##### Item 14. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law grants us the power to indemnify our directors and officers against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation - a "derivative action"), if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) incurred in connection with the defense or settlement of such actions, and the statute requires court approval before there can be any indemnification in which the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation's charter, bylaws, disinterested director vote, stockholder vote, agreement or otherwise.

Our Certificate of Incorporation provides that we indemnify and hold harmless each of our directors and officers to the fullest extent authorized by the Delaware General Corporation Law, against all expense, liability and loss (including attorney's fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith.

Our Certificate of Incorporation also provides that a director will not be personally liable to us or to our stockholders for monetary damages for breach of the fiduciary duty of care as a director. This provision does not eliminate or limit the liability of a director:

- o for breach of his or her duty of loyalty to us or to our stockholders;

## Edgar Filing: AUTOINFO INC - Form S-1/A

- o for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- o under Section 174 of the Delaware General Corporation Law (relating to unlawful payments or dividends or unlawful stock repurchases or redemptions); or
- o for any improper benefit.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons pursuant to our Certificate of Incorporation, Bylaws and the Delaware General Corporation Law, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy and is, therefore, unenforceable.

### Item 15. Recent Sales of Unregistered Securities.

On January 21, 2004, we closed a private placement pursuant to which we issued a total of 1,333,333 shares of our common stock, par value \$0.001 per share (common stock"), to an accredited investor. We received \$442,201.76 in consideration for the issuance of the securities. The securities were issued pursuant to the exemption from registration provided by Rule 506 of Regulation D, promulgated under the Securities Act of 1933, as amended. The investor received current information about our company and had the opportunity to ask questions about our company. The investor purchased the securities for investment purposes and the securities they received were marked with the appropriate restrictive legend.

On January 21, 2004, we issued a total of 2,300,000 shares of our common stock upon conversion of \$575,000 of outstanding 12% convertible debentures.

The foregoing securities were issued in reliance upon the exemption from the registration requirements of the Securities Act of 1933, as amended, provided in Section 4(2) thereof, as a transaction by an issuer not involving a public offering. We reasonably believed that the purchaser had such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of the investment, each purchaser represented an intention to acquire the securities for investment only and not with a view to distribution thereof and appropriate legends were affixed to the stock certificates or warrants. No commissions were paid in connection with such issuances.

### Item 17. Undertakings.

#### A. The undersigned Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to:

(i) include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and

## Edgar Filing: AUTOINFO INC - Form S-1/A

(iii) include any additional or changed material information with respect to the plan of distribution disclosed in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

B. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the small business issuer pursuant to the foregoing provisions, or otherwise, the small business issuer has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the small business issuer of expenses incurred or paid by a director, officer or controlling person of the small business issuer in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the small business issuer will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
