Accompanying this Proxy Statement is the Board of Directors' Proxy for the Annual Meeting, which you may use to indicate your vote as to the proposals described in this Proxy Statement. This Proxy Statement and the accompanying Proxy will be mailed on or about \* to all shareholders entitled to vote at the Annual Meeting.

## SOLICITATION OF PROXIES

The original solicitation of Proxies by mail may be supplemented by solicitation in person, by mail, by telephone, by facsimile, or by telegram, by our regularly employed officers and employees. Our officers and employees will not receive any additional compensation for soliciting proxies.

## VOTING RIGHTS AND OUTSTANDING SHARES

The Board of Directors has fixed the close of business on \* as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting or any adjournment thereof. As of the record date, \* shares of our common stock, par value \$.001 per share, were issued and outstanding. You are entitled to one vote for each share of common stock you hold. The representation, in person or by proxy, of a majority of the outstanding shares of our common stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. All Proxies that are properly completed, signed and returned to the Company before the Annual Meeting, and that have not been revoked, will be voted in favor of the proposals described in this Proxy Statement unless otherwise directed.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the meeting will be required to approve each proposal. ### SHAREHOLDER PROPOSALS

The deadline for submitting a shareholder proposal for inclusion in our proxy statement and form of proxy for the 2004 Annual Meeting of Shareholders pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended ("Exchange Act") is June 15, 2004. The deadline for submitting a shareholder proposal that is not to be included in such proxy statement and proxy is also June 15, 2004. If a shareholder proposal is received after June 15, 2004, we may vote in our discretion as to that proposal all of the shares for which we have received proxies for the 2004 Annual Meeting of Shareholders.

### PROPOSAL 1 ELECTION OF DIRECTORS

In accordance with our Bylaws, the Board of Directors has fixed the number of our directors at three. The Board of Directors proposes the election of the nominees named below, each of whom is currently a member of our Board of Directors previously elected by shareholders. There is no cumulative voting for the election of directors.

Unless authorization to do so is withheld, proxies received will be voted FOR the three nominees named below. If any nominee should become unavailable for election before the Annual Meeting, the proxies will be voted for the election of such substitute nominee as the present Board of Directors may propose. Each person nominated for election has agreed to serve if elected, and the Board of Directors has no reason to believe that any nominee will be unable to serve.

The Board of Directors proposes the election of the following nominees as members of the Board of Directors:

### COMMITTEES

The Board of Directors has an Audit Committee and a Compensation Committee, both of which were established on June 9, 2000. As set forth in the Audit Committee Charter adopted by the Board of Directors, a copy of which is included in the Company's Definitive Proxy Statement filed with the SEC on November 29, 2001 as Exhibit A, the primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing (1) the financial information provided to shareholders and others, (2) systems of internal controls established by management and the Board of Directors and (3) the audit process. The primary function of the Compensation Committee is to establish and administer our executive compensation programs. Mr. Bradley J. Ammon is a member of both committees and is "independent" as that term is defined in Rule 4200(a)(14) of the National Association of Securities Dealers' listing standards. During the 2002 fiscal year, each committee held \* meetings.

REPORT OF THE AUDIT COMMITTEE. The Audit Committee has reviewed the Company's audited financial statements for fiscal 2002 and discussed them with management.

The Company's independent auditors, Stonefield Josephson, Inc., have discussed with the Audit Committee matters such as the auditors' role and responsibility in connection with an audit of the Company's financial statements, significant accounting policies, the reasonableness of significant judgments and accounting estimates, significant audit adjustments, and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards.

The Audit Committee has received from Stonefield Josephson, Inc. written disclosures regarding all relationships between Stonefield Josephson, Inc. and its related entities and the Company and its related entities that in the professional judgment of Stonefield Josephson, Inc. may reasonably be thought to bear on independence. Stonefield Josephson, Inc. has confirmed that, in its professional judgment, it is independent of the Company within the meaning of the Securities Act of 1933, as amended, and the Audit Committee has discussed such matters with Stonefield Josephson, Inc.

The Audit Committee, based on the review and discussions above, recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2002 for filing with the Securities and Exchange Commission.

#### AMENDED AND RESTATED 1999 STOCK OPTION PLAN

Our Amended and Restated 1999 Stock Option Plan (the 1999 Plan) authorizes us to grant to our directors, employees, consultants and advisors both incentive and non-qualified stock options to purchase shares of our Common Stock. As of December 31, 2001, our Board of Directors had reserved 3,000,000 shares for issuance under the 1999 Plan, of which 2,078,625 shares were subject

## Edgar Filing: ONE VOICE TECHNOLOGIES INC - Form PRE 14A

to outstanding options and 921,375 shares remained available for future grants. Our Board of Directors or a committee appointed by the Board (the Plan Administrator) administers the 1999 Plan. The Plan Administrator selects the recipients to whom options are granted and determines the number of shares to be awarded. Options granted under the 1999 Plan are exercisable at a price determined by the Plan Administrator at the time of the grant, but in no event will the option price for any incentive stock option be lower than the fair market value for our Common Stock on the date of the grant. Options become exercisable at such times and in such installments as the Plan Administrator provides in the terms of each individual option agreement. In general, the Plan Administrator is given broad discretion to issue options and to accept a wide variety of consideration (including shares of our Common Stock and promissory notes) in payment for the exercise price of options. The 1999 Plan was authorized by the Board of Directors and stockholders.

