Investment Company Act of 1940

)

The following entities hereby request an order (the “**Order**”) of the U.S. Securities and Exchange Commission (the “**Commission**”) pursuant to Section 57(i) of the Investment Company Act of 1940, as amended (the “**1940 Act**”) and Rule 17d-1 thereunder, authorizing certain joint transactions that otherwise may be prohibited by Section 57(a)(4) of the 1940 Act:

HMS Income Fund, Inc. (the “**Company**”);

HMS Adviser LP, the Company’s investment adviser (“**HMS Adviser**,” and together with **HMS Sub-Adviser** (as defined below), the “**Advisers**”);

Main Street Capital Corporation, the Company’s investment sub-adviser (“**MSCC**” and, together with the Company, the “**Investing BDCs**”);

Main Street Capital Partners, LLC, a wholly-owned subsidiary of MSCC, which it is anticipated will act as the Company’s investment sub-adviser if and when the relief

¹ Unless otherwise indicated, all section and rule references herein are to the 1940 Act and rules promulgated thereunder.

described elsewhere herein or similar relief has been obtained from the staff of the Commission (“**Partners**”²);

Main Street Mezzanine Fund, LP, a wholly-owned subsidiary of MSCC (“**SBIC Fund I**”), Main Street Capital II, LP, a wholly-owned subsidiary of MSCC (“**SBIC Fund II**” and, together with SBIC Fund I, the “**SBIC Funds**”), MSCII Equity Interests, LLC, a wholly-owned subsidiary of SBIC Fund II, and Main Street Equity Interests, Inc., a wholly-owned subsidiary of MSCC (each, including the SBIC Funds, a Wholly-Owned Investment Subsidiary, as defined below, of MSCC) (the Company, HMS Adviser, MSCC, Partners, and the SBIC Funds are hereinafter referred to collectively as the “**Applicants**”).

In particular, the relief requested in this application (the “**Application**”) would allow the Company, on one hand, and MSCC, on the other hand, to participate in the same investment opportunities through a proposed co-investment program where such participation would otherwise be prohibited under Section 57(a)(4) and the rules under the 1940 Act (the “**Co-Investment Program**”). For purposes of this Application, a “**Co-Investment Transaction**” means any transaction in which the Company (or a Wholly-Owned Investment Subsidiary of the Company) participated together with MSCC (or a Wholly-Owned Investment Subsidiary of MSCC) in reliance on the Order. A “**Potential Co-Investment Transaction**” means any investment opportunity in which the Company (or a Wholly-Owned Investment Subsidiary of the Company) and MSCC (or a Wholly-Owned Investment Subsidiary of MSCC) could not participate together without obtaining and relying on the Order.

Each Investing BDC may, from time to time, form a special purpose subsidiary (a “**Wholly-Owned Investment Subsidiary**”) (a) whose sole business purpose is to hold one or more investments on behalf of the Investing BDC (or in the case of a SBIC Subsidiary, maintain a license under the SBA Act and issue debentures guaranteed by the SBA); (b) that is wholly-owned by the Investing BDC (with the Investing BDC at all times, directly or indirectly, holding, beneficially and of record, 100% of the voting interests); (c) with respect to which the Investing BDC Board (as defined below) has the sole authority to make all determinations with respect to the Wholly-Owned Investment Subsidiary’s participation under the conditions to this Application; and (d) that is an entity that would be an investment company but for Section 3(c)(1) or 3(c)(7) of the 1940 Act. For purposes of this Application, a “**SBIC Subsidiary**” means an entity that is licensed by the Small Business Administration (the “**SBA**”) to operate under the Small Business Investment Act of 1958, as amended, (the “**SBA Act**”) as a small business investment company (an “**SBIC**”).

² MSCC has submitted a request for a no-action letter (the “**No-Action Relief**”) to the staff (the “**Staff**”) of the Commission’s Division of Investment Management requesting that it concur with MSCC’s view that Partners is not required to be separately registered as an investment adviser under the Investment Advisers Act of 1940, as amended (the “**Advisers Act**”), in light of the registration of MSCC as an investment adviser under the Advisers Act, and that if Partners serves as investment adviser to another business development company, including as the Company’s investment sub-adviser, the Staff will not recommend enforcement action to the Commission against Partners under Section 203 of the Advisers Act or MSCC under Section 12(d)(3) of the 1940 Act. If and when such requested no-action letter relief or similar relief is granted by the Staff, Partners will act as the Company’s investment

sub-adviser instead of MSCC. The term “*HMS Sub-Adviser*,” as used herein, will refer to MSCC until such time that, if at all, the Staff grants the abovementioned requested no-action letter relief or similar relief; after which time, it will refer to Partners.

A Wholly-Owned Investment Subsidiary of the Company would be prohibited from investing in a Co-Investment Transaction with MSCC because it would be a company controlled by the Company for purposes of Section 57(a)(4) and rule 17d-1. Applicants request that a Wholly-Owned Investment Subsidiary be permitted to participate in Co-Investment Transactions in lieu of an Investing BDC and that the Wholly-Owned Investment Subsidiary's participation in any such transaction be treated, for purposes of the Order, as though the Investing BDC were participating directly. Applicants represent that this treatment is justified because a Wholly-Owned Investment Subsidiary would have no purpose other than serving as a holding vehicle for the Investing BDC's investments and, therefore, no conflicts of interest could arise between the Investing BDC and the Wholly-Owned Investment Subsidiary. The Investing BDC Board would make all relevant determinations under the conditions with regard to a Wholly-Owned Investment Subsidiary's participation in a Co-Investment Transaction, and the Investing BDC Board would be informed of, and take into consideration, any proposed use of a Wholly-Owned Investment Subsidiary in the Investing BDC's place. If an Investing BDC proposes to participate in the same Co-Investment Transaction with any of its Wholly-Owned Investment Subsidiaries, the Investing BDC Board will also be informed of, and take into consideration, the relative participation of the Investing BDC and the Wholly-Owned Investment Subsidiary.

All existing entities that currently intend to rely upon the requested Order have been named as the Applicants. The Order sought by this Application would supersede the previous co-investment order issued to MSCC.³ Any entity that relies on the Order in the future will comply with its terms and conditions.

I. GENERAL DESCRIPTION OF APPLICANTS

A. *The Company*

The Company was organized under the General Corporation Law of the State of Maryland on November 28, 2011 for the purpose of operating as an externally-managed, non-diversified, closed-end management investment company that has elected to be regulated as a business development company under the 1940 Act. In addition, the Company intends to make an election to be treated for tax purposes as a regulated investment company ("**RIC**") under the Internal Revenue Code of 1986, as amended (the "**Code**"), for its 2012 tax year and intends to continue to make such election in the future. The Company's principal place of business is 2800 Post Oak Boulevard, Suite 5000, Houston, Texas 77056-6118.

