PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 24, 2004

DATE, TIME AND PLACE OF MEETING

Euronet Worldwide, Inc. (Euronet, we or us) is furnishing this proxy statement in connection with the solicitation of proxies by our Board of Directors (the Board), for use at the annual meeting of stockholders to be held on Monday, May 24, 2004, at 2:00 p.m. (Central time), at the Doubletree Hotel, Corporate Woods, 10100 College Boulevard, Overland Park, Kansas 66210, and at any adjournment of the meeting (the Annual Meeting).

Record Date; Quorum; Outstanding Shares

Stockholders at the close of business on April 9, 2004 (the Record Date) are entitled to notice of, and to vote at, the Annual Meeting. The stockholders will be entitled to one vote for each share of Common Stock, par value \$0.02 per share (the Common Stock), held of record at the close of business on the Record Date. To take action at the Annual Meeting, a quorum composed of holders of one-third of the outstanding shares of Common Stock must be represented by proxy or in person at the Annual Meeting. On February 29, 2004 there were 30,316,016 shares of Common Stock outstanding. No shares of preferred stock are outstanding.

Date of Mailing

We are first sending this proxy statement, the accompanying proxy and our annual report to stockholders for the year ended December 31, 2003 (the Annual Report) to stockholders on or about April 21, 2004.

REVOCABILITY OF PROXIES

Shares of Common Stock represented by valid proxies that we receive at any time up to and including the day of the Annual Meeting will be voted as specified in such proxies. Any stockholder giving a proxy has the right to revoke it at any time before it is exercised by attending the Annual Meeting and voting in person or by filing with Euronet's secretary an instrument of revocation or a duly executed proxy bearing a later date.

VOTING AND SOLICITATION

Each share of Common Stock issued and outstanding as of the Record Date will have one vote on each of the matters presented herein. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of elections appointed for the Annual Meeting. We will treat shares that are voted For, Against or Withheld From a matter as being present at the meeting for purposes of establishing a quorum and also as shares entitled to vote at the Annual Meeting (the Votes Cast). We will treat abstentions and broker non-votes also as shares that are present and entitled to be voted for purposes of determining the presence of a quorum. Abstentions will count in determining the total number of Votes Cast with respect to a proposal that requires a majority of Votes Cast and, therefore, will have the same effect as a vote against such a proposal. Broker non-votes will not count in determining the number of Votes Cast with respect to a proposal that requires a majority of Votes Cast and, therefore, will not affect the outcome of the voting on such a proposal. Proposal 1: Election of Directors must be approved by a plurality of stockholders voting at the Annual Meeting and Proposal 2: Amendment to Euronet's 2002 Stock Incentive Plan to Allocate 1.5 million Additional Shares of our Common Stock, which proposal must be approved by a majority of the stockholders voting at the Annual Meeting.

PERSONS MAKING THE SOLICITATION

Euronet is making all the solicitations in this proxy statement. We will bear the entire cost of this solicitation of proxies. Our directors, officers, and regular employees, without additional remuneration, may solicit proxies by telephone, telegraph and personal interviews. We will, if requested, reimburse banks, brokerage houses and other custodians, nominees and certain fiduciaries for their reasonable out-of-pocket expenses incurred in connection with the distribution of proxy materials to their principals.

WE WILL FURNISH ADDITIONAL COPIES OF THE ANNUAL REPORT, NOT INCLUDING EXHIBITS, WITHOUT CHARGE TO ANY STOCKHOLDER UPON WRITTEN REQUEST TO JEFFREY B. NEWMAN AT OUR ADDRESS SET FORTH ABOVE. WE WILL FURNISH EXHIBITS TO THE ANNUAL REPORT TO STOCKHOLDERS UPON WRITTEN REQUEST AND PAYMENT OF AN APPROPRIATE PROCESSING FEE.

To our knowledge, based solely on a review of copies of reports available to us, during 2003, our directors, officers and beneficial owners of greater than 10% of our Common Stock complied with all applicable Section 16(a) filing requirements during the year 2003, except that (i) a Form 4 relating to the sale of shares by Mr. Michael J. Brown, Chief Executive Officer, on October 29, 2003 was filed late on November 4, 2003, (ii) a Form 4 relating to a sale of shares by Mr. Miro I. Bergman, Executive Vice President, on November 26, 2003 was filed late on December 1, 2003, and (iii) Form 4 s relating to the conversion of debt into equity of Euronet which were required to be filed by December 30, 2003 by each of Mr. Paul S. Althasen, Executive Vice President and Director, and Mr. John A. Gardiner, Executive Vice President, were filed late on February 18, 2004. Messrs. Althasen and Gardiner previously reported beneficially owning these shares on Form 3s filed in connection with our acquisition of e-pay, as the conversion option was exercisable within 60 days of such acquisition.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board held seven meetings (including four telephonic meetings) during 2003. Each director attended at least 75% of the aggregate of the total number of meetings of the Board held (during the period for which he or she was a director) and the total number of meetings held by all Board committees on which he or she served (during the periods for which he or she was a member).

The Board has established an Audit Committee, a Compensation Committee and a Nominating & Corporate Governance Committee.

Audit Committee

The Audit Committee of the Board met three times in 2003. In addition, some or all of our Audit Committee members reviewed each quarterly report on Form 10-Q prior to filing such report with the SEC during the fiscal year 2003. The following four directors are members of the Audit Committee: M. Jeannine Strandjord, Chair, Thomas A. McDonnell, Eriberto R. Scocimara and Andrew B. Schmitt. The functions of the Audit Committee are described under the Report of the Audit Committee below. The Audit Committee operates under a written charter (attached as Appendix A) adopted by the Board of Directors. The Board of Directors has determined that each of the Audit Committee members are independent, as that term is defined under the enhanced independence standards for audit committee members in the Securities Exchange Act of

1934 and rules thereunder, as amended, as incorporated into the listing standards of the Nasdaq National Market.

The Board of Directors has determined that all of the members of the Audit Committee are audit committee financial experts as that term is defined in the rules promulgated by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002.

Compensation Committee

The Compensation Committee, which is comprised solely of independent directors, met four times in 2003 to review and approve the compensation levels of our executives. The purpose of the Compensation Committee is to make determinations and recommendations to the Board with respect to salaries and bonuses payable to our Chief Executive Officer and senior executive officers. Thomas A. McDonnell, Chair, M. Jeannine Strandjord, Dr. Andrzej Olechowski and Eriberto R. Scocimara are the current members of the Compensation Committee. During 2003, no Euronet executive officer served on the compensation committee (or equivalent), or the board of directors of another entity whose executive officer(s) served on Euronet's Compensation Committee or Board of Directors. No member of the Compensation Committee had relationships, or engaged in transactions, with Euronet during 2003 of the type required to be disclosed under the caption Certain Relationships and Related Transactions.

The Compensation Committee performs its functions and responsibilities pursuant to a written charter adopted by our Board in September 2002.

Nominating & Corporate Governance Committee

Generally. The Nominating & Corporate Governance Committee was established in November 2003 and did not meet during the year. The purpose of the Committee is to, among other things, oversee the corporate governance of Euronet and identify, screen and recommend directors candidates, including current directors, for nomination by the Board of Directors. Thomas A. McDonnell, M. Jeannine Strandjord, Dr. Andrzej Olechowski and Andrew B. Schmitt are the current members of the Nominating & Corporate Governance Committee. All members of the Nominating & Corporate Governance Committee are independent as defined under the general independence standards of the listing standards of the Nasdaq National Market in accordance with our Corporate Governance Guidelines and the applicable listing standards. No member of the Nominating & Corporate Governance Committee had relationships, or engaged in transactions, with Euronet during 2003 of the type required to be disclosed under the caption Certain Relationships and Related Transactions.

Nomination Process. The Nominating & Corporate Governance Committee performs the functions of a nominating committee. The Nominating & Corporate Governance Committee's Charter describes the Committee's responsibilities, including developing corporate governance guidelines and seeking, screening and recommending director candidates for nomination by the Board of Directors. Euronet's Corporate Governance Guidelines contain information regarding the selection, qualification and criteria for director nominees and the composition of the Board. Both documents are published on Euronet's Internet website at <http://www.euronetworldwide.com/investors/index.asp> under the Corporate Governance menu. The Nominating & Corporate Governance Committee evaluates all director candidates in accordance with the director qualification standards described in the Corporate Governance Guidelines.

The Nominating & Corporate Governance Committee evaluates each individual in the context of the Board as a whole, with the objective of recommending a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas. As determining the specific qualifications or criteria against which to evaluate the fitness or eligibility of potential director candidates is necessarily dynamic and an evolving process, the Board believes that it is not always in the best interests of Euronet or its stockholders to attempt to create an exhaustive list of such qualifications or criteria. Appropriate flexibility is needed to evaluate all relevant facts and circumstances in context of the needs of the Board and Euronet at a particular point in time. Accordingly, Nominating & Corporate Governance Committee reserves the right to consider those factors as it deems relevant and

appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In determining whether to recommend a director for re-election, the Nominating & Corporate Governance Committee also considers the director's past attendance at meetings and participation in and contributions to the activities of the Board.

