**QUESTIONS AND ANSWERS ABOUT THESE PROXY
MATERIALS**

Why did you furnish me this proxy statement?

This proxy statement and the enclosed proxy card are furnished in connection with the solicitation of proxies by the Board of Directors (the Board of Directors or Board) of Global Defense & National Security Systems, Inc., a Delaware corporation (the Company, we, us, and our), for use at the annual meeting of stockholders (the Annual Meeting) to be held on Wednesday, December 31, 2014 at 10:00 a.m., local time, at the offices of Morrison & Foerster LLP, located at 2000 Pennsylvania Avenue, N.W. Suite 6000, Room 5A, Washington, D.C. 20006, or at any adjournments or postponements thereof. This proxy statement summarizes the information that you need to make an informed decision on the proposals to be considered at the Annual Meeting. This proxy statement and the enclosed proxy card were first sent to the Company's stockholders on or about December 19, 2014.

What is included in these materials?

These materials include:

This Proxy Statement for the Annual Meeting; and
The Company's Annual Report on Form 10-K for the year ended December 31, 2013, as filed with the Securities and Exchange Commission (the "SEC") on March 14, 2014.

What proposals will be addressed at the Annual Meeting?

Stockholders will be asked to consider the following proposals at the Annual Meeting:

1. To elect seven directors to serve on the Board until the 2015 annual meeting of stockholders or until their successors are elected and qualified;
 2. To ratify the selection by our Audit Committee of KPMG LLP to serve as our independent registered public accounting firm for fiscal year 2014;
 3. To hold an advisory vote on compensation to our named executive officers; and
 4. To hold an advisory vote on the frequency of future advisory votes on executive compensation.
- We will also consider any other business that properly comes before the Annual Meeting.

How does the Board of Directors recommend that I vote?

Our Board of Directors unanimously recommends that stockholders vote **FOR** each nominee for Director, **FOR** the ratification of the selection of KPMG LLP as our independent registered public accounting firm, **FOR** the approval of compensation to named executive officers and every **THREE YEARS** for frequency of future stockholder advisory votes on executive compensation.

Who may vote at the Annual Meeting of stockholders?

Stockholders who owned shares of the Company's common stock, par value \$.0001 per share, as of the close of business on December 17, 2014 (the "Record Date") are entitled to vote at the Annual Meeting.

As of the Record Date, there were 9,624,725 issued and outstanding shares of common stock.

TABLE OF CONTENTS

How many votes must be present to hold the Annual Meeting?

Your shares are counted as present at the Annual Meeting if you attend the Annual Meeting and vote in person, if you properly submit your proxy or if your shares are registered in the name of a bank or brokerage firm and you do not provide voting instructions and such bank or broker casts a vote on the ratification of accountants. In order for us to conduct the Annual Meeting, a majority of our outstanding shares of common stock as of December 17, 2014 must be present at the Annual Meeting. This is referred to as a quorum. On December 17, 2014, there were 9,624,725 shares of common stock outstanding and entitled to vote.

How many votes do I have?

Each share of common stock is entitled to one vote on each matter that comes before the Annual Meeting. Information about the stock holdings of our directors and executive officers is contained in the section of this Proxy Statement entitled *Other Information* *Principal Stockholders* beginning on page 16.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Stockholder of Record. If your shares are registered directly in your name with the Company's transfer agent, American Stock Transfer & Trust Company, you are considered the stockholder of record with respect to those shares, and the proxy materials were sent directly to you by the Company.

Beneficial Owner of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the beneficial owner of shares held in street name, and the proxy materials were forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. Those instructions are contained in a vote instruction form.

What is the proxy card?

The proxy card enables you to appoint Dale R. Davis, our Chief Executive Officer, as your representative at the Annual Meeting. By completing and returning the proxy card, you are authorizing Mr. Davis to vote your shares at the Annual Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, it is strongly recommended you complete and return your proxy card before the Annual Meeting date just in case your plans change. If a proposal comes up for vote at the Annual Meeting that is not on the proxy card, the proxies will vote your shares, under your proxy, according to their best judgment.

If I am a stockholder of record of the Company's shares, how do I vote?

There are three ways to vote:

In person. If you are a stockholder of record, you may vote in person at the Annual Meeting. The Company will give you a ballot when you arrive.

By Internet. You may vote your shares at www.voteproxy.com.

By Mail. You may vote by proxy by filling out the proxy card and sending it back in the envelope provided.

If I am a beneficial owner of shares held in street name, how do I vote?

