PROXY STATEMENT FOR THE
2015 ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON APRIL 29, 2015

QUESTIONS AND ANSWERS ABOUT THE ANNUAL
MEETING

Why am I receiving these materials?

We have sent you this proxy statement and the enclosed proxy card because the Board of Directors, or the Board, of Sussex Bancorp is soliciting your proxy to vote at the 2015 Annual Meeting of Shareholders. This proxy statement and proxy card are being mailed to shareholders on or about March 31, 2015. As used in this proxy statement, we, us, our and Company refer to Sussex Bancorp and/or its subsidiaries, depending on the context. The term Annual Meeting, as used in this proxy statement, means the 2015 annual meeting of shareholders and includes any adjournment or postponement of such meeting.

Who can vote at the Annual Meeting?

Only shareholders of record as of the close of business on March 5, 2015 will be entitled to vote at the Annual Meeting. On this date, there were 4,669,597 shares of common stock issued and outstanding and entitled to vote.

Shareholder of Record: Shares Registered in Your Name

If on March 5, 2015, your shares were registered directly in your name with our transfer agent, American Stock Transfer and Trust Company, then you are a shareholder of record. As a shareholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the enclosed proxy card by mail to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 5, 2015, your shares were held not in your name but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the

shareholder of record for purposes of voting at the Annual Meeting.

As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank, if applicable. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

What is the quorum requirement?

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if shareholders holding at least a majority of our outstanding shares entitled to vote at the Annual Meeting are present at the Annual Meeting in person or represented by proxy.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the Annual Meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

TABLE OF CONTENTS

What am I voting on and how many votes are needed to approve each proposal?

Proposal 1: Election of Directors. Directors will be elected by a plurality of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on the election of directors.

Plurality means that the individuals who receive the largest number of FOR votes cast are elected as directors up to the maximum number of directors to be chosen at the Annual Meeting. Accordingly, the three nominees receiving the most FOR votes will be elected as directors. Abstentions and broker non-votes will not affect the outcome of the election of directors. You may not vote your shares cumulatively for the election of directors.

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm. The ratification of BDO USA, LLP, or BDO, as our independent registered public accounting firm for the fiscal year ending December 31, 2015 will require FOR votes from a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on this proposal. Abstentions are not counted as votes cast and they will have no effect on the vote. Similarly, broker non-votes will have no effect on the vote.

Proposal 3: Consideration and Approval of a Non-binding Advisory Resolution on the Compensation of Our Named Executive Officers. The approval of the non-binding advisory resolution on the compensation of our named executive officers will require FOR votes from a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on this proposal. Abstentions are not counted as votes cast and they will have no effect on the vote. Brokers do not have discretionary authority to vote shares on this proposal without direction from the beneficial owner. Therefore, broker non-votes will have no effect on the vote.

What are broker non-votes?

Broker non-votes occur when a beneficial owner of shares held in street name does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed non-routine. Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee may vote the shares with respect to matters that are considered to be routine, but may not vote the shares with respect to non-routine matters. The election of directors is no longer considered routine. Proposals 1 and 3 are considered non-routine and Proposal 2 is considered routine under The NASDAQ Marketplace Rules, or the NASDAQ Listing Rules.

How does the Board recommend that I vote my shares?

Unless you give other instructions on your proxy card, the persons named as proxies on the card will vote in accordance with the recommendations of the Board. The Board's recommendation for each proposal, together with the description of each proposal, are set forth in this proxy statement. The Board recommends a vote:

FOR the election of the three nominees to the Board;

FOR the ratification of the appointment of BDO as our independent registered public accounting firm for the fiscal year ending December 31, 2015; and

FOR the approval of the non-binding advisory resolution on the compensation of our named executive officers.

With respect to any other matter that properly comes before the Annual Meeting, the proxies will vote as recommended by the Board or, if no recommendation is given, in their own discretion in the best interest of the Company and its shareholders. As of the date of this proxy statement, the Board had no knowledge of any business

other than that described herein that would be presented for consideration at the Annual Meeting.

2

TABLE OF CONTENTS

How do I vote?

For Proposal 1, you may either vote **FOR** all the nominees to the Board or you may **WITHHOLD** your vote for any nominee you specify. For any other matter to be voted on, you may vote **FOR** or **AGAINST** or abstain from voting.

The procedures for voting are as follows:

Shareholder of Record: Shares Registered in Your Name

If you are a shareholder of record, you may (a) vote in person at the Annual Meeting or (b) vote by proxy using the enclosed proxy card, in each case as described below. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive. To vote by proxy, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, the designated proxy holders will vote your shares as you direct.

If you sign the proxy card but do not make specific choices, your proxy will vote your shares **FOR Proposals 1, 2 and 3 as set forth in the Notice of Annual Meeting of Shareholders.**

If any other matter is presented at the Annual Meeting, the proxies will vote as recommended by the Board or, if no recommendation is given, in their own discretion in the best interest of the Company and its shareholders. As of the date of this proxy statement, we know of no other matters that may be presented at the Annual Meeting, other than those listed in the Notice of Annual Meeting of Shareholders.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank, if applicable. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

May I change my vote after submitting my proxy card?