As general guidelines, members of the Board and candidates for nomination to the Board shall be persons with appropriate educational background and training and who:

have personal and professional integrity,

act in a thorough and inquisitive manner,

are objective,

have practical wisdom and mature judgment,

have demonstrated the kind of ability and judgment to work effectively with other members of the Board to serve the long-term interests of the stockholders,

have general understanding of management, marketing, accounting, finance and other elements relevant to the Company's success in today's business environment,

have financial and business acumen, relevant experience, and the ability to represent and act on behalf of all shareholders,

are willing to devote sufficient time to carrying out their duties and responsibilities effectively, including advance review of meeting materials, and

are committed to serve on the Board and its committees for an extended period of time.

In addition, nominees and new directors (a) who serve as a member of Euronet's Audit Committee are not permitted to serve on the audit committee of more than two other boards of public companies, (b) who serve as chief executive officers or in equivalent positions are not permitted to serve on more than two boards of public companies in addition to the Board, and (c) generally are not permitted to serve on more than four other boards of public companies in addition to the Board. As described under *Proposal 1 Election of Directors - Other Directors*, certain current directors serve on more than four other boards of public companies. These directors will continue to be permitted to serve on the Board unless the full Board determines that doing so would impair the director's service on the Board. The Board values the contributions of directors whose years of service have given them insight into the Company and its operations and believes term limits are not necessary. Directors shall not be nominated for election to the Board after their 73rd birthday, although the full Board may nominate candidates over 73 for special circumstances.

Director Candidate Recommendations and Nominations By Stockholders. The Nominating & Corporate Governance Committee's Charter provides that the Nominating & Corporate Governance Committee will consider director candidate recommendations by stockholders. Stockholders should submit any such recommendations for the Nominating & Corporate Governance Committee through the method described

Edgar Filing: EURONET WORLDWIDE INC - Form DEF 14A

under Stockholder Proposals for the 2005 Annual Meeting below. In addition, in accordance with Euronet's Bylaws, any stockholder of record entitled to vote for the election of directors at the applicable meeting of stockholders may nominate persons for election to the Board of Directors if such stockholder complies with the notice procedures set forth in the Bylaws and summarized in Stockholders' Proposals below.

Sources For New Nominees. Andrew B. Schmitt was appointed to serve as director in September 2003 and is running for election as a director for the first time. He was recommended as a director by Thomas A. McDonnell, one of our independent directors.

Communications With The Board of Directors

The Board has approved unanimously a formal policy for stockholders to send communications to the Board or its individual members. Stockholders can send communications to the Board and specified individual directors by mailing a letter to the attention of the Board or a specific director (c/o the General Counsel) at Euronet Worldwide, Inc., 4601 College Blvd., Suite 300, Leawood, Kansas 66211.

Upon receipt of a communication for the Board or an individual director, the General Counsel shall promptly forward any such communication to all the members of the Board or the individual director, as appropriate. If a communication to an individual director deals with a matter regarding Euronet, the General Counsel shall forward the communication to the entire Board, as well as the individual directors. Neither the Board nor a specific director is required to respond to a shareholder communication and when responding shall do so only in compliance with the Corporate Governance Guidelines.

Director Attendance At Annual Meeting

Euronet has a policy encouraging the directors to attend the annual meeting of shareholders.

Compensation of Directors

During 2003, we paid each director a fee of \$3,000 for each Board meeting attended in person, \$1,000 for each telephonic Board meeting attended and \$1,000 for participation in a committee meeting. Commencing in 2004, we will pay each director a fixed annual fee of \$30,000 for membership on the Board and the committees of which he/she is a member. The Audit Committee Chair will receive an additional \$3,000 annual fee. In addition, we grant each director an option to purchase 10,000 shares of our Common Stock upon appointment to the Board and an option to purchase 10,000 shares for each year of service as a director. These options have a three-year vesting period and an exercise price that is equal to the closing trading price of our Common Stock on the Nasdaq National Market on the date of the grant. We also reimburse directors for out-of-pocket expenses incurred in connection with the directors' attendance at all Board and committee meetings, as well as the annual meetings of stockholders.

Employment Agreements

Messrs. Brown, Henry, Bergman, Jerome, Weller and Newman are executive officers and employees of Euronet and have employment agreements that have substantially the same terms except in respect to the levels of compensation and the provision of certain expatriate benefits to Mr. Bergman and Mr. Newman. These agreements were entered into in October 2003 and provide for base salaries of \$375,000 for Mr. Brown; \$290,000 for Mr. Henry; \$210,000 for Mr. Bergman; \$200,000 for Mr. Jerome; \$226,100 for Mr. Weller and \$221,500 for Mr. Newman. The employment agreements have indefinite terms and provide that they may be terminated by the employee at any time upon 60 days' notice and by Euronet with or without cause. They may be terminated by Euronet with cause (as defined in the agreements) upon 14 days' notice. Prior to a change of control (as defined in the agreements), they may be terminated by Euronet without cause upon payment of severance payments equal to 24 months' base salary. In the event of a change of control, the term of the agreements become fixed at three years from the date of the change of control. Each of the agreements include a restriction on the ability of the employee to compete with Euronet during the severance period, which is two years.

Mr. Althasen and Mr. Gardiner are Executive Vice Presidents of Euronet and employees of e-pay Limited, Euronet's U.K. subsidiary. They have employment agreements with e-pay that have substantially the same terms except with respect to salary. These agreements were entered into in February 2003 and provide for base salaries of 135,000 U.K. pounds (\$243,000 at an exchange rate of \$1.80 per pound) for Mr. Althasen and 140,000 U.K. pounds (\$268,200 at an exchange rate of \$1.80 per pound) for Mr. Gardiner. The agreements have fixed, two-year terms expiring February 19, 2005. Thereafter, they may be terminated by the employee or by e-pay without cause by giving 12 months' notice. The agreements may be terminated by e-pay without notice for cause as defined in the agreements. These agreements provide for bonus payments of up to 100% of base salary. The amount of the bonus payments is discretionary, and Mr. Althasen and Mr. Gardiner are subject to Euronet's overall executive bonus plan, as determined by the Compensation Committee.

Benefit Plans

We provide insurance benefits to our officers and other employees, including health, dental, and life insurance, subject to certain deductibles and co-payments by employees.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee, which currently consists of four outside directors, administers our executive compensation programs. The Compensation Committee is responsible for establishing policies that govern both annual cash compensation and equity ownership programs.

Overview and Philosophy

Our executive compensation policies have the following objectives:

to provide competitive compensation that will help attract, retain and reward highly qualified executives who contribute to our long-term success; and

Edgar Filing: EURONET WORLDWIDE INC - Form DEF 14A

to align the interests of executive management and stockholders by making individual compensation dependent upon achievement of financial goals and by providing long-term incentives through our stock option plans.

Our compensation package for executives consists of a base salary, annual bonuses based on a combination of corporate and individual performance and stock options, which vest over a period of years.

Determination of Compensation Levels in 2003

In determining levels of compensation of Euronet executives for 2003, the Compensation Committee took into account the recommendations of an independent outside consultant. The independent consultant performed a

survey of the compensation levels of executives in similar job categories and levels of responsibility in an industry peer group of companies. The executives of Euronet were grouped into three tiers of responsibility and the Compensation Committee determined a compensation range for each tier or responsibility as well as the specific amount of compensation for each executive. As a general matter, the Compensation Committee determined that compensation levels for Euronet executives should be set at approximately the midpoint of the range of compensation found within the peer group companies for each tier of responsibility.

Base Salary

The independent consultant determined that the base salaries paid to Michael J. Brown, Chief Executive Officer, and Daniel R. Henry, Chief Operating Officer, in 2002 were significantly below the midpoint of the range of compensation paid to executives of equivalent responsibility in the peer group companies. As a result, Mr. Brown's base salary for 2003 was increased to \$375,000 per year and Mr. Henry's salary was increased to \$290,000, in each case bringing base salary to the midpoint.

The independent consultant concluded that Mr. Bergman's base salary was at the midpoint of the range of salaries and the Compensation Committee therefore did not make any adjustment to his salary.

Messrs. Althasen and Gardiner became Euronet executives in February 2003 as part of the acquisition of e-pay. Their compensation levels for 2003 were set in negotiations regarding that acquisition and, consequently, the Compensation Committee took no action with respect to adjustment of their salaries.

Cash Bonus

We pay two types of cash bonuses: (a) those based on overall company performance and (b) those based on individual performance of the executive concerned. In measuring individual performance, the Compensation Committee measures the level of responsibility of an employee against his base salary and other elements of compensation in order to determine whether overall compensation is sufficient to retain highly qualified individuals.

The independent consultant provided recommended ranges of cash bonus that should be paid to Euronet executives based on practices in the peer group companies. The ranges are expressed as a percentage of base salary, and the actual level of payout in each case is determined based upon by achievement of defined personal and overall corporate performance goals. The ranges of percentages of base salary that could potentially be earned were set at 30% to 120% for Mr. Brown and Mr. Henry, with a target of 60%, and from 25% to 100% for Mr. Bergman, with a target of 50%.