As more fully described in the Registration Statement (as defined below), on December 12, 2011, the Company's predecessor-in-interest, HMS Income LLC, purchased from MSCC and certain of its affiliates an investment portfolio consisting of debt securities valued at approximately \$16.5 million (the "**Initial Portfolio**"). The Company succeeded to the Initial Portfolio by virtue of the merger of HMS Income LLC with and into the Company, which

4

merger was consummated prior to the Company's election to be treated as a business development company. Because the merger and the acquisition of the Initial Portfolio occurred prior to the Company's election to be treated as a business development company, neither transaction was subject to regulation by the 1940 Act. Additionally, in connection with the acquisition of the Initial Portfolio, MSCC and an affiliate of the Company's sponsor (the "**Hines Investor**") entered into a letter agreement pursuant to which the Hines Investor received the right to sell to MSCC up to one-third of its equity interest in the Company at a price per share equal to the then-current price of the Company's common stock to the public in the offering (less the selling commissions and dealer manager fee of 10%) at the time of exercise of such right. The Hines Investor may exercise such right from time to time, in whole or in part, subject only to the condition that immediately following MSCC's purchase, MSCC's ownership would not exceed the limits on investment company ownership of other investment companies, as set forth in Section 12 of the 1940 Act. As of the date hereof, the Hines Investor has not exercised such right under the letter agreement. In the event that Hines Investor were to exercise such right, and such exercise would not contravene the provisions of the 1940 Act, such transaction would be outside of the scope of this Application.

On December 16, 2011, in connection with its initial public offering of common stock, the Company filed a registration statement on Form N-2, Registration No. 333-178548 (the "**Registration Statement**"). The Company subsequently filed multiple amendments to the Registration Statement to, among other things, update the information contained therein. On May 31, 2012, the Company filed a notification of election to be subject to Sections 55 through 65 of the 1940 Act on Form N-54A. The Registration Statement was declared effective on June 4, 2012. Also, on May 31, 2012, the Company filed a registration statement on Form 8-A to register its common stock under Section 12(g) of the Securities Exchange Act of 1934, as amended (the "**1934 Act**"). Accordingly, the Company is subject to the periodic reporting requirements under Section 13(a) of the 1934 Act.

The Company currently has a three-member board of directors (collectively, the "**Company Board**") of which a majority are not "interested persons," within the meaning of Section 2(a)(19) of the 1940 Act (for any board of directors, the "**Independent Directors**"), of the Company. No Independent Director will have a financial interest in any Co-Investment Transaction.

The Company's primary investment objective is to generate current income through debt and equity investments. A secondary objective is to generate long-term capital appreciation through such investments. The Company will seek to accomplish these objectives by investing in (1) customized direct secured and unsecured loans to, and equity securities of, lower middle market companies, which we refer to in this Application as customized lower middle market securities, and (2) senior secured and second lien debt securities issued by middle market companies in private placements and negotiated transactions, which securities are traded in private over-the-counter markets for institutional investors and are referred to in this Application as over-the-counter debt securities. The Company defines middle market companies as those with annual revenues generally between \$10 million and \$3 billion that operate in diverse industries. The Company defines lower middle market companies as companies with annual revenues generally between \$10 million and \$150 million. In most cases, companies that issue

customized lower middle market securities to the Company will be privately held at the time the Company invests in them. While the structure of the Company's investments in customized lower middle market securities in which it invests is likely to vary, the Company may invest in senior secured debt, senior unsecured debt, subordinated secured debt, subordinated unsecured debt, mezzanine debt, convertible debt, convertible preferred equity, preferred equity, common equity, warrants and other instruments, many of which generate current yields. Additionally, the Company will make other investments as allowed by the 1940 Act and consistent with its intention to qualify as a RIC.

B. HMS Adviser

The Company is managed by HMS Adviser, which is a Texas limited partnership. HMS Adviser is registered as an investment adviser under the Advisers Act. Under the terms of the investment advisory and administrative services agreement between the Company and HMS Adviser (as amended from time to time, the "***Advisory Agreement***"), HMS Adviser, among other things: (i) determines the composition and allocation of the Company's investment portfolio, the nature and timing of the changes therein and the manner of implementing such changes; (ii) identifies, evaluates and negotiates the structure of the investments the Company makes; (iii) executes and closes the acquisition of, and monitors and services, the Company's investments; (iv) determines the securities and other assets that the Company will purchase, retain, or sell; (v) performs due diligence on prospective investments and portfolio companies; (vi) provides the Company with such other investment advisory, research and related services as the Company may, from time to time, reasonably request or require for the investment of the Company's funds; and (vii) provides significant managerial assistance to those portfolio companies to which the Company is required as a business development company to provide such assistance under the 1940 Act, including utilizing appropriate personnel of HMS Adviser to, among other things, monitor the operations of the Company's portfolio companies, participate in board and management meetings, consult with and advise officers of portfolio companies and provide other organizational and financial consultation. The Advisory Agreement permits HMS Adviser to delegate some or all of its responsibilities to a sub-adviser except approval of investments. All investment decisions made by HMS Adviser require the approval of its investment committee. No employee or representative of MSCC or Partners serves or will serve on the investment committee of HMS Adviser, and HMS Adviser and its investment committee are in all other respects completely independent of MSCC.

C. MSCC

MSCC was organized under the General Corporation Law of the State of Maryland on March 9, 2007 for the purpose of operating as an internally-managed, non-diversified, closed-end management investment company that has elected to be regulated as a business development company under the 1940 Act. In addition, MSCC has made an election to be treated for tax purposes as a RIC under the Code, and intends to continue to make such election in the future. MSCC has a six-member board of directors (collectively, the "***MSCC Board***"), of which four members are Independent Directors.

⁴ As used in this Application, the term “Investing BDC Board” means the board of directors of an Investing BDC (i.e., the Company Board or the MSCC Board, as applicable).

6

MSCC's common stock is registered under Section 12(b) of the 1934 Act. Accordingly, MSCC is subject to the periodic reporting requirements under Section 13(a) of the 1934 Act. MSCC's common stock trades on the New York Stock Exchange under the ticker symbol "MAIN." In addition, MSCC is a registered investment adviser under the Advisers Act.

MSCC is a principal investment firm that provides long-term debt and equity capital to lower middle market companies and debt capital to middle market companies. MSCC's portfolio investments are typically made to support management buyouts, recapitalizations, growth financings, refinancings and acquisitions of companies that operate in diverse industry sectors. MSCC seeks to partner with entrepreneurs, business owners and management teams and generally provides "one stop" financing alternatives within its lower middle market portfolio. MSCC's lower middle market companies generally have annual revenues between \$10 million and \$150 million. MSCC's middle market debt investments are made in businesses that are generally larger in size than its lower middle market portfolio companies. As of March 31, 2013, MSCC had debt and equity portfolio investments with an aggregate fair value of \$985.5 million, including investments in customized lower middle market securities with an aggregate fair value of approximately \$520.3 million in 57 portfolio companies and investments in over-the-counter securities with an aggregate fair value of approximately \$436.4 million in 90 portfolio companies. MSCC's principal place of business is 1300 Post Oak Boulevard, Suite 800, Houston, TX 77056.

