#### Item 2.01. Completion of Acquisition or Disposition of Assets

As previously reported in a Form 8-K filing on November 12, 2004, Hungarian Telephone and Cable Corp. (the "Company" or the "Registrant") purchased MAV Rt.'s and KFKI Investment Ltd. and its affiliates' aggregate 24.9% equity stakes in PanTel Rt. ("PanTel") on November 10, 2004. PanTel is Hungary's leading alternative telecommunications provider that has a fiber optical backbone telecommunications network covering all of Hungary. PanTel principally provides voice and data services to business customers throughout Hungary in competition with Magyar Tavkozlesi Rt., the formerly State controlled monopoly, and other newer entrants into these markets.

On February 28, 2005, the Company completed its previously announced agreement to purchase KPN NV's 75.1% interest in the PanTel business. The Company paid KPN EUR 17 million (approximately \$22.5 million). As a result of this transaction, PanTel has become a wholly-owned subsidiary of the Company. Therefore, the Company now owns all of PanTel's existing business and substantially all of its assets and has also assumed substantially all of PanTel's liabilities. The Company funded the purchase price by drawing down funds from its Senior Secured Bank Credit Facility which was arranged by, among others, Calyon Bank and entered into as of February 16, 2005 (the "Calyon Credit Facility"). Upon the closing of the PanTel transaction, the Company also drew down funds from the Calyon Credit Facility to pay off and terminate PanTel's existing bank credit facility (EUR 62 million).

#### Item 1.01 Entry into a Material Definitive Agreement

The Compensation Committee awarded Messrs. McGann and Noone annual bonuses of \$80,000 and \$30,000, respectively.
