1. To elect a board of seven directors to hold the office during the ensuing year or until their respective successors are elected and qualified. The Board of Directors intends to nominate as directors the seven persons identified in the accompanying proxy statement.
2. To ratify the appointment of Mayer Hoffman McCann, P.C. as our 2007 Auditors.
3. To transact such business as may properly come before the meeting and any adjournments thereof.

The Board of Directors has fixed the close of business on January 12, 2007 as the record date for determination of stockholders entitled to notice of and to vote at the Annual Meeting and all adjournments thereof. A list of these stockholders will be open to examination by any stockholder at the meeting and for ten days prior thereto during normal business hours at our executive offices, 8911 Balboa Ave., Suite B, San Diego, California 92123.

Enclosed for your convenience is a form of proxy which may be used at the Annual Meeting and which, unless otherwise marked, authorizes the holders of the proxy to vote for the proposed slate of directors and as the proxy holder deems appropriate on any other matter brought before the Annual Meeting.

You are invited to attend the meeting in person. Even if you expect to attend, it is important that you sign, date and return the attached proxy promptly in the business reply envelope which requires no postage if mailed in the United States. It is important that your shares be represented at the meeting to assure the presence of a quorum. If you sign and send in a proxy, you may revoke it by executing a new proxy with a later date, by written notice of revocation to the secretary of the company at any time before it is voted, or by attendance at the meeting and voting in person.

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

Edgar Filing: MITEK SYSTEMS INC - Form DEF 14A

February 27, 2007

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Mitek Systems, Inc. (the Company) for use at its Annual Meeting of Stockholders (the Annual Meeting) to be held at 1:00 p.m., local time, Tuesday, February 27, 2007, at the company's executive offices at 8911 Balboa Ave., Suite B, San Diego, CA 92123, and at any adjournments thereof.

We will pay the expenses of soliciting proxies for the Annual Meeting including the cost of preparing, assembling and mailing the proxy materials. Proxies may be solicited personally, by mail, by telephone, by facsimile, or by telegram, by our regularly employed officers and employees of the Company. Our officers and employees will not receive additional compensation for soliciting proxies. We may request persons holding stock in their names for others, such as brokers and nominees, to forward proxy materials to their principals and request authority to execute the proxy. We will reimburse any such brokers and nominees for their expenses in connection therewith.

Our 2006 Annual Report to Stockholders is included in this Proxy Statement, but is not incorporated in, and is not part of, this Proxy Statement and is not proxy-soliciting material. We intend to mail this Proxy Statement and the accompanying material to stockholders of record on or about January 25, 2007. The Company's Annual Report will be provided free of charge to any stockholder upon written request to the Company at 8911 Balboa Ave., Suite B, San Diego, CA 92123.

VOTING

The holders of at least a majority of the voting power of the common stock outstanding on the record date must be present in person or by proxy at the Annual Meeting for the Annual Meeting to be held. Abstentions and broker non-votes are counted in determining whether at least a majority of the voting power of the common stock outstanding on the Record Date are present at the Meeting. The election of directors is decided by a plurality of the votes cast by holders of all shares represented and entitled to vote at the Annual Meeting. Each stockholder of record on January 12, 2007, is entitled to one vote for each share held on all matters to come before the meeting. The enclosed form of proxy provides a method for stockholders to withhold authority to vote for any one or more of the nominees for director while granting authority to vote for the remaining nominees. The names of all nominees are listed on the proxy card. If you wish to grant authority to vote for all nominees, check the box marked FOR. If you wish to withhold authority to vote for all nominees, check the box marked WITHHOLD. If you wish your shares to be voted for some nominees and not for one or more of the others, check the box marked FOR and indicate the nominee(s) for whom you are withholding the authority to vote by listing such nominee(s) in the space provided. If you check the box marked WITHHOLD your vote will be treated as an abstention and accordingly, your shares will neither be voted for nor against a director but will be counted for quorum purposes. Accordingly, withheld votes will not affect the outcome of the election of directors.

As of the close of business on January 12, 2007, the record date for determining stockholders entitled to notice of and to vote at the Annual Meeting, we had a total of 16,751,137 shares of common stock issued and outstanding.

