PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
May 6, 2013

ABOUT THE ANNUAL MEETING

This proxy statement is furnished by our board of directors (the Board) in connection with the Board's solicitation of proxies to be voted at the annual meeting of stockholders to be held at 10:00 a.m. local time on May 6, 2013, at the Embassy Suites, 28100 Franklin Road, Southfield, Michigan, and at any adjournment or postponement thereof.

On or about March 27, 2013, we are mailing either (i) a copy of this proxy statement, the accompanying proxy card, our annual report and the Notice of Internet Availability of Proxy Materials (the Notice), or (ii) the Notice only, to our stockholders of record on March 7, 2013. The Notice and this proxy statement summarize the information you need to know to vote by proxy or in person at the annual meeting. You do not need to attend the annual meeting in person in order to vote.

What is the purpose of the 2013 annual meeting of stockholders?

At the 2013 annual meeting, holders of our common stock will be voting on the matters set forth in the accompanying notice of such meeting, including:

the election of three directors to serve until the annual meeting of stockholders in 2016;
the ratification of Grant Thornton LLP (Grant Thornton) as our independent registered public accounting firm for 2013;

the approval, by non-binding vote, of executive compensation; and
to approve amendments to our Articles of Incorporation, as amended (our Charter), to:
◦ increase the number of authorized shares; and
◦ grant authority to the Board to amend our Charter, from time to time, to increase or decrease the aggregate number of authorized shares.

The Board recommends a vote **FOR** the director nominees, **FOR** the ratification of Grant Thornton's appointment, **FOR** executive compensation and **FOR** the amendments to our Charter. We are not aware of any other matters that will be brought before the stockholders for a vote at the annual meeting.

In addition, management will report on our performance and will respond to appropriate questions from stockholders. A representative of Grant Thornton will be present at the annual meeting and will be available to respond to appropriate questions. Such representative will also have an opportunity to make a statement.

Who is entitled to vote?

All stockholders of record at the close of business on March 7, 2013, the record date, will be entitled to vote. Each share of common stock entitles the holder thereof to one vote on each of the matters to be voted upon at the annual meeting. As of the record date, 13,241,844 shares of our common stock, \$.0001 par value per share, were outstanding.

1

TABLE OF CONTENTS

What constitutes a quorum?

The presence at the annual meeting, in person or by proxy, of the holders of a majority of the shares of our common stock entitled to vote at the annual meeting (6,620,923 shares) will constitute a quorum for all purposes. Proxies marked with abstentions or instructions to withhold votes will be counted as present in determining whether or not there is a quorum.

However, if a quorum is not present at the annual meeting, the stockholders, present in person or represented by proxy, have the power to adjourn the annual meeting until a quorum is present or represented.

What is the difference between holding shares as a stockholder of record and a beneficial owner?

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered the stockholder of record with respect to those shares, and the Notice and, if applicable, our proxy materials (including the proxy statement, the accompanying proxy card, our annual report and the Notice) are being sent to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us over the internet or by telephone as described in the Notice, through an accompanying proxy card or to vote in person at the annual meeting.

Beneficial Owners. Many of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares, and the Notice and, if applicable, our proxy materials (including the proxy statement, the accompanying proxy card, our annual report and the Notice) are being forwarded to you by your broker, bank or nominee who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the annual meeting unless you request and obtain a proxy from your broker, bank or nominee. Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee on how to vote your shares.

May I vote my shares in person at the annual meeting?

Even if you plan to be present at the meeting, we encourage you to vote your shares prior to the meeting.

Stockholders of Record. If you are a stockholder of record and attend the annual meeting, you may deliver your completed proxy card or vote by ballot.

Beneficial Owners. If you hold your shares through a broker, bank or other nominee and want to vote such shares in person at the annual meeting, you must obtain a proxy from your broker, bank or other nominee giving you the power to vote such shares.

Can I vote my shares without attending the annual meeting?

Whether or not you plan to attend the annual meeting, we urge you to authorize your proxy to vote your shares over the internet as described in the Notice. Alternatively, if you received a paper copy of the proxy card by mail, please complete, date, sign and promptly return the proxy card in the self-addressed stamped envelope provided. You also may authorize your proxy to vote your shares by telephone as described in your proxy card. Authorizing your proxy over the internet, by mailing a proxy card or by telephone, will not limit your right to attend the annual meeting and vote your shares in person. Your proxy (one of the individuals named in your proxy card) will vote your shares per

your instructions.

If you have shares held by a broker, you may instruct your broker to vote your shares by following the instructions that the broker provides to you. Most brokers allow you to authorize your proxy by mail, telephone and on the internet.

Can I change my vote after I have voted?

Yes. Proxies properly submitted over the internet, by mail or by telephone do not preclude a stockholder from voting in person at the meeting. A stockholder may revoke a proxy at any time prior to its exercise by filing with our Secretary a duly executed revocation of proxy, by properly submitting, either by internet, mail or telephone, a proxy to our Secretary bearing a later date or by appearing at the meeting and voting in

2

TABLE OF CONTENTS

person. Attendance at the meeting will not by itself constitute revocation of a proxy. If you hold your shares through a bank, broker or other nominee, you should contact such person prior to the time such voting instructions are exercised.

What does it mean if I receive more than one Notice or proxy card or voting instruction card?

If you receive more than one Notice or proxy card or voting instruction card, it means that you have multiple accounts with banks, trustees, brokers, other nominees and/or our transfer agent. If you receive more than one Notice, please submit all of your proxies over the internet, following the instructions provided in the Notice, by mail or by telephone to ensure that all of your shares are voted. If you receive more than one proxy card or voting instruction card, please sign and deliver each proxy card and voting instruction card that you receive. We recommend that you contact your nominee and/or our transfer agent, as appropriate, to consolidate as many accounts as possible under the same name and address.

How many copies should I receive if I share an address with another stockholder?

The Securities and Exchange Commission (SEC) has adopted rules that permit companies and intermediaries, such as a broker, bank or other agent, to implement a delivery procedure called householding. Under this procedure, multiple stockholders who reside at the same address may receive a single copy of the Notice, and, if applicable, our proxy materials, unless the affected stockholder has provided us with contrary instructions. This procedure provides extra convenience for stockholders and cost savings for companies.

Our Company and some brokers, banks or other agents may be householding the Notice and our proxy materials. A single Notice and, if applicable, a single set of our proxy materials, including the proxy statement, the accompanying proxy card, our annual report and the Notice, will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker, bank or other agent that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If you did not respond that you did not want to participate in householding, you were deemed to have consented to the process. Stockholders may revoke their consent at any time by contacting Broadridge ICS, either by calling toll-free (800) 542-1061 or by writing to Broadridge ICS, Householding Department, 51 Mercedes Way, Edgewood, New York, 11717.

Upon written or oral request, we will promptly deliver a separate copy of the Notice and, if applicable, a set of our proxy materials, to any stockholder at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Notice or a separate set of our proxy materials, you may send a written request to Agree Realty Corporation, 31850 Northwestern Highway, Farmington Hills, MI 48334, Attention: Secretary. In addition, if you are receiving multiple copies of the Notice and, if applicable, our proxy materials, you can request householding by contacting our Secretary in the same manner.