5

### SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of ownership and changes in ownership of common stock and other equity securities of the Company. Officers, directors and greater-than-ten-percent beneficial owners are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of copies of reports furnished to us and certain written representations, during the fiscal year ended December 31, 2002 and prior fiscal years ended December 31, all Section 16(a) filing requirements applicable to our directors, executive officers and greater-than-ten-percent beneficial owners were complied with except as follows: Form 3 filings for Dean Weber and Rahoul Sharan due on December 16, 1999, and the Form 3 for Bradley J. Ammon due on June 19, 2000, were each filed on August 11, 2000.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF EACH NOMINEE AS A DIRECTOR OF THE COMPANY.

### PROPOSAL 2

#### APPROVAL OF OUR FOURTH AMENDED AND RESTATED 1999 STOCK OPTION PLAN

On \*, 2003, the Board of Directors adopted, subject to shareholder approval and approval by the California Department of Corporations, the Fourth Amended and Restated 1999 Stock Option Plan (the "1999 Plan") to increase the maximum number of shares of common stock authorized for issuance over the term of the 1999 Plan from 3,000,000 to 4,500,000. We do not currently have any plans, proposals or arrangements to award any of the additional options that would be authorized under the amended plan. Rather, we are seeking approval for the increase at this time to provide us with the flexibility to issue additional options if necessary or advisable, in the determination of the Board of Directors and/or the Compensation Committee, to acquire and/or retain qualified employees and management and to offer employees and management a competitive compensation structure.

The following is a summary of the principal features of the 1999 Plan that will become effective upon shareholder approval of this proposal and approval of the amended 1999 Plan by the California Department of Corporations.

## Edgar Filing: ONE VOICE TECHNOLOGIES INC - Form PRE 14A

The summary, however, is not a complete description of all of the provisions of the 1999 Plan. A copy of the 1999 Plan, as amended, is included with this Proxy Statement as Exhibit A. We intend to file an amended Form S-8 with the SEC to register the additional 1,500,000 shares under the Securities Act of 1933, as amended, as soon as practicable after receiving shareholder approval of the amended 1999 Plan.

### ADMINISTRATION

The 1999 Plan is administered by the Board of Directors or a committee of two or more members appointed by the Board of Directors who are non-employee directors. The committee has the sole discretion and authority to grant options under the 1999 Plan to eligible participants rendering services to the Company, at such times, under such terms and in such amounts as it may decide.

### ELIGIBILITY

All directors, officers, employees of and consultants to the Company, relative to our management, operation or development, are eligible to receive options under the 1999 Plan. The selection of recipients of options is within the sole and absolute discretion of the committee. No employee shall be granted more than 500,000 options in any one-year period.

6

### IDENTIFICATION OF STOCK

The stock subject to the options shall be shares of our authorized but unissued or acquired or reacquired common stock. The aggregate number of shares subject to outstanding options shall not exceed 4,500,000 shares (subject to adjustment upon certain events including, but not limited to, a stock split, reverse stock split, recapitalization or payment of a stock dividend). Notwithstanding the above, at no time shall the total number of shares of common stock issuable upon exercise of all outstanding options and the total number of shares of stock provided for under any stock bonus or similar plan of the Company exceed 30% as calculated in accordance with the conditions and exclusions of Section 260.140.45 of Title 10, California Code of Regulations, based on the shares of the Company outstanding at the time the calculation is made.

### TERMS

Options may be granted at an exercise price determined by the committee, subject to certain limitations set forth in the 1999 Plan. No granted option will have a term of more than 10 years. Upon cessation of service, the optionee will generally have three months from the date of termination of eligibility to exercise any vested options. Options granted shall generally be exercisable or "vest" at the rate of at least 20% per year over the five-year period beginning on the date the option is granted.

### VALUATION

If our common stock is neither listed nor admitted to trading on any stock exchange nor traded in the over-the-counter market, the fair market value per share of common stock on any relevant date under the 1999 Plan will be determined by the committee after taking into account such factors as the committee deems appropriate. If the common stock is not listed or admitted to trading on any stock exchange but is traded in the over-the-counter market, the fair market value shall generally be the mean between the highest bid and lowest asked prices (or, if such information is available, the closing selling price).

## Edgar Filing: ONE VOICE TECHNOLOGIES INC - Form PRE 14A

If the common stock is listed or admitted to trading on any stock exchange, the fair market value shall be the closing selling price on the stock exchange determined by the committee to be the primary market for the common stock. As of \*, 2003, the closing sale price of our common stock as quoted on the OTC Bulletin Board was \$\* per share.