Yes. You may revoke your proxy at any time before the final vote at the Annual Meeting. If you are the shareholder of record of your shares, you may revoke your proxy in any one of the following three ways:

filing a timely written revocation of the proxy with our Secretary;
submitting a signed proxy card bearing a later date; or
attending the Annual Meeting and voting in person.

If your shares are not registered in your own name, you will need appropriate documentation from the shareholder of record to vote personally at the Annual Meeting. Examples of such documentation include a broker's statement, letter or other document that will confirm your ownership of the shares. If your shares are held by your broker, bank or another party as a nominee or agent, you should follow the instructions provided by such party.

Your personal attendance at the Annual Meeting does not revoke your proxy. Your last vote, prior to or at the Annual Meeting, is the vote that will be counted.

TABLE OF CONTENTS

Who will bear the expense of soliciting proxies?

We will bear the cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to shareholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of our common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services.

When are shareholder proposals due for the 2016 Annual Meeting of Shareholders?

If you wish to submit proposals to be included in our proxy statement for the 2016 annual meeting of shareholders, we must receive them on or before December 2, 2015, pursuant to the proxy soliciting regulations of the Securities and Exchange Commission, or the SEC. Nothing in this paragraph shall be deemed to require us to include in our proxy statement and proxy card for such meeting any shareholder proposal which does not meet the requirements of the SEC in effect at the time. Any such proposal will be subject to Rule 14a-8 of the Securities Exchange Act of 1934, as amended, or the Exchange Act.

In addition, under our Amended and Restated By-laws, if you wish to nominate a director for the 2016 annual meeting of shareholders, the following criteria must be met: (i) you must be a shareholder of record; (ii) you must have given timely notice in writing to our Secretary; and (iii) your notice must contain specific information required in Section 3.23 of our Amended and Restated By-laws. To be timely, a shareholder's notice to the Secretary must be delivered to or mailed and received at our principal executive offices between December 31, 2015 and January 30, 2016; provided, however, that in the event that the 2016 annual meeting of shareholders is called for a date that is not within 30 days before or after the anniversary date of the Annual Meeting, notice by the shareholder in order to be timely must be so received not later than the close of business on the 10th day following the day on which such notice of the date of the 2016 annual meeting was mailed or such public disclosure of the date of the 2016 annual meeting was made, whichever first occurs. For additional information about our director nomination requirements, please see our Amended and Restated By-laws.

CORPORATE GOVERNANCE

Board of Directors

The Board oversees our business and monitors the performance of our management. In accordance with our corporate governance procedures, the Board does not involve itself in our day-to-day operations. Our executive officers and management oversee the day-to-day operations. Our directors fulfill their duties and responsibilities by attending regular meetings of the Board, which are held on a monthly basis. Our directors also discuss business and other matters with the Chairman, the President and Chief Executive Officer, other key executives and our principal external advisers (legal counsel, auditors, financial advisors and other consultants).

The Board held four regularly scheduled meetings and two special meetings during the year ended December 31, 2014. Each incumbent director attended at least 75% of the total of (i) the meetings of the Board held during the period for which he or she has been a director and (ii) the meetings of the committee(s) on which that particular director served during such period, except for Mr. Kovach who attended 50% of the Tri-State Insurance Agency board meetings.

It is our policy to encourage directors and nominees to attend the Annual Meeting. At the 2014 annual meeting of shareholders, all members then serving on the Board were in attendance, except for Mr. Kovach.

Board of Directors Independence

Rule 5605 of the NASDAQ Listing Rules requires that independent directors compose a majority of a listed company's board of directors. In addition, the NASDAQ Listing Rules require that, subject to specified exceptions, each member of a listed company's audit, compensation, and nominating and corporate governance committees be independent and that audit committee members also satisfy independence criteria set forth in Rule 10A-3 under the Exchange Act.

Compensation committee members must also satisfy independence criteria set forth in Rule 10C-1 under the Exchange Act. Under Rule 5605(a)(2) of the NASDAQ Listing Rules, a director will only qualify as an independent director if, in the opinion of our Board, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In order to be considered independent for purposes of Rule 10A-3 under the Exchange Act, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors or any other board committee: (i) accept, directly or indirectly, any consulting, advisory or other compensatory fee from the listed company or any of its subsidiaries; or (ii) be an affiliated person of the listed company or any of its subsidiaries. In addition to satisfying general independence requirements under the NASDAQ Listing Rules, members of a compensation committee must also satisfy independence requirements set forth in Rule 10C-1 under the Exchange Act and NASDAQ Listing Rule 5605(d)(2). Pursuant to Rule 10C-1 under the Exchange Act and NASDAQ Listing Rule 5605(d)(2), in affirmatively determining the independence of a member of a compensation committee of a listed company, the board of directors must consider all factors specifically relevant to determining whether that member has a relationship with the company which is material to that member's ability to be independent from management in connection with the duties of a compensation committee member, including: (a) the source of compensation of such member, including any consulting, advisory or other compensatory fee paid by the company to such member; and (b) whether such member is affiliated with the company, a subsidiary of the company or an affiliate of a subsidiary of the company.

