Item 1.01. Entry into a Material Definitive Agreement.

On December 28, 2012 Granite Construction Incorporated (the “Company”) entered into a stock purchase agreement (the “Stock Purchase Agreement”) with Kenny Industries, Inc. providing for the purchase by the Company of all of the outstanding shares of capital stock of Kenny Construction Company, for cash in the amount of \$130.0 million, subject to adjustment for certain items (the “Acquisition”). The Stock Purchase Agreement contains representations, warranties, covenants and indemnities believed by the Company to be customary for transactions of this type. The transaction has been closed into escrow and will become effective on December 31, 2012.

The Company intends to finance the Acquisition through a combination of cash on hand and approximately \$70,000,000 of borrowings under its existing revolving credit facility, and borrowed that amount under its credit facility on December 21, 2012. Borrowings under the credit facility, which expires October 11, 2016, bear interest at LIBOR or a base rate (at the Company’s option), plus an applicable margin based on certain financial ratios calculated quarterly. The financial covenants applicable to borrowings under the credit facility require the maintenance of a minimum Consolidated Tangible Net Worth, a minimum Consolidated Interest Coverage Ratio and a maximum Consolidated Leverage Ratio, the calculations and terms of each of which are defined in the Company’s credit agreement. The Company’s credit agreement also contains certain other restrictive covenants and customary events of default.

The Stock Purchase Agreement is filed as Exhibit 2.1 and is incorporated herein by reference. The description of the Stock Purchase Agreement contained herein is qualified in its entirety by reference to the full text of such agreement. The Amended and Restated Credit Agreement providing for the credit facility described above is filed as Exhibit 10.1 and is incorporated herein by reference.