There are two ways to vote:

In person. If you are a beneficial owner of shares held in street name and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from the brokerage firm, bank, broker-dealer or other similar organization that holds your shares. Please contact that organization for instructions regarding obtaining a legal proxy.

By Internet. You may vote your shares at www.voteproxy.com.

By Mail. You may vote by proxy by filling out the vote instruction form and sending it back in the envelope provided by your brokerage firm, bank, broker-dealer or other similar organization that holds your shares.

2

TABLE OF CONTENTS

Will my shares be voted if I do not provide my proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy.

Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms generally have the authority to vote customers' unvoted shares on certain routine matters, including the ratification of accountants. At the Annual Meeting, these shares will be counted as voted by the brokerage firm in the ratification of accountants.

Brokers are prohibited from exercising discretionary authority on non-routine matters. Proposals one, two, three and four are considered non-routine matters, and therefore brokers cannot exercise discretionary authority regarding these proposals for beneficial owners who have not returned proxies to the brokers (so-called broker non-votes). In the case of broker non-votes, and in cases where you abstain from voting on a matter when present at the Annual Meeting and entitled to vote, those shares will still be counted for purposes of determining if a quorum is present.

What vote is required to elect directors?

Directors are elected by a plurality of the votes cast at the Annual Meeting. Shares not voted on the election of directors will have no effect on the vote for election of directors.

What vote is required to ratify the selection by our Audit Committee of KPMG LLP as our independent registered public accounting firm?

Approval of the proposal to ratify the selection of KPMG LLP as our independent registered public accounting firm requires the affirmative vote of the majority of the shares present in person or by proxy and entitled to vote on the matter at the Annual Meeting. An abstention will be counted as a vote against this proposal.

What vote is required to approve the advisory vote on executive compensation?

Approval of the advisory vote on executive compensation requires the affirmative vote of a majority of the shares present in person or by proxy and entitled to vote on the matter at the Annual Meeting. Because this vote is advisory, it will not be binding on the Compensation Committee or the Company. However, the Compensation Committee will review the voting results and take them into consideration when making future decisions regarding executive compensation.

What vote is required to determine the frequency of future advisory votes on executive compensation?

In the case of the proposal to determine the frequency of future stockholder advisory votes on executive compensation, the frequency that receives the highest number of votes cast will be deemed to be the frequency selected by stockholders. Because this vote is advisory, it will not be binding on the Board or the Company. However,

the Board will review the voting results and take them into consideration when making a decision regarding the frequency of future votes on executive compensation.

Can I change my vote after I have voted?

You may revoke your proxy and change your vote at any time before the final vote at the Annual Meeting. You may vote again by signing and returning a new proxy card or vote instruction form with a later date or by attending the Annual Meeting and voting in person if you are a stockholder of record. However, your attendance at the Annual Meeting will not automatically revoke your proxy unless you vote again at the Annual Meeting or specifically request that your prior proxy be revoked by delivering to the Company's Secretary at 11921 Freedom Drive, Suite 550, Two Fountain Square, Reston, Virginia 20190, a written notice of revocation prior to the Annual Meeting.

Please note, however, that if your shares are held of record by a brokerage firm, bank or other nominee, you must instruct your broker, bank or other nominee that you wish to change your vote by following the procedures on the voting form provided to you by the broker, bank or other nominee. If your shares are held in street name, and you wish to attend the Annual Meeting and vote at the Annual Meeting, you must bring to the Annual Meeting a legal proxy from the broker, bank or other nominee holding your shares, confirming your beneficial ownership of the shares and giving you the right to vote your shares.

TABLE OF CONTENTS

What happens if I do not indicate how to vote my proxy?

If you just sign your proxy card without providing further instructions, your shares will be voted **FOR** for all the director nominees and the proposals being placed before our stockholders at the Annual Meeting and **THREE YEARS** on the frequency of future advisory votes on executive compensation.

Is my vote kept confidential?

Proxies, ballots and voting tabulations identifying stockholders are kept confidential and will not be disclosed except as may be necessary to meet legal requirements.

Where do I find the voting results of the Annual Meeting?

We will announce voting results at the Annual Meeting. The final voting results will be tallied by the inspector of election and published in the Company's Current Report on Form 8-K, which the Company is required to file with the SEC within four business days following the Annual Meeting.

Who bears the cost of soliciting proxies?

The Company will bear the cost of soliciting proxies in the accompanying form and will reimburse brokerage firms and others for expenses involved in forwarding proxy materials to beneficial owners or soliciting their execution. In addition to solicitations by mail, the Company, through its directors and officers, may solicit proxies in person, by telephone or by electronic means. Such directors and officers will not receive any special remuneration for these efforts.

