-

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On September 6, 2011, at a meeting of the Board of Directors (the “Board”) of Ampal-American Israel Corporation (the “Company”), the Board voted to immediately remove, for cause, Dr. Nimrod Novik as a director of the Company, effective September 6, 2011. The Board, including all of the Company's independent directors, determined that Dr. Novik had breached his fiduciary duties to the Company and its shareholders based on various acts and omissions on the part of Dr. Novik. Among other things, the Board found that Dr. Novik breached his duties by threatening, solely for personal gain, to damage the Company in connection with a separate dispute (to which the Company is not a party) with Yosef A. Maiman, the President and CEO of the Company. The Board determined to use all appropriate legal measures required to protect the Company from any damage caused or that will be caused by Dr. Novik and to fully recover any damages from Dr. Novik.