MSCC acts as the Company's investment sub-adviser pursuant to the sub-advisory agreement among the Company, HMS Adviser, MSCC and Partners (as amended from time to time, the "**Sub-Advisory Agreement**") and is not otherwise affiliated with the Company or HMS Adviser. Pursuant to the Sub-Advisory Agreement, MSCC: (i) makes recommendations to HMS Adviser as to the allocation of the Company's investment portfolio among various types of securities, the nature and timing of the changes therein and the manner of implementing such changes; (ii) identifies, evaluates, recommends to HMS Adviser, and, if approved by HMS Adviser, negotiates the structure and terms of the investments the Company makes; (iii) assists HMS Adviser in executing and closing the acquisition and disposition of the Company's investments; (iv) makes recommendations to HMS Adviser with respect to the securities and other assets that the Company will purchase, retain, or sell; (v) monitors the Company's investment portfolio and make recommendations regarding ongoing portfolio management; and (vi) performs, or causes to be performed, due diligence procedures and provide due diligence information on prospective investments. While MSCC will be primarily responsible for initially identifying, evaluating, negotiating and structuring the Company's prospective investments, HMS Adviser has exclusive responsibility for approving the acquisition and disposition of the Company's investments, subject to the approval requirements by the Eligible Directors (as hereinafter defined) of the Company Board with respect to Co-Investment Transactions subject in each case to the oversight of the Company Board.

D. Partners

Partners, a wholly-owned subsidiary of MSCC, was formed in October 2002. All of MSCC's in-house investment professionals are employed by Partners. MSCC is registered as an

investment adviser under the Advisers Act and indicated in the Miscellaneous Section of Schedule D in the annual updating amendment to its Form ADV filed with the Commission that Partners is a “relying adviser” of MSCC. Applicants acknowledge that the Staff is not expressing, and do not request that the Staff express, any view with respect to Partners acting as a “relying adviser” of MSCC.”

E. SBIC Funds

MSCC directly owns 99.6% of SBIC Fund I in the form of limited partnership interests. Main Street Mezzanine Management, LLC (the “**General Partner**”), which is a wholly-owned subsidiary of MSCC, owns 0.4% of SBIC Fund I in the form of a general partnership interest.

SBIC Fund I was organized as a limited partnership under the laws of the state of Delaware on June 30, 2002, and received its license from the U.S. Small Business Administration (the “**SBA**”) on September 30, 2002 to operate as a small business investment company. Since SBIC Fund I’s inception, the General Partner has been the general partner of SBIC Fund I, and Partners has acted as SBIC Fund I’s manager and investment adviser. SBIC Fund I is not registered under the 1940 Act because it relies on the exclusion from the definition of “investment company” contained in Section 3(c)(7) of the 1940 Act.

MSCC directly owns 99.6% of SBIC Fund II in the form of limited partnership interests. Main Street Capital II GP, LLC (“**MSIIGP**”), which is a wholly-owned subsidiary of MSCC, owns 0.4% of SBIC Fund II in the form of a general partnership interest.

SBIC Fund II was organized as a limited partnership under the laws of the state of Delaware on June 30, 2005, and received its license from the SBA on January 19, 2006 to operate as a small business investment company. Thus, it is subject to the same regulatory scheme as SBIC Fund I. Like SBIC Fund I, SBIC Fund II relies on Section 3(c)(7) for an exclusion from the definition of “investment company” under the 1940 Act.

II. PROPOSED RELIEF FOR CO-INVESTMENT TRANSACTIONS BY THE COMPANY AND MSCC

A. Mechanics of the Co-Investment Program

As previously described, HMS Adviser serves as the Company's investment adviser and administrator, and HMS Sub-Adviser serves as the Company's sub-adviser. In these roles, HMS Adviser is responsible for the overall management of the Company's activities, and HMS Sub-Adviser is responsible for the day-to-day management of the Company's investment portfolio, in each case consistent with their fiduciary duties. HMS Adviser provides its investment advisory services and administrative services under the Advisory Agreement. HMS Sub-Adviser provides

⁵ Partners is a wholly-owned subsidiary of, and is controlled by, MSCC. Based on counsel's view that the facts relating to MSCC and Partners are consistent with the facts and policy reflected in the positions expressed by the SEC, MSCC and Partners believe that Partners is a "relying adviser" of MSCC, and, as such, MSCC and Partners together filed a single Form ADV. See SEC Staff Letter, American Bar Association, Business Law Section (January 18, 2012); SEC Staff Letter American Bar Association Subcommittee on Private Investment Entities (December 8, 2005); SEC No-Action Letter Richard Ellis, Inc. (September 17, 1981). Also, see footnote no. 2 above.

its investment advisory services under the Sub-Advisory Agreement. Importantly, the relationship between HMS Adviser and HMS Sub-Adviser is arm's length, and HMS Sub-Adviser may withdraw on 120 days' written notice. Although HMS Sub-Adviser will identify, determine the appropriateness of and recommend investments for the Company, the Sub-Advisory Agreement requires that, prior to any investment by the Company, HMS Sub-Adviser must present to HMS Adviser each investment that HMS Sub-Adviser determines is appropriate for, and seeks to recommend to, the Company, and HMS Adviser has the authority to approve or reject all investments proposed for the Company by HMS Sub-Adviser. Through this authority to approve or reject any investment proposed by HMS Sub-Adviser, HMS Adviser will have ultimate authority with respect to the Company's investments, subject in each case to the oversight of the Company Board.

HMS Sub-Adviser will generally originate and independently analyze the appropriateness of investments by the Company and MSCC. The Applicants expect that almost all investments that are appropriate investments for the Company should also be appropriate investments for MSCC, and vice versa, with limited exceptions based on Available Capital⁷, diversification, investment size, borrower and sponsor limitations and other relevant factors.

For each Potential Co-Investment Transaction that HMS Sub-Adviser determines is an appropriate investment for the Company, HMS Sub-Adviser shall provide to HMS Adviser, in advance, information about such transaction, and shall propose an allocation between each of the Investing BDCs for such transaction, which proposed allocation to the Company may be from 0% to 100% or anything in between, subject to the approval requirements by the Eligible Directors (as hereinafter defined) of each of the Investing BDC Boards with respect to each Co-Investment Transaction. HMS Adviser shall then evaluate whether the Potential Co-Investment Transaction fits within the Company's Objectives and Strategies, is appropriate from a size and risk standpoint based on the Company's Available Capital, is appropriately structured for co-investment by the Company and has undergone sufficient due diligence to justify approval by HMS Adviser. If HMS Adviser independently determines that the Potential Co-Investment as proposed by HMS Sub-Adviser is an appropriate investment for the Company, HMS Adviser will present the Potential Co-Investment Transaction to the Eligible Directors (as defined below) of the Company Board for their approval, as discussed below.