Who can help answer my questions?

You can contact our Secretary, Frederic Cassis, at (202) 800-4333 or by sending a letter to Frederic Cassis at the offices of the Company at 11921 Freedom Drive, Suite 550, Two Fountain Square, Reston, Virginia 20190 with any questions about the proposals described in this proxy statement or how to execute your vote.

TABLE OF CONTENTS

THE ANNUAL MEETING

We are furnishing this proxy statement to you as a stockholder of Global Defense & National Security Systems, Inc. as part of the solicitation of proxies by our Board for use at our Annual Meeting to be held on Wednesday, December 31, or any adjournment or postponement thereof.

Date, Time, Place and Purpose of the Annual Meeting

The Annual Meeting will be held at the offices of Morrison & Foerster LLP, located at 2000 Pennsylvania Avenue, N.W. Suite 6000, Room 5A, Washington, D.C. 20006, on Wednesday, December 31, at 10:00 a.m., local time. You are cordially invited to attend the Annual Meeting, at which stockholders will be asked to consider and vote upon the following proposals, which are more fully described in this proxy statement:

To elect seven directors to serve on the Board until the 2015 annual meeting of stockholders or until their successors are elected and qualified;

To ratify the selection by our Audit Committee of KPMG LLP to serve as our independent registered public accounting firm for fiscal year 2014;

To hold an advisory vote on compensation to our named executive officers; and

To hold an advisory vote on the frequency of future advisory votes on executive compensation.

Record Date, Voting and Quorum

Our Board fixed the close of business on December 17, 2014, as the Record Date for the determination of holders of our outstanding common stock entitled to notice of and to vote on all matters presented at the Annual Meeting. As of the record date, there were 9,624,725 shares of common stock issued and outstanding and entitled to vote. Each share of common stock entitles the holder thereof to one vote.

The holders of common stock entitled to cast a majority of all votes that could be cast by the holders of all of the outstanding common stock, present in person or represented by proxy at the Annual Meeting, constitute a quorum.

Required Vote

The affirmative vote of a plurality of the votes cast at the Annual Meeting by the holders of common stock entitled to vote in the election directors is required to elect directors.

The approval of the proposal to ratify the selection of KPMG LLP as our independent registered public accounting firm requires the affirmative vote of a majority of the common stock present in person or represented by proxy and entitled to vote on this matter at the Annual Meeting.

The approval on an advisory basis of the compensation to our named executive officers requires the affirmative vote of a majority of the common stock present in person or represented by proxy and entitled to vote on this matter at the Annual Meeting.

In the case of the proposal to determine the frequency of future stockholder advisory votes on executive compensation, the frequency that receives the highest number of votes cast at the Annual Meeting will be deemed to be the frequency selected by stockholders.

Voting

You can vote your shares at the Annual Meeting by proxy or in person.

You can vote by proxy by having one or more individuals who will be at the Annual Meeting vote your shares for you. These individuals are called proxies and using them to cast your ballot at the Annual Meeting is called voting by proxy.

If you wish to vote by proxy, you must complete the enclosed form, called a proxy card, and mail it in the envelope provided.

5

TABLE OF CONTENTS

If you complete the proxy card as described above, you will designate our Chief Executive Officer to act as your proxy at the Annual Meeting. He will then vote your shares at the Annual Meeting in accordance with the instructions you have given him through the proxy card or voting instructions, as applicable, with respect to the proposals presented in this proxy statement. Proxies will extend to, and be voted at, any adjournment(s) or postponement(s) of the Annual Meeting.

Alternatively, you can vote your shares in person by attending the Annual Meeting. You will be given a ballot at the meeting.

While we know of no other matters to be acted upon at this year's Annual Meeting, it is possible that other matters may be presented at the Annual Meeting. If that happens and you have signed and not revoked a proxy card, your proxy will vote on such other matters in accordance with the best judgment of Mr. Davis.

A special note for those who plan to attend the Annual Meeting and vote in person: if your shares are held in the name of a broker, bank or other nominee, you must bring a statement from your brokerage account or a letter from the person or entity in whose name the shares are registered indicating that you are the beneficial owner of those shares as of the record date. In addition, you will not be able to vote at the Annual Meeting unless you obtain a legal proxy from the record holder of your shares.

