In addition to the use of mails, proxies may be solicited by employees of the Company (who will receive no additional compensation therefor) personally or by telephone or other electronic communications and arrangements may be made with banks, brokerage houses and other institutions, nominees and/or fiduciaries to forward the soliciting material to their principals and to obtain authorization for the execution of proxies. VOTING INFORMATION

The record date for determining shares entitled to vote has been fixed at the close of business on April 22, 2013. On such date there were outstanding 2,536,182 shares of common stock of the Company, \$.20 par value ("Common Stock"), entitled to one vote each.

The presence, in person or by properly executed proxy, of the holders of shares of Common Stock entitled to cast a majority of the votes entitled to be cast by the holders of all outstanding shares of Common Stock is necessary to constitute a quorum. Directors will be elected by a plurality of all the votes cast at the 2013 Annual Meeting with each share being voted for as many individuals as there are Directors to be elected and for whose election the share is entitled to vote. Ratification of the appointment of Freed Maxick CPAs, P.C. as the Company's independent registered public accounting firm for the 2013 fiscal year requires the affirmative vote of a majority of the votes cast on the proposal. The advisory vote on the Company's executive compensation for its Named Executive Officers also requires the affirmative vote of a majority of the votes cast on the proposal. The frequency of the advisory vote on the compensation of the Company's Named Executive Officers will be determined based on the option receiving the greatest number of votes. Pursuant to SEC rules, shareholder proposals must have been received by April 16, 2013, which date is 45 days before the date (June 4) on which the Company mailed its proxy materials for last year's annual meeting, to be considered at the 2013 Annual Meeting. At April 16, 2013, the Company had not received notice of any intention to submit any other matter; and, therefore, the named proxies have discretion to vote on any other matter that comes before the meeting.

Shares of Common Stock represented by a properly signed, dated and returned proxy will be treated as present at the meeting for the purposes of determining a quorum. Proxies relating to "street name" shares of Common Stock that are voted by brokers will be counted as shares of Common Stock (i) present for purposes of determining the presence of a quorum and (ii) as having voted in accordance with the directions and statements on the form of proxy.

The Audit Committee meets with the Company's Independent Auditors and reviews with them matters relating to corporate financial reporting and accounting procedures and policies, the adequacy of financial, accounting and operating controls, the scope of the audit and the results of the audit. The Audit Committee is also charged with the responsibility of submitting to the Board of Directors any recommendations it may have from time to time with respect to financial reporting and accounting practices, policies and financial accounting and operation controls and safeguards.

The Board has (i) determined that Dr. Duerig, Mr. Hedges and Mr. Cosgrove are Independent Directors pursuant to the listing standards of the NYSE MKT; and (ii) designated Dr. Duerig as the Company's "Audit Committee financial expert".

The Board of Directors does not have a standing nominating or compensation committee. Pursuant to Board resolutions, the full Board of Directors approves/ratifies all Director nominees after they are determined by the Independent Directors. See "Director Nominating Process" on page 7. Additionally, the Independent Directors determine the compensation of the Chief Executive Officer and all Executive Officers and such determinations are subsequently submitted to the full Board of Directors for approval/ratification. During the fiscal year ended December 31, 2012, the Audit Committee met 6 times and the Board of Directors met 8 times. No Director attended less than 100% of the meetings held. Each Director is expected to attend the Annual Meeting of Shareholders. In 2012, the Annual Meeting of Shareholders was attended by all Directors.

Code of Ethics

The Company has adopted a Code of Ethics and Business Conduct that applies to all Directors, Officers and employees of the Company as required by the listing standards of the NYSE MKT. The Code is available on the Company's website at www.servotronics.com and the Company intends to disclose on this website any amendment to the Code. Waivers under the Code, if any, will be disclosed under the rules of the SEC and the NYSE MKT.

Report of the Audit Committee of the Board of Directors

The Audit Committee serves as the representative of the Board of Directors for general oversight of the Company's financial accounting and reporting, systems of internal control, audit process and monitoring compliance with standards of business conduct. The Audit Committee operates under a written charter which is available on the Company's website at www.servotronics.com. Management of the Company has primary responsibility for preparing financial statements of the Company as well as the Company's financial reporting process. Freed Maxick CPAs, P.C. Each member of the Audit Committee is independent as defined under the listing standards of the NYSE MKT.

