Item 2.01 Completion of Acquisition or Disposition of Assets

On September 25, 2007, American Technical Ceramics Corp. (the "Company") completed its previously announced merger pursuant to the terms of the Agreement and Plan of Merger (the "Merger Agreement"), dated as of June 15, 2007, by and among the Company, AVX Corporation ("AVX") and Admiral Byrd Acquisition Sub, Inc. ("AVX Merger Sub"), a wholly-owned subsidiary of AVX, whereby AVX Merger Sub was merged (the "Merger") with and into the Company. Pursuant to the Merger Agreement, the separate corporate existence of AVX Merger Sub has ceased and the Company, as the surviving corporation in the Merger, became a wholly-owned subsidiary of AVX.

As a result of the Merger, each outstanding share of the Company's common stock has been converted into the right to receive \$24.75 in cash and each outstanding option to purchase the Company's common stock has been converted into the right to receive \$24.75 in cash less the applicable exercise price with respect to each share of common stock underlying such option. The aggregate purchase price payable to the Company's former stockholders and optionholders is approximately \$231,316,921.50. Prior to entering into the Merger Agreement, there were no material relationships between or among AVX or any of its affiliates, officers or directors, on the one hand, and the Company or any of its affiliates, officers, directors or any associates of any of the Company's officers or directors, on the other.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, which was included as an Annex A to the Company's Schedule 14A filed with the Securities and Exchange Commission on August 21, 2007.

Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

In connection with the closing of the Merger, the Company notified the American Stock Exchange ("AMEX") that, effective as of September 25, 2007, each outstanding share of the Company's common stock, par value \$0.01 per share, was cancelled and converted into the right to receive an amount equal to \$24.75 in cash, without interest and less any applicable withholding taxes. As a result of the Merger, trading of the Company's common stock on the AMEX was suspended and the Company's common stock will be delisted.

Item 3.03 Material Modification to Rights of Security Holders

In connection with the Merger, each share of the Company's common stock was cancelled and converted into the right to receive an amount equal to \$24.75 in cash, without interest and less any applicable withholding taxes. Each outstanding option to purchase the Company's common stock was cancelled and converted into the right to receive \$24.75 in cash less the applicable exercise price with respect to each share of common stock underlying such option.

Item 5.01 Changes in Control of Registrant

On September 25, 2007, pursuant to the terms of the Merger Agreement, AVX Merger Sub was merged with and into the Company. As a result of the Merger, the separate corporate existence of AVX Merger Sub has ceased and the Company, as the surviving corporation in the Merger, became a wholly-owned subsidiary of AVX. The aggregate purchase price payable to the Company's former stockholders and optionholders is approximately \$231,316,921.50. AVX funded the purchase
