduct and Ethics, all employees, officers and directors of ours and our subsidiaries are prohibited from engaging in any relationship or financial interest that is an actual or potential conflict of interest with us without approval. Employees, officers and directors are required to provide written disclosure to the Chief Executive Officer as soon as they have any knowledge of a transaction or proposed transaction with an outside individual, business or other organization that would create a conflict of interest or the appearance of one.

Since the beginning of the Company's last fiscal year, there has not been nor is there currently proposed any transaction or series of similar transactions to which we were or are to be a party in which the amount involved

exceeds the lesser of \$120,000 or 1% of the average of our total assets at the end of our last two fiscal years, and in which any of our directors, executive officers, persons who we know hold more than 5% of our common stock, or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest other than: (i) compensation agreements and other arrangements, which are described elsewhere in this prospectus, and (ii) the transactions described below.

During 2009, Thomas Garrison, a former director who resigned on September 17, 2010, purchased 750,000 shares of the Company's common stock for a total of \$187,500. These shares were purchased in connection with a private placement offering and were on the same terms and conditions applicable to all other purchasers. Each purchaser was issued one warrant for each share purchased and accordingly, Dr. Garrison was issued Warrants to purchase 750,000 shares. The exercise price of such warrants is \$1.50 per share and the warrants are exercisable until November 30, 2011.

The Company has entered into indemnity agreements with certain of its officers and directors which provide, among other things, that the Company will indemnify such officer or director, under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines and settlements he or she may be required to pay in actions or proceedings which he or she is or may be made a party by reason of his or her position as a director, officer or other agent of the Company, and otherwise to the fullest extent permitted under Utah law and our Bylaws.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") and SEC rules, the Company's directors, executive officers and beneficial owners of more than 10% of any class of equity security are required to file periodic reports of their ownership, and changes in that ownership, with the SEC. Based solely on its review of copies of these reports and representations of such reporting persons, the Company believes that during fiscal year 2009, such SEC filing requirements were satisfied.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The compensation committee (a) annually reviews and determines salaries, bonuses and other forms of compensation paid to our executive officers and management; (b) selects recipients of awards of incentive stock options and non-qualified stock options and establishes the number of shares and other terms applicable to such awards; and (c) construes the provisions of and generally administers the 2007 Stock Incentive Plan (the "2007 Plan"). We do not currently have a compensation committee charter.

The compensation committee of our Board has overall responsibility for the compensation program for our executive officers. Our compensation committee consists of an independent director and a non-independent director. The compensation committee is responsible for establishing policies and otherwise discharging the responsibilities of the Board with respect to the compensation of our executive officers, senior management, and other employees. In evaluating executive officer pay, the compensation committee may retain the services of an independent compensation consultant or research firm and consider recommendations from the chief executive officer and persons serving in supervisory positions over a particular officer or executive officer with respect to goals and compensation of the other executive officers. The compensation committee assesses the information it receives in accordance with its business judgment. The compensation committee also periodically is responsible for administering all of our incentive and equity-based plans.

All decisions with respect to executive compensation are first approved by the compensation committee and then submitted, together with the compensation committee's recommendation, to the members of the Board for final approval.

Elements of compensation for our executives generally include:

- base salary (typically subject to upward adjustment annually based on individual performance);
- stock option awards;
- health, disability and life insurance.

Our primary objective with respect to executive compensation is to design a reward system that will align executives' compensation with the Company's overall business strategies and attract and retain highly qualified executives. The principal elements of executive compensation are salary, bonus and will, from time to time, include stock option grants. We intend to stay competitive in the marketplace with our peers. In considering the elements of compensation, the compensation committee considers the Company's current cash position in determining whether to adjust salaries, bonuses and stock option grants. The following table sets forth summary information about the compensation paid to our officers.