Based on the financial performance of the Euronet for the year 2003, the Compensation Committee granted bonuses of \$150,000 to each of Mr. Brown and Mr. Henry, representing 40% and 51%, respectively, of their base salaries. The Compensation Committee granted a bonus of \$81,500 for Mr. Bergman, representing 38% of his base salaries.

The bonuses of Messrs. Althasen and Gardiner were determined based upon criteria established in their employment agreements at the time of the acquisition of e-pay. Mr. Althasen's bonus for the year 2003 was \$192,963 and Mr. Gardiner's was \$201,936, in each case representing 82% of base salary.

Stock Option Programs

Our stock option plans are designed to promote a convergence of long-term interests between our employees and our stockholders and to assist in the retention of executives. During 2003, all option grants that were proposed by management were approved by the Board. All such option grants were made under stockholder approved stock option plans.

The initial grant of options to an executive is designed to be competitive with those of comparable companies for the level of job the executive holds and to motivate the employee to contribute to an increase in our stock price over time. We make additional grants periodically to reflect an executive's ongoing contributions to our success, to create an incentive to remain with us and to provide a long-term incentive to achieve or exceed our financial goals.

Executives realize gains only if the stock price increases over the exercise price of their options and they exercise their options. Under the general terms of our stock option plans, options are to be granted at an option price equal to the fair market value of our Common Stock on the date of grant. Stock options granted to key employees generally vest over a five-year period in order to encourage such individuals to remain with Euronet, but during 2003 Euronet also granted 10,000 target vest options to Mr. Henry. Target vest options vest immediately in the event Euronet achieves certain financial targets for a given period. If the defined financial targets are not met, these options only vest after seven years of continued employment with Euronet.

The table summarizing individual grants of options in these proxy materials indicates the number of options granted to the named executives during 2003. The levels of awards of options were low in 2003 in view of significant increases in base salary and the bonuses paid to Messrs. Brown, Henry and Bergman and the Compensation Committee's determination that their option holdings in Euronet's stock are sufficient to provide an appropriate performance incentive and alignment of their interests with those of the stockholders. Messrs. Althasen and Gardiner did not receive awards of options because they received significant equity ownership in Euronet under the terms of our acquisition of e-pay in February 2003.

Benefits

Our executive officers are entitled to receive medical insurance benefits and may participate in our 401(k) plan. For 401(k) participants, we match 50% of participant deferrals on the first 6% of employee deferrals, provided the participant's deferral is at least 4% of salary.

All of our employees are entitled to participate in an Employee Stock Purchase Plans (the ESPPs) adopted in 2001 and 2003. These plans, which have been established in accordance with certain federal income tax rules set forth in Section 423 of the Internal Revenue Code, permit employees to purchase stock from us at a price that is equal to 85% of the lower of the trading price on the opening or closing of certain three-month offering periods.

The amount of perquisites, as determined in accordance with the rules of the SEC relating to executive compensation, did not exceed 10% of salary and bonus for 2003 for any of the Named Executive Officers except Mr. Bergman.

Conclusion

Through our programs, a significant portion of our executive compensation is linked directly to individual and company performance in furtherance of strategic goals, as well as stock price appreciation. The Compensation Committee intends to continue the policy of linking executive compensation to company performance and stockholder return.

AUDIT MATTERS
RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS*Report of the Audit Committee*

The Audit Committee oversees Euronet's financial reporting process on behalf of the Board of Directors. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements for fiscal year 2003 with management and discussed the quality of the accounting principles, the reasonableness of judgments and the clarity of disclosures in the financial statements. In addition, the Audit Committee has discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees.

The Audit Committee has received from the independent accountants written disclosures and a letter concerning their independence from Euronet, as required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. These disclosures have been reviewed by the Audit Committee and discussed with the independent accountants.

Based on these reviews and discussions, the Audit Committee has recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

Fees Paid To KPMG LLP

During the fiscal year ended December 31, 2003, Euronet engaged KPMG LLP, as independent auditors principally to perform the annual audit and to render other services. The following table lists fees paid to KPMG, for services rendered in fiscal years 2002 and 2003. Certain amounts for fiscal year 2002 have been reclassified to conform to the fiscal year 2003 presentation requirements.

	<u>2002</u>	<u>2003</u>	<u>Percentage of 2003 Fees Preapproved*</u>
Audit Fees (1)	\$ 512,806	\$ 550,697	100.0%
Audit-Related Fees (2)	69,870	349,404	100.0%
Tax Fees (3)	144,150	81,480	100.0%

Edgar Filing: EURONET WORLDWIDE INC - Form DEF 14A

All Other Fees

Total Fees	\$ 726,826	\$ 981,581
------------	------------	------------

- * After May 6, 2003, all audit and non-audit services have been pre-approved by the audit committee
- (1) Audit Fees include fees for services performed to comply with Generally Accepted Auditing Standards (GAAS), including the recurring audit of Euronet's consolidated financial statements. This category also includes fees for audits provided in connection with statutory filings or procedures related to audit of income tax provisions and related reserves, consents and assistance with and review of documents filed with the SEC.

- (2) Audit-Related Fees include fees for services associated with assurance and reasonably related to the performance of the audit or review of Euronet's financial statements. This category includes fees related to assistance in financial due diligence related to mergers and acquisitions, consultations regarding Generally Accepted Accounting Principles, reviews and evaluations of the impact of new regulatory pronouncements, general assistance with implementation of the new SEC and Sarbanes-Oxley Act of 2002 requirements and audit services not required by statute or regulation. This category also includes audits of pension and other employee benefit plans, as well as the review of information systems and general internal controls unrelated to the audit of the financial statements.
- (3) Tax Fees primarily include fees associated with tax audits, tax compliance, tax consulting, as well as domestic and international tax planning. This category also includes tax planning on mergers and acquisitions, restructurings, as well as other services related to tax disclosure and filing requirements.

The Audit Committee has concluded the provision of the non-audit services listed above as Audit-Related Fees, Tax Fees and All Other Fees is compatible with maintaining the auditors' independence.

The Audit Committee has adopted procedures for pre-approving all audit and non-audit services provided by the independent auditor. These procedures include reviewing a budget certain for audit and permitted non-audit services. The budget includes a description of, and a budgeted amount for, particular categories of non-audit services that are recurring in nature and therefore anticipated at the time the budget is submitted. Audit Committee pre-approval is required to exceed the budget amount for a particular category of non-audit services and to engage the independent auditor for any non-audit services not included in the budget. For both types of pre-approval, the Audit Committee considers whether such services are consistent with the SEC's rules on auditor independence. The Audit Committee also considers whether the independent auditor is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with Euronet's business, people, culture, accounting systems, risk profile, and whether the services enhance Euronet's ability to manage or control risks and improve audit quality. The Audit Committee may delegate pre-approval authority to one or more members of the Audit Committee. The Audit Committee periodically monitors the services rendered and actual fees paid to the independent auditors to ensure that such services are within the parameters approved by the Audit Committee.

Appointment of KPMG for the Year 2004

The Audit Committee has appointed KPMG to serve as independent accountants to audit the consolidated financial statements of Euronet as of and for the year ended December 31, 2004. Although the Audit Committee has selected KPMG, it nonetheless may, in its discretion, retain another independent accounting firm at any time during the year if it concludes that such change would be in the best interest of Euronet and its stockholders. Representatives of KPMG will be present at the Annual Meeting. They will have the opportunity to make a statement if they desire and will be available to respond to appropriate questions.

Performance Graph

Set forth on the next page is a line graph comparing the total cumulative return on the Common Stock from December 31, 1998 through December 31, 2003 with the Center for Research in Security Prices (CRSP) Total Returns Index for U.S. companies traded on the Nasdaq Stock Market (the Market Group) and an index group of peer companies, the CRSP Total Returns Index for U.S. Nasdaq Financial Stocks (the Peer Group). The companies in each of the Market Group and the Peer Group were weighted by market capitalization. Returns are based on monthly changes in price and assume reinvested dividends. These calculations assume the value of an investment in the Common Stock, the Market Group and the Peer Group was \$100 on January 1, 1999. COMMON STOCK FOR DISTRIBUTION UNDER SUCH PLAN

General

On May 28, 2002, our stockholders approved the Euronet Worldwide, Inc. 2002 Stock Incentive Plan (the *Plan*) as adopted by the Board of Directors on March 25, 2002. The Plan currently reserves 2 million shares of our Common Stock for Awards granted pursuant to the Plan. On March 26, 2004, the Board approved an amendment to the Plan to increase the number of shares available under it by 1.5 million shares of our Common Stock (the *Amended Plan*).

In addition to the Plan, we sponsor two other option plans and two stock purchase plans for Euronet's employees. The two other plans, adopted in 1996 and 1998, provided for the grant of options to purchase 2.4 million and 2 million shares, respectively. The stock purchase plans allow for grants of a total of 1 million shares of our Common Stock. Approximately 32,000 shares in the aggregate remain eligible to be issued under the 1996 and 1998 option plans and 420,243 shares of Common Stock remain eligible to be issued under our stock purchase plans.