### FEDERAL INCOME TAX INFORMATION

INCENTIVE STOCK OPTIONS. An optionee recognizes no taxable income for regular income tax purposes as the result of the grant or exercise of an incentive stock option. Optionees who do not dispose of their shares for two years following the date the incentive stock option was granted or within one year following the exercise of the option will normally recognize a long-term capital gain or loss equal to the difference, if any, between the sale price and the purchase price of the shares. If an optionee satisfies both such holding periods upon a sale of the shares, we will not be entitled to any deduction for federal income tax purposes. If an optionee disposes of shares either within two years after the date of grant or within one year from the date of exercise (referred to as a "disqualifying disposition"), the difference between the fair market value of the shares on the exercise date and the option exercise price (not to exceed the gain realized on the sale if the disposition is a transaction with respect to which a loss, if sustained, would be recognized) will be taxed as ordinary income at the time of disposition. Any gain in excess of that amount will be a capital gain. If a loss is recognized, there will be no ordinary income, and such loss will be a capital loss. A capital gain or loss will be long-term if the optionee's holding period is more than 12 months. Any ordinary income recognized by the optionee upon the disqualifying disposition of the shares generally should be deductible by the Company for federal income tax purposes, except to the extent such deduction is limited by applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code") or the regulations thereunder. The difference between the option exercise price and the fair market value of the shares on the exercise date of an incentive stock option is an adjustment in computing the optionee's alternative minimum taxable income and may be subject to an alternative minimum tax that is paid if such tax exceeds the regular tax for the year. Special rules may apply with respect to certain subsequent sales of the shares in a disqualifying disposition, certain basis adjustments for purposes of computing the alternative minimum taxable income on a subsequent sale of the shares and certain tax credits that may arise with respect to optionees subject to the alternative minimum tax.

7

NONSTATUTORY STOCK OPTIONS. Options not designated or qualifying as incentive stock options will be nonstatutory stock options. Nonstatutory stock options have no special tax status. An optionee generally does not recognize taxable income as the result of the grant of such an option. Upon exercise of a nonstatutory stock option, the optionee normally recognizes ordinary income in an amount equal to the difference between the option exercise price and the fair market value of the shares on the exercise date. If the optionee is an employee, such ordinary income generally is subject to withholding of income and employment taxes. Upon the sale of stock acquired by exercise of a nonstatutory stock option, any gain or loss, based on the difference between the sale price and the fair market value on the exercise date, will be taxed as capital gain or loss. A capital gain or loss will be long-term if the optionee's holding period is more than 12 months. We generally should be entitled to a deduction equal to the amount of ordinary income recognized by the optionee as a result of the exercise of a nonstatutory stock option, except to the extent such deduction is limited by applicable provisions of the Code or the regulations thereunder. No tax deduction is available to the Company with respect to the grant of a nonstatutory stock option or the sale of the stock acquired pursuant to such

## Edgar Filing: ONE VOICE TECHNOLOGIES INC - Form PRE 14A

grant.

POTENTIAL LIMITATION ON COMPANY DEDUCTIONS. Code Section 162(m) denies a deduction to the Company for compensation paid to certain employees in a taxable year to the extent that compensation exceeds \$1 million for a covered employee. It is possible that compensation attributable to stock options, when combined with all other types of compensation received by a covered employee from the Company, may cause this limitation to be exceeded in any particular year. Certain kinds of compensation, including qualified "performance-based compensation," are disregarded for purposes of the deduction limitation. In accordance with applicable regulations issued under Section 162(m), compensation attributable to stock options will qualify as performance-based compensation, provided that: (a) either (i) the option plan contains a per-employee limitation on the number of shares for which options may be granted during a specified period, (ii) the per-employee limitation is approved by the shareholders, (iii) the option is granted by a compensation committee comprised solely of outside directors and is granted (or exercisable) only upon the achievement (as certified in writing by the compensation committee) of an objective performance goal established by the compensation committee while the outcome is substantially uncertain and approved by the shareholders.

For the aforementioned reasons, our 1999 Plan provides for an annual per employee limitation as required under Section 162(m) and our compensation committee is comprised solely of outside directors.

OTHER TAX CONSEQUENCES. The foregoing discussion is intended to be a general summary only of the federal income tax aspects of options granted under the 1999 Plan. Tax consequences may vary depending on the particular circumstances at hand. In addition, administrative and judicial interpretations of the application of federal income tax laws are subject to change. Furthermore, no information is given with respect to state or local taxes that may be applicable. Participants in the 1999 Plan who are residents of or are employed in a country other than the United States may be subject to taxation in accordance with the tax laws of that particular country in addition to or in lieu of United States federal income taxes.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" PROPOSAL 2.

### PROPOSAL 3

On \*, 2003, the Board of Directors authorized an amendment to our Articles of Incorporation to increase the number of our authorized shares. Subject to shareholder approval, Article Fourth, Section 1 would be amended to read as follows and would be filed with the Nevada Secretary of State:

The Preferred Stock, or any series thereof, shall have such designations, preferences and relative, participating, optional or other

special rights and qualifications, limitations or restrictions thereof as shall be expressed in the resolution or resolutions providing for the issue of such stock adopted by the Board of Directors and may be made dependent upon facts ascertainable outside such resolution or resolutions of the Board of Directors, provided that the matter in which such facts shall operate upon such designations, preferences, rights and qualifications, limitations or restrictions of such class or series of stock is clearly and expressly set forth in the resolution or resolutions providing for the issuance of such stock by the Board of Directors.

