Item 8.01. Other Events

On September 28, 2004 SunLink Health Systems, Inc. announced the settlement of the shareholder derivative action (Barber vs. SunLink Health Systems, Inc., et al.; Superior Court of Fulton County, Georgia; Civil Action No.: 2004-CV 82484) which was originally filed as a shareholder class action against the Company and its Directors in March 2004, and amended in September 2004 to assert derivative claims. A similar shareholder class action (Ross vs. SunLink Health Systems, Inc., et al.; Superior Court of Fulton County, Georgia; Civil Action No.: 2004-CV-81871) was voluntarily dismissed by the plaintiff, Mary Ross, in April, 2004.

Edgar Filing: SUNLINK HEALTH SYSTEMS INC - Form 8-K

Under the terms of the court approved settlement, the Company will make limited changes to corporate governance measures, certain of which would have otherwise been required under recently adopted SEC regulations and American Stock Exchange Rules. Additionally, under the terms of the Court approved settlement, the plaintiff will provide a release, waiver and covenant not to sue derivatively.

Also, under the terms of the Court approved settlement, the Company agreed to disclose again the basis on which the Board relied in deciding not to accept the overtures by Attentus Healthcare earlier in 2004, and did so by press release dated September 28, 2004.

Under the terms of the Court approved settlement, SunLink paid no damages to plaintiff, but agreed to make a payment of certain attorneys' fees and expenses to plaintiff's legal counsel.