What if I do not vote for some of the items listed on my proxy card or voting instruction card?

Stockholders of Record. Proxies properly submitted via the internet, mail or telephone will be voted at the annual meeting in accordance with your directions. If the properly-submitted proxy does not provide voting instructions on a proposal, the proxy will be voted in accordance with the recommendations of the Board on such matters. With respect to any matter not set forth on the proxy card that properly comes before the annual meeting, the proxy holders named therein will vote as the Board recommends or, if the Board gives no recommendation, in their own discretion.

Beneficial Owners. Proxies properly submitted via the internet, mail or telephone or pursuant to your voting instruction card will be voted at the annual meeting in accordance with your directions. If you do not indicate a choice

or return the voting instruction card, the broker, bank or other nominee will determine if it has the discretionary authority to vote on each matter. Under applicable law and New York Stock Exchange (NYSE) rules and regulations, brokers have the discretion to vote on routine matters, including the ratification of the appointment of our independent registered public accounting firm. ***However, your broker does not have discretionary authority to vote on the election of directors, on the advisory vote approving***

TABLE OF CONTENTS

our executive compensation or on the amendments to our Charter, in which case a broker non-vote will occur and your shares will not be voted on these matters.

Important Change: On July 1, 2009, the SEC approved a change to NYSE Rule 452 that eliminated the ability of brokers to exercise discretionary voting in uncontested director elections. The change prohibits NYSE member organizations from giving a proxy to vote with respect to an election of directors without receiving voting instructions from a beneficial owner. Therefore, brokers will not be entitled to vote shares at the annual meeting with respect to the election of directors without instructions by the beneficial owner of the shares. ***Beneficial owners of shares held in broker accounts are advised that, if they do not timely provide instructions to their broker, their shares will not be voted in connection with the election of directors. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares.***

What vote is required to approve each item?

Proposal 1 Election of Directors. The three nominees receiving the highest number of for votes at the annual meeting will be elected as directors. The slate of nominees discussed in this proxy statement consists of three directors, Joey Agree, Leon M. Schurgin and William S. Rubenfaer, whose terms are expiring. Abstentions and broker non-votes will have no effect on the outcome of this proposal. Our stockholders do not have the right to cumulate their votes for directors.

Proposal 2 Ratification of Appointment of Independent Registered Public Accounting Firm. The affirmative vote of a majority of votes cast at the annual meeting is necessary to ratify the Audit Committee's appointment of Grant Thornton as our independent registered public accounting firm for 2013. Abstentions are not treated as votes cast under Maryland law and, therefore, they have no effect on the outcome of this proposal. Although stockholder ratification of the appointment is not required by current law, rules and regulations and is not binding on us, the Board considers the selection of the independent registered public accounting firm to be an important matter of stockholder concern and the Audit Committee will take your vote on this proposal into consideration when appointing our independent registered public accounting firm in the future. Even if the stockholders ratify the appointment of Grant Thornton, the Audit Committee in its sole discretion may terminate the engagement of Grant Thornton and engage another independent auditor at any time during the year.

Proposal 3 Advisory (Non-Binding) Vote Approving Executive Compensation. The affirmative vote of a majority of votes cast at the annual meeting is necessary to approve our executive compensation. Abstentions and broker non-votes are not treated as votes cast under Maryland law and, therefore, they have no effect on the outcome of this proposal.

Proposal 4 To Amend Our Charter to Increase the Number of Authorized Shares that we have Authority to Issue. The affirmative vote of a majority of our outstanding shares of common stock entitled to vote thereon is necessary to approve the amendment to our Charter. Abstentions and broker non-votes will have the same effect as votes AGAINST Proposal 4.

Proposal 5 To Amend Our Charter to Grant Authority to the Board to Increase or Decrease, from Time to Time, the Number of Authorized Shares that we have Authority to Issue. The affirmative vote of a majority of our outstanding shares of common stock entitled to vote thereon is necessary to approve the amendment to our Charter. Abstentions and broker non-votes will have the same effect as votes AGAINST Proposal 5.

Other Matters. If any other matter is properly submitted to the stockholders at the annual meeting, its adoption will require the affirmative vote of a majority of votes cast at the annual meeting. The Board does not propose to conduct

any business at the annual meeting other than as stated above.

Will anyone contact me regarding this vote?

No arrangements or contracts have been made with any solicitors as of the date of this proxy statement, although we reserve the right to engage solicitors if we deem them necessary. Such solicitations may be made by mail, telephone, facsimile, e-mail or personal interviews. In addition, our directors and officers may solicit proxies by mail, telephone, telecopy or in person.

TABLE OF CONTENTS

How do I find out the voting results?

Voting results will be announced at the annual meeting and will be published in a Current Report on Form 8-K to be filed with the SEC within four business days after the close of the meeting.

He is a graduate of the Detroit College of Law, a member of the State Bar of Michigan and the International Council of Shopping Centers. Richard Agree is the father of Joey Agree.

The Board has determined that it is in the best interests of our Company and our stockholders for Mr. Richard Agree, in light of his extensive day-to-day company-specific operational, market and finance experience as the founder and former Chief Executive Officer of our Company, his leadership abilities and his

expertise in the ownership, development, acquisition and management of retail real estate net leased to national tenants, to continue to serve as a director of the Board.

Michael Rotchford has been a Director of our Company since December 1993. He is an Executive Vice President for Cushman & Wakefield, Inc., a company specializing in real estate services. Prior to joining Cushman & Wakefield in 2000 he served as Managing Director of The Saratoga Group, an investment banking organization specializing in tax and asset-based financing. Mr. Rotchford had been with The Saratoga Group from 1991 to 2000. Prior to 1991, Mr.

Rotchford was a Director in the investment banking division of Merrill Lynch & Co. where he managed the commercial mortgage placement group. Mr. Rotchford holds a bachelor's degree, with high honors, from the State University of New York at Albany. He is also a licensed real estate broker.

The Board has determined that it is in the best interests of our Company and our stockholders for Mr. Rotchford, in light of his strong executive background in business and real estate, with extensive experience in corporate finance, tax and strategic planning, to continue to serve as a director of the Board.

John Rakolta, Jr. has been a Director of our Company since August 2011. He is an Executive Committee member of the Michigan Economic Development Corporation. Mr. Rakolta was appointed Romania's Honorary Consul General to the United States in 1998. He received a Bachelor of Science degree in Civil Engineering from Marquette University in 1970.

The Board has determined that it is in the best interests of our Company and our stockholders for Mr. Rakolta, in light of his strong executive background in business and construction and his leadership skills, to continue to serve as a director of the Board.

BOARD MATTERS

The Board of Directors

The Board has general oversight responsibility for our affairs and the directors, in exercising its fiduciary duties, represent and act on behalf of the stockholders. Although the Board does not have responsibility for our day-to-day management, it stays regularly informed about our business and provides guidance to management through periodic meetings and other informal communications. The Board is significantly involved in, among other things, the strategic and financial planning process, leadership development and succession planning, as well as other functions carried out through the Board committees as described below.

Board Leadership Structure. The Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide independent oversight of management. The Board understands that there is no single, generally accepted approach to providing Board leadership and the right Board leadership structure may vary as circumstances warrant.