The following summary of the Amended Plan is qualified in its entirety by the specific language of the Amended Plan. A copy of the Amended Plan marked to show the changes to the Plan if approved by stockholders of Euronet is attached as Appendix B to this proxy statement and is available at our address indicated in the header to these proxy materials.

Purpose of the Amended Plan

The purpose of the Amended Plan is to promote our long-term growth and profitability by providing our eligible and prospective directors, officers, employees and consultants with incentives to improve stockholder value and thereby to attract, retain and motivate the best available persons for positions of substantial responsibility.

Description of the Amended Plan

Effective Date. The Plan originally became effective on March 25, 2002. If approved by stockholders, the Amended Plan will become effective on May 24, 2004 (the *Effective Date*).

Administration. The Amended Plan is administered by the Compensation Committee (the *Committee*). The Board may act in lieu of the Committee on any matter within its discretion or authority, and may eliminate the Committee, or remove any Committee member, at any time in its discretion. The Committee has broad discretionary authority to administer the Amended Plan, to make and modify Awards (which are defined below) and document Awards, to prescribe rules and regulations relating to the Amended Plan, and to interpret the terms of the Amended Plan and any Award agreements. In addition, the Amended Plan authorizes the Board from time to time to authorize one or more of our officers to

Edgar Filing: EURONET WORLDWIDE INC - Form DEF 14A

grant Options (which are defined below) to our officers and employees or those of our subsidiaries, and to determine the number of Options to be granted to these officers and employees. However, no officer is permitted to grant an Option either to himself or herself, or to any officer or employee who is a reporting person for purposes of Securities and Exchange Commission Rule 16.

Types of Awards. Under the Amended Plan, the Committee has discretionary authority to grant stock options (Options), stock appreciation rights (SARs), restricted stock awards (Restricted Shares), deferred share awards (Deferred Shares) and phantom rights (Phantom Rights) (collective Awards) to any employee, independent contractor or non-employee director of Euronet as the Committee shall designate. As of the Record

Date, we, including our subsidiaries, had 548 officers and employees and 5 non-employee directors who were reasonably regarded as being eligible to participate in the Amended Plan.

Shares Available for Grants. If the stockholders approve this proposal, the Amended Plan will reserve 3.5 million shares of our Common Stock for Awards granted pursuant to the Amended Plan, subject to certain adjustments upon an event such as a stock split, reverse stock split, stock dividend, combination or reclassification of Common Stock, or any other similar event.

Agreements Evidencing Awards; Stockholder Rights. Each Award granted under the Amended Plan (except an Award of unrestricted stock) will be evidenced by a written Award agreement, which will contain provisions as the Committee in its discretion deems necessary or desirable.

Options; Exercise Price; Term. Options may be either incentive stock options (ISOs) having terms required under Section 422 of the Internal Revenue Code, or Options that are not ISOs (NQSOs). The Committee may grant Options sequentially in one resolution for a series of future grants. The exercise price as to any ISO may not be less than 100% of the Fair Market Value (as defined under the Amended Plan) of the optioned shares on the date of grant and 110% in the case of an employee who owns more than 10% of the outstanding Common Stock on the date of receiving an ISO grant. The per-share exercise price for each NQSO grant shall also not be less than the Fair Market Value of the optioned shares on the date of the grant.

Vesting. Unless an Award agreement provides otherwise: (i) an independent contractor may immediately exercise any Option, and (ii) any other Option will become exercisable at the rate of 20% per year of the participant's service after the grant date. If the Committee exercises this discretion, each participant whose Options are cancelled will receive an amount that is not less than the product of (i) the number of shares that the participant had the vested right to purchase through exercise of the Option immediately before its cancellation, (ii) 25% of the Fair Market Value per share on the date cancelled, and (iii) the ratio of such Fair Market Value to the cancelled Option's exercise price per share.

Dividend Equivalent Rights and Reload Grants. The Committee may award dividend equivalent rights entitling the recipient of an Option to receive amounts equal to the ordinary dividends that would be paid on shares, subject to an unexercised Award as if such shares were currently outstanding. The Committee will determine the method of any payment and the terms and conditions of any dividend equivalent rights granted. In addition, the Committee may include in any Option Award a provision under which a participant who exercises the Option (in whole or in part) through the surrender of shares held for at least six months will receive a new Option (the Reload Option) to purchase an equivalent number of shares at their Fair Market Value on the grant date of the Reload Option.

SARs. SARs may be granted in connection with an Option or independently as determined by the Committee. The pricing restrictions in the Amended Plan applicable to Options also apply to the exercise price of SARs. Upon the exercise of an Option in connection with which a SAR has been granted, the number of shares that the Option is exercised for shall reduce the number of shares subject to the SAR. Unless the Committee determines otherwise, upon exercise of a SAR and the surrender of the exercisable portion of any related Award, the participant will be entitled to receive payment of an amount equal to the excess of (a) the Fair Market Value of a share on the date of exercise of the SAR over (b) the exercise price of this right as set forth in the Award agreement (or over the Option exercise price if the SAR is granted in connection with an Option), multiplied by (c) the number of shares with respect to which the SAR is exercised.

Effect of Termination of Service. The Committee has broad discretion to determine the effect of a termination of continuous service, with the Amended Plan requiring as follows unless the Committee determines otherwise: an Option or SAR may be exercised at any time during an employee's continuous service with Euronet or within 60 days thereafter unless (a) the Committee determines that the employee's continuous service terminates due to cause as defined in the Amended Plan, in which case the participant's Option or SAR will

lapse immediately and the participant must return any dividend equivalent rights granted by us, and (b) an employee dies, in which case the Option or SAR remains exercisable for 90 days following the employee's death. In addition, no Option or SAR may be exercisable after expiration of its term or to a greater extent than the employee was entitled to exercise it when the employee's continuous service terminated. In the event a director or independent consultant terminates his directorate or service for any reason other than death, all Options and SARs then exercisable shall be exercisable for the remainder of their terms, subject to the terms of any Award agreement, subject to immediate forfeiture if a directorate is terminated for cause, and subject to expiration 90 days after a director's death. If an outside consultant dies, the consultant's estate may exercise any Options during their remaining term.

Restricted Share Awards. The Committee may grant Restricted Share Awards that vest based on future conditions, and may include a purchase price if the Committee desires. The participant will receive a certificate or certificates for the appropriate number of shares after exercising the Restricted Share Award.

Deferred Share Awards. The Committee may make discretionary Deferred Share Awards to select eligible persons subject to the terms of the Amended Plan. At the end of each calendar year, or other periods approved by the Committee, the Committee will credit the participant's account with a number of Deferred Shares having a Fair Market Value on that date equal to the compensation deferred during the year, and any cash dividends paid during the year on Deferred Shares previously credited to the participant's account. A participant may receive immediate distribution of all or a portion of his or her Deferred Shares on account of hardship (as defined in the Amended Plan). Fractional shares will not be distributed, but will be paid out in cash.

In all cases, we will generally distribute the Common Stock associated with a Deferred Share Award over the five-year period after the Award holder terminates service, subject to the holder's right to elect a different payout term and commencement date. Any distribution of Common Stock will include dividends that accrued after the date of the Deferred Share Award (with cash dividends being converted into Deferred Shares at the end of each fiscal year).

Phantom Rights. The Committee may make discretionary Phantom Rights Awards with respect to Common Stock, may select eligible persons for these Awards, and may establish the terms and conditions under which Phantom Rights vest and are cashed out.

Conditions on Issuance of Shares. The Committee has the discretionary authority to impose restrictions on shares of Common Stock issued pursuant to the Amended Plan as it may deem appropriate or desirable, including the authority to impose a right of first refusal and to establish repurchase rights.

Effect of Certain Transactions. Upon the later of (i) a change in corporate control or the execution of an agreement to effect an Accelerating Event (within the meaning of the Amended Plan) and (ii) a participant's termination of service either involuntarily or for good reason (within the meaning of the Amended Plan), all of the participant's Options and SARs will become fully exercisable, all other Awards will become fully vested, and the Committee may permit the participant to cancel outstanding Awards in exchange for a cash payment equal to the value of the cancelled Award.

Duration of the Amended Plan and Grants. The Amended Plan prohibits the granting of Awards more than 10 years after its Effective Date. Each Award agreement for Options and SARs will set forth the periods during which they will be exercisable. The maximum term for an ISO (and a SAR granted in tandem with an ISO) may not exceed 10 years (five years if the participant owns more than 10% of the Common Stock on the date of grant).

Modification of Awards. The Committee may modify an Award as long as the modification to the Award does not materially reduce the participant's rights or materially increase the participant's obligations as determined by the Committee.

Amendment and Termination of the Amended Plan. The Board may from time to time amend the terms of the Amended Plan and, with respect to any shares at the time not subject to Awards, suspend or terminate the Amended Plan. No amendment, suspension, or termination of the Amended Plan will, without the consent of any affected participant, alter or impair any rights or obligations under any Award previously granted. The listing standards of the Nasdaq National Market require us to obtain stockholders' approval of material amendments to the Amended Plan.