The Board consults with our legal counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of independent, including those set forth in pertinent

NASDAQ Listing Rules, as in effect from time to time. Consistent with these considerations, the Board has affirmatively determined that all of its directors, including the director nominees, satisfy general independence requirements under the NASDAQ Listing Rules, other than Messrs. Kovach, Labozzetta and Ursin. In making this determination, the Board found that none of the directors, other than Messrs. Kovach, Labozzetta and Ursin, had a material or other disqualifying relationship with us that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, and that each director, other than Messrs. Kovach, Labozzetta and Ursin, is independent as that term is defined under Rule 5605(a)(2) of the NASDAQ Listing Rules. The Board determined that Mr. Kovach, our former Chairman of the Board, President and Chief Executive Officer, and Mr. Labozzetta, our President and Chief

TABLE OF CONTENTS

Executive Officer, are not independent directors by virtue of their current or former employment with us. Mr. Ursin is not an independent director due to certain related-person transactions in excess of \$120,000 for 2013, which are described in more detail under the section entitled "Transactions with Related Persons" found elsewhere in this proxy statement. The Board also determined that each member of the Audit, Compensation, and Nominating and Corporate Governance Committees satisfies the independence standards for such committees established by the SEC and the NASDAQ Listing Rules, as applicable.

Code of Ethics and Corporate Governance Guidelines

We have a Code of Conduct, which applies to all our directors, officers and employees. We also have a Senior Management Code of Ethics, which applies to our principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions for us, and which requires compliance with the Code of Conduct. The Senior Management Code of Ethics meets the requirements of a code of ethics as defined by Item 406 of Regulation S-K.

We intend to satisfy the disclosure requirement under Item 5.05 of Form 8-K regarding an amendment to, or a waiver from, a provision of our Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions, by posting such information on our website at the internet address set forth below. We did not amend or grant any waivers of a provision of our Code of Ethics during 2014.

The Board adopted Corporate Governance Guidelines to assure that it will have the necessary authority and practices in place to review and evaluate our business operations as needed and to make decisions that are independent of our management. The Corporate Governance Guidelines are also intended to align the interests of directors and management with those of our shareholders. The Corporate Governance Guidelines set forth the practices the Board intends to follow with respect to Board independence, composition and selection, Board meetings and involvement of senior executives, senior executive performance evaluation and succession planning, and Board committees and compensation.

The Code of Conduct, the Senior Management Code of Ethics and the Corporate Governance Guidelines are available on our website at www.sussexbank.com. The inclusion of our website address here and elsewhere in this proxy statement does not include or incorporate by reference the information on our website into this proxy statement.

Board Leadership Structure and Role in Risk Oversight

Board Leadership Structure

The Board does not have a formal policy on separating the roles of Chairman of the Board and Chief Executive Officer and, if separate, whether the Chairman of the Board should be a non-employee director or an employee. The Board believes that no single, one-size fits all, board leadership model is universally or permanently appropriate. The Board prefers to retain the flexibility to structure its leadership from time to time in any manner that is in our best interest and that of our shareholders. The positions of our Chairman of the Board and Chief Executive Officer are currently separated. Separating these positions allows our Chief Executive Officer to focus on our day-to-day business, while allowing the Chairman of the Board to lead our Board in its fundamental role of providing advice to and independent oversight of management. The Board recognizes the time, effort and energy that our Chief Executive Officer must devote to his position in the current business environment, as well as the commitment required to serve

as our Chairman, particularly as the Board's oversight responsibilities continue to grow. The Board also believes that this structure ensures a greater role for the independent directors in the oversight of the Company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of our Board. The Board recognizes that depending on the circumstances other leadership models, such as combining the role of Chairman of the Board with the role of Chief Executive Officer, might be appropriate. Accordingly, our Board may periodically review its leadership structure.

Board's Role in Risk Oversight

Risk is an inherent part of the business of banking. Risks faced by us include credit risk relating to our loans and interest rate risk related to our balance sheet. The Board oversees these risks through the adoption of policies and by delegating oversight to certain Board committees, including the loan and asset-liability

committees. These committees exercise oversight by establishing a corporate environment that promotes timely and effective disclosure, fiscal accountability and compliance with all applicable laws and regulations.

Committees of the Board of Directors

The Board has established three committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The following table provides membership and meeting information for the year ended December 31, 2014, for each Board committee:

Audit Committee

During 2014, the Audit Committee was chaired by Ms. Caristia, with Messrs. Brady and Leppert as members. The purpose of the Audit Committee is to assist the Board's oversight of our accounting and financial reporting process, including our internal audit function and the audits of our financial statements.

The primary duties and responsibilities of the Audit Committee are to:

oversee and monitor the financial reporting process, internal audit function and internal controls and procedures;
 appoint, compensate and oversee the work of the independent auditors;
 review and evaluate the audited financial statements with management and the independent auditors and report any substantive issues found during the audit to the Board;
 review and approve all transactions with related persons; and
 provide an open avenue of communication among the independent auditors, financial and senior management, the internal audit department and the Board.