AUDIT COMMITTEE
Dr. William H. Duerig, Chairman
Donald W. Hedges, Esq.
Edward C. Cosgrove, Esq.

Leadership Structure

Dr. Nicholas D. Trbovich is the Company's Chairman of the Board and Chief Executive Officer. The Company believes that having one person hold the roles of Chairman of the Board and Chief Executive Officer is the most effective way at this time to organize the leadership structure of the Board of Directors. Having one person hold the roles of Chairman of the Board and Chief Executive Officer promotes unified leadership and direction for the Board and executive management and it allows for a single and clear focus for the chain of command to execute the Company's strategic initiatives and business plans. Because Dr. Trbovich is primarily responsible for managing the Company's day-to-day operations and strategic plan implementations, he is in the best position to chair meetings of the Board of Directors where key business and strategic issues are discussed. The Board believes that the combined role of Chairman of the Board and Chief Executive Officer coupled with the existence of the Independent Directors is the appropriate leadership structure for the Board of Directors at this time. It provides sufficient independent oversight while avoiding unnecessary confusion regarding the Board's oversight responsibilities and the day-to-day management of the Company's business operations and strategic plan implementations. The Independent Directors periodically review this structure to assess its effectiveness on a continuing basis.

Board Oversight of Risk Management

The Board of Directors oversees the Company's risk management process. This oversight is primarily accomplished through the Board's committees and management's reporting processes. The Company does not have a formal risk committee; however, the Audit Committee focuses on risk related to accounting, internal controls and financial and tax reporting. The Audit Committee also assesses economic and business risks and monitors compliance with ethical standards. The Independent Directors identify and oversee risks associated with the Company's executive compensation policies and practices, Director independence, related party transactions and the implementation of corporate governance policies.

Director Nominating Process

The determination of the individuals to be nominated for the Board of Directors is made by the Independent Directors. This determination is then subsequently submitted to the full Board of Directors for approval/ratification. The Board has determined that Dr. Duerig, Mr. Hedges and Mr. Cosgrove are independent under the NYSE MKT listing standards.

The Board has not adopted specific minimum criteria for director nominees. Nominees are identified by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service, the Board first considers the appropriateness of the size of the Board and then considers factors that it deems are in the best interests of the Company and its shareholders in identifying and evaluating a new nominee. Consistent with the concept of diversity, the Company recognizes the value of having a Board that encompasses a broad range of skills, expertise, contacts, industry knowledge and diversity of opinion.

The Board will consider Director Nominees from any reasonable source, including nominees suggested by incumbent Board Members and Management as well as Shareholder recommendations tendered in accordance with the Company's advance notice provisions. The Company does not currently employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

Directors' Compensation

Under the Company's compensation arrangements, Independent Directors are paid a yearly Director's fee of \$22,500 plus a per-meeting fee of \$1,000 and reimbursement of actual expenses for attendance at Board meetings. Members of the Audit Committee of the Board are paid a yearly Audit Committee fee of \$7,500 plus a per-meeting fee of \$750 and reimbursement of actual expenses for attendance at Audit Committee meetings.

EXECUTIVE COMPENSATION

The Summary Compensation Table as shown on page 10 quantifies the amount or value of the different forms of compensation earned by or awarded to the Named Executive Officers in fiscal 2012 and 2011 and provides a dollar amount for total compensation. Descriptions of the material terms of the employment agreements with certain Named Executive Officers are provided under "Employment Agreements" below.

The Compensation Process Overview

The Company does not have a standing compensation committee. The Independent Directors determine the compensation of the Named Executive Officers in accordance with the NYSE MKT listing standards. Management plays a significant role in the compensation-setting process, other than compensation of the Chief Executive Officer which is determined solely by the Independent Directors. The most significant aspects of management's role are evaluating employee performance, recommending business performance targets and objectives, and recommending salary levels and other compensation awards.

