INFORMATION TO BE INCLUDED IN THE REPORT

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 19, 2009, the Compensation Committee (the "Committee") of the Board of Directors of Advance Auto Parts, Inc. (the "Company"), approved an incentive compensation program for the Company's chief executive officer, president, chief operating officer and chief financial officer under the Company's Executive Incentive Plan, effective April 26, 2009, for the last three quarters of the Company's 2009 fiscal year, which incorporates a new bonus metric to reward the Company's achievement of increased market share in the automotive aftermarket industry. With the introduction of the market share metric, in order for any executive to receive a bonus payment in an amount greater than 100 percent of bonus at target level, the Company must demonstrate growth in market share relative to its competitors for those quarters. Growth in market share will be measured by an independent third party survey source. If the Company does not experience positive market share growth for the relevant period, the maximum bonus amount that can be earned by each executive is 100 percent of the bonus target.

In addition to market share growth, the annual incentive bonus will reward growth in sales and operating income in the relevant portion of 2009 over the relevant portion of 2008. The bonus payment will be based on the Company achieving specific sales and operating income goals. A description of the remaining features of the bonus plan and measures is contained in the Company's 2009 Proxy Statement. The Committee is expected to make downward adjustments as needed in order to avoid duplicate awards that may result from this change related to achievement of specified sales and operating income goals.

The Company's chief executive officer, president, chief operating officer, and chief financial officer will be eligible for a bonus based on results expressed as a percentage of the executive's base salary, as follows:

Position	Bonus Target	Bonus Target Value	Maximum Bonus Value
Chief Executive Officer	200% \$	1,400,000 \$	2,800,000
President	90%\$	405,000 \$	810,000
Chief Operating Officer	90%\$	405,000 \$	810,000
Chief Financial Officer	80%\$	360,000 \$	720,000