The total number of shares of stock of each class which the Corporation shall have authority to issue and the par value of each share of each class of stock are as follows:

Class	Par Value	Authorized Shares
-----	-----	-----
Common	\$0.001	250,000,000
Preferred	\$0.001	10,000,000"

As of the Record Date, a total of \* shares of the Company's currently authorized 100,000,000 shares of Common Stock are issued and outstanding. The terms of the additional shares of common stock will be identical to those of the currently outstanding shares of common stock. However, because holders of common stock have no preemptive rights to purchase or subscribe for any unissued stock of the Company, the issuance of additional shares of common stock will reduce the current stockholders' percentage ownership interest in the total outstanding shares of common stock. This amendment will not alter the current number of issued shares. The relative rights and limitations of the shares of common stock would remain unchanged under this proposal.

The increase in the number of authorized but unissued shares of common stock would enable the Company, without further stockholder approval, to issue shares from time to time as may be required for proper business purposes, such as raising additional capital for ongoing operations, business and asset acquisitions, stock splits and dividends, present and future employee benefit programs and other corporate purposes. If approved, the Company has no present intentions to issue any of the newly authorized shares of common stock

If the shareholders approve the increase in authorized capital stock, the ratio of issued-to-authorized shares would increase from approximately 1:2 to 1:5. The Company believes this dramatic increase is in the best interest of the Company because it would be able to issue shares from time to time as may be required for proper business purposes, such as raising additional capital for ongoing operations, business and asset acquisitions, stock splits and dividends, present and future employee benefit programs and other corporate purposes, without the expense and time of obtaining stockholder approval.

In addition, one of the effects of proposed amendment might be to enable the Board to render it more difficult to, or discourage an attempt to, obtain control of the Company by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of present management. The Board would, unless prohibited by applicable law, have additional shares of common stock available to effect transactions (such as private placements) in which the number of the Company's outstanding shares would be increased and would thereby dilute the interest of any party attempting to gain control of the Company. Such action could discourage an acquisition of the Company, which stockholders might view as desirable.

ONE VOICE TECHNOLOGIES, INC.

FOURTH AMENDED AND RESTATED  
1999 STOCK OPTION PLAN

1. PURPOSE. This Stock Option Plan (the "Plan") is intended to serve as an incentive to, and to encourage stock ownership by, certain eligible participants rendering services to One Voice Technologies, Inc., a Nevada corporation (the "Corporation"), and certain affiliates as set forth below, so that they may acquire or increase their proprietary interest in the Corporation and to encourage them to remain in the service of the Corporation. The Plan is a restatement in the entirety of the Plan.

2. ADMINISTRATION.

2.1. COMMITTEE. The Plan shall be administered by the Board of Directors of the Corporation (the "Board of Directors") or a committee of two or more members appointed by the Board of Directors (the "Committee") who are Non-Employee Directors as defined in Rule 16b-3 promulgated under Section 16 of the Securities Exchange Act of 1934 and outside directors as defined in Treasury Regulation ss. 1.162-27(e)(3). The Committee shall select one of its members as Chairman and shall appoint a Secretary, who need not be a member of the Committee. The Committee shall hold meetings at such times and places as it may determine and minutes of such meetings shall be recorded. Acts by a majority of the Committee in a meeting at which a quorum is present and acts approved in writing by a majority of the members of the Committee shall be valid acts of the Committee.

2.2. TERM. If the Board of Directors selects a Committee, the members of the Committee shall serve on the Committee for the period of time determined by the Board of Directors and shall be subject to removal by the Board of Directors at any time. The Board of Directors may terminate the function of the Committee at any time and resume all powers and authority previously delegated to the Committee.

2.3. AUTHORITY. The Committee shall have sole discretion and authority to grant options under the Plan to eligible participants rendering services to the Corporation or any "parent" or "subsidiary" of the Corporation, as defined in Section 424 of the Internal Revenue Code of 1986, as amended (the "Code") ("Parent or Subsidiary"), at such times, under such terms and in such amounts as it may decide. For purposes of this Plan and any Stock Option Agreement (as defined below), the term "Corporation" shall include any Parent or Subsidiary, if applicable. Subject to the express provisions of the Plan, the Committee shall have complete discretion and authority to interpret the Plan, to prescribe, amend and rescind the rules and regulations relating to the Plan, to determine the details and provisions of any Stock Option Agreement, to accelerate any options granted under the Plan and to make all other determinations necessary or advisable for the administration of the Plan.

2.4. TYPE OF OPTION. The Committee shall have full authority and

## Edgar Filing: ONE VOICE TECHNOLOGIES INC - Form PRE 14A

discretion to determine, and shall specify, whether the eligible individual will be granted options intended to qualify as incentive options under Section 422 of the Code ("Incentive Options") or options which are not intended to qualify under Section 422 of the Code ("Non-Qualified Options"); provided, however, that Incentive Options shall only be granted to employees of the Corporation, or a Parent or Subsidiary thereof, and shall be subject to the special limitations set forth herein attributable to Incentive Options.