2012 Base Salary

The Independent Directors seek to provide the Named Executive Officers with a level of assured cash compensation in the form of base salary that is commensurate with their professional status, accomplishments and geographic location. The base salaries are reviewed annually by the Independent Directors and are adjusted from time to time to recognize competitive market data, the officer's level of responsibility, outstanding individual performance, promotions and internal equity considerations. For the year ended December 31, 2012, base salary paid to each of the Named Executive Officers is as set forth in the Summary Compensation Table, on page 10.

2012 Bonus

The Company may also make cash awards to the Named Executive Officers and other employees that are not part of any pre-established, performance-based criteria. Awards of this type are completely discretionary and subjectively determined by the Independent Directors at the time they are awarded. In the event this type of cash award is made, it is reflected in the “Summary Compensation Table” under a separate column entitled “Bonus.” For 2012, the bonuses were not awarded pursuant to any pre-established, performance-based criteria set by the Independent Directors. Rather, the bonuses were awarded in recognition of the efforts of the Named Executive Officers to control costs and expenses and improve Company profitability, through revenue expansion, leadership and product innovation. The Company was under no obligation to award the cash bonuses and is under no obligation to award future cash bonuses.

Equity Awards

In 2012, the shareholders of the Company approved the adoption of the 2012 Long-Term Incentive Plan. No equity awards were granted to the Named Executive Officers in 2012. On April 18, 2013, the Company awarded the following number of restricted shares to the Executive Officers pursuant to the 2012 Long-Term Incentive Plan. Dr. Trbovich 60,000 shares; Mr. Trbovich 60,000 shares; Ms. Jaroslowsky 18,000 shares; Mr. Takacs 15,000 shares; and Mr. San Filippo 12,000 shares.

Certain Relationships and Related Transactions

Nicholas D. Trbovich, Jr., Director of the Company, is an inventor or co-inventor of certain issued patents and patent pending applications that are used in the business of a subsidiary of the Company. The patents have been and are currently used by the subject subsidiary on a royalty-free basis with Mr. Trbovich, Jr.'s consent.

During 2009 the Company formed a new wholly owned subsidiary that leased certain personal property from a related party through the execution of a capital lease. The Company also entered into a real property lease agreement with the related party. These transactions were related party transactions because Mr. Trbovich, Jr.'s wife was the sole shareholder of the company that owned the assets. The Company terminated the personal property lease and surrendered the assets under both the personal property and real property leases in the third and fourth quarters of 2012.

Proposed transactions between the Company and a related person are submitted to the Independent Directors which compose the Audit Committee for their determinations. In making its determinations, the Audit Committee (i.e., Independent Directors) consider, among other factors, whether the proposed transaction is in the Company's best interest and is on terms no less favorable to the Company than terms generally available from an unaffiliated third-party under the same or similar circumstances and the extent of the related person's interest in the transaction. Also, the Independent Directors (i.e., Audit Committee) may, at their discretion, request an independent appraisal if an independent appraisal has not already been provided. A related party is excluded from participating in the determinations of the Audit Committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely on its review of reports filed pursuant to Section 16(a) of the Securities Exchange Act or representations from Directors and Executive Officers required to file such reports, the Company believes that all such filings required of its Executive Officers and Directors and greater than 10% beneficial owners (subject to the qualifications in the following sentence) were timely made for 2012. PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Freed Maxick CPAs, P.C. ("Freed Maxick") has been selected by the Board of Directors as the independent public accountants for the Company's current fiscal year. A representative of Freed Maxick is expected to be present at the meeting with the opportunity to make a statement if he desires to do so and will be available to respond to appropriate questions of shareholders.

At the Annual Meeting, the shareholders will be asked to ratify the selection of Freed Maxick as the Company's independent registered public accounting firm. Pursuant to the rules and regulations of the Securities and Exchange Commission, the Audit Committee has the direct responsibility to appoint, retain, fix the compensation and oversee the work of the Company's independent registered public accounting firm. In the event that the shareholders fail to ratify the selection, it will be considered as a direction to the Board of Directors and the Audit Committee to consider the selection of a different firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

The affirmative vote of a majority of the votes cast on the proposal, assuming a quorum is present at the Annual Meeting, is required to ratify the appointment of Freed Maxick. The Directors of the Company unanimously recommend a vote "FOR" the ratification of Freed Maxick as the Company's independent registered public accounting firm for 2013. Unless otherwise instructed, proxies will be voted "FOR" ratification of the appointment of Freed Maxick.