Financial Effects of Awards. Euronet will receive no monetary consideration for the granting of Awards under the Amended Plan. We will receive no monetary consideration other than the exercise price for shares of Common Stock issued to participants upon the exercise of their Options or the purchase price, if any, paid for Restricted Shares. We will also not receive monetary consideration upon the distribution of Common Stock satisfying Deferred Share or Phantom Rights Awards. Cash proceeds from the issuance of Common Stock pursuant to any Award will be added to our general funds to be used for general corporate purposes.

Under the intrinsic value method that we follow under applicable accounting standards, recognition of compensation expense is not required when Options are granted at an exercise price equal to or exceeding the Fair Market Value of the Common Stock on the date the Option is granted. Nonetheless, disclosure is required in financial statement footnotes regarding pro forma effects on earnings and earnings per share of recognizing, as a compensation expense, an estimate of the fair value of such stock-based awards.

The Financial Accounting Standards Board of Directors has issued an interpretation of existing accounting treatment for stock-based compensation to individuals who do not qualify as employees or directors of Euronet. Among other things, this change requires recognition of compensation expense when Options are awarded to these individuals.

The granting of SARs will require charges to our income based on the amount of the appreciation, if any, in the average market price of the Common Stock to which the SARs relate over the exercise price of those shares. If the average market price of the Common Stock declines subsequent to a charge against earnings due to estimated appreciation in the Common Stock subject to SARs, the amount of the decline will reverse these prior charges to our income (but not by more than the aggregate of these prior charges).

The granting of Restricted Shares or Deferred Shares will require charges to our income in an amount equal to the Fair Market Value, on the date of the Award, of the shares of Common Stock credited pursuant to the Award, with the expense generally being spread over any vesting period.

The granting of Phantom Rights will require ongoing charges to our income based on changes in their vested value.

Disclosure of Awards

We have not yet made any Awards pursuant to the Plan or the Amended Plan and do not expect to do so before the Amended Plan receives stockholder approval. In addition, the amount of any future Awards is not determinable at this time.

Recommendation and Vote Required

Edgar Filing: EURONET WORLDWIDE INC - Form DEF 14A

The Board has determined that the allocation of additional shares under the Amended Plan is desirable, cost-effective, and produces incentives that will benefit us and our stockholders. The Board is seeking stockholder approval of the Amended Plan in order to satisfy the requirements of the Internal Revenue Code for favorable tax treatment of ISOs, for an exemption under Section 162(m) of the Internal Revenue Code, and to satisfy the listing requirements of the Nasdaq National Market for national market system securities.

Stockholder approval of the Amended Plan requires the affirmative vote of the holders of a majority of the votes cast at the Annual Meeting.

Except as expressly provided herein, nothing in this Section 3(c) shall be construed as creating any limitations on the power or authority of the Board and the Committee to administer and operate the Plan.

The Committee may grant Awards under the Plan at any time during the term of the Plan (as established pursuant to Section 16).

5. ELIGIBILITY

(a) The Committee may grant Awards to any director, officer, key employee or outside consultant of the Company or any Subsidiary, as well as to any prospective director, officer, key employee, or outside consultant

B-3

of the Company or any Subsidiary as an inducement for such person to perform services for the Company or any Subsidiary; provided that an Award Agreement may contain terms and conditions providing for the termination of an inducement Award in the event that a recipient thereof is not retained to perform services for the Company with the period specified therein. In determining from time to time the officers and employees to whom Awards shall be granted and the number of shares to be covered by each Awards, the Committee shall take into account the duties of the respective officers and employees, their present and potential contributions to the success of the Company and such other factors as the Committee shall deem relevant in connection with accomplishing the purposes of the Plan.

(b) At the time of the grant of each Option under the Plan, the Committee shall determine whether or not such Option is to be designated an Incentive Stock Option. Incentive Stock Options shall not be granted to a director or a consultant who is not an employee of the Company. The length of the exercise period of Incentive Stock Options shall be governed by Section 7(e)(2) of the Plan; the exercise period of all other Options will be governed by Section 7(e)(3).

(c) An Option designated as an Incentive Stock Option can, prior to its exercise, be changed to a Non-Qualified Option if the Participant consents to amend his Award Agreement to provide that the exercise period of such Option will be governed by Section 7(e)(2) of the Plan.

6. STOCK

The stock subject to Awards shall be shares of the Common Stock. Such shares may, in whole or in part, be authorized but unissued shares contributed directly by the Company or shares which shall have been or which may be acquired by the Company. The aggregate number of shares of Common Stock as to which Awards may be granted from time to time under the Plan shall be ~~2,000,000~~ 3,500,000 shares, with a limit of 250,000 shares per Participant during the term of the Plan. The limitations established by the preceding sentence shall be subject to adjustment as provided in Section 12 hereof. If any outstanding Awards under the Plan for any reason expires or is cancelled or terminated without having been exercised or vested in full, the shares of Common Stock allocable to the unexercised or unvested portion of such Award shall (unless the Plan shall have been terminated) become available for subsequent grants of Awards under the Plan.

7. TERMS AND CONDITIONS OF OPTIONS

Each Option granted pursuant to the Plan shall be evidenced by an Award Agreement in such forms as the Committee may from time to time approve. Options shall comply with and be subject to the following terms and conditions:

(a) EXERCISE PRICE. Each Option shall state the Exercise Price, which in the case of Incentive Stock Options shall be not less than one hundred percent (100%) of the Fair Market Value of the shares of Common Stock on the date of grant of the Option; provided, however, that in the case of an Incentive Stock Option granted to a Ten Percent Stockholder, the Exercise Price shall not be less than one hundred ten percent (110%) of such Fair Market Value. The Exercise Price per share for Non-Qualified Options shall also not be less than the Fair Market Value of a share of Common Stock on the effective date of grant of the Option. The Exercise Price shall be subject to adjustment as provided in Section 12 hereof. The date on which the Committee adopts a resolution expressly granting an Option shall generally be considered the day on which such Option is granted. ~~However; provided, however,~~ the Committee may, in its sole discretion, (i) designate in the resolutions that one or more Options shall be deemed granted as of a date in the future and (ii) grant a series of sequential Options to a Participant pursuant to a single resolution adopted by the Committee. Such a future date of grant or a series of sequential Options will be treated as granted as of the specific future dates designated by the Committee and such Options will have an Exercise Price determined in each case by reference to the Fair Market Value of Common Stock as of the respective future dates as of which the Options are deemed granted. For example, as of May 15, 2002, the Committee could, in its sole discretion, grant a series of Options to a Participant equal to 1,000 shares of Common Stock which could be deemed by the Committee to be granted at the rate of 250 shares as of June 1,

B-4

2002 and at the rate of 250 shares as of the first day of each of the next three calendar months thereafter for an Exercise Price in each case equivalent to the Fair Market Value of 250 shares of Common Stock as of each of the deemed grant days.

(b) **RESTRICTIONS.** Any Common Stock issued under the Plan may contain restrictions including, but not limited to, limitations on transferability, as the Committee may set forth in the Award Agreement effecting an Award.

(c) **VALUE OF SHARES.** Options may be granted to any eligible person for shares of Common Stock of any value, provided that the aggregate Fair Market Value (determined at the time the Option is granted) of the stock with respect to which Incentive Stock Options are exercisable for the first time by the Participant during any calendar year (under all the plans of the Company, its Parent and its Subsidiaries) shall not exceed \$100,000.

(d) **MEDIUM AND TIME OF PAYMENT.** The Exercise Price shall be paid in full, at the time of exercise, in cash or, with the approval of the Committee, in shares of Common Stock having a Fair Market Value in the aggregate equal to such Exercise Price or in a combination of cash and such shares, provided that any shares of Common Stock used to pay the Exercise Price must have been held by the Participant for no less than six (6) months. In addition, the Committee may provide in an Award Agreement for the payment of the Exercise Price on a cashless basis, by stating in the exercise notice the number of Shares the Participant elects to purchase pursuant to such exercise (in which case the Participant shall receive a number of Shares equal to the number the Participant would have received upon such exercise for cash less such number of Shares as shall then have a Fair Market Value in the aggregate equal to the Exercise Price due in respect of such exercise). The Committee may, in its discretion and for any reason, refuse to accept a particular form of consideration (other than cash, wire transfer of funds or a certified or official bank check) at the time of any Option exercise.

(e) **TERM AND EXERCISE OF OPTIONS**

(1) Unless the applicable Award Agreement otherwise provides, each Option granted to an independent contractor performing services for the Company shall be vested immediately and each Option granted to an employee or director shall become vested and first exercisable in the following installments:

ANNIVERSARY	PERCENTAGE
DATE OF GRANT	EXERCISABLE
Less than One	0%
One	20%
Two	40%
Three	60%
Four	80%
Five	100%

(2) Incentive Stock Options shall be exercisable over the exercise period specified by the Committee in the Award Agreement, but in no event shall such period exceed ten (10) years from the date of the grant of each such Incentive Stock Option; provided, however, that in the case of an Incentive Stock Option granted to a Ten Percent Stockholder, the exercise period shall not exceed five (5) years from the date of grant of such Option.