Our Board is asking for your proxy. Giving the Board your proxy means you authorize it to vote your shares at the Annual Meeting in the manner you direct. You may vote for or withhold your vote for each nominee or proposal or you may abstain from voting. All valid proxies received prior to the Annual Meeting will be voted. All shares represented by a proxy will be voted, and where a stockholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specification so made. If no choice is indicated on the proxy, the shares will be voted **FOR** the election of each nominee for Director, **FOR** the ratification of the selection of KPMG LLP as our independent registered public accounting firm, **FOR** the approval on an advisory basis of the compensation to our named executive officers and **THREE YEARS** on the frequency of future votes on executive compensation and as the proxy holders may determine in their discretion with respect to any other matters that may properly come before the Annual Meeting.

Stockholders who have questions or need assistance in completing or submitting their proxy cards should contact our Secretary, Frederic Cassis, at (202) 800-4333.

Stockholders who hold their shares in street name, meaning the name of a broker or other nominee who is the record holder, must either direct the record holder of their shares to vote their shares or obtain a legal proxy from the record holder to vote their shares at the Annual Meeting.

Revocability of Proxies

Any proxy may be revoked by the person giving it at any time before the polls close at the Annual Meeting. A proxy may be revoked by filing with our Secretary (Global Defense & National Security Systems, Inc., 11921 Freedom Drive, Suite 550, Two Fountain Square, Reston, Virginia 20190) either (i) a written notice of revocation bearing a date later than the date of such proxy or (ii) a subsequent proxy relating to the same shares, or (iii) by attending the Annual Meeting and voting in person.

Simply attending the Annual Meeting will not constitute revocation of your proxy. If your shares are held in the name of a broker or other nominee who is the record holder, you must follow the instruction of your broker or other

nominee to revoke a previously given proxy.

Attendance at the Annual Meeting

Only holders of common stock, their proxy holders and guests we may invite may attend the Annual Meeting. If you wish to attend the Annual Meeting in person but you hold your shares through someone else, such as a broker, you must bring proof of your ownership and identification with a photo at the Annual Meeting. For example, you may bring an account statement showing that you beneficially owned shares of Global Defense & National Security Systems, Inc. as of the record date as acceptable proof of ownership.

Solicitation of Proxies

The cost of preparing, assembling, printing and mailing this proxy statement and the accompanying form of proxy, and the cost of soliciting proxies relating to the Annual Meeting, will be borne by the Company. We have hired D.F. King & Co., Inc. (D.F. King) to help us send out the proxy materials and to ask for proxies. In connection with its retention by us, D.F. The solicitation of proxies by mail may be supplemented by telephone, telegram and personal solicitation by officers, directors and other employees of the Company, but no additional compensation will be paid to such individuals.

No Right of Appraisal

Neither Delaware law nor our amended and restated Certificate of Incorporation provide for appraisal or other similar rights for dissenting stockholders in connection with any of the proposals to be voted upon at the Annual Meeting. Accordingly, our stockholders will have no right to dissent and obtain payment for their shares.

Other Business

We are not currently aware of any business to be acted upon at the Annual Meeting other than the matters discussed in this proxy statement. The form of proxy accompanying this proxy statement confers discretionary authority upon the named proxy holders with respect to amendments or variations to the matters identified in the accompanying Notice of Annual Meeting and with respect to any other matters which may properly come before the Annual Meeting. If other matters do properly come before the Annual Meeting, or at any adjournment(s) or postponement(s) of the Annual Meeting, we expect that shares of our common stock, represented by properly submitted proxies will be voted by the proxy holders in accordance with the recommendations of our Board.

The Nominating Committee may require certain skills or attributes, such as financial or accounting experience, to meet specific board needs that arise from time to time and will also consider the overall experience and makeup of its members to obtain a broad and diverse mix of board members. The Nominating Committee does not distinguish among nominees recommended by stockholders and other persons.

Board Leadership Structure and Role in Risk Oversight

Currently, we have different persons serving as our Chief Executive Officer and Chairman of the Board. Our amended and restated certificate of incorporation provides that the Chairman of the Board shall be the Chief Executive Officer of the Company, unless the Board designates the President as the Chief Executive Officer. The Board has designated Mr. Davis as President and Chief Executive Officer. Mr. Perl is our current Chairman of the Board. Our Board of Directors believes the Company and its stockholders are well-served by this flexible leadership structure and that the combination or separation of these positions should continue to be considered on an ongoing basis.