The following table shows the fees paid or accrued by the Company for the audit and other services provided by Freed Maxick and RSM McGladrey, Inc. for fiscal years 2012 and 2011.

	2012	2011
Audit Fees (1)	\$ 102,500	\$ 109,000
Tax Service Fees (2)	42,600	45,395
All Other Fees (3)	15,766	1,250
Total	\$ 160,866	\$ 155,645

(1) Audit fees represent fees for professional services provided in connection with the audit of the Company's financial statements and review of the Company's quarterly financial statements.

(2) Tax service fees principally included fees for tax preparation and tax consulting services. Through December 21, 2011, tax fees were billed by RSM McGladrey. On December 21, 2011, the alternative practice structure with RSM McGladrey ceased to exist and subsequent services are performed by Freed Maxick CPAs, P.C.

(3) Primarily for SEC compliance and assistance.

The Audit Committee pre-approves audit and non-audit services provided by Freed Maxick.

The Audit Committee of the Board of Directors has considered whether provision of the services described above is compatible with maintaining our accountant's independence and has determined that such services have not adversely affected Freed Maxick's independence.

PROPOSAL 3: ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required under recent amendments to the Securities Exchange Act of 1934, our shareholders may cast an advisory vote on the compensation of our Named Executive Officers, as described in this proxy statement.

Our executive compensation programs are designed to attract, motivate, and retain our Named Executive Officers, who are critical to our success. Please read the Executive Compensation section of this proxy statement for additional details about our executive compensation programs, including information about the fiscal 2012 compensation of our Named Executive Officers.

We are asking our Shareholders to indicate their support for our Named Executive Officer compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our shareholders the opportunity to express their views on our Named Executive Officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices described in this proxy statement. We recommend that shareholders vote, on an advisory basis, "FOR" the following resolution:

RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation of the Company's Named Executive Officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission.

The above resolution will be deemed to be approved if it receives the affirmative vote of a majority of the total votes cast on Proposal 3 at the Annual Meeting. Abstentions and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote. As this vote is an advisory vote, the outcome is not binding on us with respect to future executive compensation decisions, including those relating to our Named Executive Officers. Our Board of Directors and our Independent Directors, however, value the opinions of our shareholders, and to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this proxy statement, the Independent Directors will consider our shareholders' concerns and will evaluate whether any actions are necessary to address those concerns.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF PROPOSAL THREE.

PROPOSAL 4:
ADVISORY VOTE ON THE FREQUENCY
OF FUTURE ADVISORY SAY-ON-PAY VOTES

Our shareholders also have the opportunity to indicate how frequently we should seek an advisory vote on the compensation of our Named Executive Officers. By voting on this Proposal 4, shareholders may indicate whether they would prefer an advisory vote on Named Executive Officer compensation once every one, two, or three years. You will have the opportunity to vote on this issue at least once every six years.

Our Board of Directors has determined that an advisory vote on executive compensation that occurs every three years is the most appropriate alternative for our Company. Accordingly, our Board of Directors recommends that you vote for a three-year interval for the advisory vote on executive compensation. In determining its recommendation, the Board considered how an advisory vote once every three years will provide our shareholders with sufficient time to evaluate the effectiveness of our overall compensation philosophy, policies and practices in the context of our long-term business results while avoiding over-emphasis on short-term variations in compensation.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years, or three years. You may also abstain from voting. The option that receives the highest number of advisory votes cast by shareholders will be the frequency for the advisory vote on executive compensation deemed to have been selected by shareholders. Abstentions and broker non-votes will have no effect on the outcome of the vote.

As the vote is advisory and not binding, the Board of Directors may decide that it is in the best interests of the Company and its shareholders to hold an advisory vote on executive compensation more or less frequently than the option selected by our shareholders (but not less often than once every three years). However, we value the opinions of our shareholders and will consider the outcome of the advisory vote in deciding how often to hold the advisory vote on executive compensation in future years.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE FREQUENCY OF THE SAY-ON-PAY ADVISORY VOTE TO BE "THREE YEARS".