The Audit Committee is also responsible for the pre-approval of all audit, review, attest and non-audit services provided by our independent auditors. The Audit Committee pre-approved 100% of the services performed by the independent registered public accounting firm during 2014.

The Audit Committee may form and delegate authority to one or more subcommittees (including a subcommittee consisting of a single member), as it deems appropriate from time to time under the circumstances. Any decision of a subcommittee to pre-approve audit, review, attest or non-audit services shall be presented to the full Audit Committee at its next scheduled meeting.

TABLE OF CONTENTS

The Board reviews the definition of independence for Audit Committee members on an annual basis and has determined that all members of our Audit Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ Listing Rules and Rule 10A-3 under the Exchange Act). The Board has also determined that Ms. Caristia qualifies as an audit committee financial expert as defined in applicable SEC rules. The Audit Committee has a written charter, which is available on our website at www.sussexbank.com.

AUDIT COMMITTEE REPORT⁽¹⁾

The Audit Committee has reviewed and discussed the audited financial statements as of and for the fiscal year ended December 31, 2014 with management and our independent registered public accounting firm, BDO. The Audit Committee has discussed with BDO the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU Section 380), as adopted by the Public Company Accounting Oversight Board, or PCAOB, in Rule 3200T. The Audit Committee has also received the written disclosures and the letter from BDO required by applicable requirements of the PCAOB regarding BDO's communications with the Audit Committee concerning independence, and has discussed with BDO the firm's independence. Based on the foregoing, the Audit Committee recommended to the Board of Directors that the consolidated audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014, for filing with the Securities and Exchange Commission.

Compensation Committee

During 2014, the Compensation Committee was chaired by Mr. Marvil, with Messrs. Branca and Hontz as members.

The purpose of the Compensation Committee is to review senior management's performance and determine compensation, and review and set guidelines for compensation of all employees.

The primary duties and responsibilities of the Compensation Committee are to:

annually review and approve corporate and/or individual goals and objectives relevant to the compensation of the President and Chief Executive Officer, evaluate performance in light of those goals and objectives, and recommend to the Board the compensation level based on this evaluation;

annually review and recommend to the Board for the President and Chief Executive Officer and the senior executives (i) annual base salary, (ii) any annual and long-term incentives, and (iii) any special or supplemental benefits;

make recommendations to the Board with respect to profit sharing and equity-based compensation plans; and review and adopt any necessary or desirable amendments or changes to any and all benefit, incentive compensation and equity-based plans.

The Compensation Committee has the authority to delegate its authority to subcommittees as it deems appropriate; provided, that any such subcommittee shall report to the entire Compensation Committee on its activities. The Compensation Committee also has the sole authority to retain compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms. During the past fiscal year, the Compensation Committee engaged Meyer-Chatfield Compensation Advisors, a compensation consulting firm, to advise the Compensation Committee on executive officer and director compensation. The Compensation Committee instructed the consultant to develop market comparisons and

recommendations regarding the compensation of executive officers and directors. In 2014, Meyer-Chatfield Compensation Advisors provided recommendations regarding the levels of compensation of executive officers and directors relative to our industry peers. The Compensation Committee took into account the recommendations of Meyer-Chatfield Compensation Advisors and utilized information, including peer data, regarding the compensation of our executive officers and directors provided by the consultants in evaluating, recommending and determining compensation levels.

The Board reviews the definition of independence for Compensation Committee members on an annual basis and has determined that all members of our Compensation Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ Listing Rules and Rule 10C-1 under the Exchange Act). The Compensation Committee has a written charter, which is available on our website at www.sussexbank.com.

Nominating and Corporate Governance Committee

During 2014, the Nominating and Corporate Governance Committee was chaired by Mr. Leppert, with Ms. Caristia and Messrs. Brady, Branca and Hontz as members. The purpose of the Nominating and Corporate Governance Committee is to identify and evaluate individuals qualified to become directors, and periodically review our organizational documents and corporate governance policies.

The primary duties and responsibilities of the Nominating and Corporate Governance Committee are to:

- identify, review and evaluate candidates to serve as directors (consistent with criteria approved by the Board);
- recommend to the Board for selection candidates for election to the Board;
- review and evaluate incumbent directors;

develop and oversee annual evaluations of the Board and its members, its committees and the Chief Executive Officer; and

annually review our corporate governance guidelines and insider trading policies and procedures.

