**ITEM 8.01 RESULTS OF OPERATIONS AND FINANCIAL CONDITION.**

On May 18, 2018, the board of directors of AMCON Distributing Company ("Company") authorized the repurchase of up to 75,000 shares of the Company's common stock in any combination of open market or privately negotiated transactions. This share repurchase authorization replaces the authorization previously provided by the board of directors for the repurchase of shares, which was terminated.

Under this share repurchase authorization, the Company may repurchase shares from time to time, in amounts, at prices, and at such times as management deems appropriate, subject to market conditions, legal requirements and other considerations. It is anticipated that any repurchases under this authorization would be funded from cash on hand and available borrowings under the Company's existing revolving credit facility. The Company is not obligated to repurchase any specific number of shares and this share repurchase authorization may be suspended, modified or terminated at any time without prior notice.
