BOS Receives Orders for Electronic Components from a Strategic Customer.

BOS Expects Delivery in Q4/2008 ..

RISHON LEZION, Israel, September 9, 2008 (BUSINESSWIRE) B.O.S. Better Online Solutions Ltd. (BOS or the Company) (NASDAQ:BOSC; TASE: BOSC) a leading provider of comprehensive Mobile and RFID Solutions and Supply Chain Solutions, announced today that its fully owned subsidiary, Odem Technologies (1992) Ltd. (Odem), received orders for electronic components from a strategic customer. These orders amount to over \$600,000 and are anticipated to be supplied during the fourth quarter of 2008.

The customer is engaged in the aviation industry and is a supplier to large civil aviation customers in the United States. The electronic components are intended for a pilot in the business jets industry, an industry that enjoys a growing demand in the last couple of years.

Avidan Zelichovski, Odem s CEO and Head of BOS Supply Chain Solutions for Israel and Europe commented: We are very pleased with this new order coming from one of our major strategic customers. The success of this pilot can lead our Company to obtaining orders in significant amounts for 2009 and 2010.

Shmuel Koren, BOS s President & CEO said: This new order reflects the significant strengthening of our relationships with our customers in the supply chain solutions business and their satisfaction with our products and customer service.

The forward-looking statements contained herein reflect management's current views with respect to future events and financial performance. These forward-looking statements are subject to certain risks and uncertainties that could cause the actual results to differ materially from those in the forward-looking statements, all of which are difficult to predict and many of which are beyond the control of BOS. These risk factors and uncertainties include, amongst others, the dependency of sales being generated from one or few major customers, the uncertainty of our being able to maintain current gross profit margins, inability to keep up or ahead of technology and to succeed in a highly competitive industry, inability to maintain marketing and distribution arrangements and to expand our overseas markets, uncertainty with respect to the prospects of legal claims against BOS; and additional risks and uncertainties detailed in BOS's periodic reports and registration statements filed with the U.S. Securities Exchange Commission. BOS undertakes no obligation to publicly update or revise any such forward-looking statements to reflect any change in its expectations or in events, conditions or circumstances on which any such statements may be based, or that may affect the likelihood that actual results will differ from those set forth in the forward-looking statements.