While it is currently anticipated that substantially all origination and evaluation of Potential Co-Investment Transactions will be conducted by HMS Sub-Adviser, nothing in the Advisory Agreement or the Sub-Advisory Agreement precludes HMS Adviser from independently identifying and evaluating a Potential Co-Investment Transaction. While the parties to this Application respectfully submit that it is unlikely that HMS Adviser will independently identify and evaluate transactions, in the event it does so, HMS Adviser will follow the same process for approval of Co-Investment Transactions as required to be followed by HMS Sub-Adviser hereunder. Neither Investing BDC will be obligated to invest, or co-invest, when investment opportunities are referred to them.

⁶ The Sub-Advisory Agreement may also be terminated by the Company through its board of directors or a vote of its stockholders in accordance with Section 15(a) of the 1940 Act.

⁷ “Available Capital” refers to the liquid assets not held for permanent investment, including bona fide uncalled capital commitments that can be called by the settlement date of the Co-Investment Transaction, cash, amounts that can currently be drawn down from lines of credit, and marketable securities held for short-term purposes.

For any Potential Co-Investment Transaction, the applicable Adviser will present the investment opportunity and the proposed allocation to the directors eligible to vote under section 57(o) of the 1940 Act (“*Eligible Directors*”) of each Investing BDC prior to any actual investment by an Investing BDC. A Co-Investment Transaction will be consummated only upon approval by a required majority of the Eligible Directors within the meaning of section 57(o) of the 1940 Act (“*Required Majority*”) of each Investing BDC. In determining whether to approve or disapprove a Potential Co-Investment Transaction, including the proposed allocation, each of the Investing BDC Boards will consider factors such as Available Capital, market conditions, regulatory, tax or legal considerations, transaction size, diversification, the originating party, investment concentrations and preferences, borrower and sponsor limitations and such other factors deemed relevant by the Investing BDC Boards. For the avoidance of doubt, the fact that a Required Majority of an Investment BDC Board does not approve a Potential Co-Investment Transaction on behalf of such Investing BDC will not preclude the other Investing BDC from investing in a Potential Co-Investment Transaction that it originates. No Independent Director will have any direct or indirect financial interest in any Co-Investment Transaction or any interest in any related portfolio company, other than through an interest (if any) in the securities of the Investing BDC.

To allow for an independent review of co-investment activities, the Eligible Directors of each Investing BDC will receive, on a quarterly basis, a record of all investments made by the other Investing BDC in Potential Co-Investment Transactions during the preceding quarter that: (1) were consistent with the applicable Investing BDC’s then-current Objectives and Strategies, and (2) were made available to the Investing BDC but were determined to not be appropriate for such Investing BDC by its respective Adviser. This record will include an explanation of why such investment was determined to not be appropriate for such Investing BDC.

All subsequent activity (i.e. exits or follow-on investments) in a Co-Investment Transaction will be made in accordance with the terms and conditions set forth in this Application.

The Co-Investment Program stipulates that the terms, conditions, price, class of securities, settlement date, and registration rights applicable to one Investing BDC’s purchase be the same as those applicable to the purchase by the other Investing BDC.

With respect to the pro rata dispositions and follow-on investments provided in conditions 7 and 8, an Investing BDC may participate in a pro rata disposition or follow-on investment without obtaining prior approval of the Required Majority of the Investing BDC, if, among other things: (i) the proposed participation of each Investing BDC in such disposition is proportionate to its outstanding investments in the issuer immediately preceding the disposition or follow-on investment, as the case may be; and (ii) the Investing BDC’s Board has approved the Investing BDC’s participation in pro rata dispositions and follow-on investments as being in the best interests of the Investing BDC. If the Investing BDC’s Board does not so approve, any such disposition or follow-on investment will be submitted to the Investing BDC’s Eligible Directors. The Investing BDC’s Board may at any time rescind, suspend or qualify its approval of pro rata dispositions and follow-on investments with the result that all dispositions and/or follow-on investments must be submitted to the Eligible Directors of the Investing BDC.

B. Reasons for Co-Investing

The business development company structure was created by Congress in 1980 to encourage investment in small- and middle-market companies in order to increase the flow of capital to small, growing businesses. Current credit market conditions have led to a decline in the availability of capital. Simultaneously, the market turbulence has created more opportunities for MSCC to make investments consistent with its investment objectives, allowing MSCC to focus on transactions where its competitive advantages are strongest and to potentially make larger investments.

In addition, increasing the opportunities available to the Company and MSCC with a co-investment structure would generate greater deal flow, broaden the market relationships of the Company and MSCC, and posture them to make the most attractive risk-adjusted investments and optimize performance of their portfolios. Enhanced selectivity and more favorable deal terms and structure could all potentially create enhanced value for stockholders of the Company and MSCC without exposing them to the types of abuses sought to be remedied by Section 57(a).

In addition, the Code imposes diversification requirements on companies, such as the Company and MSCC, that seek certain favorable tax treatment as RICs under Subchapter M of the Code. Consequently, in some circumstances, the Company and/or MSCC might not be able to commit to the entire amount of financing sought by a potential portfolio company. In such cases, the prospective portfolio companies would likely reject an offer of funding by MSCC due to its inability to commit the full amount of financing required by the prospective portfolio company in a timely manner (i.e., without the delay that typically would be associated with obtaining single-transaction exemptive relief from the Commission). Allowing for the types of transactions described in this Application will generate greater deal flow, broaden the market relationships of the Company and MSCC and allow them to be more selective in choosing their investments so that they can pursue the most attractive risk-adjusted investments and optimize their portfolios while at the same time meeting the requirements for taxation as a RIC. Enhanced selectivity and more favorable deal terms and structure would also likely lead to closer relationships between each of the Investing BDCs and their respective portfolio companies, all of which should create enhanced value for the Investing BDCs and their respective stockholders.

The Company Board believes that MSCC (through HMS Sub-Adviser), which is led by a team of dedicated and experienced investment professionals, is able to leverage MSCC's current investment platform, resources and existing relationships with financial sponsors, financial institutions, hedge funds and other investment firms to provide the Company with attractive investment opportunities. MSCC's management team includes a unique group of professionals with over 100 years of collective investment experience. The members of MSCC's investment team have broad investment backgrounds, with prior experience at private investment funds, investment banks and other financial services companies, and currently include nine certified public accountants and four chartered financial analysts. The Company and HMS Adviser expect

to leverage MSCC's expertise in analyzing, valuing, structuring, negotiating and closing transactions to offer customized financing solutions to lower middle market and middle market companies. The sub-advisory relationship with MSCC (through HMS Sub-Adviser) will afford the Company access to an established source of proprietary deal flow, which the Company and HMS Adviser believe represents a significant competitive advantage to the Company, and that such investments would be consistent with the investment objectives, investment policies, investment positions, investment strategies, investment restrictions, regulatory requirements, and other pertinent factors applicable to the Company. Additionally, MSCC will benefit from leveraging its investment platform by earning additional management and incentive fees pursuant to the Sub-Advisory Agreement by reason of the Company's participation in the Co-Investment Program. Thus, the Applicants believe that it will be advantageous for the Company and MSCC to co-invest with one another.