Richard Agree served as our Chairman of the Board and Chief Executive Officer from December 1993 to January 2013 and has served as our Executive Chairman of the Board since January 2013. Joey Agree served as our President and Chief Operating Officer and as a director since June 2009 and was promoted to Chief Executive Officer in January 2013. Subject to the direction of the Board, including the Executive Chairman, Joey Agree has general

responsibility and ultimate authority for implementation of our policies. Based on its most recent review in connection with promoting Joey Agree to Chief Executive Officer, the Board believes our Company's leadership structure is appropriate because it provides us with informed, consistent and efficient decision making.

In considering its leadership structure, the Board has taken a number of factors into account. The Board which consists of a majority of independent directors exercises a strong, independent oversight function. This oversight function is enhanced by the fact that the Audit Committee, the Compensation Committee and the Nominating and Governance Committee are comprised entirely of independent directors. Finally, under our Bylaws and Corporate Governance Guidelines, the Board has the ability to change its structure, should that be deemed appropriate and in the best interest of our Company and our stockholders.

TABLE OF CONTENTS

The Board believes that these factors provide the appropriate balance between the authority of those who oversee our Company and those who manage it on a day-to-day basis.

Risk Management. The Board takes an active and informed role in our risk management policies and strategies. Our executive officers, who are responsible for our day-to-day risk management practices, present to the Board on the material risks to our Company, including credit risk, liquidity risk and operational risk. At that time, the management team also reviews with the Board our risk mitigation policies and strategies specific to each risk that is identified. Throughout the year, management monitors our risk profile and updates the Board as new material risks are identified or the aspects of a risk previously presented to the Board materially changes.

Meetings. The Board met five times during 2012. The Board also took action by written consent seven times during 2012. During 2012, each director attended 75% or more of the aggregate of (i) the number of meetings of the Board and (ii) the number of meetings held by all committees of the Board on which such director served. It has been and is the policy of the Board that directors attend annual meetings of stockholders except where the failure to attend is due to unavoidable circumstances or conflicts discussed in advance by the director with the Chairman of the Board. All members of the Board attended our 2012 annual meeting of stockholders, except Mr. John Rakolta, Jr.

Our non-management directors meet in executive sessions at least twice a year without management.

Non-management directors are all directors who are not our employees or officers and include directors who are determined to not be independent by our Board by virtue of the existence of a material relationship with us. The Board has not designated a lead director or a single director to preside at executive sessions. Instead, the presiding director of executive sessions of non-management directors is selected at each meeting by such directors. In addition, the independent directors of the Board meet in executive session at least annually without management. The presiding director of executive sessions of independent directors is selected at each meeting by such directors.

Director Independence. The NYSE listing standards set forth objective requirements for a director to satisfy, at a minimum, in order to be determined to be independent by the Board. In addition, in order to conclude a director is independent in accordance with the NYSE listing standards, the Board must also consider all relevant facts and circumstances, including commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships. Pursuant to our Corporate Governance Guidelines and the NYSE listing standards, which require that a majority of our directors be independent within the meaning of the NYSE listing standards, the Board undertook a review of the independence of all non-management directors. The Board has affirmatively determined, assisted by the standards set forth above, that each of Messrs. Kalil, Rotchford, Rubenfaer, Silverman and Schurgin are independent directors in accordance with the NYSE listing standards and our Corporate Governance Guidelines and none has a relationship with us that would interfere with such person's ability to exercise independent judgment as a member of the Board. In making this determination, the Board has considered the relationships described below under Related Person Transactions, as well as a relationship between one of the directors and a law firm that provided de minimus legal services to our Company in 2012, and determined they do not affect independence. The Board's director independence standards outlined in our Corporate Governance Guidelines can be found on our website at www.agreerealty.com in the Corporate Governance section.

Stock Ownership Requirements. In May 2009, in order to further align the interests of our executive officers and directors with the interest of our stockholders, and to promote our commitment to sound corporate governance, the Board adopted stock ownership guidelines for executive officers and outside directors. A summary of those guidelines is set forth in Compensation Discussion and Analysis under the heading Stock Ownership Guidelines.

Committees of the Board

The Board has delegated various responsibilities and authority to four standing committees of the Board. Each committee regularly reports on its activities to the full Board. Each committee, other than the Executive Committee, operates under a written charter approved by the Board, which is reviewed annually by the respective committees and the Board and is available in the Corporate Governance section of our website at www.agreerealty.com. The Audit Committee, the Compensation Committee and the Nominating and

Audit Committee. The Audit Committee is responsible for providing independent, objective oversight of our auditing, accounting and financial reporting processes, including reviewing the audit results and monitoring the effectiveness of our internal audit function. In addition, the Audit Committee engages the independent registered public accounting firm. See Report of the Audit Committee, Audit Committee Matters and the Audit Committee's charter for additional information on the responsibilities and activities of the Audit Committee.

The Board has determined that each Audit Committee member has sufficient knowledge in reading and understanding financial statements to serve thereon and is otherwise financially literate and that Mr. Rubenfaer qualifies as an audit committee financial expert as that term is defined in the Securities Exchange Act of 1934, as amended (the Securities Exchange Act). The Board has further determined that Farris Kalil possesses financial management expertise within the meaning of the listing standards of the NYSE.

Executive Committee. The Executive Committee has the authority to acquire and dispose of real property and the power to authorize, on behalf of the full Board, the execution of certain contracts and agreements, including those related to our borrowing of money, and generally to exercise all other powers of the Board except for those which require action by a majority of the independent directors or the entire Board.

Compensation Committee. The Compensation Committee is responsible for overseeing compensation and benefit plans and policies, reviewing and approving equity grants and otherwise administering share-based plans, and reviewing and approving annually all compensation decisions relating to our executive officers. See Compensation Discussion and Analysis, Compensation Committee Report and the Compensation Committee's charter for additional information on its additional responsibilities and activities.

Role of Management. After consultation with our executive officers, Richard Agree, our Executive Chairman of the Board, and during 2012, our Chief Executive Officer, makes recommendations to the Compensation Committee with respect to the design and implementation of the compensation program for the named executive officers. See Compensation Discussion and Analysis Determining Compensation for Named Executive Officers.

Role of Compensation Consultant. The Compensation Committee does not utilize a compensation consultant to establish or administer its executive compensation program due to the limited number of employees employed by our Company (14 employees) and the cost of such consultants. We will consider the use of compensation consultants in the future.

Nominating and Governance Committee. The Nominating and Governance Committee is responsible for establishing the requisite qualifications for directors, identifying and recommending the nominations of individuals qualified to serve as directors and recommending directors for each Board committee. The Nominating and Governance Committee also establishes corporate governance practices in compliance with

TABLE OF CONTENTS

applicable regulatory requirements and consistent with the highest standards and recommends to the Board the corporate governance guidelines applicable to us. See the Nominating and Governance Committee's charter for additional information on its responsibilities and activities.