1

The enclosed form of proxy also provides a method for stockholders to vote for or against or to abstain from voting with respect to the ratification of the selection of Mayer Hoffman McCann, P.C. as our 2007 auditors. By abstaining from voting for such, shares would not be voted either for or against, but would be counted for quorum purposes. While there may be instances in which a stockholder will wish to abstain, the Board of Directors encourages all stockholders to vote their shares in their best judgment and to participate in the voting process to the fullest extent possible.

Brokers who hold shares in street name for customers who are beneficial owners of such shares are prohibited from giving a proxy to vote such customers' shares on non-routine matters in the absence of specific instructions from such customers. This is commonly referred to as a broker non-vote. Broker non-votes will be treated in the same manner as abstentions for voting and quorum purposes. Accordingly, broker non-votes will not affect the outcome of the election of directors.

The shares represented by proxies that are returned properly signed will be voted in accordance with the stockholder's directions. If the proxy card is signed and returned without direction as to how the shares are to be voted, the shares will be voted as recommended by the Board of Directors. A stockholder giving a proxy may revoke it at any time before it is exercised by filing with the Secretary of the Company an instrument revoking it or a duly executed proxy bearing a later date, or by written notice to the Company of the death or incapacity of the stockholder who executed the proxy.

Edgar Filing: MITEK SYSTEMS INC - Form DEF 14A

The proxy will also be revoked if the person executing the proxy is present at the Annual Meeting and elects to vote in person. Unless revoked, the proxy will be voted as specified. The persons named as proxies were selected by the Board of Directors.

2

PROPOSALS OF STOCKHOLDERS

For proposals of stockholders to be included in our proxy materials to be distributed in connection with the 2007 annual meeting of stockholders, anticipated to be held in February 2008, we must receive such proposals in writing no later than September 16, 2007. The acceptance of such proposals is subject to Securities and Exchange Commission (the Commission) guidelines. Any stockholder proposal submitted with respect to our 2007 annual meeting of stockholders which is received by us after November 30, 2007 will be considered untimely for purposes of Rule 14a-4 and Rule 14a-5 under the Exchange Act and the Board of Directors may vote against such proposal using its discretionary voting authority as authorized by proxy.

PROPOSAL NO. 1

TO ELECT SEVEN DIRECTORS

ELECTION OF DIRECTORS

All seven directors are to be elected at the Annual Meeting, to hold office until the next annual meeting or until their successors are duly elected and qualified. Unless authorization to do so is withheld, it is intended that the persons named in the enclosed proxy will vote for the election of the nominees proposed by the Board of Directors, all of whom are presently directors of the Company. REPORT OF THE COMPENSATION COMMITTEE

As members of the Compensation Committee it is our duty to monitor the performance and compensation of executive officers and other key employees, to review compensation plans and to administer the Company's Stock Option Plans. The Company's executive and key employee compensation programs are designed to attract, motivate and retain the executive talent needed to enhance stockholder value in a competitive environment. Our fundamental philosophy is to relate the amount of compensation at risk for an executive directly to his or her contribution to the Company's success in achieving superior performance goals and to the overall success of the Company. The Company's executive and key employee compensation program consists of a base salary component, a component providing the potential for an annual bonus based on overall Company performance as well as individual performance, and a component providing the opportunity to earn stock options that focus the executives and key employees on building stockholder value through meeting longer-term financial and strategic goals.

In designing and administering its executive compensation program, the Company tries to strike an appropriate balance among these various elements, each of which is discussed in greater detail below.

In applying these elements to arrive at specific amounts or awards, the members of the Compensation Committee apply their subjective evaluation of these various factors and arrive at consensus through discussion. While specific numerical criteria may be used in evaluating achievement of individual or Company goals, the extent of achieving such goals is then factored in with other more subjective criteria to arrive at the final compensation or award decision.

Base Salary

The Company's salary program is designed to reflect individual performance related to the Company's overall financial performance as well as competitive practice. Salary reviews are typically performed annually in conjunction with a performance review. Salary increases are dependent on the achievement of individual and corporate performance goals.

The Executive and Key Employee Bonus Plan

The Executive and Key Employee Bonus Plan is designed to reward Company executives and other key employees for their contributions to corporate goals. Corporate goals are established as part of the annual operating plan process. Overall corporate goals include target levels of pre-tax, pre-bonus profit and net revenue.