The ability to co-invest on the terms and conditions outlined in this Application would give the Investing BDCs greater flexibility to pursue attractive investments and greater diversity than would otherwise have been unavailable to either of the Investing BDCs alone. The Investing BDCs' compliance with the conditions set out in this Application including, without limitation, the requirement that each Co-Investment Transaction be approved by a Required Majority of each Investing BDC Board, ensures that all such Potential Co-Investment Transactions are "consistent with the provisions, policies, and purposes of the Act" and provide for participation by each of the Investing BDCs not "on a basis different from or less advantageous than that of other participants" while, in-turn, potentially benefiting the Investing BDCs' stockholders. The Co-Investment Program will be effected only if a Required Majority of each Investing BDC determines that it would be advantageous for the Investing BDC to invest in accordance with the Co-Investment Program, including for the reasons discussed above.

As discussed above, although HMS Sub-Adviser will be responsible for identifying and evaluating investment opportunities, providing due diligence information with respect to prospective investments, recommending investments to HMS Adviser and negotiating and structuring the Company's investments, HMS Adviser will oversee all investment activities and will be ultimately responsible for making all investment decisions with respect to the Company's investment portfolio. Given the absence of MSCC's or HMS Sub-Adviser's authority to bind the Company, on one hand, and the absence of an incentive on HMS Adviser's part to place the interests of MSCC above those of the Company, on the other hand, the Applicants submit that the conflict contemplated under the co-investment restrictions under the 1940 Act does not exist under the circumstances presented here. Unlike a traditional relationship between a fund and its investment adviser, HMS Sub-Adviser is not controlled or managed by insiders of the Company or HMS Adviser and has no authority or ability to bind the Company. Rather, in this instance, HMS Sub-Adviser recommends to HMS Adviser available investment opportunities on behalf of the Company. Thus, HMS Adviser does not have any conflict of interest when evaluating the investment opportunities proposed by HMS Sub-Adviser. Importantly, this fact considered in concert with the requirement of independent approval of each Co-Investment Transaction by the Required Majority of both of the Investing BDC Boards makes the co-investment relief requested by this Application unique among the requests for co-investment relief that the Staff has approved and should make the approval of this Application and the Order infinitely easier than previously approved co-investment applications given the absence of a conflict of interest by the investment adviser (i.e., HMS Adviser) that has the final approval right with respect to investments made by the Company.

C. Applicable Law

1. Sections 57(a)(4) and 57(i) of the 1940 Act, and Rule 17d-1 thereunder

Section 57(a)(4) makes it unlawful for any person who is related to a business development company in a manner described in Section 57(b), acting as principal, knowingly to effect any transaction in which the business development company (or a company controlled by such business development company) is a joint or a joint and several participant with that person in contravention of rules and regulations as the Commission may prescribe for the purpose of limiting or preventing participation by the business development company (or a controlled company) on a basis less advantageous than that of the other participant. Because the Commission has not adopted any rules expressly under Section 57(a)(4), Section 57(i) provides that the rules under Section 17(d) applicable to registered closed-end investment companies (e.g., Rule 17d-1) are, in the interim, deemed to apply to transactions subject to Section 57(a)⁸. Rule 17d-1, as made applicable to business development companies by Section 57(i), prohibits any person who is related to a business development company in a manner described in Section 57(b), as modified by Rule 57b-1, from acting as principal, from participating in, or effecting any transaction in connection with, any joint enterprise or other joint arrangement or profit-sharing plan in which the business development company (or a company controlled by such business development company) is a participant, unless an application regarding the joint enterprise, arrangement, or profit-sharing plan has been filed with the Commission and has been granted by an order entered prior to the submission of the plan or any modification thereof, to security holders for approval, or prior to its adoption or modification if not so submitted. In passing upon applications under Rule 17d-1, the Commission will consider whether the participation by a business development company (or a controlled company) in such joint transaction is consistent with the provisions, policies, and purposes of the 1940 Act and the extent to which such participation is on a basis different from or less advantageous than that of other participants.

2. Section 57(b) of the 1940 Act and Rule 57b-1 thereunder

Section 57(b), as modified by Rule 57b-1, specifies the persons to whom the prohibitions of Section 57(a)(4) apply. These persons include the following: (1) any director, officer, employee, or member of an advisory board of a business development company or any person (other than the business development company itself) who is, within the meaning of Section 2(a)(3)(C), an affiliated person of any such person; or (2) any investment adviser or promoter of, general partner in, principal underwriter for, or person directly or indirectly either controlling, controlled by, or under common control with a business development company (except the business development company itself and any person who, if it were not directly or indirectly controlled by the business development company, would not be directly or indirectly under the control of a person who controls the business development company), or any person who is, within the meaning of Section 2(a)(3)(C) or (D), an affiliated person of such person.

⁸ See Section 57(i) of the 1940 Act

13

Rule 57b-1 under the 1940 Act exempts certain persons otherwise related to a business development company in a manner described in Section 57(b)(2) of the 1940 Act from being subject to the prohibitions of Section 57(a). Specifically, this rule states that the provisions of Section 57(a) shall not apply to any person: (a) solely because that person is directly or indirectly controlled by a business development company, or (b) solely because that person is directly or indirectly controlling, controlled by, or under common control with a person described in (a) of the rule or is an officer, director, partner, copartner, or employee of a person described in (a) of the rule.

As discussed below, Section 2(a)(9) defines “control” as the power to exercise a controlling influence over the management or policies of a company, unless such power is solely the result of an official position with such company. The statute also sets forth the interpretation that any person who owns beneficially, either directly or through one or more controlled companies, more than 25 percent of the voting securities of a company shall be presumed to control such company; any person who does not so own more than 25 percent of the voting securities of a company shall be presumed not to control such company; and a natural person shall be presumed not to be a controlled person.

Sections 2(a)(3)(C) and (D) define an “affiliated person” of another person as: (C) any person directly or indirectly controlling, controlled by, or under common control with, such other person; (D) any officer, director, partner, copartner, or employee of such other person.