The Board is actively involved in overseeing our risk management processes. The Board focuses on our general risk management strategy and ensures that appropriate risk mitigation strategies are implemented by management. Further, operational and strategic presentations by management to the Board include consideration of the challenges and risks of our business, and the Board and management actively engage in discussion on these topics. In addition, each of the Board's committees considers risk within its area of responsibility. For example, the Audit Committee provides oversight to legal and compliance matters and assesses the adequacy of our risk-related internal controls. The Compensation Committee considers risk and intends to structure our executive compensation programs to provide incentives to reward appropriately executives for growth without undue risk taking.

Director Recommendations and Nominations

The independent directors of the Board are currently responsible for assembling and maintaining a list of qualified candidates to serve on the Board, and it periodically reviews this list and researches the talent, skills, expertise, and general background of these candidates. The Board will from time to time review and consider candidates recommended by stockholders. Stockholder recommendations should be submitted in writing to: Global Defense & National Security Systems, Inc., 11921 Freedom Drive, Suite 550, Two Fountain Square, Reston, Virginia 20190, Attention: Frederic Cassis, Secretary.

Whether recommended by a stockholder or chosen by the independent directors, a candidate will be selected for nomination based on his or her talents and the needs of the Board. Although the Board does not have a formal diversity policy, it is expected that the independent directors will consider such factors as they deem appropriate to assist in developing a Board and committees that are diverse in nature and comprised of experienced and seasoned advisors. These factors may include decision-making ability, judgment, personal integrity and reputation, experience with businesses and other organizations of comparable purpose and size, experience as an executive with a publicly traded company, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. Director candidates are evaluated in view of the criteria described above, as well as other factors deemed to be relevant by the Board, through reviews of biographical and other information, input from others, including members of the Board and executive officers of the Company, and personal discussions with the candidate when warranted by the results of these other assessments.

Procedures for Contacting Directors

The Board has established a process for stockholders to send communications to the Board. Stockholders may communicate with the Board generally or a specific director at any time by writing to the Company's Secretary, Global Defense & National Security Systems, Inc., 11921 Freedom Drive, Suite 550, Two Fountain Square, Reston, Virginia 20190, Attention: Frederic Cassis, Secretary. We review all messages received, and forward any message that reasonably appears to be a communication from a stockholder about a matter of stockholder interest that is intended

for communication to the Board. Communications are sent as soon as practicable to the director to whom they are addressed, or if addressed to the Board generally, to the Chairman of the Board. Because other appropriate avenues of communication exist for matters that are not of stockholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of stockholder interest are not forwarded to the Board.

TABLE OF CONTENTS

Code of Conduct and Ethics

We have adopted a code of ethics that applies to all of our directors, executive officers and employees that complies with the rules and regulations of the Nasdaq. The code of ethics codifies the business and ethical principles that govern all aspects of our business.

Executive Compensation

No executive officer has received any cash compensation for services rendered to us. No compensation of any kind, including finder's fees, consulting fees or other similar compensation, will be paid to any of our officers, directors, founders or any of their respective affiliates, prior to or in connection with a business combination. However, such individuals and entities are being reimbursed for any out-of-pocket expenses incurred in connection with activities on our behalf such as identifying potential target acquisitions and performing due diligence on suitable business combinations. There is no limit on the amount of these out-of-pocket expenses and there will be no review of the reasonableness of the expenses by anyone other than our Audit Committee, which includes persons who may seek reimbursement, or a court of competent jurisdiction if such reimbursement is challenged. Because of the foregoing, we will generally not have the benefit of independent directors examining the propriety of expenses incurred on our behalf and subject to reimbursement.

After our initial business combination, members of our management team who remain with us may be paid consulting, management or other fees from the combined company with any and all amounts being fully disclosed to stockholders, to the extent then known, in the proxy solicitation materials furnished to our stockholders. It is unlikely the amount of such compensation will be known at the time of a stockholder meeting held to consider our initial business combination, as it will be up to the directors of the post-combination business to determine executive and director compensation. In this event, such compensation will be publicly disclosed at the time of its determination in a Current Report on Form 8-K, as required by the SEC.

In order to finance transaction costs in connection with an intended initial business combination, Global Defense & National Security Holdings, LLC (our Sponsor), officers, directors or their affiliates may, but are not obligated to, loan us funds as may be required. If we consummate an initial business combination, we would repay such loaned amounts (subject to any conversion thereof). In the event that the initial business combination does not close, we may use a portion of the working capital held outside the Trust Account in which the proceeds of our initial public offering and private placement of shares were placed (the Trust Account) to repay such loaned amounts, but no proceeds from our Trust Account would be used for such repayment.

In July 2013, the Company issued 2,003,225 shares of common stock to the Sponsor (the Sponsor's Shares) for an aggregate purchase price of \$25,000.