Director Qualifications. Our Nominating and Governance Committee has established policies for the desired attributes of the Board as a whole, including as set forth in our Corporate Governance Guidelines. The Board seeks to ensure that a majority of its members are independent within the NYSE listing standards. Further, each director generally may not serve as a member of more than six other public company boards. Each director must possess the individual qualities of integrity and accountability, informed judgment, high performance standards and must be committed to representing the long-term interests of our Company and our stockholders. In addition, directors must be committed to devoting the time and effort necessary to be responsible and productive members of the Board. The Board values diversity, in its broadest sense, reflecting, but not limited to, profession, geography, gender, ethnicity, skills and experience. The Nominating and Governance Committee conducts reviews of current directors in light of the considerations described above and their past contributions to the Board. The Board reviews the effectiveness of its director candidate nominating policies annually.

Identifying and Evaluating Nominees. Generally, the Nominating and Governance Committee will re-nominate incumbent directors who continue to satisfy its criteria for membership on the Board, who it believes will continue to make important contributions to the Board and who consent to continue their service on the Board.

Our Nominating and Governance Committee periodically assesses the appropriate number of directors comprising the Board and whether any vacancies on the Board are expected due to retirement or otherwise. The Nominating and Governance Committee may consider those factors it deems appropriate in evaluating director candidates including judgment, skill, diversity, strength of character, experience with businesses and organizations comparable to our size or scope, experience and skill relative to other Board members and specialized knowledge or experience. Depending on the current needs of the Board, certain factors may be weighted more or less heavily by the Nominating and Governance Committee.

The Nominating and Governance Committee considers candidates for the Board from any responsible source, including current Board members, stockholders, professional search firms or other persons. The Nominating and Governance Committee does not evaluate candidates differently based on who has made the recommendation. The Nominating and Governance Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates.

Stockholder Nominees. Our Bylaws permit stockholders to nominate directors for consideration at an annual meeting of stockholders. We did not receive any nominations of directors by stockholders for the 2013 annual meeting. The Nominating and Governance Committee will consider properly submitted stockholder submissions for nominations to the Board and will apply the same evaluation criteria in considering such nominees as it would to persons nominated under any other circumstances. Such nominations may be made by a stockholder entitled to vote, who delivers written notice along with the additional information and materials to our Secretary in compliance with the requirements set forth in our Bylaws and below under Additional Information Proposals for 2014 Annual Meeting.

Any stockholder nominations proposed for consideration by the Nominating and Governance Committee should include the nominee's name, sufficient biographical information to demonstrate that the nominee meets the qualification requirements for Board service as set forth under Director Qualifications, and such other information regarding each nominated person as set forth in our Bylaws and that would be required in a proxy statement filed pursuant to the SEC's proxy rules in the event of an election contest. The nominee's written consent to the nomination should also be included with the nominating submission, which should be addressed to: Agree Realty Corporation,

TABLE OF CONTENTS**Compensation Committee Interlocks and Insider Participation**

The Compensation Committee consists of Farris G. Kalil, William S. Rubenfaer, and Gene Silverman (Chairman). None of them has served as an officer of our Company or any of our subsidiaries. No member of the Compensation Committee has any other business relationship or affiliation with our Company or any of our subsidiaries (other than his service as a director).

Director Compensation

The Compensation Committee establishes and oversees our director compensation program. Director compensation is established with a view to attract highly qualified non-management directors and fairly compensate non-management directors for their time and effort on behalf of stockholders. During 2012, each non-employee director received an annual retainer fee of \$22,500, with the Audit Committee chairman receiving an additional \$4,000. Historically and in 2012, non-management directors have not received equity compensation or any perquisites. Directors who are employees or officers of our Company or any of our subsidiaries do not receive any additional compensation for serving on the Board or any committees thereof.

The following table provides compensation information for the year ended December 31, 2012 for each non-management director.

Corporate Governance

The Board has adopted Corporate Governance Guidelines, a copy of which can be found in the Corporate Governance section of our website at www.agreerealty.com. These guidelines address, among other things, director responsibilities, qualifications (including independence), compensation and access to management and advisors. The Nominating and Governance Committee is responsible for overseeing and reviewing these guidelines and recommending any changes to the Board.

The Board also has adopted a Code of Business Conduct and Ethics (the Code), which sets out basic principles to guide the actions and decisions of all of our employees, officers and directors. The Code, also available in the Corporate Governance section of our website at www.agreerealty.com, covers numerous topics including honesty, integrity, conflicts of interest, compliance with laws, corporate opportunities and confidentiality. Waivers of the Code are discouraged, but any waiver that relates to our executive officers or directors may only be made by the Board or a Board committee and will be publicly disclosed on our website in the Corporate Governance section. COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Program

The Compensation Committee (referred to as the Committee in this section), composed entirely of independent directors, administers our executive compensation program. The Committee's responsibilities include recommending and overseeing compensation, benefit plans and policies, reviewing and approving equity grants, administering share-based plans, reviewing and approving annually all compensation decisions relating to our executive officers, including Richard Agree, our Executive Chairman, and during 2012, our Chief Executive Officer, Joey Agree, our President and Chief Executive Officer, and during 2012, our Chief Operating Officer, Laith Hermiz, our Executive Vice President, and Alan D. Maximiuk, our Vice President, Chief Financial Officer and Secretary (the named executive officers). Mr. Joey Agree succeeded Mr. Richard Agree as Chief Executive Officer in January 2013. This section of the proxy statement explains how our compensation programs are designed and operate in practice with respect to the named executive officers. The following discussion and analysis should be read together with the tables and related footnote disclosures detailed below.

Compensation Objectives and Philosophy

Our compensation program for the named executive officers generally consists of base salary, annual incentive awards, long-term share-based incentive awards and certain other benefits. We also provide certain severance arrangements for our named executive officers. The executive compensation program is designed to:

- provide total compensation that is both fair and competitive;
- attract, retain and motivate key executives who are critical to our operations;
- reward superior individual and Company performance on both a short-term and long-term basis; and
- align executives' long-term interests with those of our stockholders.

The Committee seeks to ensure the foregoing objectives by considering individual performance reviews, Company performance, hiring and retention needs, internal pay equity, market data and other external market pressures in finalizing its compensation determinations.

Determining Compensation for Named Executive Officers

The Committee meets without management present to determine the compensation of the named executive officers. After consultation with our executive officers, Richard Agree, our Chief Executive Officer and Chairman during 2012, makes recommendations to the Committee with respect to the design and implementation of the compensation program for the named executive officers. We believe that because of his experience with our Company and involvement in and knowledge of our business goals, strategies, and performance, the overall effectiveness of the management team and upon evaluation of each individual's contribution to our performance, he is able to provide valuable input to the Committee. The Committee retains the discretion to modify the recommendations of Mr. Richard Agree and reviews such recommendations for their reasonableness based on Company performance, market information, and the Committee's compensation philosophy and related considerations.

The Committee does not utilize a compensation consultant to establish or administer its executive compensation program due to the limited number of employees employed by our Company (14 employees) and the cost of such consultants. We will consider the use of compensation consultants in the future. In 2012, the Committee used the 2012

NAREIT Compensation and Benefits Survey (the NAREIT Survey) to provide it with relevant market data.

Compensation Committee Consideration of the 2012 Vote on Executive Compensation

In determining our executive compensation program for the remainder of 2012 and for 2013, the Committee generally considered the results of the 2012 advisory vote of our stockholders on executive compensation presented in our 2012 proxy statement. The Committee noted that more than 95% of the votes cast approved the compensation of our named executive officers as described in our 2012 proxy statement. The Committee considered these voting results as supportive of the Committee's general executive compensation practices.