Edgar Filing: EURONET WORLDWIDE INC - Form DEF 14A

(3) Non-Qualified Options shall be exercisable over a period specified by the Committee in the Award Agreement, but in no event shall such period exceed ten (10) years from the date of the grant of each such Non-Qualified Option.

(4) The exercise period of any Option shall be subject to earlier termination as provided in Section 7(g) and 7(h) hereof. An Option may be exercised, as to any or all full shares of Common Stock as to which the Option has become exercisable, by giving written notice of such exercise to the Committee; provided that an Option may not be exercised at any one time as to less than 100 shares (or such number of shares as to which the Option is then exercisable if such number of shares is less than 100).

B-5

(f) DIVIDEND EQUIVALENCY; RELOAD GRANTS

(1) Any Option may, in the discretion of the Committee, provide for dividend equivalency rights under which the Participant shall be entitled to additional payments, in the nature of compensation, equal to the amount of dividends which would have been paid, during the period such Option is held, on the number of shares of Common Stock equal to the number of shares subject to such Option.

(2) The Committee may in its discretion include in any Award Agreement with respect to an Option (the *Original Option*) a provision awarding an additional option (the *Reload Option*) to any Participant who delivers Shares in partial or full payment of the Exercise Price of the Original Option. The Reload Option shall be for a number of Shares equal to the number of Shares so delivered, shall have an Exercise Price equal to the Fair Market Value of a Share on the date of exercise of the Original Option, and shall have an expiration date no later than the expiration date of the Original Option. In the event that an Award Agreement provides for the grant of a Reload Option, such Award Agreement shall also provide that the Exercise Price of the Original Option be no less than the Fair Market Value of a Share on its date of grant, and that any Shares that are delivered in payment of such Exercise Price shall have been held for at least 6 months.

(g) TERMINATION OF SERVICE. Except as provided in this Section 7(g) and Section 7(h) hereof and except with respect to Options granted to an independent contractor performing services for the Company, an Option may only be exercised by persons who are employees or of the Company or any Parent or Subsidiary of the Company (or a corporation or a Parent or Subsidiary of such corporation issuing or assuming the Option in a transaction to which Section 424(a) of the Code applies), who have remained continuously, or directors so in service since the date of grant of the Option.

In the event the directorship of a Participant who is a director of the Company shall terminate (other than by reason of death), all Options or unexercised portions thereof granted to such Participant which are then exercisable shall, unless earlier terminated in accordance with their terms, remain exercisable over the exercise period specified by the Committee in the Award Agreement; provided, however, that if the association of the Participant with the Company shall terminate for cause (as determined by the Committee), all Options theretofore granted to such Participant shall, to the extent not theretofore exercised, terminate forthwith; and further provided that all Options theretofore granted to such Participant which have not vested shall terminate forthwith.

In the event a Participant who is an employee shall terminate all association with the Company (other than by reason of death), all Options or unexercised portions thereof granted to such Participant which are then exercisable may, unless earlier terminated in accordance with their terms, be exercised within sixty (60) days after such termination; provided, however, that if the association of the Participant with the Company shall terminate for cause (as determined by the Committee), all Options theretofore granted to such Participant shall, to the extent not theretofore exercised, terminate forthwith. A bona fide leave of absence shall not be considered a termination or break in continuity of employment for any purpose of the Plan so long as the period of such leave does not exceed ninety (90) days or such longer period during which the Participant's right to reemployment is guaranteed by statute or by contract. Where the period of such leave exceeds ninety (90) days and the Participant's right to reemployment is not guaranteed, the Participant's employment will be deemed to have terminated on the ninety-first (91st) day of such leave. Nothing in the Plan or in any Option granted pursuant hereto shall confer upon an employee any right to continue in the employ of the Company or any of its divisions or Parent or Subsidiaries or interfere in any way with the right of the Company or any such divisions or Parent or Subsidiary to terminate or change the terms of such employment at any time.

Unless an Award Agreement provides otherwise, a Participant's changes or changes in status between employee and director shall not be considered a termination or break in continuity of employment for any purpose of the Plan. The Committee may, in its discretion, provide similar treatment for changes in the status of any independent consultant, and may so provide in an Award Agreement or future modification thereof.

(h) DEATH OF PARTICIPANT. If a Participant who was an outside consultant when his Option was granted shall die, all Options heretofore granted to such Participant may be exercised at any time during the remaining period of their terms by the personal representative of the Participant's estate or by a person who acquired the right to exercise such Options by bequest or inheritance or otherwise by reason of death of the Participant. If a Participant shall die while a director of or employed by the Company or any Parent or Subsidiary of the Company, all Options theretofore granted to such Participant may, unless earlier terminated in accordance with their terms and to the extent already vested and exercisable, be exercised by the Participant or by the personal representative of the Participant's estate or by a person who acquired the right to exercise such Option by bequest or inheritance or otherwise by reason of death of the Participant, at any time within one year after the date of death of the Participant.

8. STOCK APPRECIATION RIGHTS

(a) GRANTING OF STOCK APPRECIATION RIGHTS. In its sole discretion, the Committee may from time to time grant Stock Appreciation Rights to Participants either in conjunction with, or independently of, any Options granted under the Plan. A Stock Appreciation Right granted in conjunction with an Option may be an alternative right wherein the exercise of the Option terminates the Stock Appreciation Right to the extent of the number of shares purchased upon exercise of the Option and, correspondingly, the exercise of the Stock Appreciation Right terminates the Option to the extent of the number of Shares with respect to which the Stock Appreciation Right is exercised. Alternatively, a Stock Appreciation Right granted in conjunction with an Option may be an additional right wherein both the Stock Appreciation Right and the Option may be exercised. A Stock Appreciation Right may not be granted in conjunction with an Incentive Stock Option under circumstances in which the exercise of the Stock Appreciation Right affects the right to exercise the Incentive Stock Option or vice versa, unless the Stock Appreciation Right, by its terms, meets all of the following requirements: (1) the Stock Appreciation Right will expire no later than the Incentive Stock Option; (2) the Stock Appreciation Right may be for no more than the difference between the Exercise Price of the Incentive Stock Option and the Fair Market Value of the Shares subject to the Incentive Stock Option at the time the Stock Appreciation Right is exercised; (3) the Stock Appreciation Right is transferable only when the Incentive Stock Option is transferable, and under the same conditions; (4) the Stock Appreciation Right may be exercised only when the Incentive Stock Option may be exercised; and (5) the Stock Appreciation Right may be exercised only when the Fair Market Value of the Shares subject to the Incentive Stock Option exceeds the Exercise Price of the Incentive Stock Option.

(b) EXERCISE PRICE. The Exercise Price as to any particular Stock Appreciation Right shall not be less than the Fair Market Value of the Optioned Shares on the date of grant.

(c) TIMING OF EXERCISE. The provisions of Section 7 regarding the period of exercisability of Options are incorporated by reference herein, and shall determine the period of exercisability of Stock Appreciation Rights.

(d) EXERCISE OF STOCK APPRECIATION RIGHTS. A Stock Appreciation Right granted hereunder shall be exercisable at such times and under such conditions as shall be permissible under the terms of the Plan and of the Award Agreement granted to a Participant, provided that a Stock Appreciation Right may not be exercised for a fractional Share. Upon exercise of a Stock Appreciation Right, the Participant shall be entitled to receive, without payment to the Company, an amount equal to the excess of (or, in the discretion of the Committee if provided in the Award Agreement, a portion of) the excess of the then aggregate Fair Market Value of the number of Optioned Shares with respect to which the Participant exercises the Stock Appreciation Right, over the aggregate Exercise Price of such number of Optioned Shares. This amount shall be payable by the Company, at the discretion of the Committee, in cash or in Shares valued at the then Fair Market Value thereof, or any combination thereof.

(e) **PROCEDURE FOR EXERCISING STOCK APPRECIATION RIGHTS.** To the extent not inconsistent herewith, the provisions of Section 7 as to the procedure for exercising Options are incorporated by reference, and shall determine the procedure for exercising Stock Appreciation Rights.

9. RESTRICTED SHARE AWARDS

(a) **GRANTS.** The Committee shall have the discretion to grant Restricted Share Awards to Participants. As promptly as practicable after a determination is made that a Restricted Share Award is to be made, the Committee shall notify the Participant in writing of the grant of the Award, the number of Shares covered by the Award, and the terms upon which the Shares subject to the Award may be earned. The date on which the Committee so notifies the Participant shall be considered the date of grant of the Restricted Share Awards. The Committee shall maintain records as to all grants of Restricted Share Awards under the Plan.

(b) **EARNING SHARES.** Unless the applicable Award Agreement otherwise provides, Shares subject to Restricted Share Awards shall be earned and become non-forfeitable by a Participant according to the schedule set forth in Section 7(e)(1), provided the Participant is a director, officer, employee or consultant on the scheduled vesting date. Notwithstanding the foregoing, each Participant shall become (100%) vested immediately upon termination of the Participant's service due to the Participant's disability or death.