As of December 17, 2014, our Sponsor has advanced us a total of \$1,406,636 which has been used for the payment of operating expenses and costs associated with the public offering.

On May 15, 2014, the Company issued a non-interest bearing convertible promissory note to the Sponsor amounting to \$1,263,263, of which the proceeds of \$1,000,000 will be used as working capital in order to finance transaction costs in connection with an intended initial business combination and \$263,263 was used

to pay operating costs incurred in the period from inception through March 31, 2014. For the three-month period ended September 30, 2014, the Sponsor has paid operating costs amounting to \$40,770, which the Company recorded as due to affiliate in the accompanying condensed balance sheets. There were no similar payments for the same period ended September 30, 2013. The convertible note is due on the earlier of (1) July 24, 2015, or (2) immediately following the consummation of the initial business combination. At the Sponsor's election, following the consummation of a business combination, the note will convert into common stock at the greater of (1) \$10.00 per share, and (2) the 30 day trailing average of the closing price per share.

Simultaneously with the closing of the Company's initial public offering, the Company completed the private sale of 721,500 shares of common stock (the Private Placement Shares) at a purchase price of \$10.00 per Private Placement Share (including 76,500 shares from exercising of the over-allotment), to the Company's Sponsor, generating gross proceeds to the Company of \$7,215,000 (including additional an \$76,500 as a result of the over-allotment being exercised). The Private Placement Shares are identical to the shares sold in the Company's initial public offering, except that the Sponsor has agreed (1) to vote the Private Placement Shares in favor of any proposed business combination, and (2) not to convert any Private Placement Shares in connection with a stockholder vote to approve any proposed initial business combination or to sell any Private Placement Shares to the Company pursuant to any tender offer in connection with any proposed initial business combination. Additionally, the Sponsor has agreed not to transfer, assign or sell any of the Private Placement Shares (except to certain permitted transferees) until 30 days after the completion of the Company's initial business combination.

The Sponsor's Shares are identical to the shares sold in the Company's initial public offering (the Public Shares), except that (1) the Sponsor's Shares are subject to certain transfer restrictions, as described in more detail below, and (2) our Sponsor has agreed: (i) to waive its redemption rights with respect to its Sponsor's Shares, Private Placement Shares and Public Shares in connection with the consummation of a business combination and (ii) to waive its redemption rights with respect to its Sponsor's Shares and Private Placement Shares if we fail to consummate a business combination within 21 months from the date of our prospectus (October 24, 2013). However, our Sponsor will be entitled to redemption rights with respect to any Public Shares it holds if we fail to consummate a business combination within such time period. If we submit our initial business combination to our public stockholders for a vote, our Sponsor has agreed to vote its Sponsor's Shares, Private Placement Shares and any Public Shares held in favor of our initial business combination.

The Sponsor has agreed to waive its pro rata share of the aggregate amount then on deposit in the Trust Account (net of taxes payable) with respect to the Sponsor's Shares and Private Placement Shares (i) in connection with the closing of a business combination, (ii) if we fail to close our initial business combination within 21 months of the date of the Company's prospectus (October 24, 2013) (iii) in connection with an expired or unwithdrawn tender offer, and (iv) upon our liquidation prior to the expiration of the 21 month period. However, if our Sponsor should acquire Public Shares after the IPO, it will be entitled to a pro rata share of the aggregate amount then on deposit in the Trust Account (net of taxes payable) with respect to such Public Shares if we fail to close a business combination within the required time period. If we submit our initial business combination to our public stockholders for a vote, our Sponsor has agreed to vote its Sponsor's Shares, Private Placement Shares and any Public Shares held in favor of our initial business combination.

All of the Sponsor's Shares have been placed in escrow with American Stock Transfer & Trust Company, as escrow agent. Of the total Sponsor's Shares, 50% of such shares will be released from escrow six months after the closing of the business combination. The remaining 50% of the Sponsor's Shares will be released from escrow one year after the closing of the business combination.

The Sponsor will be entitled to registration rights pursuant to a registration rights agreement. The Sponsor is entitled to demand registration rights and certain piggy-back registration rights with respect to its shares of common stock commencing on the date such common stock is released from lockup. The Company will bear the expenses incurred in connection with the filing of any such registration statements.

On the date that our securities were first listed on the Nasdaq, October 24, 2013, we agreed to pay our Sponsor a total of \$10,000 per month for office space, administrative services and secretarial support. This

arrangement was agreed to by our Sponsor for our benefit and is not intended to provide our Sponsor compensation in lieu of salary or other remuneration. We believe that such fees are at least as favorable as we could have obtained from an unaffiliated person. Upon consummation of our initial business combination or our liquidation, we will cease paying these monthly fees.

