**Item 8.01 Other Events.**

On December 2, 2008, Green Bankshares, Inc., a Tennessee corporation, issued the press release filed herewith as Exhibit 99.1, announcing that its Board of Directors has declared a regular quarterly dividend of \$0.13 per share, payable on December 19, 2008, to shareholders of record as of December 12, 2008.

Additionally, the Board has declared a special year-end stock dividend equal in value to the special year-end cash dividend of \$0.16 per share paid in the fourth quarter of 2007. The stock dividend, to be paid on December 29, 2008, is based upon the average closing price of \$17.29 per share on Green Bankshares' common stock for the 30-day trading period ended on December 1, 2008, resulting in a stock dividend rate of 0.9254% share of common stock. Thus, each shareholder will receive one new share for every 108 shares held on the record date of December 13, 2008. Since the record date of the cash dividend precedes the record date of the stock dividend, the incremental shares received in the stock dividend will not receive a cash dividend distribution during the fourth quarter.

Fractional shares associated with the stock dividend will be paid in cash to all registered shareholders based upon the closing prices of the stock on the record date. Fractional shares will be credited to the account of all other shareholders, including those enrolled in the Company's dividend reinvestment plan and those shares held in brokerage accounts.
