A form of appointment of proxy is included with this Proxy Statement that provides for you to name George H. Broadrick, Lewis R. Holding, Frank B. Holding, James B. Hylar, Jr., Frank B. Holding, Jr., Lewis T. Nunnelee II, and David L. Ward, Jr. to act as your Proxies and vote your shares at the Annual Meeting. We ask that you sign and date an appointment of proxy and return it to us in the enclosed envelope so that your shares will be represented at the meeting.

If you sign an appointment of proxy and return it to us before the Annual Meeting, the shares of our voting securities you hold of record will be voted by the Proxies according to your instructions. Section 16(a) Beneficial Ownership Reporting Compliance

Our directors and executive officers are required by federal law to file reports with the Securities and Exchange Commission regarding the amounts of and changes in their beneficial ownership of our Class A Common and Class B Common. Based on our review of copies of those reports, our Proxy Statements are required to disclose failures to report shares beneficially owned or changes in beneficial ownership, and failures to timely file required reports, during previous years. During 2004, four reports inadvertently were filed after their due dates, including: one report by H. Lee Durham, our director, covering a purchase of shares; one report by Lewis R. Holding, our Chairman and Chief Executive Officer, covering a sale to four trusts; one report by North State Trustees covering the purchase of a portion of the shares sold by Mr. L. Holding; and the initial report required to be filed by Donald P. Geaslen following his appointment as an executive officer. It also has come to our attention that certain of our directors and principal shareholders neglected to file reports for transactions in prior years, including Mr. L. Holding (one sale to a trust), North State Trustees (the purchase of the shares sold by Mr. L. Holding), and Frank B. Holding (four purchases by one of his related parties). Those transactions were reported promptly after it was discovered that they had been overlooked.

Holding, Jr. serves as a director of Piedmont Natural Gas Company, Inc., Charlotte, NC.

Our Board of Directors recommends that you vote FOR each of the 22 nominees named above. The 22 nominees receiving the highest numbers of votes will be elected.

Director Compensation

Each of our directors serves and is compensated as a director of FCB. FCB's and our Boards meet jointly, and directors do not receive any additional compensation for their services as our directors. Except as described below, during 2004 each director (other than executive officers) received an annual retainer of \$12,000 and a fee of \$600 for attendance at each Board meeting and each meeting of a committee held other than in conjunction with a Board meeting. In addition, H. Lee Durham, Jr., who serves as Chairman of our Audit Committee, received an annual fee of \$25,000 for his services on that Committee. For 2005, the annual retainer paid to our directors will be increased to \$20,000, the fee for attendance at Board and committee meetings will be increased to \$800, and the additional fee for Mr. Durham's service as Audit Committee Chairman will be increased to \$30,000. As executive officers, Lewis R. Holding, Frank B. Holding, James B. Hyler, Jr., and Frank B. Holding, Jr. receive no compensation for their services as directors. In addition to the above fees, certain of our directors receive other compensation from FCB as described below.

Since his retirement from active employment during 1987, George H. Broadrick has received payments of \$4,778 per month under an agreement with FCB under which he agreed to provide consultation services to, and that he will not compete (as defined in the agreement) with, FCB. The agreement expires during 2007.

Charles B. C. Holt, and Joseph T. Maloney, Jr., serve on FCB's local advisory boards in their respective communities and receive a fee of \$125 for attendance at each quarterly advisory board meeting.

Attendance by Directors at Meetings

Board of Directors Meetings. Our Board of Directors met five times during 2004. Each director attended at least 75% of the aggregate number of those meetings and meetings of any committees on which he or she served.

Annual Meetings. Attendance by our directors at Annual Meetings gives directors an opportunity to meet, talk with and hear the concerns of shareholders who attend those meetings, and it gives those shareholders access to our directors that they may not have at any other time during the year. Our Board of Directors recognizes that directors have their own business interests and are not our full-time employees, and that it is not always possible for them to attend Annual Meetings. However, our Board's policy is that attendance by directors at our Annual Meetings is beneficial to us and to our shareholders and that our directors are strongly encouraged to attend each Annual Meeting whenever possible. All of our directors then in office attended our last Annual Meeting which was held during April 2004.

Committees

Our Board of Directors has several standing committees, including an Audit Committee, a Nominating Committee and a Compensation Committee which are described below.