Bonus achievement is dependent upon meeting or exceeding the company's minimum goals for pre-tax, pre-bonus and net revenue. For fiscal 2006, no bonus award for any participant was payable as the Company did not achieve its goals.

Stock Option Plans

The Company's 1996 Stock Option Plan (the "1996 Plan") authorizes the Company to grant its directors, officers and key employees options to buy up to 1,000,000 shares of the Company's common stock. At September 30, 2006, 5,000 shares were subject to outstanding options and none remained available for future grants under the 1996 Plan. The Company's 1999 Stock Option Plan (the "1999 Plan") authorizes the Company to grant its directors, officers, employees and consultants options to purchase up to 1,000,000 shares of the Company's common stock. At September 30, 2006, 846,268 shares were subject to outstanding options and 54,411 were available for future grants under the 1999 Plan. The Company's 2000 Stock Option Plan (the "2000 Plan") authorizes the Company to grant its directors, officers, employees and consultants options to purchase up to 1,000,000 shares of the Company's common stock. At September 30, 2006, 155,227 shares were subject to outstanding options and 593,921 were available for future grants under the 2000 Plan. options to purchase up to 1,000,000 shares of the Company's common stock. At September 30, 2006, 243,611 shares were subject to outstanding options and 282,834 were available for future grants under the 2002 Plan. The Company's 2006 Stock Option Plan (the "2006 Plan") authorizes the Company to grant its directors, officers, employees and consultants options to purchase up to 1,000,000 shares of the Company's common stock. At September 30, 2006, there were no shares that were subject to outstanding options and 1,000,000 were available for future grants under the 2006 Plan. Additionally, under a compensation agreement with Mr. DeBello, in 2003 he was granted options to purchase 400,000 shares of the Company's common stock at an exercise price of \$1.06 per share.

The Company's stock option plans are designed to:

1. Encourage and create ownership and retention of the Company's stock;
2. Balance long-term with short-term decision making;
3. Link the officers' or key employees' financial success to that of the stockholders;
4. Focus attention on building stockholder value through meeting longer-term financial and strategic goals; and
5. Ensure broad-based participation of key employees (all employees currently participate in the Stock Option Plans).

401(k) Savings Plan

In 1990 the Company established an Employee Savings Plan (the "Savings Plan") intended to qualify under Section 401(k) of the Internal Revenue Code of 1986 as amended (the "Code"), which is available to all employees who satisfy the Plan's age and service requirement. The Savings Plan allows an employee to defer up to 15% of the employee's compensation for the pay period elected in his or her salary deferral agreement on a pre-tax basis pursuant to a cash or deferred arrangement under Section 401(k) of the Code (subject to maximums permitted under federal law). This contribution will generally not be subject to federal tax until it is distributed from the Savings Plan. In addition these contributions are fully vested and non-forfeitable. Contributions to the Savings Plan are deposited in a trust fund established in connection with the Savings Plan. The Company may make discretionary contributions to the Savings Plan at the end of each fiscal year as deemed appropriate by the Board of Directors. Vested amounts allocated to each participating employee are distributed in the event of retirement, death, disability or other termination of employment. For fiscal 2006 the Compensation Committee determined that participants would not receive a matching contribution.

Other Compensation Plans

The Company has adopted certain broad-based employee benefit plans in which executive officers have been permitted to participate. The incremental cost to the Company of benefits provided to executive officers under these life and health insurance plans is less than 10% of the base salaries for executive officers for fiscal 2006. Benefits under these broad-based plans are not directly or indirectly tied to Company performance.

Officers, directors and greater than 10% stockholders are required by Securities and Exchange Commission regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on a review of Forms, 3, 4, and 5 and amendments thereto furnished to us, we are not aware of any director, officer or beneficial owner of 10% of our common stock that failed to file on a timely basis as disclosed on the above forms, reports required by Section 16(a) of the Securities Exchange Act of 1934, as amended, during fiscal year 2006, except that Messrs. Thornton, DeBello, Hailemichael, Bealmear, Cunningham, deBoucaud, Farmer and Tudor and Ms. Thornton failed to file a timely Form 4 to reflect option grants made on October 19, 2005.

