Edgar Filing: VOCALTEC COMMUNICATIONS LTD - Form NT 20-F

Statement of Position (SOP) 97-2, "Software Revenue Recognition") of the fair market value existed for various elements of the Registrant's bundled software solutions and associated post-contract support services during the fiscal year ended December 31, 2007, (ii) the changes to the Registrant's revenue recognition implementation have resulted in the deferral of a substantial amount of revenue from 2007 to 2008 and (iii) such changes are expected to impact only the timing of recognition of revenue by the Registrant, and not the validity of the underlying transactions or cash flows. As a result, the Registrant expects revenues for the year ended December 31, 2007 to be significantly lower than the Registrant's revenues for the year ended December 31, 2006.

In addition, due to the Registrant's losses for the year ended December 31, 2007 and the fact that as of December 31, 2007, the market capitalization of the Registrant's shares was lower than the Registrant's shareholders' equity as of such date, the Registrant is in the process of performing a long lived assets impairment test required under SFAS No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets", and a goodwill impairment test required under SFAS No. 142, "Goodwill and Other Intangible Assets". As a result, the Registrant expects its operating expenses for the year ended December 31, 2007 to be significantly higher than for the year ended December 31, 2006.

As a result of the foregoing, the Registrant expects its loss for the year ended December 31, 2007 to be significantly higher than for the year ended December 31, 2006.