Audit Committee

Function. The Audit Committee acts under a written charter that was reapproved by our Board of Directors during January 2005. Under its charter, the Committee, among other things, appoints our independent accountants each year and approves the compensation and terms of engagement of our accountants, approves services proposed to be provided by the independent accountants, and monitors and oversees the quality and integrity of our accounting process and systems of internal controls. The Committee reviews various reports by our independent accountants (including its annual report on our audited consolidated financial statements) and reports of examinations by our regulatory agencies, and it generally oversees our internal audit program. At least quarterly the Committee reviews reports on the work of FCB's Audit, Corporate Finance and Commercial Credit Administration Departments. FCB's General Auditor reports directly to the Committee as to all internal audit matters. He reports to FCB's Chief Operating Officer as to all administrative matters. A copy of the Audit Committee's charter was attached as an Appendix to the Proxy Statement we distributed last year in connection with our 2004 Annual Meeting. The Committee met eight times during 2004.

Members. The current members of the Audit Committee are H. Lee Durham, Jr. Chairman, John M. Alexander, Jr., H. M. Craig III, and Charles B. C. Holt. We believe that each member of the Committee is an independent director as that term is defined by the listing standards of The Nasdaq Stock Market, and our Board of Directors believes that Mr. Durham is an audit committee financial expert as that term is defined by rules of the Securities and Exchange Commission.

Audit Committee Report. Our management is responsible for our financial reporting process, including our system of internal controls and disclosure controls and procedures, and for the preparation of our consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. Our independent accountants are responsible for auditing those financial statements. The Audit Committee oversees and reviews those processes. In connection with the preparation and audit of our consolidated financial statements for 2004, the Audit Committee has:

- reviewed our audited consolidated financial statements for 2004 and discussed them with management;
- discussed with our independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, as amended;
- received written disclosures and a letter from our independent accountants required by Independence Standards Board Standard No. 1; and
- discussed the independence of our independent accountants with the accountants.

Based on the above reviews and discussions, the Committee recommended to our Board of Directors that the audited consolidated financial statements be included in our 2004 Annual Report on Form 10-K as filed with the Securities and Exchange Commission.

The Audit Committee:

Nominations Committee

Function. During 2004, our Board of Directors established a Nominations Committee that acts under a written charter approved by the Board. Under the Committee's charter, and among other duties and responsibilities assigned from time to time by the Board, the Committee recommends candidates to the Board for selection as nominees for election as directors at our Annual Meetings and for appointment to fill vacancies on the Board. A copy of the Nominations Committee's charter was attached as an Appendix to the Proxy Statement we distributed last year in connection with our 2004 Annual Meeting. The Committee did not meet during 2004.

The Committee's charter provides that it will seek to recommend individuals who have high personal and professional integrity, who demonstrate ability and judgment, and who, with other members of the Board, will be effective in collectively serving the long-term interests of our shareholders. Candidates also must satisfy applicable requirements of state and federal banking regulators, and the Committee may develop other criteria or minimum qualifications for use in identifying and evaluating candidates. In identifying candidates to be recommended to the Board of Directors, the Committee will consider candidates recommended by shareholders. Shareholders who wish to recommend candidates to

the Committee should send their recommendations in writing to:

Nominations Committee

First Citizens BancShares, Inc.

Attention: Corporate Secretary

Post Office Box 27131

Raleigh, North Carolina 27611

Each recommendation should be accompanied by the following:

- the full name, address and telephone number of the person making the recommendation, and a statement that the person making the recommendation is a shareholder of record (or, if the person is a beneficial owner of our shares but not a record holder, a statement from the record holder of the shares verifying the number of shares beneficially owned), and a statement as to whether the person making the recommendation has a good faith intention to continue to hold those shares through the date of our next Annual Meeting;
- the full name, address and telephone number of the candidate being recommended, information regarding the candidate's beneficial ownership of our equity securities and any business or personal relationship between the candidate and the person making the recommendation, and an explanation of the value or benefit that the person making the recommendation believes that the candidate would provide as a director;
- a statement signed by the candidate that he or she is aware of and consents to being recommended to the Committee and will provide information that the Committee may request in connection with its evaluation of candidates;
- a description of the candidate's current principal occupation, business or professional experience, previous employment history, educational background, and any areas of particular expertise;
- information regarding any business or personal relationships between the candidate and any of our or the Banks' customers, suppliers, vendors, competitors, directors or officers, affiliated companies, or other persons with any special interest regarding our company or our affiliated companies, and any transactions between the candidate and our company or any of our affiliated companies; and
- any information in addition to the above regarding the candidate that would be required to be included in our proxy statement pursuant to the SEC's Regulation 14A (including without limitation information regarding legal proceedings in which the candidate has been involved within the past five years).