PROPOSAL NO. 3

RATIFICATION OF SELECTION OF AUDITORS

The Audit Committee of the Board of Directors has selected the firm of Mayer Hoffman McCann, P.C, independent certified public accountants, to serve as auditors for the fiscal year ending September 30, 2007. A representative of Mayer Hoffman McCann, P.C., (Mayer Hoffman) will be present at the Annual Meeting and will have the opportunity to make a statement and respond to appropriate questions.

The Audit Committee considers and selects our independent auditor. As approved and directed by the Audit Committee, on January 18, 2007, we dismissed Stonefield Josephson, Inc., (Stonefield Josephson) as our independent auditor. As approved and directed by our Audit Committee, on October 4, 2004, Mitek engaged Stonefield Josephson as our independent auditor to audit our financial statements for the year ended September 30, 2004.

During our two most recent fiscal years and any subsequent interim period prior to the dismissal of Stonefield Josephson, there were no disagreements on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Stonefield Josephson, would have caused it to make reference to the subject matter of the disagreements in connection with its report and there occurred no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K as promulgated by the SEC.

12

Stonefield Josephson's reports on our consolidated financial statements for the years ended September 30, 2006 and September 30, 2005, did not contain an adverse opinion or disclaimer of opinion, nor were such audit reports qualified or modified as to uncertainty, audit scope or accounting principles.

During our two most recent fiscal years and any subsequent interim period prior to the engagement of Mayer Hoffman we did not consult with Mayer Hoffman with respect to any of the matters enumerated in Item 304(a)(2)(i) or Item 304(a)(2)(ii) of Regulation S-K.

Audit Fees

The fees for professional services rendered for the audit of our financial statements for each of the fiscal years ended September 30, 2006 and September 30, 2005, and the reviews of the financial statements included in our Quarterly Reports on Form 10-Q (or 10-QSB) or services normally provided by the independent auditor in connection with statutory or regulatory filings or engagements for each of these fiscal years, were \$129,000 and \$128,000 respectively.

Audit Related Fees

There were no audit related fees for the fiscal years ended September 30, 2006 or September 30, 2005.

Tax Fees

There were no fees for tax compliance, tax advice or tax planning billed or expected to be billed by our independent auditors for the fiscal years ended September 30, 2006 or September 30, 2005.

All Other Fees

Other than described above, there were no other fees paid to our independent auditors. The Audit Committee believes there were no services provided by the our independent auditors which would effect their independence.

Pre-Approval Policies

In accordance with the Audit Committee Charter, attached hereto as Appendix B, the Audit Committee has established policies and procedures by which it approves in advance any audit and permissible non-audit services to be provided by the Company's independent auditors. Under these procedures, prior to the engagement of the independent auditor for pre-approved services, requests or applications for the auditors to provide services must be submitted to the Audit Committee and must include a detailed description of the services to be rendered. The chief financial officer and the independent auditors must ensure that the independent auditors are not engaged to perform the proposed services unless those services are within the list of services that have received the Audit Committee's pre-approval and must cause the Audit Committee to be informed in a timely manner of all services rendered by the independent auditors and the related fees.

Each request or application must include:

a recommendation by the chief financial officer as to whether the Audit Committee should approve the request or application; and

a joint statement of the chief financial officer and the auditors as to whether, in their view, the request or application is consistent with the Securities and Exchange Commission's and the requirements for auditor independence of the Public Company Accounting Oversight Board (PCAOB).

13

The Audit Committee also will not permit the independent auditors to be engaged to provide any services to the extent that the Securities and Exchange Commission has prohibited the provision of those services by independent auditors, which generally include:

bookkeeping or other services related to accounting records or financial statements;

financial information systems design and implementation;

appraisal or valuation services, fairness opinions or contribution-in-kind reports;

actuarial services;

internal audit outsourcing services;

management functions;

human resources;

broker-dealer, investment adviser or investment banking services;

legal services;

Edgar Filing: MITEK SYSTEMS INC - Form DEF 14A

expert services unrelated to the audit; and

any service that the PCAOB determines is not permissible.

The Board of Directors recommends that you vote FOR this proposal.