The Nominating and Corporate Governance Committee is responsible for reviewing with the Board the appropriate skills and characteristics required of Board members in the context of the current make-up of the Board. When we have an opening on the Board, we will always look at a diverse pool of candidates. It is the policy of the Nominating and Corporate Governance Committee to select individuals as director nominees who shall have the highest personal and professional integrity, who shall have demonstrated exceptional ability and judgment and who shall be most effective, in conjunction with the other nominees to the Board, in collectively serving the long-term interests of the shareholders. When considering candidates for the Board, the Nominating and Corporate Governance Committee takes into account the candidate's diversity, skills, such as an understanding of financial statements, financial reporting systems and our market area, and independence from management. We view and define diversity in its broadest sense, which includes gender, ethnicity, education, experience and leadership qualities. If the Nominating and Corporate Governance Committee believes a candidate would be a valuable addition to the Board, it will recommend to the full Board that candidate's election. The Nominating and Corporate Governance Committee also has the authority to retain any search firm to assist in the identification of director candidates. However, the Nominating and Corporate Governance Committee has not retained any such search firm, and we do not pay a fee to any third party to identify or evaluate director candidates.

The Nominating and Corporate Governance Committee will consider qualified nominations for directors recommended by shareholders. All shareholder recommendations are evaluated on the same basis as any recommendation from members of our Board or management. Recommendations should be sent to Linda Kuipers, Secretary, Sussex Bancorp, 100 Enterprise Drive, Suite 700, Rockaway, New Jersey 07866. Director nominations by shareholders should be received by the Secretary between December 31, 2015 and January 30, 2016 for the 2016 annual meeting of shareholders. For additional information about our director nomination requirements, please see our Amended and Restated By-laws. As of the date of this proxy statement, the Nominating and Corporate Governance Committee and the Secretary had not received any shareholder nominations or recommendations for nominees in connection with the Annual Meeting. All nominees were nominated by the Nominating and Corporate Governance Committee.

Long-term Incentive Compensation

Long-term incentives are provided to the named executive officers through awards made under the equity plans established by the Company and Sussex Bank from time to time.

Under the Sussex Bank Amended and Restated Executive Incentive and Deferred Compensation Plan, or the Plan, our executives who are selected to participate in the Plan may earn awards paid in both cash and shares of our common stock; provided, that certain Company-wide and/or individual performance criteria are met. The Compensation Committee will annually determine performance criteria for each participating executive. Grants of common stock will be subject to a three-year vesting requirement, and all awards will be subject to repayment in the event that it is subsequently determined that the performance metrics on which the award is based are subsequently determined not to have been satisfied, due to a financial restatement or otherwise. Participants in the Plan have the option to defer some or all of their compensation or cash incentive awards. Amounts so deferred will earn interest at a rate equal to the average interest rate earned by Sussex Bank on its investment portfolio.

Effective April 24, 2013, our shareholders approved the 2013 Equity Incentive Plan, or the Equity Plan. All employees, directors and other service providers are eligible to be granted awards under the Equity Plan. The Equity Plan provides for the issuance of incentive stock options qualified under Section 422 of the Internal Revenue Code of 1986, as amended, or the Code, and non-qualified stock options. In addition, the Equity Plan may grant restricted stock awards, restricted stock units and unrestricted stock awards. The Equity Plan is administered by the Company's Compensation Committee, which has the authority to select the employees, directors and other service providers who will be awarded stock-based incentives and determine the amount and other conditions of such awards subject to the terms of the Equity Plan.

No option issued under the Equity Plan is exercisable after the 10th anniversary from the date it was granted. During the optionee's lifetime, only the optionee can exercise the option. The optionee cannot transfer or assign any option other than by will or in accordance with the laws of descent and distribution. Pursuant to Section 422 of the Code as to incentive stock options, the aggregate fair market value of the stock for which any employee may be granted options, which first become exercisable in any calendar year, generally may not exceed \$100,000. In addition, no grant may be made to any employee owning more than 10% of our shares unless the exercise price is at least 110% of the share's fair market value and such option is not exercisable more than five years following the option grant.

We will receive no monetary consideration for the granting of awards under the Equity Plan. Upon the exercise of options, we receive payment from optionees in exchange for shares issued. During the last fiscal year, we did not adjust or amend the exercise price of stock options previously awarded.

In the event of any increase or decrease in the number of outstanding shares of common stock, or in the event such shares are changed into or exchanged for a different number or kind of shares or other securities of ours on account of any recapitalization, reclassification, stock split, reverse split, combination of shares, exchange of shares, stock

dividend or other distribution payable in capital stock, the Compensation Committee will adjust, among other award terms, the number and kind of shares or property that may be delivered in connection with awards and the exercise price, grant price or purchase price relating to any award in such manner as the Compensation Committee determines to be necessary to prevent dilution or enlargement of the rights of participants.

TABLE OF CONTENTS

Subject to the exceptions described below, upon the occurrence of a change in control, as defined in the Equity Plan, all outstanding shares of restricted stock and all stock units will become immediately vested, and the shares of stock subject to outstanding stock units will be delivered immediately before the occurrence of the change in control. In addition, either of the following two actions will be taken:

15 days before the scheduled completion of the change in control, all options will become immediately exercisable and will remain exercisable for a period of 15 days, which exercise will be effective upon the consummation of the change in control; or

instead of providing for accelerated vesting in awards under the Equity Plan in connection with the change in control, the Compensation Committee may provide that awards, whether or not exercisable, will be terminated and the holders of awards will receive a cash payment, or the delivery of shares of stock, other securities or a combination of cash, stock and securities equivalent to such cash payment, equal to the value of the award.