In order to be considered by the Committee in connection with its recommendations of candidates for selection as nominees for election at an Annual Meeting, a shareholder's recommendation must be received by the Committee not later than the 120th day prior to the first anniversary of the date that our proxy statement was first mailed to our shareholders in conjunction with our preceding year's Annual Meeting. Recommendations submitted by shareholders other than in accordance with these procedures will not be considered by the Committee.

The Committee will evaluate candidates recommended by shareholders in a manner similar to its evaluation of other candidates. The Committee will select candidates to be recommended to the Board of Directors each year based on its assessment of, among other things, (1) candidates' business, life and educational background and experience, community leadership, independence, geographic location within the Banks' service area, and their other qualifications, attributes and potential contributions; (2) the past and future contributions of our current directors, and the value of continuity, diversity and prior Board experience; (3) the existence of one or more vacancies on the Board; (4) the need for a director possessing particular attributes or particular experience or expertise; (5) the role of directors in the Banks' business development activities; and (6) other factors that it considers relevant, including any specific qualifications the Committee adopts from time to time.

Members. The current members of the Nominations Committee are R. C. Soles, Jr. Chairman, Joseph T. Maloney, Jr. and Robert T. Newcomb. We believe that each member of the Committee is an independent director as that term is defined by the listing standards of The Nasdaq Stock Market.

Compensation Committee

Function. FCB s and our Boards of Directors have established a joint Compensation Committee that acts under a written charter approved by both Boards. Under the Committee s charter, and among other duties and responsibilities assigned from time to time by the Boards, the Committee makes recommendations to FCB s, IronStone s and our Boards of Directors with respect to the compensation paid or provided to our Chief Executive Officer and to other persons considered to be our executive officers. After receipt of recommendations from the Committee, the Boards of Directors make all final decisions regarding executive compensation matters. The Committee met three times during 2004.

Members. The current members of the Compensation Committee are Freeman R. Jones Chairman, Lewis M. Fetterman, and Lewis T. Nunnelee II. We believe that each member of the Committee is an independent director as that term is defined by the listing standards of The Nasdaq Stock Market.

Compensation Committee Report on Executive Compensation. Our executive officers serve as officers and employees of and are compensated by the Banks, and they receive no separate compensation from us. The Banks' goal is to provide compensation that will enable them to attract and retain qualified and motivated individuals as executive officers. Currently, the Banks' executive compensation program includes primarily base salary and discretionary bonuses based upon merit or other factors. We do not maintain any equity-based or long-term incentive compensation plans. However, the Banks provide retirement and other employee benefit and welfare plans (including a qualified defined benefit pension plan and a Section 401(k) salary deferral plan) customary for companies of our size, and they are parties to post-retirement consulting agreements with certain of their executive officers that provide for payments to the officers following their retirement.

For 2004, the Compensation Committee reviewed compensation, including personal benefits, being paid or provided to the Banks' Chief Executive Officer, Lewis R. Holding, and other executive officers named in the Summary Compensation Table below, and the Committee made recommendations to the Banks' Boards of Directors regarding the amounts of the 2004 base salaries of those officers, as well as the maximum aggregate amount for 2004 merit increases in the base salaries of the Banks' other officers and employees. The Committee also reviewed and recommended to the Board approval of special cash bonuses to Mr. L. Holding and two other named executive officers as reimbursement, adjusted for income taxes, for club assessments during 2004. The Committee's recommendations of the officers' base salary increases were based on its evaluation of their individual levels of responsibility and performance and, in the case of Lewis R. Holding, his current leadership, direction, and historical importance in the development and growth of the Banks. The Committee's recommendation of the special cash bonuses was based on FCB's policy of reimbursing certain of our executive officers for club initiation fees and assessments. The amounts of contributions to the separate accounts of executive officers under FCB's 401(k) plan were determined solely by the terms of that plan. The Banks' Boards of Directors made final decisions regarding compensation of the named executive officers for 2004. With respect to the salaries of other executive officers, the Vice Chairman, with the consent of the Chairman, was directed by the Board to set 2004 salaries on an individual merit basis.

For 2004, base salary paid to Lewis R. Holding and each other named officer increased by approximately 2% over his 2003 amount. The performance of the Chief Executive Officer and other named executive officers, and the Banks' financial performance, were considered by the Committee in connection with its recommendations regarding compensation for 2004. However, that process largely is subjective and there are no specific formulae, objective criteria or other such mechanisms by which the salary or other compensation of executive officers (including the Chief Executive Officer and other named executive officers) is tied empirically to their individual performance or to the Banks' financial performance.