The Commission and the Staff have indicated on a number of occasions their belief that an investment adviser controls the fund that it advises, absent compelling evidence to the contrary.⁹ However, in the case where a fund is advised by a primary investment adviser and such investment adviser engages an investment sub-adviser, the determination that the fund is “controlled by” the sub-adviser requires a close examination of the particular relationship between the adviser and the sub-adviser, including an evaluation of the particular contractual provisions. As discussed above, under Section 2(a)(9) of the 1940 Act, control is presumed when a person owns beneficially, either directly or through one or more controlled companies, more than 25 percent of the voting securities of a company. HMS Adviser is 100% indirectly owned by Hines Interests Limited Partnership, Partners is 100% owned by MSCC, MSCC owns no interest in Hines Interests Limited Partnership, and Hines Interests Limited Partnership owns no interest in MSCC. Therefore, MSCC does not control the Company through ownership. Moreover, under Section 2(a)(9), control is present when a party has the power to exercise a controlling influence over the management or policies of a company, unless such power is solely the result of an official position with such company. In the case at hand, HMS Sub-Adviser is in contractual privity with HMS Adviser pursuant to the Sub-Advisory Agreement, which limits the role of HMS Sub-Adviser to those duties described in the Sub-Advisory Agreement. None of the duties described in the Sub-Advisory Agreement expressly or implicitly confer authority to HMS

No. IC-25259 (Nov. 8, 2001); *In re Steadman Security Corp.*, 46 S.E.C. 896, 920 n.81 (1977) (“[T]he investment adviser almost always controls the fund. Only in the very rare case where the adviser’s role is simply that of advising others who may or may not elect to be guided by his advice...can the adviser realistically be deemed not in control.”).

Sub-Adviser to change the Company's Objectives and Strategies, to make any investment decision on behalf of the Company or HMS Adviser, to make decisions with respect to leverage or capital raising or to do any other act that could be considered a controlling influence over the management or policies of the Company or HMS Adviser. The primary decision-making authority with respect to the investment activities of the Company rests with HMS Adviser, who serves pursuant to the Advisory Agreement under the oversight of the Company Board. Under the Sub-Advisory Agreement, HMS Sub-Adviser has no discretion to make investments on behalf of the Company or otherwise bind the Company to make an investment in any prospective portfolio company. The Applicants have determined that, because HMS Sub-Adviser does not control the Company through ownership and does not exercise investment discretion on behalf of the Company, HMS Sub-Adviser does not control the Company.

D. Need For Relief

Transactions effected as part of the Co-Investment Program would be prohibited by Section 57(a)(4) and Rule 17d-1 without a prior order of the Commission to the extent that each of the Company or MSCC falls within the category of persons described by Section 57(b), as modified by Rule 57b-1 thereunder, vis-à-vis MSCC or the Company, respectively. Section 57(b) applies to any investment adviser to a business development company, including a sub-adviser. Therefore, HMS Sub-Adviser (and MSCC or a Wholly-Owned Subsidiary of MSCC) could be deemed to be related to the Company in a manner described by Section 57(b) and therefore prohibited by Section 57(a)(4) and Rule 17d-1 from participating in the Co-Investment Program.¹⁰

E. Requested Relief

Accordingly, Applicants respectfully request an Order of the Commission, subject to the terms set forth in this Application, pursuant to Sections 57(i) and Rule 17d-1, to permit the Investing BDCs to participate in the Co-Investment Program. Applicants request that the requested order supersede and replace the Existing Order.

F. Precedents

The Commission has granted co-investment relief on numerous occasions in recent years.¹¹ Although the various precedents involve different co-investment scenarios, including

¹⁰ As discussed above, Applicants do not believe that HMS Sub-Adviser controls the Company. However, if HMS Sub-Adviser were deemed to control the Company, then the Company could be deemed to be controlled by MSCC (a business development company) and related to MSCC in a manner described by Section 57(b) and, therefore, prohibited by Section 57(a)(4) and Rule 17d-1 from participating in joint transactions with MSCC.

approval procedures, and presumptions for co-investment transactions to protect the interests of public investors in the business development company, than the one described in this Application, Applicants submit that the procedures set forth as conditions for the relief requested herein are consistent with the range of investor protection found in the cited orders. Applicants further submit that the involvement of a sub-adviser does not raise any legal or policy concerns that are different from those considered in the precedent applications because the Sub-Advisory Agreement requires HMS Sub-Adviser to present each proposed Co-Investment Transaction to HMS Adviser, which has ultimate authority with respect to the Company's investments, subject to receiving the requisite approval of the Company Board. In fact and as noted above, given the absence of MSCC's or, if and when the No-Action Relief or similar relief is granted, Partners' authority to bind the Company, on one hand, and the absence of an incentive on HMS Adviser's part to place the interests of MSCC above those of the Company, on the other hand, the Applicants submit that the conflict contemplated under the co-investment restrictions under the 1940 Act does not exist under the circumstances presented here. Unlike a traditional relationship between a fund and its investment adviser, HMS Sub-Adviser is not controlled or managed by insiders of the Company or HMS Adviser and has no authority or ability to bind the Company. Rather, in this instance, HMS Sub-Adviser recommends to HMS Adviser available investment opportunities on behalf of the Company. Thus, HMS Adviser does not have any conflict of interest when evaluating the investment opportunities proposed by HMS Sub-Adviser. As a result, this fact considered in concert with the requirement of independent approval of each Co-Investment Transaction by the Required Majority of both the Investing BDC Boards makes the co-investment relief requested by this Application unique among the requests for co-investment relief that the Staff has approved and should make the approval of this Application and the Order infinitely easier than previously approved co-investment applications given the absence of a conflict of interest by the investment adviser (i.e., HMS Adviser) that has the final approval right with respect to investments made by the Company.

G. Applicants' Legal Arguments

Rule 17d-1 was promulgated by the Commission pursuant to Section 17(d) and made applicable to business development companies by Section 57(i). Paragraph (a) of Rule 17d-1 permits an otherwise prohibited person, acting as principal, to participate in, or effect a transaction in connection with, a joint enterprise or other joint arrangement or profit-sharing plan in which a business development company is a participant if an application regarding the joint enterprise, arrangement, or profit-sharing plan has been filed with the Commission and has been granted by an order issued prior to the submission of such plan or any modification thereof to security holders for approval, or prior to its adoption or modification if not so submitted. Paragraph (b) of Rule 17d-1 states that in passing upon applications under that rule, the Commission will consider whether the participation by the investment company in such joint enterprise, joint arrangement, or profit-sharing plan on the basis proposed is consistent with the

provisions, policies, and purposes of the 1940 Act and the extent to which such participation is on a basis different from or less advantageous than that of other participants.