In general, a change in control means:

a person or group becomes the beneficial owner of more than 50% of the combined voting power of our voting stock on a fully diluted basis;

a merger or consolidation of our Company, other than any such transaction in which the holders of our voting securities prior to the transaction own at least a majority of the voting power of the surviving entity immediately after the transaction;

a sale of substantially all of our assets to another person or entity; or
the dissolution or liquidation of our Company.

If we are the surviving entity in any reorganization, merger or consolidation of our Company with one or more other entities that does not constitute a change in control, any option outstanding under the Equity Plan will apply to the securities to which a holder of the number of shares of common stock subject to the option would have been entitled immediately following the transaction, with a corresponding proportionate adjustment of the option exercise price.

The Compensation Committee may provide in any agreement under the Equity Plan for different provisions to apply to an award under the Equity Plan than those described above.

We may reserve the right in an award agreement to cause a forfeiture of the gain realized by a grantee with respect to an award on account of actions taken by, or failed to be taken by, such grantee in violation or breach of, or in conflict with, any employment agreement, non-competition agreement, agreement prohibiting solicitation of employees or clients of the Company or any affiliate, confidentiality obligations with respect to the Company or any affiliate, or otherwise in competition with the Company or any affiliate, to the extent specified in such award agreement. We may annul an outstanding award if the grantee thereof is an employee and is terminated for Cause as defined in the applicable award agreement or the Equity Plan, as applicable.

Employment Agreements, Change in Control Agreements and Other Material Agreements

Anthony Labozzetta

Employment Agreement. The Company and Sussex Bank are parties to an employment agreement with Mr. Labozzetta, pursuant to which he will serve as President and Chief Executive Officer of the Company and Sussex Bank. The employment agreement provides for a three-year term which is automatically extended for an additional year annually unless either party provides written notice terminating the automatic extension. The employment

agreement provides that Mr. Labozzetta will receive a base salary of at least \$315,000, subject to increase or decrease as determined by the Board. He has further been granted 50,000 shares of our common stock, subject to forfeiture and restricted from transfer during the Restricted Period, as such term is defined in the employment agreement. 60% of these shares were vested as of January 1, 2015 and an additional 20% will vest each January 1 thereafter, subject to acceleration in the event of a change in control or Mr. Labozzetta's death or disability. He will also receive customary fringe benefits, including an automobile or cash allowance, consistent with his position as President and Chief Executive Officer of the Company and Sussex Bank.

TABLE OF CONTENTS

The employment agreement permits us to terminate Mr. Labozzetta's employment for cause (as defined in the agreement) at any time. In the event Mr. Labozzetta is terminated for any reason other than cause, or in the event Mr. Labozzetta resigns his employment because he is reassigned to a position of lesser rank or status than President and Chief Executive Officer, his place of employment is relocated by more than 50 miles from its location on the date of the employment agreement, or his compensation or other benefits are reduced, Mr. Labozzetta, or in the event of his death, his beneficiary, will be entitled to receive his base salary at the time of such termination or resignation for the remaining term of the employment agreement, or one year, whichever is greater. In addition, we will continue to provide Mr. Labozzetta with certain insurance and other benefits through the end of the term of the employment agreement.

Mr. Labozzetta's employment agreement also contains a change in control provision which would entitle Mr. Labozzetta to receive an amount equal to the base salary he would have received had the employment agreement terminated according to its term, except that after the fifth anniversary of Mr. Labozzetta's employment, he will be entitled to a payment equal to 2.99 times his then current base salary and 2.99 times the greater of the last bonus actually paid to him or his current bonus eligibility, assuming he performed at the targeted level. Mr. Labozzetta's employment agreement also contains a gross-up payment in the event any excise tax is imposed on the benefits payable to Mr. Labozzetta upon a change in control. Mr. Labozzetta would also be entitled to continuation of his health, medical, hospital and life insurance benefits for a period of three years.

Supplemental Executive Retirement Plan. On July 20, 2011, we entered into a SERP, a non-qualified defined contribution pension plan that provides supplemental retirement income for Mr. Labozzetta. The SERP was effective as of January 1, 2011. Based on the attainment of certain annual performance targets, we will make annual contributions up to a maximum of 22% of Mr. Labozzetta's annual base salary to the SERP for the benefit of Mr. Labozzetta. Any amounts credited to the SERP will accrue interest equal to that paid by U.S. 10-year Treasury Notes for each applicable year. The SERP provides for the benefits to be paid monthly over a five-year period commencing the first day of the month following the later of Mr. Labozzetta's 65th birthday, normal retirement age or termination of employment. If Mr. Labozzetta's employment is terminated before normal retirement age, absent a change in control and other than by us for cause, the amount of the benefit payable to Mr. Labozzetta would be a 100% vested interest in his account if he completed at least 10 years of plan participation. If Mr. Labozzetta is terminated by us without cause or as a result of Mr. Labozzetta's Resignation for Good Reason (as defined in the SERP), Mr. Labozzetta would be entitled to a 100% vested interest in his account regardless of the number of years of plan participation. If Mr. Labozzetta is employed by us at the time of a Change of Control (as defined in the SERP), Mr. Labozzetta would automatically be entitled to a 100% vested interest in his account regardless of the number of years of plan participation. If Mr. Labozzetta would become disabled or die before reaching normal retirement age, either he or his beneficiary would be entitled to a 100% vested interest in his account. The SERP also contains a restrictive covenant conditioning Mr. Labozzetta's receipt of the benefits on his compliance with the non-compete provisions as defined in his employment agreement.