2.5. INTERPRETATION. The interpretation and construction by the Committee of any provisions of the Plan or of any option granted under the Plan shall be final and binding on all parties having an interest in this Plan or any option granted hereunder. No member of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any option granted under the Plan.

### 3. ELIGIBILITY.

3.1. GENERAL. All directors, officers, employees of and consultants to the Corporation, or any Parent or Subsidiary, relative to the Corporation's, or any Parent's or Subsidiaries', management, operation or development shall be eligible to receive options under the Plan. The selection of recipients of options shall be within the sole and absolute discretion of the Committee. No person shall be granted an option under this Plan unless such person has

A-1

executed the grant representation letter set forth on Exhibit "A," as such Exhibit may be amended by the Committee from time to time and no person shall be granted an Incentive Option under this Plan unless such person is an employee of the Corporation, or a Parent or Subsidiary, on the date of grant. No employee shall be granted more than 500,000 options in any one-year period.

### 3.2. TERMINATION OF ELIGIBILITY.

3.2.1. If an optionee ceases to be employed by the Corporation, or its Parent or Subsidiary, is no longer an officer or member of the Board of Directors of the Corporation or no longer performs services for the Corporation, or its Parent or Subsidiary for any reason (other than for "cause," as hereinafter defined, or such optionee's death), any option granted hereunder to such optionee shall expire three months after the date of the occurrence giving rise to such termination of eligibility (or 1 year in the event an optionee is "disabled," as defined in Section 22(e)(3) of the Code) or upon the date it expires by its terms, whichever is earlier. Any option that has not vested in the optionee as of the date of such termination shall immediately expire and shall be null and void. The Committee shall, in its sole and absolute discretion, decide, utilizing the provisions set forth in Treasury Regulations ss. 1.421-7(h), whether an authorized leave of absence or absence for military or governmental service, or absence for any other reason, shall constitute termination of eligibility for purposes of this Section.

3.2.2. If an optionee ceases to be employed by the Corporation, or its Parent or Subsidiary, is no longer an officer or member of the Board of Directors of the Corporation, or no longer performs services for the Corporation, or its Parent or Subsidiary and such termination is as a result of "cause," as hereinafter defined, then all options granted hereunder to such optionee shall expire on the date of the occurrence giving rise to such termination of eligibility or upon the date it expires by its terms, whichever is earlier, and such optionee shall have no rights with respect to any unexercised options. For purposes of this Plan, "cause" shall mean an optionee's personal dishonesty, misconduct, breach of fiduciary duty, incompetence, intentional failure to perform stated obligations, willful violation of any law,

## Edgar Filing: ONE VOICE TECHNOLOGIES INC - Form PRE 14A

rule, regulation or final cease and desist order, or any material breach of any provision of this Plan, any Stock Option Agreement or any employment agreement. The Board of Directors shall have complete discretion and authority to determine whether the termination of the option is for cause.

3.3. DEATH OF OPTIONEE AND TRANSFER OF OPTION. In the event an optionee shall die, an option may be exercised (subject to the condition that no option shall be exercisable after its expiration and only to the extent that the optionee's right to exercise such option had accrued at the time of the optionee's death) at any time within six months after the optionee's death by the executors or administrators of the optionee or by any person or persons who shall have acquired the option directly from the optionee by bequest or inheritance but not later than the expiration of the option by its terms. Any option that has not vested in the optionee as of the date of death or termination of employment, whichever is earlier, shall immediately expire and shall be null and void. No option shall be transferable by the optionee other than by will or the laws of descent and distribution.

3.4. LIMITATION ON INCENTIVE OPTIONS. No person shall be granted any Incentive Option to the extent that the aggregate fair market value of the Stock (as defined below) to which such options are exercisable for the first time by the optionee during any calendar year (under all plans of the Corporation as determined under Section 422(d) of the Code) exceeds \$100,000.

4. IDENTIFICATION OF STOCK. The Stock, as defined herein, subject to the options shall be shares of the Corporation's authorized but unissued or acquired or reacquired common stock (the "Stock"). The aggregate number of shares subject to outstanding options shall not exceed 4,500,000 shares of Stock (subject to adjustment as provided in Section 6). If any option granted hereunder shall expire or terminate for any reason without having been exercised in full, the unpurchased shares subject thereto shall again be available for purposes of this Plan. Notwithstanding the above, at no time shall the total number of shares of Stock issuable upon exercise of all outstanding options and the total number of shares of Stock provided for under any stock bonus or similar plan of the Corporation exceed 30% as calculated in accordance with the conditions and exclusions of ss. 260.140.45 of Title 10, California Code of Regulations, based on the shares of the issuer which are outstanding at the time the calculation is made.