Applicants submit that the fact that a Required Majority of each Investing BDC will approve each Co-Investment Transaction before investment (except for certain dispositions or follow-on investments, as described in the conditions), and other protective conditions set forth in this Application, will ensure that each Investing BDC will be treated fairly and reasonably. The conditions to which the requested relief will be subject are designed to ensure that principals of the Advisers would not be able to favor either Investing BDC over the other through the allocation of investment opportunities between them. Because almost every attractive investment opportunity for one Investing BDC will also be an attractive investment opportunity for the other Investing BDC, Applicants submit that the Co-Investment Program presents an attractive alternative to the institution of some form of equitable allocation protocol for the allocation of 100% of individual investment opportunities to either of the Investing BDCs as opportunities arise. For each Potential Co-Investment Transaction, each Investing BDC will be offered the opportunity to participate in the Potential Co-Investment Transaction on the same terms and conditions and, if the aggregate amount recommended by the Advisers to be invested by the Investing BDCs exceeds the amount of the investment opportunity, the investment opportunity will be allocated between the Investing BDCs pro rata based on the ratio of each Investing BDC's Available Capital for investment in the asset class being allocated to the aggregated Available Capital for investment for the asset class being allocated of both Investing BDCs, up to the amount proposed to be invested by each. Each Investing BDC would have the ability to engage in follow-on investments in a fair manner consistent with the protections of the other conditions. Each Investing BDC would have the ability to participate on a proportionate basis, at the same price and on the same terms and conditions in any sale of a security purchased in a Co-Investment Transaction. Further, the terms and conditions proposed herein will ensure that all such transactions are reasonable and fair to each Investing BDC and do not involve overreaching by any person concerned, including the Advisers. Applicants submit that the Investing BDCs' participation in the Co-Investment Transactions will be consistent with the provisions, policies and purposes of the 1940 Act and on a basis that is not different from or less advantageous than that of the other.

Applicants believe that the proposed conditions discussed below will ensure the protections of the stockholders of Investing BDCs and compliance with the purposes and policies of the 1940 Act with respect to the Co-Investment Transactions. In particular, the conditions, as outlined below, would ensure that the Investing BDCs would only invest in investments that are appropriate to the interests of stockholders and the investment needs and abilities of each of the Investing BDCs, as applicable. In addition, each of the Investing BDCs would be able to invest on equal footing with each other, including identical terms, conditions, price, class of securities purchased, settlement date and registration rights.

H. Conditions

Applicants agree that any Order granting the requested relief will be subject to the following conditions:

1. Each time HMS Sub-Adviser considers a Potential Co-Investment Transaction for an Investing BDC that falls within the other Investing BDC's then-current Objectives and Strategies,^{1,2} the Adviser(s) to an Investing BDC will make an independent determination of the appropriateness of the investment for the Investing BDC in light of the Investing BDC's then-current circumstances. If HMS Adviser refers a Potential Co-Investment Transaction to HMS Sub-Adviser, HMS Sub-Adviser will make an independent determination of the appropriateness of the investment for MSCC in light of MSCC's then-current circumstances.

2. (a) If the Adviser(s) to an Investing BDC deems the Investing BDC's participation in any Potential Co-Investment Transaction to be appropriate for the Investing BDC, the Adviser(s) to the Investing BDC will then determine an appropriate level of investment for the Investing BDC.

(b) If the aggregate amount recommended by the Adviser(s) to an Investing BDC to be invested in the Potential Co-Investment Transaction, together with the amount proposed to be invested by the other Investing BDC, in the same transaction, exceeds the amount of the investment opportunity, the amount of the investment opportunity will be allocated between the Investing BDCs pro rata based on the ratio of each Investing BDC's Available Capital in the asset class being allocated to the aggregated Available Capital for the asset class being allocated of both Investing BDCs, up to the amount proposed to be invested by each. The Adviser(s) to an Investing BDC will provide the Eligible Directors of the Investing BDC, with information concerning each Investing BDC's Available Capital to assist the Eligible Directors with their review of the Investing BDC's investments for compliance with these allocation procedures.

(c) After making the determinations required in conditions 1 and 2(a), the Adviser(s) to an Investing BDC will distribute written information concerning the Potential Co-Investment Transaction, including the amount proposed to be invested by each Investing BDC, to the Eligible Directors of the Investing BDC for their consideration. The Investing BDCs will co-invest with one another only if, prior to participating in the Potential Co-Investment Transaction, a Required Majority of each Investing BDC concludes that:

(i) the terms of the Potential Co-Investment Transaction, including the consideration to be paid, are reasonable and fair and do not involve overreaching in respect of the Investing BDC or its stockholders on the part of any person concerned;

(ii) the Potential Co-Investment Transaction is consistent with:

(A) the interests of the Investing BDC's stockholders; and

(B) the Investing BDC's then-current Objectives and Strategies;

(iii) the investment by the other Investing BDC would not disadvantage the Investing BDC, and the participation of the Investing BDC is not on a basis different from or less advantageous than that of the other Investing BDC; provided, that if one Investing BDC but not

¹² "Objectives and Strategies" means an Investing BDC's investment objectives and strategies, as described in the Investing BDC's registration statement on Form N-2, other filings the Investing BDC has made with the Commission under the Securities Act of 1933, as amended (the "**1933 Act**"), or under the 1934 Act, as amended, and the Investing BDC's reports to stockholders.

the other gains the right to nominate a director for election to a portfolio company's board of directors or the right to have a board observer or any similar right to participate in the governance or management of the portfolio company, such event will not be interpreted to prohibit a Required Majority of the Investing BDC from reaching the conclusions required by this condition 2(c)(iii), if:

(A) the Eligible Directors of the Investing BDC will have the right to ratify the selection of such director or board observer, if any;

(B) the Adviser(s) to an Investing BDC agrees to, and does, provide periodic reports to the Board of the Investing BDC with respect to the actions of the director or the information received by the board observer or obtained through the exercise of any similar right to participate in the governance or management of the portfolio company; and

(C) any fees or other compensation that the Investing BDC or any affiliated person thereof, as applicable, receives in connection with the right of the Investing BDCs to nominate a director or appoint a board observer or otherwise to participate in the governance or management of the portfolio company will be shared proportionately between the Investing BDCs in accordance with the amount of each party's investment; and

(iv) the proposed investment by the Investing BDC would not benefit the other Investing BDC or any affiliated person of either of them (other than the parties to the Co-Investment Transaction), except (a) to the extent permitted by condition 13; (b) to the extent permitted by Section 57(k) of the 1940 Act; (c) indirectly, as a result of an interest in the securities issued by one of the parties to the Co-Investment Transaction; or (d) in the case of fees or other compensation described in condition 2(c)(iii)(C).

3. Each Investing BDC has the right to decline to participate in any Potential Co-Investment Transaction or to invest less than the amount proposed.

4. The Adviser(s) to an Investing BDC will present to the Board of the Investing BDC, on a quarterly basis, a record of all investments made by the other Investing BDC during the preceding quarter that fell within the Investing BDC's then-current Objectives and Strategies that were not made available to the Investing BDC, and an explanation of why the investment opportunities were not offered to the Investing BDC. All information presented to the Investing BDC Board under this condition will be kept for the life of the Investing BDC and at least two years thereafter, and will be subject to examination by the Commission and its staff.

5. Except for follow-on investments made in accordance with condition 8, an Investing BDC will not invest in reliance on the Order in any issuer in which the other Investing BDC or any affiliated person of the other Investing BDC is an existing investor.