(c) **ACCRUAL OF DIVIDENDS.** Whenever Restricted Shares are paid to a Participant under this Plan, the Participant shall also be entitled to receive, with respect to each Restricted Share paid, an amount equal to any cash dividends and a number of shares of Common Stock equal to any stock dividends declared and paid with respect to a share of Common Stock between the date the relevant Restricted Share Award was initially granted to such Participant and the date the Restricted Shares are being distributed. The Committee may also, in its discretion distribute an appropriate amount of net earnings, if any, with respect to any cash dividends paid between the grant date of the Restricted Share Award and the distribution date of the Restricted Shares.

(d) **DISTRIBUTION OF RESTRICTED SHARES.**

(1) **TIMING OF DISTRIBUTIONS; GENERAL RULE.** Except as otherwise expressly stated in this Plan, the Committee shall distribute Restricted Shares and accumulated dividends and interest to the Participant or his beneficiary, as the case may be, as soon as practicable after they have been earned. No fractional shares shall be distributed.

(2) **FORM OF DISTRIBUTION.** The Committee shall distribute all Restricted Shares, together with any shares representing stock dividends, in the form of Common Stock. One share of Common Stock shall be given for each Restricted Share earned. Payments representing cash dividends (and earnings thereon) shall be made in cash.

(e) **DEFERRAL ELECTIONS.** If expressly authorized in an Award Agreement a Participant who is a member of a select group of management or highly compensated employees (within the meaning of the Employee Retirement Income Security Act of 1974, as amended) may irrevocably elect, at any time at least 12 months prior to the date on which a Participant becomes vested in any shares subject to his or her Restricted Share Award, to defer the receipt of all or a percentage of the Restricted Shares that would otherwise be transferred to the Participant upon the vesting of such Award pursuant to Section 10 of this Plan. If such an election is made, the Restricted Shares shall be credited to the Participant's account as Deferred Shares on the date such Restricted Shares would otherwise have been distributed to the Participant.

10. DEFERRAL ELECTIONS BY PARTICIPANTS.

(a) ELECTIONS TO DEFER. The Committee may, in its discretion, authorize any Participant who is a director, consultant, or member of a select group of management or highly compensated employees (within the meaning of the Employee Retirement Income Security Act of 1974, as amended) to irrevocably elect to forego the receipt of cash compensation and in lieu thereof to have the Company credit Deferred Shares to an account

B-8

payable to the Participant. Each election shall take effect five business days after its delivery to the Committee, unless in the meantime the Committee sends the Participant a written notice explaining why the election is invalid. Notwithstanding the foregoing sentence, elections shall be ineffective with respect to any compensation that a Participant earns before the date on which the Committee receives the election.

(b) CASH EARNINGS ON DEFERRED SHARES. On the last day of each fiscal year of the Company, the Committee shall credit to the Participant's account a number of Deferred Shares having a value equal to the sum of any cash dividends paid on Deferred Shares previously credited to the Participant's account. The Committee shall hold each Participant's Deferred Shares until distribution is required pursuant to subsection (c) hereof.

(c) DISTRIBUTIONS OF DEFERRED SHARES AND EARNINGS. The Committee shall distribute a Participant's Deferred Shares in five substantially equal annual installments that are paid before the last day of each of the five fiscal years of the Company that end after the date on which the Participant's continuous service terminates, *unless* the Participant has properly elected a different form of distribution pursuant to an election (on a Form that the Committee approves) that the Committee receives either more than 90 days before an Accelerating Event or more than one year before the date on which the Participant's continuous service terminates for any reason.

(d) HARDSHIP WITHDRAWALS. Notwithstanding any other provision of the Plan or a Participant's election hereunder, in the event the Participant suffers an unforeseeable hardship within the contemplation of this subsection, the Participant may apply to the Committee for an immediate distribution of all or a portion of his Deferred Shares. The hardship must result from a sudden and unexpected illness or accident of the Participant or a dependent of the Participant, casualty loss of property, or other similar conditions beyond the control of the Participant. Examples of purposes which are not considered hardships include post-secondary school expenses or the desire to purchase a residence. In no event will a distribution be made to the extent the hardship could be relieved through reimbursement or compensation by insurance or otherwise, or by liquidation of the Participant's nonessential assets to the extent such liquidation would not itself cause a severe financial hardship. The amount of any distribution hereunder shall be limited to the amount necessary to relieve the Participant's financial hardship. The determination of whether a Participant has a qualifying hardship and the amount which qualifies for distribution, if any, shall be made by the Committee in its sole discretion. The Committee may require evidence of the purpose and amount of the need, and may establish such application or other procedures as it deems appropriate.

(e) RIGHTS TO DEFERRED SHARES. A Participant may not assign his or her claim to Deferred Shares during his or her lifetime. A Participant's right to Deferred Shares shall at all times constitute an unsecured promise of the Company to pay benefits as they come due. The right of the Participant or his or her beneficiary to receive benefits hereunder shall be solely an unsecured claim against the general assets of the Company. Neither the Participant nor his or her beneficiary shall have any claim against or rights in any specific assets, shares, or other funds of the Company.

11. PHANTOM RIGHTS

(a) AWARDS. Awards of rights (Phantom Rights) that relate indirectly to shares of Common Stock may be made under this Plan and set forth in an applicable Award Agreement. The Committee may, but shall not be required to, make Awards of Phantom Rights. Subject to the terms of this Plan, the Committee shall determine the terms of Phantom Rights Awards, may in its discretion provide for their settlement in cash, Restricted Shares or other consideration, and may impose different terms and conditions on a Phantom Rights Award than on any other Award made to the same recipient or other Award recipients.

(b) EXERCISE OF PHANTOM RIGHTS. Unless an Award Agreement provides otherwise, Phantom Rights Awards become vested according to the schedule set forth in Section 7(e)(1).

B-9

(c) PAYMENT OF PHANTOM RIGHTS. Upon exercise of a vested Phantom Right, the holder thereof shall be entitled to receive a payment in respect of such Phantom Right calculated using the formula set forth in the Award Agreement (which shall relate to Shares available for Awards under the Plan).

(d) FORFEITURE OF PHANTOM RIGHTS. In making an Award of Phantom Rights, the Committee may impose a requirement that the recipient remain in the employment or service (including service as an advisor or consultant) of the Company or any Parent Corporation or Subsidiary for a specified minimum period of time, or else forfeit all or a portion of such Phantom Rights Right which has not been exercised, whether or not vested. Whether or not vested, a Phantom Rights Award shall expire on the earlier of (a) the expiration of the tandem Option or Restricted Share, if applicable, or (b) the expiration date set forth in the Award Agreement. The Committee shall have authority to determine whether to accelerate the termination of any forfeiture provisions contained in any applicable Award Agreement.

(e) RIGHTS AS STOCKHOLDER; DIVIDENDS. A recipient of a Phantom Rights Award shall have no rights as a stockholder with respect to any Phantom Rights.

12. EFFECT OF CERTAIN CHANGES

(a) If there is any change in the number of shares of Common Stock through the declaration of stock dividends, recapitalization resulting in stock splits, or combinations or exchanges of such shares, then the number of shares of Common Stock available for Awards, the number of such shares covered by outstanding Awards, and the price per Share pertaining to such Awards, shall be proportionately adjusted to reflect any increase or decrease in the number of issued shares of Common Stock; provided, however, that any fractional shares resulting from such adjustment shall be eliminated.

(b) In the event of a proposed dissolution or liquidation of the Company, or in the event of any corporate separation or division, including but not limited to, a split-up, a split-off or spin-off, the Committee may provide that the holder of each Award then exercisable shall have the right to exercise such Award (at its then Exercise Price) solely for the kind and amount of shares of stock and other securities, property, cash or any combination thereof receivable upon such dissolution or liquidation, or corporate separation or division; or the Committee may provide, in the alternative, that each Award granted under the Plan shall terminate as of a date to be fixed by the Committee, provided, however, that no less than thirty (30) days written notice of the date so fixed shall be given to each Participant who shall have the right, during the period of thirty (30) days preceding such termination, to exercise the Award as to all or any part of the shares of Common Stock covered thereby, including shares as to which such Award would not otherwise be exercisable.

(c) If while unexercised or unvested Awards remain outstanding under the Plan (i) the Company executes a definitive agreement to merge or consolidate with or into another corporation or to sell or otherwise dispose of substantially all its assets, or (ii) more than 50% of the Company's then outstanding voting stock is acquired by any person or Group of Persons (any such event being an Accelerating Event), then from and after any later date on which a Participant's service with the Company (including any successor) terminates involuntarily or for Good Reason (any such date being referred to herein as the Acceleration Date), all Awards granted to the Participant shall be exercisable and vested in full, whether or not otherwise exercisable or vested. Following the Acceleration Date, (a) the Committee shall, in the case of a merger, consolidation or sale or disposition of assets, promptly make an appropriate adjustment to the number and class of shares of Common Stock available for Awards, and to the amount and kind of shares or other securities or property receivable upon exercise or vesting of any outstanding Awards after the effective date of such transaction, and the price thereof (if applicable), and (b) the Committee may, in its discretion, permit the cancellation of outstanding Awards in exchange for a cash payment in an amount per share subject to any such Award determined by the Committee in its sole discretion, but not less than the difference between the Fair Market Value per share of Common Stock on the Acceleration Date, and the Exercise Price (if any) pertaining to the Award.