TABLE OF CONTENTS

Elements of Compensation in 2012 for Named Executive Officers

Our compensation program for named executive officers generally consists of base salary, annual incentive awards, long-term share-based incentive awards and certain other benefits. We also provide certain severance arrangements for our named executive officers.

Base Salary. The Committee believes that base salary is a primary factor in retaining and attracting key employees in a competitive marketplace, as well as preserving an employee's commitment during downturns in the REIT industry and/or equity markets. When determining the base salary for each of the named executive officers, the Committee considers the individual's experience, current performance, potential for advancement, internal pay equity and market data.

As a group, the 2012 base salaries of the named executive officers employed during 2011 and 2012 were generally increased by 5% for 2012. The base salaries paid to the named executive officers in 2012 are set forth below in the Executive Compensation Tables Summary Compensation Table.

Annual Incentive Awards. The Committee believes the annual cash bonus provides a meaningful incentive for the achievement of short-term Company and individual goals, while assisting us in retaining, attracting and motivating employees in the near term. These discretionary annual bonuses are primarily based upon Company performance objectives generally set forth in our annual budget approved by the Board. However, the Committee has significant flexibility in assessing the achievement of performance objectives as well as the corresponding cash bonuses earned. The Committee determined that specific cash bonuses should be paid to certain named executive officers in 2012 in part due to the successful acquisition, disposition and development efforts along with capital raising activities. Mr. Richard Agree declined receiving an annual cash bonus for 2012. The cash bonuses earned by the named executive officers in 2012 are set forth below in the Executive Compensation Tables Summary Compensation Table.

Long-Term Incentive Compensation. The Committee believes the share-based incentive awards, with multiple-year vesting, provide the strongest incentive for employees to focus on our long-term fundamentals and thereby create long-term stockholder value. These awards also assist us in maintaining a stable, continuous management team in a competitive market. The Committee historically has issued restricted stock for purposes of long-term incentive compensation, which provides significant upside incentive and aligns our officers' interests with our stockholders, while also maintaining some down market protection. When determining the amount of long-term equity incentive awards to be granted to the named executive officers for prior year performance, the Committee considers, among other things, the following factors: our performance, the responsibilities and performance of the executive (primarily based on discussions with Richard Agree), our stock price performance, and other market factors, including the data provided by the NAREIT Survey. See the Grants of Plan-Based Awards in 2012 table for information regarding the award terms for the grants made in 2012.

2012 Grants. The Committee awarded an aggregate of 71,000 shares of restricted stock to our named executive officers under the 2005 Equity Incentive Plan in January 2012 based upon 2011 performance. The grant date fair value of such awards was an aggregate of \$1,745,180. The grants were as follows: Richard Agree, 20,000 shares; Joey Agree, 40,000 shares; Laith Hermiz, 7,000 shares; and Alan Maximiuk, 4,000 shares.

For the 2012 grants, the Committee considered the following factors in determining long-term equity incentive awards: (1) in 2011, we completed the development fee assignment for a tenant for a significant return to our Company; (2) the management team announced and commenced a development project and has numerous

development projects in its pipeline; (3) in 2011, we acquired over \$38 million of single tenant net leased properties with industry leading retailers and had several other properties under contract for closing; (4) in 2011, we maintained high occupancy levels at our shopping center properties; (5) in 2011, we disposed of three former Borders properties for proceeds of approximately \$8.3 million; and (6) in 2011, we dealt with the bankruptcy of Borders, Inc.

2013 Grants. The Committee awarded an aggregate of 64,500 shares of restricted stock to our named executive officers under the 2005 Equity Incentive Plan in January 2013 based upon 2012 performance. The grant date fair value of such awards was an aggregate of \$1,774,395. The grants were as follows: Richard

TABLE OF CONTENTS

Agree, 20,000 shares; Joey Agree, 40,000 shares; and Alan Maximiuk, 4,500 shares. The Committee deferred the grant of shares of restricted stock to Laith Hermiz pending the completion of certain projects and the Committee's review of the same.

For the 2013 grants, the Committee considered various factors in determining long-term equity grants, including portfolio growth and diversification, acquisition and development activity, capital recycling, balance sheet management, revenue and funds from operations growth, portfolio occupancy and total stockholder return.

Specifically, the Committee noted the following results from 2012: (1) the commencement of seven development projects for leading retailers; (2) the completion of two developments and one redevelopment; (3) the improvement in portfolio occupancy to 98%; (4) the acquisition of twenty-five properties exceeding \$81 million; (5) the completion of a successful common stock offering raising over \$35 million in net proceeds; (6) the disposition of six non-core properties, including three former Borders locations and three Kmart anchored shopping centers, raising over \$16 million in proceeds and (7) the additional diversification achieved during 2012 via real estate activities.

Because these awards for 2012 compensation were made in 2013, pursuant to applicable disclosure rules, such awards will be reflected in the Summary Compensation and Grants of Plan-Based Awards tables in our proxy statement for the 2014 annual meeting of stockholders.

Perquisites and Other Personal Benefits. We have historically maintained a conservative approach to providing perquisites to executive officers. We provide the named executive officers with perquisites and other personal benefits that the Committee believes are reasonable and consistent with the overall executive compensation program and will better enable us to attract and retain superior employees for key positions. These perquisites have been carefully selected to ensure that the value provided to employees is not at the expense of stockholder concern. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the named executive officers.

Severance Payments. We currently have employment agreements with Richard Agree and Joey Agree that provide severance payments under specified conditions. The Committee believes these agreements help to retain executives who are essential to our long-term success. See *Potential Payments Upon Termination or Change-in-Control* for a description of potential payments and benefits to the named executive officers under our compensation plans and arrangements upon termination of employment or a change in control of our Company.

Timing and Pricing of Share-Based Grants

We do not coordinate the timing of share-based grants with the release of material non-public information. The Committee approves its annual grants of restricted stock to the named executive officers at its regularly scheduled meeting in mid-December, with an effective grant date as of such meeting or delayed until a date within the first few weeks of the following year. The grant date may be delayed due to administrative issues during the holiday season.

The Committee generally establishes the date for its regularly scheduled meeting at least a year in advance. The Committee has not granted stock options in recent years.

Stock Ownership Guidelines

In May 2009, to further align the interests of our executive officers and directors with the interest of our stockholders, and to promote our commitment to sound corporate governance, the Committee implemented stock ownership guidelines for executive officers, including the named executive officers, and non-employee directors.

The stock ownership guidelines provide that, within three years of the later date of adoption of the guidelines or the date an individual first becomes subject to the guidelines:

our Chief Executive Officer is encouraged to own shares of our common stock, including restricted stock, valued at a minimum of five times annual base compensation;
all other executive officers are encouraged to own shares of our common stock, including restricted stock, valued at a minimum of three times annual base compensation; and
non-employee directors are encouraged to own shares of our common stock valued at a minimum of two times their annual director compensation.