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the deductibility of annual compensation in excess of \$1,000,000 paid to certain executive officers of public corporations. As none of our executive officers receive annual compensation approaching that amount, our Board of Directors has not adopted a policy with respect to Section 162(m).

The Compensation Committee:

- (1) Includes amounts of salary deferred at each officer's election under our Section 401(k) plan. The Banks permit all employees, at the beginning of each year, to sell up to one week of their paid leave time to the Bank. Amounts in the table also include additional salary paid to certain of the named officers under that program as follows: Mr. Hyler \$11,862; Mr. F. Holding, Jr. \$6,533; and Mr. Parker \$6,177.
- (2) As described under the caption Transactions with Related Parties, FCB is reimbursed for portions of Mr. F. Holding's salary by First Citizens Bank and Trust Company, Inc., Columbia, South Carolina, and Southern Bank and Trust Company, Mount Olive, North Carolina, pursuant to separate agreements between FCB and those entities.
- (3) Reflects cash payments made to each officer as reimbursement for club assessments during 2004, together with applicable income taxes.
- (4) In addition to compensation paid in cash, the Banks and our executive officers receive various personal benefits. Except as described below, the value of those non-cash benefits received each year by each named officer did not exceed the lesser of \$50,000 or 10% of his cash compensation for that year, and the amounts of those benefits are not shown in the Summary Compensation Table. The amounts shown for Mr. L. Holding includes portions of the salaries and benefits of staff personnel that we attribute to their services related to Mr.

Holding's personal business (\$46,933 for 2004, \$33,066 for 2003, and \$40,318 for 2002), the rental value of warehouse space owned by FCB that was used by Mr. Holding (\$12,000 for 2004, \$12,000 for 2003, and \$18,000 for 2002), and other miscellaneous items (\$5,000 for 2004, \$15,209 for 2003, and \$5,000 for 2002). Those amounts were included in Mr. Holding's taxable income for each of those years. During 2004, FCB paid approximately \$165,000 in costs associated with the installation of a security system, with back-up power generator, in a new residence then being constructed by Mr. L. Holding in Lewisburg, West Virginia. He reimbursed FCB \$165,000 for those costs pending a study by our Board of an overall policy regarding the provision of security systems for our senior executives as part of our risk management program.

During 2005, the Board has concluded that the safety of our key executive officers is a business concern, and it has approved a policy under which FCB will provide security systems in those executives' homes. We expect that, during 2005, FCB will reimburse Mr. L. Holding for the cost of the above system and install new or upgraded systems in the residences of certain of our other officers listed in the Summary Compensation Table. The amounts of expenditures under that policy will not be reflected as perquisites or other personal benefits to those officers in the Summary Compensation Tables in future years. The security systems installed at FCB's expense will be assets of FCB and will be depreciated over their expected lives of 5 to 7 years. If a residence in which an FCB-owned system is sold or otherwise transferred, or the executive officer ceases to be employed by FCB, or to serve in the same or a similar key executive role with FCB, then FCB will be paid for the remaining undepreciated cost of that system. The new policy will require that each key executive officer (Messrs. L. Holding, F. Holding, Hyler, F. Holding, Jr.) have a security system connected to and monitored by FCB's security network. We project that FCB's annual depreciation expense related to all these new or upgraded security systems will amount to an aggregate of approximately \$50,000 and that annual service and maintenance costs will be approximately \$10,000.

- (5) The 2004 amounts consist entirely of matching contributions on behalf of each named officer under our Section 401(k) plan. We also provide the named executive officers with certain group life, health, medical and other insurance coverages that are generally available to all salaried employees and that are not included in the Summary Compensation Table.

Pension Plan. The following table shows, for various numbers of years of service and levels of compensation, the estimated benefits payable to a participant at normal retirement age under our qualified defined benefit pension plan (the Pension Plan) based on federal tax laws currently in effect.

