Item 2.02. Results of Operations and Financial Condition

On July 28, 2005, Tasty Baking Company announced its financial results for the second quarter ended June 25, 2005. A copy of the press release is attached to this Report as Exhibit 99.1 and is incorporated herein by reference. The information disclosed in this Report, including Exhibit 99.1 hereto, is being furnished and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended, except as expressly set forth in this filing.

Item 8.01. Other Events

In June 2005, the New York Stock Exchange ("NYSE") announced that it has changed certain listing criteria, including increased requirements for market capitalization and shareholders' equity. With the new standards in place and an initial assessment period ending July 29, 2005, Tasty Baking Company does not expect to meet the new standards and anticipates the receipt of a letter from the NYSE in August 2005 notifying the company that it is currently below the NYSE's recently increased continued listing criteria.

Should the company receive such a letter, it is anticipated that in order to retain its listing on the NYSE, the company would be required to submit its business plan to the NYSE for review to determine if, in the NYSE's opinion, the company would gain compliance with the new continued listing requirements within 18 months. If the NYSE determines that the plan meets its requirements, Tasty Baking Company would continue to be listed on the NYSE as TBC.BC pending quarterly reviews by the NYSE. If the company should be informed by the NYSE that the submitted plan does not meet the NYSE's requirements, the company would pursue an alternative trading market for its common stock.
