TowerJazz and GE Capital Sign Definitive Asset Based
Loan Agreement to Provide Up to 4 Billion Yen Credit
Line (Approximately \$50 Million)

Loans at Libor or Tibor Plus 2.6% Can Be Utilized Through 2015

Nishiwaki, Japan and Migdal Haemek, Israel – May 9, 2012 –TowerJazz, the global specialty foundry leader, today announced that it has signed a definitive credit line agreement with GE Capital to provide TowerJazz's Nishiwaki facility with a credit line of up to 4 billion Japanese Yen (approximately \$50 million). Loans to be obtained under this credit line will carry an interest of the higher of TIBOR rate or LIBOR rate plus 2.6% per annum and will be due for repayment in 2015. Availability under the credit line is calculated according to certain formulas set forth in the agreement and is capped at \$30 million until June 2013.

Mr. Clark D. Griffith, Senior Vice President, GE Capital Japan, said, "We are pleased and excited to provide this asset based loan agreement to TowerJazz and we look forward to supporting them as they achieve their strategic goals. GE Capital is one of the major providers of asset based loans in the world and plans to grow its asset based loan business in Japan and Asia Pacific."

Oren Shirazi, TowerJazz chief financial officer and senior VP, said, "I am extremely pleased that we have engaged the finance division of GE, one of the largest financial entities in the world. We believe this agreement and the previously announced government Cap-Ex grant approval, together with the new customers that we are engaging for manufacturing in the Nishiwaki fab, are strong enablers for our business and operational flexibility allowing our growth strategy in Japan and worldwide."

About GE

GE (NYSE: GE) works on things that matter. The best people and the best technologies taking on the toughest challenges. Finding solutions in energy, health and home, transportation and finance. Building, powering, moving and curing the world. Not just imagining. Doing. GE works. For more information, visit the company's website at www.ge.com.

About GE Capital

GE Capital is one of the world's largest providers of credit. For over one million businesses, large and small, GE Capital provides financing to purchase, lease and distribute equipment, as well as capital for real estate and corporate acquisitions, refinancing and restructurings. For our 100+ million consumer customers, GE Capital offers credit card, retail sales finance programs, home, car and personal loans and credit insurance.