Benefits shown in the table are computed as straight life annuities beginning at age 65 and are not subject to a deduction for Social Security benefits or any other offset amount. Those benefits will be actuarially increased or decreased if benefit payments begin after or before age 65. A participant's annual compensation covered by the Pension Plan includes base salary, overtime and regular bonuses. A participant's benefits are based on his or her years of service and final average compensation, which is the participant's highest average covered compensation for any five consecutive years during his or her last ten complete calendar years as a Pension Plan participant. However, under current tax laws, \$210,000 is the maximum amount of annual compensation for 2005 that can be included for purposes of calculating a participant's final average compensation, and the maximum annual benefit that may be paid to a retiring participant generally is \$170,000. In the case of participants who begin receiving benefits before or after age 65, the maximum permitted benefit amount is actuarially adjusted. The maximum years of credited service that may be counted in calculating benefits under the Pension Plan is 40 years or, in the case of participants hired after January 1, 2005, 35 years.

The credited years of service and final average compensation, respectively, as of January 1, 2005, for each of the executive officers named in the Summary Compensation Table above are as follows: Mr. L. Holding 40 years and \$209,224; Mr. F. Holding 40 years and \$209,224; Mr. Hyler 25 years and \$189,000; Mr. F. Holding, Jr. 21 years and

\$189,000; and Mr. Parker 38 years and \$189,000. Mr. L. Holding and Mr. F. Holding each remain actively employed by FCB. However, because they each beneficially own more than 5% of our voting securities, federal law required that they begin receiving distributions from the Pension Plan and our Section 401(k) plan after they reached age 70½.

Post-Retirement Consulting Agreements. The Banks are parties to separate agreements with certain of their senior officers under which they have agreed to make monthly payments to the officers for a period of ten years following their retirement at age 65 or at another age agreed upon between them and an officer. In return for those payments, each officer has agreed to provide limited consultation services to, and not to compete (as defined in the agreements) against, the Banks during the payment period. If an officer dies prior to retirement, or during the payment period following retirement, the payments due under his or her agreement will be paid to the officer's designated beneficiary or estate. The amounts of monthly payments provided for in the agreements currently in effect between the Banks and each of the executive officers named in the Summary Compensation Table above are as follows: Mr. L. Holding \$27,904; Mr. F. Holding \$27,904; Mr. Hyler \$22,155; Mr. F. Holding, Jr. \$12,366; and Mr. Parker \$11,497. None of those officers have begun receiving payments under their agreements.

Transactions with Related Parties

The Banks have had, and expect to have in the future, banking transactions in the ordinary course of their business with certain of their and our current directors, nominees for director, executive officers, principal shareholders, and their associates. All loans included in those transactions during 2004 were made on substantially the same terms, including

interest rates, repayment terms and collateral, as those prevailing at the time the loans were made for comparable transactions with other persons, and those loans did not involve more than the normal risk of collectibility or present other unfavorable features.

FCB is party to separate contracts (the Services Contracts) with First Citizens Bank and Trust Company, Inc., Columbia, South Carolina (FCB/SC), Southern Bank and Trust Company, Mount Olive, North Carolina (Southern), The Fidelity Bank, Fuquay-Varina, North Carolina (Fidelity), and The Heritage Bank, Lucama, North Carolina (Heritage). Under the Services Contracts, FCB provides to each of those banks and their parent holding companies various services, including data and item processing services, securities portfolio management services, courier services, management consulting services (including, in the case of FCB/SC and Southern, the services of Frank B. Holding as director), and services as trustee for Southern's, Fidelity's and Heritage's pension and Section 401(k) plans. Aggregate fees billed by FCB for all those services during 2004 totaled approximately \$14,100,000 for FCB/SC, \$4,100,000 for Southern, \$4,100,000 for Fidelity, and \$930,000 for Heritage. Of the amounts billed to FCB/SC and Southern, \$116,186 and \$94,394, respectively, represented reimbursement to FCB for a portion of Mr. F. Holding's salary paid by FCB. Mr. F. Holding receives no salary, directors' fees, or other compensation directly from FCB/SC or Southern for the services he renders to them. Mr. F. Holding and Lewis R. Holding, who are our directors, executive officers, and principal shareholders, also are principal shareholders of the parent holding companies of FCB/SC, Southern and Fidelity, and Mr. F. Holding also is a director of FCB/SC and Southern and a principal shareholder of Heritage's parent holding company.

Our and FCB's President, Frank B. Holding, Jr., and Hope Holding Connell, FCB's Executive Vice President and Business Banking Segment Manager, are siblings and are the son and daughter of our director and executive officer, Frank B. Holding, and the nephew and niece of our Chairman, Lewis R. Holding. Mr. Holding, Jr.'s compensation is described in the Summary Compensation Table above. Ms. Connell's total 2004 cash compensation was \$179,068.

