**Item 1.01 Entry into a Material Definitive Agreement**

On November 16, 2004, the Compensation Committee of the Board adopted the Agilent Technologies, Inc. 2005 Deferred Compensation Plan, effective as of November 1, 2004 (the Plan), as a continuation of the Agilent Technologies, Inc. Deferred Compensation Plan. The Plan provides executive officers and other eligible highly compensated employees with the opportunity to enter into agreements to defer specified percentages of their cash compensation derived from base salary, bonus awards, and/or from long-term performance plan (LTTP) awards. The plan year is the calendar year. Participants may elect that distribution of deferred amounts be paid in the form of either a lump sum or in annual installments. Distributions occur upon termination of service or upon such other dates that may be elected by the participant in accordance with the terms of the Plan. Deferrals are adjusted for gain or loss based on the performance of one or more investment options selected by the participant from among investment funds chosen by the Compensation Committee. Deferred amounts attributable to LTTP awards are deemed invested in shares of common stock of the Company. Agilent in its sole discretion may suspend or terminate the Plan or revise or amend it in any respect whatsoever; provided, however, that no such action may reduce amounts credited to deferral accounts, and such accounts will continue to be owed to the participants or beneficiaries and will continue to be a liability of Agilent.

On November 16, 2004, the Compensation Committee of the Board adopted the Agilent Technologies, Inc. 2005 Deferred Compensation Plan for Non-Employee Directors (the Director Plan) as a continuation of the Agilent Technologies, Inc. Deferred Compensation Plan for Non-Employee Directors. The Director Plan provides Board members who are not employees of the Company the opportunity to enter into agreements to defer specified percentages or dollar amounts of their cash retainers and/or committee fees. The plan year is the one-year period beginning on March 1 and ending on the next subsequent February 28, or February 29, as the case may be. Deferral accounts are credited solely with shares of common stock of the Company. Participants may elect that distributions of the shares be paid in either a lump sum or in annual installments. Distributions occur upon termination of service or upon such other dates that may be elected by the participant in accordance with the terms of the Director Plan. Agilent in its sole discretion may suspend or terminate the Director Plan or revise or amend it in any respect whatsoever; provided, however, that no such action may reduce amounts credited to deferral accounts, and such accounts will continue to be owed to the participants or beneficiaries and will continue to be a liability of Agilent.