All ongoing and future transactions between us and any of our officers and directors and their respective affiliates, including loans by our officers and directors, will be on terms believed by us to be no less favorable than are available from unaffiliated third parties. Such transactions or loans, including any forgiveness of loans, will require prior approval by a majority of our disinterested independent directors (to the extent we have any) or the members of our Board who do not have an interest in the transaction, in either case who had access, at our expense, to our attorneys or independent legal counsel. We will not enter into any such transaction unless our disinterested independent directors (or, if there are no independent directors, our disinterested directors) determine that the terms of such transaction are no less favorable to us than those that would be available to us with respect to such a transaction from unaffiliated third parties. We will not enter into a business combination or invest alongside any of our directors, officers, any affiliate of ours or of any of our directors or officers or a portfolio company of any affiliate of our directors or officers.

PROPOSAL TWO RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We are asking stockholders to ratify the Audit Committee's selection of KPMG LLP (KPMG) as our independent registered public accounting firm for the fiscal year ending December 31, 2014. The Audit Committee is directly responsible for appointing the Company's independent registered public accounting firm. Although this appointment does not require ratification, the Board has directed that the appointment of KPMG be submitted to stockholders for ratification due to the significance of their appointment. If stockholders do not ratify the appointment of KPMG, the Audit Committee will consider the appointment of another independent registered public accounting firm for the fiscal year ending December 31, 2014. Representatives of KPMG are not expected to be present at the Annual Meeting.

Change in Auditors

On June 30, 2014, KPMG acquired certain assets of Rothstein Kass, P.A. (d/b/a Rothstein Kass & Company, P.C.) and certain of its affiliates (Rothstein Kass), our prior independent registered public accounting firm. As a result of this transaction, on June 30, 2014, Rothstein Kass resigned as the independent registered public accounting firm for the Company. Concurrent with such resignation, the Audit Committee approved the engagement of KPMG as the new independent registered public accounting firm for the Company. On August 10, 2014, KPMG completed its client evaluation procedures and accepted the engagement.

The audit report of Rothstein Kass on the Company's financial statements for the year ended December 31, 2013 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles. During the most recent fiscal year ended December 31, 2013 and through the subsequent interim period preceding Rothstein Kass's resignation, there were no disagreements between the Company and Rothstein Kass on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Rothstein Kass would have caused them to make reference thereto in their reports on the Company's financial statements for such year. During the most recent fiscal year ended December 31, 2013 and through the subsequent interim period preceding Rothstein Kass's resignation, there were no reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

Fees Billed by our Independent Registered Public Accounting Firm During Fiscal Year 2013

Set forth below are the fees paid or to be paid to Rothstein Kass for services rendered to us for the fiscal year ended December 31, 2013:

Audit Fees. Audit fees consist of fees billed for professional services rendered for the audit of our year-end financial statements and services that are normally provided by Rothstein Kass in connection with regulatory filings. The aggregate fees billed by Rothstein Kass for professional services rendered for the audit of our annual financial statements, review of the financial information included in our Forms 10-Q for the respective periods and other required filings with the SEC for the year ended December 31, 2013 totaled \$66,500. The above amounts include

interim procedures and audit fees, as well as attendance at Audit Committee meetings.

Audit-Related Fees. Audit-related services consist of fees billed for assurance and related services that are reasonably related to performance of the audit or review of our financial statements and are not reported under Audit Fees. These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards. During the year ended December 31, 2013, we did not pay Rothstein Kass any audit related fees standards.

Tax Fees. We did not pay Rothstein Kass for tax planning and tax advice for the year ended December 31, 2013.

All other fees. We did not pay Rothstein Kass for any other fees for the year ended December 31, 2013.

The ratification of the appointment of KPMG requires the vote of a majority of the shares cast on the matter at the Annual Meeting.

Our Board of Directors recommends a vote FOR the ratification of the selection by the Audit Committee of KPMG as our independent registered public accounting firm.

PROPOSAL THREE APPROVAL OF EXECUTIVE COMPENSATION

As required by the SEC's proxy rules, we are seeking an advisory, non-binding stockholder vote with respect to compensation awarded to our named executive officers.

Since our inception, none of our named executive officers has received any compensation (cash or non-cash) for services rendered. We do not expect to pay any compensation to our named executive officers at any time prior to the consummation of our initial business combination.

