Explanatory Note:

This Form 8-K/A amends the Form 8-K filed by Aware on September 4, 2013 (the “Original 8-K”).

Item 2.05 Costs Associated with Exit or Disposal Activities.

On August 29, 2013, Aware’s Board of Directors approved the shutdown of Aware’s DSL Service Assurance business, effective immediately. On September 4, 2013, Aware filed the Original 8-K announcing the shutdown along with its estimates at the time of costs and cash payments associated with the shutdown. The Original 8-K stated that Aware could not at the time estimate all of the costs and cash payments associated with the shutdown and that Aware would amend the Original 8-K in the event it determined there were additional costs or cash payments associated with the shutdown.

Aware has determined that there are additional costs and cash payments associated with the shutdown of its DSL Service Assurance business. Aware estimates that it will incur approximately \$3.0 million of costs associated with its shutdown of its DSL Service Assurance business as follows: i) \$3.7 million of payments to customers to terminate contracts, which were offset by \$1.2 million of deferred revenue obligations that were relieved as a result of such contract terminations; ii) \$397,000 of severance and employee-related costs; and iii) \$47,000 of asset write-offs. Aware recorded \$2.8 million of those costs in “Exit costs” in the consolidated statements of comprehensive income for the three months ended September 30, 2013 as set forth in Aware’s Form 10-Q filed on October 29, 2013. The remaining \$165,000 of costs represents employee severance and retention bonuses for employees who have been retained to support customers through December 31, 2013. Aware intends to charge those costs to expense in the three months ended December 31, 2013, if earned by employees.

Aware estimates that it will be required to make approximately \$4.1 million in cash payments associated with its shutdown of its DSL Service Assurance business as follows: 1) \$3.7 million to certain customers to terminate contracts and to reimburse them for prepaid amounts and 2) \$397,000 to certain employees for severance and employee-related costs.

In the event Aware determines that it will have additional costs or cash payments associated with the shutdown, it will file another amendment to the Original 8-K with an estimate of any such additional costs.
