Item 1.01 Entry into a Material Definitive Agreement

On April 2, 2012, Uranium Energy Corp. (the "Company") entered into a placement agency agreement (the "Placement Agency Agreement") with Dundee Securities Ltd. (the "Lead Agent"), Global Hunter Securities LLC, CIBC World Markets Inc. and Haywood Securities Inc. (together with the Lead Agent, the "Placement Agents"). The Placement Agency Agreement relates to the issuance and sale in a public offering (the "Offering") in the United States and Canada an aggregate of up to 5,560,000 shares of the Company's common stock, \$0.001 par value per share (each a "Share" and, collectively, the "Shares"), at a negotiated price of \$3.60 per Share for gross proceeds of up to \$20,016,000, before deducting Placement Agents' fees and estimated offering expenses.

The Offering will be made in the United States under the Company's shelf registration statement on Form S-3 (File No. 333-176406) (the "Registration Statement"), including a base prospectus dated September 2, 2011, as supplemented by a prospectus supplement dated April 2, 2012, and in each of the provinces of Canada, except Quebec, pursuant to a multi-jurisdictional disclosure system ("MJDS") base prospectus dated September 2, 2011 and an MJDS prospectus supplement dated April 2, 2012. The Placement Agency Agreement contains customary representations, warranties and covenants by the Company, conditions to closing and indemnification provisions, an agents' option to purchase up to an additional 834,000 Shares. This summary of the Placement Agency Agreement is qualified in its entirety by reference to the Placement Agency Agreement filed herewith as Exhibit 1.1 and incorporated into this Item 1.01 by reference.

The Placement Agency Agreement contains representations and warranties by each of the parties thereto. These representations and warranties have been made solely for the benefit of the other party to the Agency Agreement and:

- should not in all instances be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties if those statements prove to be inaccurate;
- have been qualified by disclosures that were made to the other party in connection with the negotiation of the Agency Agreement, which disclosures are not necessarily reflected in the agreement;
- may apply standards of materiality in a way that is different from what may be viewed as material to you or other investors; and
- were made only as of the date of the Placement Agency Agreement or such other date or dates as may be specified in the agreement and are subject to more recent developments.

Accordingly, these representations and warranties may not describe the actual state of affairs as of the date they were made or at any other time. The Company acknowledges that, notwithstanding the inclusion of the foregoing cautionary statements, it is responsible for considering whether additional specific disclosures of material information regarding material contractual provisions are required to make the statements in this Current Report on Form 8-K not

misleading. Additional information about the Company may be found elsewhere in the Company's other public filings, which are available without charge through the SEC's website at <http://www.sec.gov>.

In connection with the issuance of the Shares in the Offering, McMillan LLP, counsel to the Company, delivered an opinion to the Company regarding the legality of the Shares, upon issuance and sale thereof, which is attached hereto as Exhibit 5.1. This description of the opinion is qualified in its entirety by reference to Exhibit 5.1.