Required Vote

Approval of this proposal requires the affirmative **FOR** vote of a majority of the common stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon. Because this vote is advisory, it will not be binding upon our Board. However, the Compensation Committee will consider the outcome of the vote, along with other relevant factors, in evaluating its executive compensation program.

Resolved, that the stockholders approve the compensation policy of Global Defense & National Security Systems, Inc.'s named executive officers, as disclosed under SEC rules, including the compensation disclosures included in this proxy statement.

Recommendation

Our Board of Directors recommends a vote **FOR the approval of the foregoing resolution.**

PROPOSAL FOUR DETERMINE FREQUENCY OF STOCKHOLDER ADVISORY VOTE REGARDING COMPENSATION AWARDED TO NAMED EXECUTIVE OFFICERS

As required by the SEC's proxy rules, we are seeking an advisory, non-binding stockholder vote about how often we should present stockholders with the opportunity to vote on compensation awarded to our named executive officers.

You may elect to have the vote held every three years, every two years, or every year, or you may abstain. We recommend that this advisory vote be held once every three years, but stockholders are not voting to approve or disapprove of that recommendation. In the context of our search for an initial business combination, we believe that a triennial voting frequency will provide our stockholders with sufficient time to evaluate the effectiveness of overall compensation philosophy, policies, and practices in the context of our long-term business results for the corresponding period, while avoiding over-emphasis on short-term variations in compensation and business results. We also believe that a three-year timeframe provides a better opportunity to observe and evaluate the impact of any changes to executive compensation policies and practices that have occurred since the last advisory vote.

Required Vote

The frequency that receives the highest number of votes cast will be deemed to be the frequency selected by the stockholders. Because this vote is advisory, it will not be binding upon our Board. However, the Board will consider the outcome of the stockholder vote, along with other relevant factors, in recommending a voting frequency to our Board of Directors.

Recommendation

Our Board of Directors recommends a vote for a frequency of once every **THREE YEARS for the stockholder advisory vote on compensation to our named executive officers.**

OTHER MATTERS

Submission of Stockholder Proposals for the 2015 Annual Meeting

We anticipate that the 2015 annual meeting of stockholders will be held no later than September 1, 2015. For any proposal to be considered for inclusion in our proxy statement and form of proxy for submission to the stockholders at our 2015 Annual Meeting of Stockholders, it must be submitted in writing and comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934. Such proposals must be received by the Company at its offices at Global Defense & National Security Systems, Inc., 11921 Freedom Drive, Suite 550, Two Fountain Square, Reston, Virginia 20190 no later than June 2, 2015.

In addition, our bylaws provide notice procedures for stockholders to nominate a person as a director and to propose business to be considered by stockholders at a meeting. Notice of a nomination or proposal must be delivered to us not less than 90 days and not more than 180 days prior to the date we first mailed our proxy materials for the preceding year's annual meeting of stockholders, or not more than 15 days from the public announcement of the meeting if the meeting is first publicly announced less than 90 days prior to the date of the meeting. Accordingly, for our 2015 Annual Meeting, assuming the meeting is held on or about September 1, 2015, notice of a nomination or proposal must be delivered to us no later than June 3, 2015 and no earlier than May 2, 2015. Nominations and proposals also must satisfy other requirements set forth in the Bylaws. If a stockholder fails to comply with the forgoing notice provision or with certain additional procedural requirements under SEC rules, the Company will have authority to vote shares under proxies we solicit when and if the nomination or proposal is raised at the annual meeting of stockholders and, to the extent permitted by law, on any other business that may properly come before the annual meeting of stockholders and any adjournments or postponements. The Chairman of the Board may refuse to acknowledge the introduction of any stockholder proposal not made in compliance with the foregoing procedures.

Householding Information

Unless we have received contrary instructions, we may send a single copy of this proxy statement to any household at which two or more stockholders reside if we believe the stockholders are members of the same family. This process, known as householding, reduces the volume of duplicate information received at any one household and helps to reduce our expenses. However, if stockholders prefer to receive multiple sets of our disclosure documents at the same address this year or in future years, the stockholders should follow the instructions described below. Similarly, if an address is shared with another stockholder and together both of the stockholders would like to receive only a single set of our disclosure documents, the stockholders should follow these instructions:

If the shares are registered in the name of the stockholder, the stockholder should contact us at our offices at Global Defense & National Security Systems, Inc., 11921 Freedom Drive, Suite 550, Two Fountain Square, Reston, Virginia 20190, to inform us of his or her request; or

If a bank, broker or other nominee holds the shares, the stockholder should contact the bank, broker or other nominee directly.
