**ALABAMA NATIONAL BANCORPORATION ANNOUNCES ACQUISITION OF
COQUINA BANK OF ORMOND BEACH, FLORIDA**

TO DISCUSS DURING QUARTERLY EARNINGS CONFERENCE CALL

ON APRIL 21, 2004

FOR IMMEDIATE RELEASE Birmingham, AL (March 31, 2004) Alabama National BanCorporation (NASDAQ/NMS: ALAB) (ANB), headquartered in Birmingham, Alabama, and Coquina Bank of Ormond Beach, Florida (Coquina), today announced the signing of a definitive agreement providing for the acquisition of Coquina by ANB. Under the agreement, Coquina will be merged with ANB's Cypress Bank subsidiary shortly following the closing of the acquisition. Following the acquisition, the Cypress Bank and Coquina Bank boards will merge as will the two management groups. The acquisition is subject to regulatory approval, Coquina shareholder approval, and certain other conditions. ANB expects the transaction to close sometime in the third quarter of 2004.

John H. Holcomb, III, Chairman of the Board and CEO of ANB, and Joe P. Epton, Jr., CEO of Coquina jointly announced the agreement.

We are fortunate to have Coquina Bank join our organization. Its focus on community banking in a vibrant market makes it an excellent fit with our company and our strategy, Holcomb stated. The Cypress and Coquina management teams have known each other for years. Their presence in the contiguous Flagler and Volusia County markets will be strengthened through this merger into one combined entity with five locations and approximately \$225 million in assets, Holcomb concluded.

We are pleased to join the Alabama National family of community banks, said Epton. ANB's philosophy of local decision making makes Alabama National an excellent partner for Coquina, and our combination with Cypress Bank will further strengthen our ability to serve our combined customer base.

ANB is a bank holding company operating 78 locations through fourteen bank subsidiaries in Alabama, Florida and Georgia. The largest subsidiary for the holding company is Birmingham-based National Bank of Commerce (NBC). Other Alabama subsidiaries include: First American Bank in Decatur/Huntsville, Athens and Auburn/Opelika; First Citizens Bank in Talladega; Bank of Dadeville; Alabama Exchange Bank in Tuskegee and First Gulf Bank in Baldwin County. Florida subsidiaries are: Citizens & Peoples Bank, N.A. in Pensacola; Community Bank of Naples, N.A.; Millennium Bank in Gainesville; Peoples State Bank in Groveland; Public Bank in metropolitan Orlando; Cypress Bank in Palm Coast; and Indian River National Bank in Vero Beach. ANB has one subsidiary in Georgia, Georgia State Bank in metropolitan Atlanta. ANB provides full banking services to individuals and businesses. Brokerage services are provided to customers through NBC's wholly owned subsidiary, NBC Securities, Inc. Investments are not bank guaranteed, not FDIC insured and may lose value. Insurance services are provided through ANB Insurance Services, Inc., a wholly owned subsidiary of First American Bank.

Alabama National BanCorporation common stock is traded on the NASDAQ National Market System under the symbol ALAB.

Coquina has assets of approximately \$112 million. Founded in 1998, Coquina Bank serves its customer base through two offices in Ormond Beach and a third office in Port Orange, Florida.

Under the terms of the agreement, ANB will issue a total of approximately 560,000 shares of ANB common stock and stock equivalents to Coquina shareholders, or approximately 0.6326 ANB

common shares for each Coquina share. This exchange ratio could fluctuate upward within certain limits upon a decrease in the market price of ANB stock between now and closing. In addition, Coquina will pay a special dividend of \$1.6 million to its shareholders prior to closing. Coquina shareholders will also have the option to elect to receive cash for up to 10% of the total consideration.

Assuming no Coquina shareholders elect to receive cash, the transaction is expected to be dilutive to ANB's 2005 diluted earnings per share by approximately \$0.02 on a GAAP basis and to be approximately neutral on a cash basis (excluding non-cash amortization of intangibles created through the acquisition). Given the expected third quarter closing date, the transaction will only impact a portion of the 2004 year, and ANB estimates the 2004 dilutive impact to be approximately half the number noted above for 2005.

Alabama National will discuss this acquisition as part of its first quarter earnings conference call, scheduled for 3:00 p.m. central time Wednesday, April 21, 2004. A listen-only simulcast and replay of Alabama National's conference call will be available on-line at the following Internet links: www.alabamanational.com, under In The News, or www.viaid.net, on April 21, beginning at 3:00 p.m. Central Time. Persons who do not have Internet access may dial 800-938-1464 to listen to the call at 3:00 p.m. Central Time on April 21. A telephonic replay will be available through May 21, by dialing 800-642-1687 and entering Passcode 6512167.

Shareholders of Coquina are advised to read the proxy statement/prospectus regarding the proposed transaction when it is delivered to them because it will contain important information. The proxy statement/prospectus will be filed in conjunction with a registration statement to be filed with the Securities and Exchange Commission by ANB. The shares to be offered by ANB to Coquina shareholders may not be sold nor may any offers to buy be accepted prior to the time the registration statement containing the proxy statement/prospectus becomes effective. Copies of the proxy statement/prospectus, when available, can be obtained at the SEC's website at www.sec.gov and can also be obtained, without charge, by directing a request to Alabama National Bancorporation, 1927 First Avenue North, Birmingham, Alabama 35203, Attention: Lowell A. Womack, Jr. (205-583-3654).

This press release contains financial information determined by a method other than in accordance with Generally Accepted Accounting Principles (GAAP). This non-GAAP financial measure is cash earnings per share. ANB's management uses this non-GAAP measure in its analysis of ANB's performance. Cash earnings is defined as net income plus amortization expense (net of tax) applicable to intangible assets that do not qualify as regulatory capital. Cash earnings per share is defined as cash earnings divided by basic and diluted common shares outstanding. ANB's management includes cash earnings measures to compare the company's earnings exclusive of non-cash amortization expense and because it is a measure used by many investors as part of their analysis of ANB's performance. This disclosure should not be viewed as a substitute for results determined in accordance with GAAP, nor are they necessarily comparable to non-GAAP performance measures that may be presented by other companies.