5. TERMS AND CONDITIONS OF OPTIONS. Any option granted pursuant to the Plan shall be evidenced by an agreement ("Stock Option Agreement") in such form as the Committee shall from time to time determine, which agreement shall comply with and be subject to the following terms and conditions:

A-2

5.1. NUMBER OF SHARES. Each option shall state the number of shares of Stock to which it pertains.

5.2. OPTION EXERCISE PRICE. Each option shall state the option exercise price, which shall be determined by the Committee; provided, however, that (i) the exercise price of any Incentive Option shall not be less than the fair market value of the Stock, as determined by the Committee, on the date of grant of such option, (ii) the exercise price of any option granted to an employee who owns more than 10% of the total combined voting power of all classes of the Corporation's stock, as determined for purposes of Section 422 of the Code, shall not be less than 110% of the fair market value of the Stock, as determined by the Committee, on the date of grant of such option, and (iii) the exercise price of any Non-Qualified Option shall not be less than 85% of the fair market value of the Stock, as determined by the Committee, on the date of grant of such option.

## Edgar Filing: ONE VOICE TECHNOLOGIES INC - Form PRE 14A

5.3. TERM OF OPTION. The term of an option granted hereunder shall be determined by the Committee at the time of grant, but shall not exceed ten years from the date of the grant. The term of any Incentive Option granted to an employee who owns more than 10% of the total combined voting power of all classes of the Corporation's stock, as determined for purposes of Section 422 of the Code, shall in no event exceed five years from the date of grant. All options shall be subject to early termination as set forth in this Plan. In no event shall any option be exercisable after the expiration of its term.

5.4. METHOD OF EXERCISE. An option shall be exercised by written notice to the Corporation by the optionee (or successor in the event of death) and execution by the optionee of an exercise representation letter in the form set forth on Exhibit "B," as such Exhibit may be amended by the Committee from time to time. Such written notice shall state the number of shares with respect to which the option is being exercised and designate a time, during normal business hours of the Corporation, for the delivery thereof ("Exercise Date"), which time shall be at least 30 days after the giving of such notice unless an earlier date shall have been mutually agreed upon. At the time specified in the written notice, the Corporation shall deliver to the optionee at the principal office of the Corporation, or such other appropriate place as may be determined by the Committee, a certificate or certificates for such shares. Notwithstanding the foregoing, the Corporation may postpone delivery of any certificate or certificates after notice of exercise for such reasonable period as may be required to comply with any applicable listing requirements of any securities exchange. In the event an option shall be exercisable by any person other than the optionee, the required notice under this Section shall be accompanied by appropriate proof of the right of such person to exercise the option.

5.5. MEDIUM AND TIME OF PAYMENT. The option exercise price shall be payable in full on or before the option Exercise Date in any one of the following alternative forms:

5.5.1. Full payment in cash or certified bank or cashier's check;

5.5.2. A Promissory Note (as defined below), in the discretion of the Committee;

5.5.3. Full payment in shares of Stock or other securities of the Corporation having a fair market value on the Exercise Date in the amount equal to the option exercise price;

5.5.4. Through a special sale and remittance procedure pursuant to which the optionee shall concurrently provide irrevocable written instruction to (a) a Corporation-designated brokerage firm to effect the immediate sale of the purchased shares and remit to the Corporation, out of the sale proceeds available on the settlement date, sufficient funds to cover the aggregate exercise price payable for the purchased shares plus all applicable Federal, state and local income and employment taxes required to be withheld by the Corporation by reason of such exercise and (b) the Corporation to deliver the certificates for the purchased shares directly to such brokerage firm in order to complete the sale.

5.5.5. A combination of the consideration set forth in Sections 5.5.1, 5.5.2, 5.5.3 and 5.5.4 equal to the option exercise price; or

A-3

5.5.6. Any other method of payment complying with the provisions of Section 422 of the Code with respect to Incentive Options, provided the terms of payment are established by the Committee at the time of grant, and any other

## Edgar Filing: ONE VOICE TECHNOLOGIES INC - Form PRE 14A

method of payment established by the Committee with respect to Non-Qualified Options.

5.6. FAIR MARKET VALUE. The fair market value of a share of Stock on any relevant date shall be determined in accordance with the following provisions:

5.6.1. If the Stock at the time is neither listed nor admitted to trading on any stock exchange nor traded in the over-the-counter market, then the fair market value shall be determined by the Committee after taking into account the factors found in ss. 260.140.50 of Title 10, California Code of Regulations and such other factors as the Committee shall deem appropriate.

5.6.2. If the Stock is not at the time listed or admitted to trading on any stock exchange but is traded in the over-the-counter market, the fair market value shall be the mean between the highest bid and lowest asked prices (or, if such information is available, the closing selling price) of one share of Stock on the date in question in the over-the-counter market, as such prices are reported by the National Association of Securities Dealers through its NASDAQ system or any successor system. If there are no reported bid and asked prices (or closing selling price) for the Stock on the date in question, then the mean between the highest bid price and lowest asked price (or the closing selling price) on the last preceding date for which such quotations exist shall be determinative of fair market value.

5.6.3. If the Stock is at the time listed or admitted to trading on any stock exchange, then the fair market value shall be the closing selling price of one share of Stock on the date in question on the stock exchange determined by the Committee to be the primary market for the Stock, as such price is officially quoted in the composite tape of transactions on such exchange. If there is no closing selling price for the Stock on such exchange on the date in question, then the fair market value shall be the closing selling price on the exchange on the last preceding date for which such quotation exists.