TABLE OF CONTENTS

Tax and Accounting Implications

Deductibility of Executive Compensation. Section 162(m) (Section 162(m)) of the Internal Revenue Code of 1986, as amended (the Internal Revenue Code), provides that subject to certain exceptions (the most significant of which is performance-based compensation), a publicly-held corporation may not deduct compensation for federal income tax purposes exceeding \$1 million in any one year paid to its chief executive officer or its three other most highly compensated executive officers. We must distribute a specified minimum percentage of our taxable income to maintain our qualification as a REIT under the Internal Revenue Code, and we are not subject to federal income tax on our REIT taxable income if and to the extent we distribute the income to our stockholders. Accordingly, if we pay compensation to our chief executive officer or any of our three other most highly compensated executive officers in excess of \$1 million in any year that does not qualify for the performance-based exception, we may have to increase the amount of our distributions to stockholders to avoid tax liability and the loss of our REIT status. This in turn may result in a larger portion of distributions being taxable to stockholders as dividend income, instead of being treated as a nontaxable return of capital to stockholders. However, because we did not pay any compensation during 2012 that would be subject to the Section 162(m) limitations, Section 162(m) did not impact the Committee s compensation policies and practices.

Nonqualified Deferred Compensation. Section 409A of the Internal Revenue Code provides that amounts deferred under nonqualified deferred compensation arrangements will be included in an employee s income when vested unless certain conditions are met. If the certain conditions are not satisfied, amounts subject to such arrangements will be immediately taxable and employees will be subject to additional income tax, penalties and a further additional income tax calculated as interest on income taxes deferred under the arrangement.

The amounts reported represent the full value of the stock awards issued for the applicable year. The amounts have been calculated in accordance with FASB ASC Topic 718. The awards have been issued in accordance with the (1) 2005 Equity Incentive Plan and vest in equal installments over a five-year period from the date of grant. Valuation assumptions used in determining these amounts for 2012, 2011 and 2010 are included in note 12 of our audited financial statements included in our annual report on Form 10-K for the year ended December 31, 2012.

In 2010 and 2011, Mr. Richard Agree was given the election to receive his annual bonus in cash or restricted stock. He elected to receive 4,000 shares of restricted stock in lieu of a cash bonus in each year. The restricted stock, (2) granted under the 2005 Equity Incentive Plan, vests in equal installments over a five-year period from the grant date. Cash dividends are paid on the restricted stock during the vesting period. The equity awards were granted on January 9, 2012, and January 7, 2011, respectively, and therefore are reflected in the Grants of Plan-Based Awards in the following year proxy statement.

Mr. Richard Agree was Chairman and Chief Executive Officer during 2012. Mr. Joey Agree was President and Chief Operating Officer during 2012. Effective January 7, 2013, Mr. Richard Agree retired from the position of (3) Chief Executive Officer and was appointed Executive Chairman of the Board. The Board approved such grants on December 19, 2011, but delayed the grant date until January 9, 2012. As noted previously, the Board often delays its annual equity grants due to administrative issues during the holiday season. The restricted stock, granted under the 2005 Equity Incentive Plan, vests in equal installments over a five-year period from the grant date. Cash dividends are paid on the restricted stock during the vesting period.

Management is responsible for the Company's financial statements, internal controls, accounting and financial reporting processes and compliance with applicable laws and regulations. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (PCOAB) and an independent audit of the effectiveness of the Company's internal control over financial reporting in accordance with the standards of the PCAOB, and for expressing their opinions thereon. The Audit Committee's responsibility is to provide general oversight of the foregoing matters, as well as engaging the Company's independent registered public accounting firm and establishing the terms of retention. The Audit Committee is governed by a charter, a copy of which is available on our website at www.agreerealty.com.

Review and Discussions with Management and Independent Accountants. In this context, the Committee has met and held discussions with management and Baker Tilly Virchow Krause, LLP (Baker Tilly), the Company's independent registered public accounting firm for 2012. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Committee has reviewed and discussed the audited consolidated financial statements with management and Baker Tilly. The Committee discussed with Baker Tilly the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended, as adopted by the PCAOB in Rule 3200T, issues regarding accounting and auditing principles and practices, and the adequacy of internal controls that could significantly affect the Company's financial statements.

Baker Tilly also provided to the Committee the written disclosures and letter from Baker Tilly required by the applicable requirements of the PCAOB regarding Baker Tilly's communications with the Committee concerning independence, and the Committee has discussed with Baker Tilly its independence with respect to the Company. The Committee has reviewed the original proposed scope of the annual audit of the Company's financial statements and the associated fees and any significant variations in the actual scope of the audit and fees. See Audit Committee Matters for additional information regarding the Committee's pre-approval policies and procedures for audit and non-audit services provided by Baker Tilly.

Conclusion. Based on the review and discussions referred to above, the Committee recommended to the Board that the Company's audited consolidated financial statements be included in the Company's annual report on Form 10-K for the year ended December 31, 2012 for filing with the SEC.

TABLE OF CONTENTS**AUDIT COMMITTEE MATTERS****Pre-Approval Policies and Procedures for Audit and Non-Audit Services**

In accordance with Audit Committee policies and procedures and applicable law, the Audit Committee must pre-approve all services to be provided by its independent registered public accounting firm. In determining whether to pre-approve such services, the Audit Committee must consider whether the provision of such services is consistent with the independence of such accountants. The Audit Committee generally provides pre-approvals at its regularly scheduled meetings. The Audit Committee has delegated to its chairman, Farris G. Kalil, the authority to grant pre-approvals of non-audit services between regularly scheduled meetings of the Audit Committee, provided that any such pre-approval by Mr. Kalil shall be reported to the Audit Committee at its next scheduled meeting. However, pre-approval of non-audit services is not required if (1) the aggregate amount of non-audit services is less than 5% of the total amount paid by us to the auditor during the fiscal year in which the non-audit services are provided; (2) such services were not recognized by us as non-audit services at the time of the engagement; and (3) such services are promptly brought to the attention of the Audit Committee and, prior to completion of the audit, are approved by the Audit Committee or by one or more Audit Committee members who have been delegated authority to grant approvals.

Fees Paid to Independent Registered Public Accounting Firms

The following table sets forth the fees we were billed for audit and other services provided by Baker Tilly in 2012 and 2011. All such fees paid to Baker Tilly were approved in conformity with the pre-approval policies and procedures noted above.

	2012	2011
Audit Fees	\$ 158,352	\$ 142,116
Audit-Related Fees	45,515

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2013

On March 22, 2013, Grant Thornton was selected by the Audit Committee to serve as the independent registered public accounting firm for 2013. If stockholders fail to ratify the selection of Grant Thornton, the Audit Committee will consider this fact when selecting an independent registered public accounting firm for the 2014 audit year.

During our two most recent fiscal years and the subsequent interim period preceding our selection of Grant Thornton, neither our Company nor anyone acting on our behalf consulted Grant Thornton regarding any of the matters described in Item 304(a)(2)(i) or Item 304(a)(2)(ii) of Regulation S-K.

We filed our annual report on Form 10-K for the year ended December 31, 2012 with the SEC on March 8, 2013. Effective upon such filing, Baker Tilly completed its audit of our consolidated financial statements for the year ended December 31, 2012 and, on March 22, 2013, was dismissed as our independent registered public accounting firm upon the approval of the Audit Committee.