Steven M. Fusco

The Company and Sussex Bank entered into an employment agreement, dated June 23, 2010, with Mr. Fusco, pursuant to which he will serve as Executive Vice President and Chief Financial Officer of the Company and Sussex Bank. The employment agreement provides for a two-year term; provided, that at the end of the term, and each year thereafter, the term of the employment agreement shall automatically be renewed for an additional year until either party, by written notice provided at least 90 days prior to the end of the term, elects not to renew. Mr. Fusco's employment agreement has been automatically renewed for an additional year beginning June 23, 2014. The employment agreement provides that Mr. Fusco will receive a base salary of at least \$160,000, subject to increase or

decrease as determined by the Board. Mr. Fusco has further been granted an award of 24,725 shares of our common stock pursuant to his employment agreement, subject to forfeiture and restricted from transfer during the Restricted Period, as such term is defined in the employment agreement. 60% of these shares were vested as of June 23, 2014 and an additional 20% will vest each June 23 thereafter, subject to acceleration in the event of a change in control or Mr. Fusco's death or disability. Mr. Fusco will also receive customary fringe benefits, including the use of a Company automobile.

19

TABLE OF CONTENTS

The employment agreement permits us to terminate Mr. Fusco's employment for cause (as defined in the agreement) at any time. In the event Mr. Fusco is terminated for any reason other than cause, or in the event Mr. Fusco resigns his employment because he is reassigned to a position of lesser rank or status than Chief Financial Officer, his place of employment is relocated by more than 50 miles from its location on the date of the employment agreement, or his compensation or other benefits are reduced, Mr. Fusco, or in the event of his death, his beneficiary, will be entitled to receive a lump sum payment equal to his base salary at the time of such termination or resignation for the remaining term of the employment agreement, or one year, whichever is greater. In addition, we will continue to provide Mr. Fusco with certain insurance and other benefits for the remaining term of the employment agreement, or one year, whichever is greater.

Mr. Fusco's employment agreement also provides that upon the occurrence of a change in control, as such term is defined in the employment agreement, and in the event Mr. Fusco is subsequently terminated for reasons other than cause or in the event Mr. Fusco, within 18 months of the change in control, resigns his employment for good cause, he will be entitled to receive a lump sum severance payment equal to two times his then current base salary, which may be reduced, if necessary, to an amount which is one dollar (\$1.00) less than an amount equal to three times Mr. Fusco's base amount, as determined in accordance with such Section 280G of the Code.

George Lista

In September 2006, our Tri-State Insurance Agency subsidiary entered into an employment agreement with Mr. Lista. Under Mr. Lista's employment agreement, he was to serve as the Chief Executive Officer of Tri-State Insurance Agency for an initial term of five years ending December 31, 2011. The term of the employment agreement will automatically renew for two additional one-year periods unless either Mr. Lista or Tri-State Insurance Agency provides notice of an intention not to renew. Accordingly, Mr. Lista's employment agreement has been renewed such that it will expire no earlier than December 31, 2015. Mr. Lista currently receives a base salary of \$160,039 annually, which is to be adjusted each January 1 to reflect the increase in the consumer price index. Mr. Lista is also entitled to receive commissions on insurance products sold by him, and he is also entitled to participate in our Executive Incentive and Deferred Compensation Plan. Mr. Lista may be terminated for cause (as defined in the agreement). In the event Mr. Lista's employment is terminated other than for cause, he will be entitled to receive his then current base salary and insurance benefits for the remaining term of the employment agreement.

Director Deferred Compensation Agreement

The Board adopted a Director Deferred Compensation Agreement, or DDCA, for both Sussex Bank and the Company in July 2006, which has subsequently been amended. Under the terms of the DDCA, a director may elect to defer all or a portion of his fees for the coming year. Under the DDCA, only the payment of the compensation earned is deferred, and there is no deferral of the expense in our financial statements related to the participant's deferred compensation, which will be charged to our income statement as an expense in the period in which the participant earned the compensation. The deferred amounts are credited with earnings at a rate equal to either (i) the average interest rate earned by us on our investment portfolio, or (ii) the total return of our common stock. The method of determining earnings may be selected by the participant in his or her discretion.

The participant's benefit will be distributed to the participant or his beneficiary upon a change in control of the Company, the termination of the DDCA, the occurrence of an unforeseeable emergency, the termination of the participant's affiliation with the Company, the participant's retirement or the participant's death or disability. Upon distribution, a participant's benefit will be paid in monthly installments over a period of 10 years.

