This Report on Form 6-K shall be incorporated by reference in the prospectus, dated March 24, 2004, of China Yuchai International Limited (the Company or CYI) included in the Company's Registration Statement (Registration No. 333-111106) on Form F-3 and to be part thereof from the date on which this report is filed, to the extent not superseded by documents or reports subsequently filed or furnished by the Company with the U.S. Securities and Exchange Commission (the SEC).

The Company wishes to caution readers that this Report on Form 6-K contains forward-looking statements, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements, including without limitation, statements relating to the Company's financial performance and prospects, are subject to certain risks and uncertainties, which could cause actual results to differ materially from historical results or those anticipated. Among the risks and factors that could cause actual results to differ materially are: the Company's ability to control Guangxi Yuchai Machinery Company Limited (Yuchai); the Company's ability to consolidate Yuchai's financial results; changes in the capital markets and interest rates; political, economic and social conditions in China such as government policies with respect to foreign investment, economic growth, inflation and the availability of credit; the effects of competition in the diesel engine market; the effects of inflation; the ability of Yuchai to control its expenses, capital expenditures and receivables, finance its working capital and capital expenditures and commercially introduce new products in the future; the Company's ability to successfully implement the agreement it reached with Yuchai in July 2003 and the reorganization agreement of April 2005, as amended in December 2005; the effects of uncertainties in the Chinese legal system which could limit the legal protections available to foreign investors, including with respect to the enforcement of foreign judgments in China; and the effects of China becoming a member of the World Trade Organization. Although the Company believes the expectations reflected in such forward-looking statements are based upon reasonable assumptions, the Company can give no assurance that its expectations will be attained. In addition to the foregoing factors, a description of certain other risks and uncertainties which could cause actual results to differ materially can be found in the section captioned "Risk Factors" in the Company's Annual Report on Form 20-F filed with the SEC under the Securities Exchange Act of 1934, as amended. Readers are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of management on future events. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Other Events

1. Announcement of Q1 2006 Performance

On April 28, 2006 in Singapore, the Company issued a press release announcing its unaudited interim results for the three months ended March 31, 2006. A copy of the press release dated April 28, 2006 is attached hereto as Exhibit 1.1 and is incorporated herein by reference.

2. New bank facility

On March 31, 2006, CYI entered into a secured term loan facility with a bank in Singapore for up to S\$110.0 million (approximately US\$69.18 million based on an exchange rate of US\$1.00 to S\$1.59). The facility may only be utilized by CYI in connection with certain limited circumstances relating to its business expansion activities. The terms of the facility require, among other things, that Hong Leong Asia Ltd (HLA) retains ownership of CYI's special share and that CYI remains a consolidated subsidiary of HLA. The terms of the facility also include certain financial covenants with respect to CYI's tangible net worth and net gearing ratio throughout the tenor of the facility, as well as negative pledge provisions and customary drawdown requirements and events of default.
