99	Notice to Euronext, Amsterdam dated 11 February, 2008 Unilever Share Buy-Back

Exhibit 99

UNILEVER ANNOUNCES THE COMMENCEMENT OF ITS SHARE BUY-BACK PROGRAMME.

Unilever today announces the commencement of its share buy-back programme.

This follows the company's announcement on 7 February of its plan to buy back ordinary shares of an aggregate market value of at least Euro 1.5 billion in 2008.

The purpose of the share buy-back programme is to provide a flexible route for returning cash to shareholders, over and above regular annual dividends.

Part of the shares acquired under this programme may be used to settle obligations under share-based compensation plans.

The buy-back may be of either Unilever NV shares, Unilever PLC shares or any combination of the two. The buy-back will take place within the limitations of the authority which has been granted or will be granted to the Boards by the respective general meetings of shareholders.

Any share purchases during close periods will be made according to irrevocable mandates issued prior to the periods concerned.