5.7. PROMISSORY NOTE. Subject to the requirements of applicable state or Federal law or margin requirements, payment of all or part of the purchase price of the Stock may be made by delivery of a full recourse promissory note ("Promissory Note"). The Promissory Note shall be executed by the optionee, made payable to the Corporation and bear interest at such rate as the Committee shall determine, but in no case less than the minimum rate which will not cause under the Code (i) interest to be imputed, (ii) original issue discount to exist, or (iii) any other similar results to occur. Unless otherwise determined by the Committee, interest on the Note shall be payable in quarterly installments on March 31, June 30, September 30 and December 31 of each year. A Promissory Note shall contain such other terms and conditions as may be determined by the Committee; provided, however, that the full principal amount of the Promissory Note and all unpaid interest accrued thereon shall be due not later than five years from the date of exercise. The Corporation may obtain from the optionee a security interest in all shares of Stock issued to the optionee under the Plan for the purpose of securing payment under the Promissory Note and shall retain possession of the stock certificates representing such shares in order to perfect its security interest.

5.8. RIGHTS AS A SHAREHOLDER. An optionee or successor shall have no rights as a shareholder with respect to any Stock underlying any option until the date of the issuance to such optionee of a certificate for such Stock. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions or other rights for which the record date is prior to the date such Stock certificate is issued, except as provided in Section 6.

## Edgar Filing: ONE VOICE TECHNOLOGIES INC - Form PRE 14A

5.9. MODIFICATION, EXTENSION AND RENEWAL OF OPTIONS. Subject to the terms and conditions of the Plan, the Committee may modify, extend or renew outstanding options granted under the Plan, or accept the surrender of outstanding options (to the extent not exercised) and authorize the granting of new options in substitution therefor.

5.10. VESTING AND RESTRICTIONS. The Committee shall have complete authority and discretion to set the terms, conditions, restrictions, vesting schedules and other provisions of any option in the applicable Stock Option Agreement and shall have complete authority to require conditions and restrictions on any Stock issued pursuant to this Plan; provided, however, that

A-4

except with respect to options granted to officers or directors of the Corporation, options granted pursuant to this Plan shall be exercisable or "vest" at the rate of at least 20% per year over the 5-year period beginning on the date the option is granted. Options granted to officers and directors shall become exercisable or "vest," subject to the condition of continued employment and/or continued service on the Board of Directors, as appropriate. The maximum vesting period for options granted to officers or directors will be five years from the date of grant.

5.11. OTHER PROVISIONS. The Stock Option Agreements shall contain such other provisions, including without limitation, restrictions or conditions upon the exercise of options, as the Committee shall deem advisable.

### 6. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION.

6.1. SUBDIVISION OR CONSOLIDATION. Subject to any required action by shareholders of the Corporation, the number of shares of Stock covered by each outstanding option, and the exercise price thereof, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Stock of the Corporation resulting from a subdivision or consolidation of shares, including, but not limited to, a stock split, reverse stock split, recapitalization, continuation or reclassification, or the payment of a stock dividend (but only on the Stock) or any other increase or decrease in the number of such shares effected without receipt of consideration by the Corporation. Any fraction of a share subject to option that would otherwise result from an adjustment pursuant to this Section shall be rounded downward to the next full number of shares without other compensation or consideration to the holder of such option.

6.2. CAPITAL TRANSACTIONS. Upon a sale or exchange of all or substantially all of the assets of the Corporation, a merger or consolidation in which the Corporation is not the surviving corporation, a merger, reorganization or consolidation in which the Corporation is the surviving corporation and shareholders of the Corporation exchange their stock for securities or property, a liquidation of the Corporation or similar transaction as determined by the Committee ("Capital Transaction"), this Plan and each option issued under this Plan, whether vested or unvested, shall terminate, unless such options are assumed by a successor corporation in a merger or consolidation, immediately prior to such Capital Transaction; provided, however, that unless the outstanding options are assumed by a successor corporation in a merger or consolidation, subject to terms approved by the Committee, all optionees will have the right, during the 15 days prior to such Capital Transaction, to exercise all vested options. The Corporation shall, subject to any applicable nondisclosure agreements binding the Corporation, attempt to provide optionees at least 15 days notice of the option termination date under this Section 6.2. The Committee may (but shall not be obligated to) (i) accelerate the vesting of

## Edgar Filing: ONE VOICE TECHNOLOGIES INC - Form PRE 14A

any option or (ii) apply the foregoing provisions, including but not limited to termination of this Plan and any options granted pursuant to the Plan, in the event there is a sale of 51% or more of the stock of the Corporation in any two-year period or a transaction similar to a Capital Transaction.

6.3. ADJUSTMENTS. To the extent that the foregoing adjustments relate to stock or securities of the Corporation, such adjustments shall be made by the Committee, whose determination in that respect shall be final, binding and conclusive.

6.4. ABILITY TO ADJUST. The grant of an option pursuant to the Plan shall not affect in any way the right or power of the Corporation to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets.