TRANSACTIONS WITH RELATED PERSONS

We have made in the past and, assuming continued satisfaction of generally applicable credit standards, expect to continue to make loans to directors, executive officers and their associates (i.e. corporations or organizations for which they serve as officers or directors or in which they have beneficial ownership interests of 10% or more). These loans have all been made in the ordinary course of our business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and do not involve more than the normal risk of collectability or present other unfavorable features.

Other than the ordinary course lending transactions described above, which must be approved by our Board under bank regulatory requirements, all related-person transactions are reviewed and approved by our Audit Committee. This authority is provided to our Audit Committee under its written charter. In reviewing these transactions, our Audit Committee seeks to ensure that each transaction is no less favorable than a transaction with an unaffiliated third party.

Compensation arrangements for our directors and named executive officers are described above under the sections entitled Director Compensation and Executive Compensation.

Certain Related-Person Transactions

Other than ordinary course lending transactions and compensation arrangements, the following is a description of transactions since January 1, 2013 to which we were a participant or will be a participant, and in which:

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed BDO to act as our independent registered public accounting firm and to audit our consolidated financial statements for the fiscal year ending December 31, 2015. This appointment will continue at the pleasure of the Audit Committee and is presented to the shareholders for ratification as a matter of good corporate governance. In the event that this appointment is not ratified by our shareholders, the Audit Committee will consider that fact when it selects our independent auditors for the following fiscal year.

During our two most recently completed fiscal years, and through the date of our engagement of BDO, neither we nor anyone acting on our behalf has consulted with BDO with respect to (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, and neither a written report nor oral advice was provided by BDO to us that BDO concluded was an important factor considered by us in reaching a decision as to any accounting, auditing or financial reporting issue or (ii) any matter that was either the subject of a disagreement or reportable event as those terms are defined in Item 304(a)(1) of Regulation S-K.

One or more representatives of BDO will be present at the Annual Meeting, and will have the opportunity to make a statement if they desire to do so, and such representatives will be available to respond to appropriate questions from shareholders.

Vote Required

The ratification of the appointment of BDO as our independent registered public accounting firm for the year ending December 31, 2015 will require **FOR** votes from a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on this proposal. Abstentions are not counted as votes cast and they will have no effect on the vote. Similarly, broker non-votes will have no effect on the vote.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF BDO AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

PROPOSAL 3

**NON-BINDING ADVISORY RESOLUTION ON THE
COMPENSATION
OF THE NAMED EXECUTIVE OFFICERS**

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 requires us to provide our shareholders an opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement, or Say-on-Pay. This vote does not address any specific item of compensation, but rather the overall compensation of our named executive officers as disclosed in this proxy statement. At the 2013 annual meeting of shareholders, our shareholders recommended that we hold an advisory vote on executive compensation each year. The Board affirmed the shareholders' recommendation and will hold Say-on-Pay advisory votes on an annual basis until the next required shareholder vote on the frequency of the Say-on-Pay advisory vote, which is scheduled to be held at the 2019 annual meeting of shareholders.

Vote Required

The approval of the non-binding advisory resolution on the compensation of our named executive officers will require **FOR** votes from a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on this proposal. Abstentions are not counted as votes cast and they will have no effect on the vote. Brokers do not have discretionary authority to vote shares on this proposal without direction from the beneficial owner. Therefore, broker non-votes will have no effect on the vote.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE NON-BINDING ADVISORY RESOLUTION ON THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS.

General

The compensation of our named executive officers is disclosed in the Summary Compensation Table and the other related tables and narrative disclosure contained elsewhere in this proxy statement. As discussed in those disclosures, the Board believes that our executive compensation provides a strong link between each named executive officer's compensation and our short and long-term performance. The objective of our executive compensation program is to provide compensation that is competitive based on our performance and aligned with the long-term interests of our shareholders.

We are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal will be presented at the Annual Meeting as a resolution in substantially the following form:

RESOLVED, on an advisory basis, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby APPROVED.

Your vote on this Proposal 3 is advisory and therefore not binding on us, the Compensation Committee or the Board. Your advisory vote will serve as an additional tool to guide the Board and the Compensation Committee in continuing to align our executive compensation with our best interest and that of our shareholders.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as householding, potentially means extra convenience for shareholders and cost savings for companies.

This year, a number of brokers with account holders who are our shareholders will be householding our proxy materials. A single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker.

You may also request an additional proxy statement and annual report by sending a written request to:

Sussex Bancorp
Attn: Linda Kuipers, Secretary
100 Enterprise Drive
Suite 700
Rockaway, New Jersey 07866

Shareholders who currently receive multiple copies of the proxy statement at their addresses and would like to request householding of their communications should contact their brokers.

OTHER MATTERS

The Board is not aware of any other matters that may come before the Annual Meeting. However, in the event such other matters come before the Annual Meeting, it is the intention of the persons named in the proxy to vote on any such matters in accordance with the recommendation of the Board.

By Order of the Board of Directors,