(d) Subsections (a) and (b) of this Section 12 shall not apply to a merger or consolidation in which the Company is the surviving corporation and shares of Common Stock are not converted into or exchanged for stock, securities or any other corporation, cash or any other thing of value. Notwithstanding the preceding sentence, in case of any consolidation or merger of another corporation into the Company in which the Company is the continuing corporation and in which there is a reclassification or change (including a change to the right to receive cash or other property) of the shares of Common Stock (other than a change in par value, or from par value to no par value, or as a result of a subdivision or combination, but including any change in such shares into two or more classes or series of shares), the Committee may provide that the holder of each Option or Stock Appreciation Right then exercisable shall have the right to exercise such Option or Stock Appreciation Right solely for the kind and amount of shares of stock and other securities (including those of any new direct or indirect parent of the Company), property, cash or any combination thereof receivable by the holder of the number of shares of Common Stock for which such Option or Stock Appreciation Right might have been exercised upon such reclassification, change, consolidation or merger.

(e) In the event of a change in the Common Stock as presently constituted, which is limited to a change of all of its authorized shares with par value into the same number of shares with a different par value or without par value, the shares resulting from any such change shall be deemed to be the Common Stock within the meaning of the Plan.

(f) To the extent that the foregoing adjustments relate to stock or securities of the Company, such adjustments shall be made by the Committee, whose determination in that respect shall be final, binding and conclusive, provided that each Option granted pursuant to this Plan and designated an Incentive Stock Option shall not be adjusted in a manner that causes the Option to fail to continue to qualify as an Incentive Stock Option within the meaning of Section 422 of the Code.

(g) Except as hereinbefore expressly provided in this Section 12, a Participant shall have no rights by reason of any subdivision or consolidation of shares of stock of any class or the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class or by reason of any dissolution, liquidation, merger, or consolidation, and any issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number or Exercise Price of shares of Common Stock subject to an Award. The grant of an Award pursuant to the Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge or to consolidate or to dissolve, liquidate or sell, or transfer all or any part of its business or assets.

13. RIGHTS AS A STOCKHOLDER; NONTRANSFERABILITY.

(a) A Participant or a transferee of an Award shall have no rights as a stockholder with respect to any Shares covered by such Award until the date of the issuance of a stock certificate such Participant or transferee for such Shares. No adjustments shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions or other rights for which the record date is prior to the date such stock certificate is issued, except as provided in Section 7(f) or Section 12 hereof.

(b) **NONTRANSFERABILITY OF AWARDS.** Awards granted under the Plan shall not be transferable other than by will or by the laws of descent and distribution, and Options and Stock Appreciation Rights may be exercised, during the lifetime of the Participant, only by the Participant. Notwithstanding the preceding sentence, the Committee, in its sole discretion, may permit the assignment or transfer of Awards (other than Incentive Stock Options except if permitted pursuant to Section 422 of the Code) and the exercise thereof by a person other than a Participant, on such terms and conditions as the Committee may determine.

14. OTHER PROVISIONS.

The Award Agreements authorized under the Plan shall contain such other provisions, including, without limitation, (i) the imposition of restrictions upon the exercise of rights pertaining to an Award and (ii) the inclusion of any condition not inconsistent with an Option designated by the Committee as an Incentive Stock Option qualifying as an Incentive Stock Option, as the Committee shall deem advisable, including provisions with respect to compliance with federal and applicable state securities laws. In furtherance of the foregoing, at the time of any exercise of rights pertaining to an Award, the Committee may, if it shall determine it necessary or desirable for any reason, require the Participant as a condition to the exercise thereof, to deliver to the Committee a written representation of the Participant's present intention to purchase the Common Stock for investment and not for distribution. If such representation is required to be delivered, an appropriate legend may be placed upon each certificate delivered to the Participant upon his exercise of part or all of the rights pertaining to an Award and a stop transfer order may be placed with the transfer agent. Each such Award shall also be subject to the requirement that, if at any time the Committee determines, in its discretion, that either (i) the listing, registration or qualification of Common Stock subject to an Award upon any securities exchange or under any state, federal or foreign law, or (ii) the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the issue or purchase of Common Stock thereunder, the rights pertaining to an Award may not be exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Committee. A Participant shall not have the power to require or oblige the Company to register any Common Stock subject to an Award.

15. AGREEMENT BY PARTICIPANT REGARDING WITHHOLDING TAXES

(a) No later than the date of exercise of any Option or Stock Appreciation Right, or the distribution of Shares to a Participant pursuant to a Restricted Share or Deferred Share Award, the Participant shall pay to the Company or make arrangements satisfactory to the Committee regarding payment of any federal, state or local taxes of any kind required by law to be withheld, and may satisfy minimum withholding consequences through the surrender of shares subject to the Award; and

(b) The Company shall, to the extent permitted or required by law, have the right to deduct from any payment of any kind otherwise due to the Participant any federal, state or local taxes of any kind required by law to be withheld with respect to an Award.

16. TERM OF PLAN

Unless earlier terminated by the Board, Awards may be granted pursuant to the Plan from time to time within a period of ten (10) years from the date until March 26, 2012, on which the date this Plan is adopted by the Board, provided that now will terminate except as to Awards then outstanding. No Award(s) granted under the Plan which relate(s) to the issuance of Shares in excess of the original 2,000,000 Shares approved by the Company's stockholders on May 28, 2002, shall become effective, vested, or exercisable unless and until this amended and restated Plan shall have been approved by the Company's stockholders.

17. SAVINGS CLAUSE

Notwithstanding any other provision hereof, this Plan is intended to qualify as a plan pursuant to which Incentive Stock Options may be issued under Section 422 of the Code. If this Plan or any provision of this Plan shall be held to be invalid or to fail to meet the requirements of Section 422 of the Code or the regulations promulgated thereunder, such invalidity or failure shall not affect the remaining parts of this Plan, but rather it shall be construed and enforced as if the Plan or the affected provision thereof, as the case may be, complied in all respects with the

requirements of Section 422 of the Code.

B-12

18. AMENDMENT AND TERMINATION OF THE PLAN; MODIFICATION OF AWARDS

(a) The Board may at any time and from time to time suspend, terminate, modify or amend the Plan, provided that any amendment that requires stockholder approval under applicable law shall be contingent on such approval. Except as provided in Section 7 or 12 hereof, no suspension, termination, modification or amendment of the Plan may adversely affect any Award previously granted unless the written consent of the Participant is obtained.

(b) *Modification of Awards.* The Committee may modify an Award, provided that no modification to such Award shall materially reduce the participant's rights or materially increase the participant's obligations as determined by the Committee.

19. NONEXCLUSIVITY OF THE PLAN

Neither the adoption of the Plan by the Board nor the submission of the Plan to stockholders of the Company for approval shall be construed as creating any limitations on the power or authority of the Board to adopt such other or additional incentive or other compensation arrangements of whatever nature as the Board may deem necessary or desirable or preclude or limit the continuation of any other plan, practice or arrangement for the payment of compensation or fringe benefits to employees generally, or to any class or group of employees, which the Company or any Subsidiary now has lawfully put into effect, including, without limitation, any retirement, pension, savings and stock purchase plan, insurance, death and disability benefits and executive short-term incentive plans.

20. NATURE OF PAYMENTS

(a) All Awards granted shall be in consideration of services performed for the Company by the Participant, except for inducement Awards, which shall be granted in consideration of a Participant's agreement to perform services for the Company and are subject to revocation in the event that such services are not performed.

(b) All Awards granted shall constitute a special incentive benefit to the Participant and shall not be taken into account in computing the amount of salary or compensation of the Participant for the purpose of determining any benefits under any pension, retirement, profit-sharing, bonus, life insurance or other benefit plan of the Company or under any agreement between the Company and the Participant, unless such plan or agreement specifically otherwise provides.

21. NONUNIFORM DETERMINATIONS

The Committee's determinations under this Plan need not be uniform and may be made by it selectively among persons who receive, or are eligible to receive, Awards (whether or not such persons are similarly situated). Without limiting the generality of the foregoing, the Committee shall be entitled, among other things, to make nonuniform and selective determinations which may, inter alia, reflect the specific terms of individual employment agreements, and to enter into nonuniform and selective Award Agreements, as to the persons to receive Awards and the terms and conditions of Awards.

22. SECTION HEADINGS

The section headings contained herein are for the purpose of convenience only and are not intended to define or limit the contents of said sections.

Adopted, as amended and restated, by the Board of Directors on ~~March 25, 2002~~, _____, 2004.