6.5. NOTICE OF ADJUSTMENT. Whenever the Corporation shall take any action resulting in any adjustment provided for in this Section, the Corporation shall forthwith deliver notice of such action to each optionee, which notice shall set forth the number of shares subject to the option and the exercise price thereof resulting from such adjustment.

6.6. LIMITATION ON ADJUSTMENTS. Any adjustment, assumption or substitution of an Incentive Option shall comply with Section 425 of the Code, if applicable.

7. NONASSIGNABILITY. Options granted under this Plan may not be sold, pledged, assigned or transferred in any manner other than by will or by the laws of descent and distribution, and may be exercised during the lifetime of an optionee only by such optionee. Any transfer in violation of this Section shall void such option and any Stock Option Agreement entered into by the optionee and the Corporation regarding such transferred option shall be void and have no further force or effect. No option shall be pledged or hypothecated in any way, nor shall any option be subject to execution, attachment or similar process.

A-5

8. NO RIGHT OF EMPLOYMENT. Neither the grant nor exercise of any option nor anything in this Plan shall impose upon the Corporation or any other corporation any obligation to employ or continue to employ any optionee. The right of the Corporation and any other corporation to terminate any employee shall not be diminished or affected because an option has been granted to such employee.

9. TERM OF PLAN. This Plan is effective on the date the Plan is adopted by the Board of Directors and options may be granted pursuant to the Plan from time to time within a period of ten (10) years from such date, or the date of any required shareholder approval required under the Plan, if earlier. Termination of the Plan shall not affect any option theretofore granted.

10. AMENDMENT OF THE PLAN. The Board of Directors of the Corporation may, subject to any required shareholder approval, suspend, discontinue or terminate the Plan, or revise or amend it in any respect whatsoever with respect to any shares of Stock at that time not subject to options.

11. APPLICATION OF FUNDS. The proceeds received by the Corporation from the sale of Stock pursuant to options may be used for general corporate purposes.

12. RESERVATION OF SHARES. The Corporation, during the term of this Plan, shall at all times reserve and keep available such number of shares of Stock as shall be sufficient to satisfy the requirements of the Plan.

## Edgar Filing: ONE VOICE TECHNOLOGIES INC - Form PRE 14A

13. NO OBLIGATION TO EXERCISE OPTION. The granting of an option shall not impose any obligation upon the optionee to exercise such option.

14. APPROVAL OF BOARD OF DIRECTORS AND SHAREHOLDERS. The Plan shall not take effect until approved by the Board of Directors of the Corporation. This Plan shall be approved by a vote of the shareholders within 12 months from the date of approval by the Board of Directors. In the event such shareholder vote is not obtained, all options granted hereunder, whether vested or unvested, shall be null and void. Further, any stock acquired pursuant to the exercise of any options under this Agreement may not count for purposes of determining whether shareholder approval has been obtained.

15. WITHHOLDING TAXES. Notwithstanding anything else to the contrary in this Plan or any Stock Option Agreement, the exercise of any option shall be conditioned upon payment by such optionee in cash, or other provisions satisfactory to the Committee, of all local, state, federal or other withholding taxes applicable, in the Committee's judgment, to the exercise or to later disposition of shares acquired upon exercise of an option.

16. PARACHUTE PAYMENTS. Any outstanding option under the Plan may not be accelerated to the extent any such acceleration of such option would, when added to the present value of other payments in the nature of compensation which becomes due and payable to the optionee would result in the payment to such optionee of an excess parachute payment under Section 280G of the Code. The existence of any such excess parachute payment shall be determined in the sole and absolute discretion of the Committee.

17. SECURITIES LAWS COMPLIANCE. Notwithstanding anything contained herein, the Corporation shall not be obligated to grant any option under this Plan or to sell, issue or effect any transfer of any Stock unless such grant, sale, issuance or transfer is at such time effectively (i) registered or exempt from registration under the Securities Act of 1933, as amended (the "Act"), and (ii) qualified or exempt from qualification under the California Corporate Securities Law of 1968 and any other applicable state securities laws. As a condition to exercise of any option, each optionee shall make such representations as may be deemed appropriate by counsel to the Corporation for the Corporation to use any available exemption from registration under the Act or registration or qualification under any applicable state securities law.

18. RESTRICTIVE LEGENDS. The certificates representing the Stock issued upon exercise of options granted pursuant to this Plan will bear any legends required by applicable securities laws as determined by the Committee.

A-6

19. NOTICES. Any notice to be given under the terms of the Plan shall be addressed to the Corporation in care of its Secretary at its principal office, and any notice to be given to an optionee shall be addressed to such optionee at the address maintained by the Corporation for such person or at such other address as the optionee may specify in writing to the Corporation.

20. INFORMATION TO PARTICIPANTS. The Corporation shall make available to all holders of options the information required pursuant to ss. 260.140.46 of the California Code of Regulations.

As originally adopted by the Board of Directors as of July 14, 1999, amended on July 11, 2000, amended and restated on September 22, 2000, further amended and restated on November 22, 2000, further amended on January 4, 2001, further amended and restated on December 20, 2001, and as further amended and restated