The reports of Baker Tilly for the years ended December 31, 2011 and December 31, 2012 did not contain an adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope or accounting principles.

There were no disagreements between us and Baker Tilly on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Baker Tilly, would have caused Baker Tilly to make reference thereto in connection with its reports during our two most recent fiscal years and the subsequent period preceding our dismissal of Baker Tilly. Additionally, during our two most recent fiscal years and the subsequent interim period preceding our dismissal of Baker Tilly, there were no reportable events, as defined in Item 304(a)(1)(v) of Regulation S-K.

Representatives from Grant Thornton and Baker Tilly will be present at the annual meeting and will be available to respond to appropriate questions. Such representatives will also have an opportunity to make a statement.

The Board recommends that you vote FOR the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for 2013.

PROPOSAL 3 ADVISORY (NON-BINDING) VOTE APPROVING EXECUTIVE COMPENSATION

We are presenting the following proposal, which gives you as a stockholder the opportunity to endorse or not endorse our executive compensation program for named executive officers by voting for or against the following resolution.

RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in the Company's proxy statement for the 2013 annual meeting of stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and the other related disclosure.

While this vote is advisory and not binding on us, it will provide information to us and the Compensation Committee regarding stockholder sentiment about our executive compensation philosophy, policies and practices, which the Compensation Committee will be able to consider when determining executive compensation for the remainder of 2013 and beyond.

As described in detail under the heading "Compensation Discussion and Analysis" above, we seek to closely align the interests of our executive officers with the interests of our stockholders. Our compensation programs are designed to reward the executive officers for the achievement of short-term and long-term strategic and operational goals, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking. Following is a summary of some of the primary components and rationale of our compensation philosophy.

Provide total compensation that is both fair and competitive. To attract and reduce the risk of losing the services of valuable officers but avoid the expense of excessive pay, compensation should be competitive. The Compensation Committee assesses the competitiveness of our compensation to our executive officers by comparison to compensation of executive officers at other public companies. The Compensation Committee reviewed the 2012 NAREIT Compensation and Benefits Survey to provide it with relevant market data.

Attract, retain and motivate key executives who are critical to our operations. The primary purpose of our executive compensation program has been and is to achieve our business objectives by attracting, retaining and motivating talented executive officers by providing incentives and economic security.

Reward superior individual and company performance on both a short-term and long-term basis. Performance-based pay aligns the interest of management with our stockholders. Performance-based compensation motivates and rewards individual efforts and company success.

Align executives' long-term interests with those of our stockholders. The Compensation Committee believes that requiring the executive officers to maintain a meaningful ownership interest in us relative to their annual base salaries may encourage the executive officers to act in a manner that creates value for our stockholders.

The Board recommends a vote FOR the approval of the compensation of our named executive officers as disclosed in this proxy statement.

PROPOSALS 4 AND 5 APPROVAL OF THE AMENDMENTS TO OUR CHARTER

Since our formation, the law and industry standards regarding charters of Maryland corporations in general have evolved. Accordingly, we have determined that our Charter needs to be updated. The Board has unanimously adopted resolutions to amend our Charter and has recommended the submission of Proposals 4 and 5 set forth below for stockholder approval at the annual meeting.

A form of the Articles of Amendment to implement the proposed amendments approved by the Board is attached to this proxy statement as Appendix A. The following summaries of Proposals 4 and 5 are qualified in their entirety by reference to Appendix A.

Proposal 4 To Amend Our Charter to Increase the Number of Authorized Shares that we have Authority to Issue

The Board has approved, deems advisable and recommends that our stockholders vote in favor of, an amendment to our Charter to increase the authorized shares from 15,850,000 shares of common stock to 28,000,000 shares of common stock and from 150,000 shares of preferred stock to 4,000,000 shares of preferred stock.

The Board also recommends a corresponding increase in the number of authorized shares of excess stock from 4,000,000 shares of excess stock to 8,000,000 shares of excess stock in order to ensure compliance with the ownership limits in our Charter necessary to maintain our status as a real estate investment trust (REIT). In the event that any stockholder acquires shares of common stock in excess of the ownership limit in our Charter, the proposed increase would ensure that we could issue a sufficient number of shares of excess stock necessary to comply with these restrictions.

Our capital stock authorized under our current Charter and the number of shares of common stock, preferred stock and excess stock issued and outstanding are set forth below:

Common Stock		Preferred Stock		Excess Stock	
Authorized	Issued and Outstanding as of March 7, 2013	(Series A Junior Participating Preferred Stock)	Authorized	Authorized	Issued and Outstanding as of March 7, 2013
15,850,000	13,241,844	150,000	0	4,000,000	0

Additionally, we have reserved an additional 347,619 shares of common stock for issuance upon conversion of limited partnership units in our operating partnership and 481,096 shares of common stock for future issuance under our 2005 Equity Incentive Plan.

The Board believes that it is advisable and in the best interests of our Company to increase the number of authorized shares to provide our Company with greater flexibility in planning for future corporate needs including, but not limited to, transactions to raise capital, property acquisitions, stock dividends or stock splits, grants under equity

compensation plans, potential strategic transactions, including mergers, acquisitions and business combinations, as well as other corporate purposes. If this amendment is not approved, our growth and business strategies and our ability to raise additional capital may be limited by the lack of availability of unissued and unreserved shares.

The Board recommends a vote FOR Proposal 4 to amend our Charter to increase the number of authorized shares that we have authority to issue.

TABLE OF CONTENTS

Proposal 5 To Amend Our Charter to Grant Authority to the Board to Increase or Decrease, from Time to Time, the Number of Authorized Shares that we have Authority to Issue

The Board has approved, deems advisable and recommends that our stockholders vote in favor of, an amendment to our Charter that would authorize the Board, in its sole discretion, to amend our Charter from time to time to increase or decrease the aggregate number of authorized shares of common, preferred and excess stock or the number of shares of stock of any class or series of our Company. The Board believes that this would permit our Company to take advantage of favorable market conditions and financing and acquisition opportunities without incurring the delay and expense of calling a special meeting of stockholders.

If Proposal 5 is approved, the Board will be able to increase the number of shares of capital stock of any class or series that we are authorized to issue above the limits currently set forth in our Charter without further action by the stockholders. However, the actual issuance of any such shares will continue to be subject to then-existing stockholder approval requirements imposed by applicable law or by the rules of the NYSE or any other exchange upon which our stock is then listed. For example, the rules of the NYSE currently require stockholder approval for:

the issuance of common stock or securities convertible into or exercisable for common stock in excess of 20% of the amount of common stock or voting power outstanding before the proposed issuance, other than in a public offering for cash or bona fide private financing at an effective price per share no less than the greater of the market price or book value per share of the common stock;

equity compensation plans providing for the issuance of common stock;

the issuance of common stock or securities convertible into or exercisable for common stock to a director or officer of our company in excess of 1% of the amount of common stock or voting power outstanding before the proposed issuance;

the issuance of common stock or securities convertible into or exercisable for common stock to a substantial stockholder of our company in excess of either (a) 1% of the amount of common stock or voting power outstanding before the proposed issuance at an effective price per share less than the greater of the market price or book value per share of the common stock, or (b) 5% of the amount of common stock or voting power outstanding before the proposed issuance; and

any issuance that would result in a change in control.

