## **Item 2.02. Results of Operations and Financial Condition.**

The following information discusses financial results for Spectrum Brands, Inc.'s (the "Company") fiscal first quarter ended January 3, 2010 (the "Fiscal 2010 First Quarter"), which the Company plans to provide on an investor conference call today. The information is being furnished pursuant to this Item 2.02 and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.

As of January 3, 2010, the Company had \$26.6 million drawn on its senior secured asset-based loan facility.

While the Company is still calculating results for the Fiscal 2010 First Quarter, the Company currently estimates net sales growth of over 7% compared to its fiscal 2009 first quarter. Early indications of sales results in the Fiscal 2010 First Quarter in the Latin American region for the Company's Global Battery & Personal Care business segment indicate that a new marketing program there that mirrors the Company's value brand messaging in North America is working. With respect to the aquatics portion of the Company's Global Pet Supplies business segment, the Company also currently estimates flat net sales results for the Fiscal 2010 First Quarter compared to the Fiscal 2009 First Quarter. In addition, the Company currently estimates that adjusted EBITDA, a non-GAAP financial measure, for the Fiscal 2010 First Quarter will be significantly above that in its Fiscal 2009 First Quarter. The Company currently expects to release earnings for the Fiscal 2010 First Quarter in early February 2010.