6. An Investing BDC will not participate in any Potential Co-Investment Transaction unless the terms, conditions, price, class of securities to be purchased, settlement date, and registration rights will be the same for the Investing BDC as for the other Investing BDC. The grant to one Investing BDC, but not to the other, of the right to nominate a director for election to a portfolio company's board of directors, the right to have an observer on the board of directors or similar

rights to participate in the governance or management of the portfolio company will not be interpreted so as to violate this condition 6, if conditions 2(c)(iii)(A), (B) and (C) are met.

7. (a) If an Investing BDC elects to sell, exchange or otherwise dispose of an interest in a security that was acquired in a Co-Investment Transaction:

(i) The Adviser(s) to the Investing BDC will notify the other Investing BDC of the proposed disposition at the earliest practical time; and

(ii) The Adviser(s) to the Investing BDC will formulate a recommendation as to participation by the Investing BDC in the disposition.

(b) Each Investing BDC will have the right to participate in such disposition on a proportionate basis, at the same price and on the same terms and conditions as those applicable to the other Investing BDC.

(c) An Investing BDC may participate in such disposition without obtaining prior approval of a Required Majority of the Investing BDC if: (i) the proposed participation of each Investing BDC in such disposition is proportionate to its outstanding investments in the issuer immediately preceding the disposition; (ii) the Investing BDC Board has approved as being in the best interests of the Investing BDC the ability to participate in such dispositions on a pro rata basis (as described in greater detail in this Application); and (iii) the Investing BDC Board is provided on a quarterly basis with a list of all dispositions made in accordance with this condition. In all other cases, (i) the Adviser(s) to an Investing BDC will provide the Advisers' written recommendation as to the Investing BDC's participation in such disposition to the Eligible Directors of the Investing BDC and (ii) the Investing BDC will participate in such disposition solely to the extent that a Required Majority of the Investing BDC determines that it is in the Investing BDC's best interests.

(d) Each Investing BDC will bear its own expenses in connection with any such disposition.

8. (a) If an Investing BDC desires to make a "follow-on investment" (i.e., an additional investment in the same entity, including through the exercise of warrants or other rights to purchase securities of the issuer) in a portfolio company whose securities were acquired in a Co-Investment Transaction:

(i) The Adviser(s) to the Investing BDC will notify the other Investing BDC of the proposed follow-on investment at the earliest practical time; and

(ii) The Adviser(s) to the Investing BDC will formulate a recommendation as to participation by the Investing BDC in the follow-on investment.

(b) An Investing BDC may participate in such follow-on investment without obtaining prior approval of a Required Majority of the Investing BDC if: (i) the proposed participation of each Investing BDC in such follow-on investment is proportionate to its outstanding investments in the issuer immediately preceding the follow-on investment; (ii) the Investing BDC Board has approved as being in the best interests of the Investing BDC the ability to participate in such follow-on investment on a pro rata basis (as described in greater detail in this Application); and

(iii) the Investing BDC Board is provided on a quarterly basis with a list of all follow-on investments made in accordance with this condition. In all other cases, (i) the Adviser(s) to an Investing BDC will provide the Advisers' written recommendation as to the Investing BDC's participation in such follow-on investment to the Eligible Directors of the Investing BDC and (ii) the Investing BDC will participate in such follow-on investment solely to the extent that a Required Majority of the Investing BDC determines that it is in the Investing BDC's best interests.

(c) If, with respect to any follow-on investment: (i) the amount of the follow-on investment is not based on the Investing BDCs' outstanding investments in the issuer immediately preceding the follow-on investment; and (ii) the aggregate amount recommended by the Adviser(s) to an Investing BDC to be invested by the Investing BDCs in the same follow-on investment exceeds the amount of the opportunity; then the amount invested by each such party will be allocated between them pro rata based on the ratio of each Investing BDC's Available Capital for investment in the asset class being allocated to the aggregated Available Capital for investment for the asset class being allocated of both Investing BDCs, up to the amount proposed to be invested by each.

(d) The acquisition of follow-on investments as permitted by this condition will be considered a Co-Investment Transaction for all purposes and subject to the other conditions set forth in this application.

9. The Eligible Directors of each Investing BDC will be provided quarterly for review all information concerning Potential Co-Investment Transactions and Co-Investment Transactions, including investments made by the other Investing BDC that the Investing BDC considered but declined to participate in, so that the Eligible Directors may determine whether all investments made during the preceding quarter, including those investments that the Investing BDC considered but declined to participate in, comply with the conditions of the Order. In addition, the Eligible Directors of each Investing BDC will consider at least annually the continued appropriateness for the Investing BDC of participating in new and existing Co-Investment Transactions. All information presented to the Investing BDC Board under this condition will be kept for the life of the Investing BDC and at least two years thereafter, and will be subject to examination by the Commission and its staff.

10. Each Investing BDC will maintain the records required by Section 57(f)(3) of the 1940 Act as if each of the investments permitted under these conditions were approved by the Required Majority of the Investing BDC under Section 57(f).

11. No Independent Director of an Investing BDC will also be a director, general partner, managing member or principal, or otherwise an "affiliated person" (as defined in the 1940 Act), of the other Investing BDC.

12. The expenses, if any, associated with acquiring, holding or disposing of any securities acquired in a Co-Investment Transaction (including, without limitation, the expenses of the distribution of any such securities registered for sale

under the 1933 Act) will, to the extent not payable by the Advisers under an Investing BDC's investment advisory agreements, be shared

by the Investing BDCs with respect to a Co-Investment Transaction, in proportion to the relative amounts of the securities to be acquired or disposed of, as the case may be.

13. Any transaction fee (including break-up or commitment fees but excluding broker's fees contemplated by Section 57(k) of the 1940 Act) received in connection with a Co-Investment Transaction will be distributed to the Investing BDCs on a pro rata basis based on the amount they invested or committed, as the case may be, in such Co-Investment Transaction. If any transaction fee is to be held by an Adviser pending consummation of the transaction, the fee will be deposited into an account maintained by the Adviser at a bank or banks having the qualifications prescribed in Section 26(a)(1) of the 1940 Act, and the account will earn a competitive rate of interest that will also be divided pro rata between the Investing BDCs based on the amount they invest in the Co-Investment Transaction. No Investing BDC or any affiliated person of the Investing BDC will receive additional compensation or remuneration of any kind as a result of or in connection with a Co-Investment Transaction (other than (a) in the case of the Investing BDCs, the pro rata transaction fees described above and fees or other compensation described in condition 2(c)(iii)(C) and (b) in the case of the Advisers, investment advisory fees paid in accordance with the Investing BDC's investment advisory agreements).

14. The Advisers will each maintain written policies and procedures reasonably designed to ensure compliance with the foregoing conditions. These policies and procedures will require, among other things, that HMS Adviser will be notified of all Potential Co-Investment Transactions that fall within the Company's then-current Objectives and Strategies and will be given sufficient information to make its independent determination and recommendations under conditions 1, 2(a), 7 and 8.