If Proposal 5 is approved, the terms of any securities to be authorized, including dividend or interest rates, conversion prices, voting rights, redemption prices, maturity dates and other similar matters, will continue to be determined by the Board in accordance with the terms of our Charter and applicable law and, as a result, there is no change in the authority of the Board in that regard.

The Board recommends a vote FOR Proposal 5 to amend our charter to grant authority to the Board to increase or decrease, from time to time, the number of authorized shares that we have authority to issue.

Purpose and Effect of the Amendments

With respect to Proposals 4 and 5, the Board considered (i) our growth in recent years, (ii) the recent increase in the size and frequency of our financing and acquisition transactions involving the issuance of our capital stock, and (iii) management's concern that the costs and delays associated with obtaining stockholder approval to increase our authorized stock, if necessary, may endanger a particular financing or acquisition opportunity.

The Board recommends Proposals 4 and 5 in order to provide a sufficient reserve of shares of capital stock for our present and future needs and growth. The Board believes that prudent corporate governance includes our Company having a substantial number of authorized but unissued shares of common and preferred stock available for various purposes, including, but not limited to, equity issuances in connection with underwritten public offerings to raise capital, property acquisitions, stock dividends or stock splits, grants under equity incentive plans, potential strategic transactions, including mergers, acquisitions and business combinations, as well as other corporate purposes. In addition, the ability of the Board to issue shares of common stock, and separate classes or series of preferred stock, provides flexibility to tailor senior securities

in response to terms specifically negotiated by investors. The Board wishes to preserve maximum flexibility to issue shares in public offerings, in private transactions with investors or in the acquisition of properties when the investor wishes to hold a senior security. In order to maintain our status as a REIT for federal income tax purposes, we are required to distribute at least 90% of our REIT taxable income each year. Accordingly, our ability to grow depends on our access to external sources of capital at attractive rates. The Board believes that our ability to raise capital will be enhanced by having as flexible a capital structure as possible.

Under our Charter, stockholders do not have preemptive rights with respect to the shares, which means that current stockholders do not have a prior right to purchase any newly issued shares to maintain their proportionate ownership percentage. Management is unaware of any potential or proposed transaction or other event that would result in our Company exceeding the number of shares of common or preferred stock authorized under our current Charter.

Potential Adverse Effects of the Amendments

The Board considered the possible negative impact the increase in the number of shares of common and preferred stock could have on the existing stockholders. Future issuances of common stock or securities convertible into common stock could have a dilutive effect on our funds from operations, earnings per share, book value per share and the voting power and interest of current stockholders. In addition, future issuances of preferred stock could result in one or more of the following detriments: (i) shares of preferred stock will have priority over shares of common stock in the payment of dividends and/or liquidating distributions; and (ii) the issuance of shares of preferred stock bearing preferential dividends, whether at fixed or floating rates, could reduce funds from operations available for distribution to holders of our common stock. However, the Board concluded that any such negative impact would be outweighed by the positive effect on the stockholders resulting from our growth. Furthermore, the Board believes there is a potential negative impact to stockholders if we are unable to continue to raise the necessary capital for acquisition and growth needs.

In addition, the availability of additional shares of common stock and preferred stock for issuance could, under certain circumstances, discourage or make more difficult any efforts to obtain control of our Company. The Board is not aware of any attempt, or contemplated attempt, to acquire control of our Company, nor are these proposals being presented with the intent it be used to prevent or discourage any acquisition attempt. However, nothing would prevent the Board from taking any such actions it deems to be consistent with its fiduciary duties.

Effectiveness of Amendments

If Proposals 4 and 5 are approved, we plan to file the Articles of Amendment incorporating the applicable proposals shortly after the annual meeting with the State Department of Assessments and Taxation of Maryland (SDAT), and the Articles of Amendment will be effective upon the acceptance for record of the same by the SDAT.

Voting Required for Approval

The affirmative vote of holders of at least a majority of our outstanding shares of common stock entitled to vote thereon is required to approve Proposals 4 and 5. Abstentions and broker non-votes count toward the presence of a quorum at the annual meeting, and will have the same effect as votes AGAINST Proposals 4 and 5.

Recommendation of the Board

The Board recommends a vote FOR Proposals 4 and 5.

RELATED PERSON TRANSACTIONS

Policies and Procedures

Under SEC rules, a related person transaction is any transaction or any series of transactions in which our Company was or is to be a participant, the amount involved exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest. A related person is a director, officer, nominee for director or a more than 5% stockholder since the beginning of our last completed fiscal year, and their immediate family members.

The non-interested directors of the Board review and oversee any proposed or ongoing related person transactions to ensure there are no conflicts of interest. Our written Code of Business Conduct and Ethics expressly prohibits the continuation of any conflict of interest except under guidelines approved by the Board. Our Code of Business Conduct and Ethics requires officers and directors to provide full disclosure of any such transaction to appropriate persons and remove themselves from the related decision making process. Persons are encouraged to speak with specified persons if there is any doubt as to whether a transaction could comprise a related person transaction or otherwise constitute a conflict of interest.

If a related person transaction is proposed, the non-interested directors of the Board review such transaction to ensure that our involvement in such transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and is in the best interests of us and our stockholders. If necessary or appropriate, we will engage third party consultants and special counsel, and the Board may create a special committee, to review such transactions. The non-interested directors of the Board affirmatively determined that none of the related person transactions below constituted a conflict of interest.

Related Person Transactions

We lease our executive offices, located at 31850 Northwestern Highway, Farmington Hills, Michigan from a limited liability company controlled by Mr. Richard Agree's children. Under the terms of the lease, which expires on December 31, 2014, we are required to pay an annual rental of \$90,000 and are responsible for the payment of real estate taxes, insurance and maintenance expenses relating to the building. Management believes that the lease terms are consistent with leases for similar properties in the area.

During the year ended December 31, 2012, we sold six properties, including three former Borders locations and three shopping centers, for an aggregate sales price of approximately \$16 million and conveyed four other former Borders properties to the lender holding a mortgage interest in the four properties. As a result of our 2012 disposition activity, we eliminated our remaining exposure to a bankrupt tenant, Borders, and will recognize a net capital loss for federal income tax purposes for 2012. However, because of our formation transactions in connection with our initial public offering in 1994 and Mr. Richard Agree's ownership of limited partnership units in our operating partnership, our 2012 disposition activity also resulted in a situation in which Mr. Richard Agree would have to realize net capital gains for federal income tax purposes for 2012 in an amount exceeding \$1.2 million. On March 19, 2013, we entered into the Second Amendment to First Amended and Restated Agreement of Limited Partnership of Agree Limited Partnership, which provided for the special allocation of \$1.2 million of net capital loss that would otherwise be recognized by us for the year ended December 31, 2012, to Mr. Richard Agree. In exchange, in each taxable year beginning with the year ending December 31, 2013, up to \$200,000 of items of gain that would otherwise be recognized by us will be specifically allocated to Mr. Richard Agree until he has received special allocations of items of gain aggregating \$1.2 million. We cannot estimate when the operating partnership will generate items of gain or when these special

allocations will occur.