David L. Ward, Jr., one of our directors, is the senior member of Ward and Smith, P.A., the law firm that serves as our General Counsel and provides legal services to us, FCB and IronStone. An aggregate of \$5.3 million (which includes expenses and reimbursement for advances made by that firm on our behalf, including advances to pay fees charged by other law firms and experts that provided services on our behalf) was paid to that firm by us and all of our subsidiaries during 2004, and the firm will continue to provide legal services to us during 2005.

Robert T. Newcomb, one of our directors, is President of Newcomb and Company, a mechanical contracting firm. During 2004, that firm provided services as a subcontractor in connection with the construction or renovation of, or other services related to, certain of FCB's banking offices. The aggregate amount received by Mr. Newcomb's company for those services was \$94,929.

INDEPENDENT PUBLIC ACCOUNTANTS

Appointment of Independent Accountants

Our Audit Committee's charter gives it the responsibility and authority to select and appoint our independent accountants each year and to approve the compensation and terms of the engagement of our accountants. The Committee has selected our current independent accounting firm, Dixon Hughes PLLC, to serve as our independent accountants for 2005. Representatives of Dixon Hughes PLLC are expected to attend the Annual Meeting and be available to answer appropriate questions, and they will have an opportunity to make a statement if they desire to do so.

Dixon Hughes PLLC was appointed by our Audit Committee to serve as our independent accountants on August 4, 2004, and has audited our 2004 consolidated financial statements. It replaced KPMG LLP which audited our financial statements for 2002 and 2003 and had served as our independent accountants since 1991. In connection with KPMG LLP's audits during the two fiscal years ended December 31, 2002 and 2003, and

Edgar Filing: FIRST CITIZENS BANCSHARES INC /DE/ - Form DEF 14A

through the date of the Committee's action dismissing KPMG LLP, there were no disagreements with KPMG LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to KPMG LLP's satisfaction, would have caused it to make reference to the subject matter of the disagreement in connection with its reports on our financial statements.

KPMG LLP's audit reports on our consolidated financial statements as of and for the years ended December 31, 2002 and 2003, did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles, except that its report on our consolidated financial statements as of and for the years ended December 31, 2002 and 2003, contained a separate paragraph stating that, As discussed in Note 1 to

the consolidated financial statements, effective January 1, 2002, the Company adopted the provisions of Statement of Financial Accounting Standards No. 142, *Goodwill and Other Intangible Assets*, and Statement of Financial Accounting Standards, No. 147, *Acquisitions of Certain Financial Institutions*.

During 2002 and 2003, and through the date of the Committee's action dismissing KPMG LLP, there were no reportable events requiring disclosure pursuant to Item 304(a)(1)(v) of the Securities and Exchange Commission's Regulation S-K or any consultations with Dixon Hughes PLLC of a type requiring disclosure pursuant to Item 304(a)(2) of Regulation S-K.

Services and Fees During 2004

Except as described below, under its current procedures our Audit Committee specifically pre-approves all audit services and other services provided by our accountants. Since it is difficult to determine in advance the exact nature and extent of the tax services or advice we will need during the year, the Committee authorizes our management to obtain tax services from our accountants from time to time during the year up to specified aggregate amounts of fees set by the Committee by category of service. Requests for advice in addition to those amounts require further Committee approval. The entire Audit Committee generally participates in the pre-approval of services. However, in the case of proposals that arise during the year to obtain non-audit services from our accountants beyond what has been pre-approved by the Committee, the Committee delegates authority to its Chairman to approve those additional services on behalf of the Committee. Any such action by the Chairman is to be communicated to the full Committee at its next regularly scheduled meeting.

As our independent accountants, Dixon Hughes PLLC provided us with various audit and other professional services for 2004 for which we and our subsidiaries were billed, or expect to be billed, for fees as further described below. Our Audit Committee considers whether the provision of non-audit services by our independent accounting firm is compatible with maintaining its independence. The Committee believes that the provision of non-audit services by Dixon Hughes PLLC does not affect its independence.

Audit Fees. For 2004, Dixon Hughes PLLC audited our consolidated financial statements included in our Annual Report on Form 10-K, reviewed our condensed interim consolidated financial statements included in our September 30, 2004 Quarterly Report on Form 10-Q, and provided various other audit services. We expect that Dixon Hughes PLLC's fees for 2004 audit services will amount to an aggregate of \$525,000.

Audit Related Fees. During 2004 Dixon Hughes PLLC provided us with various audit-related services consisting of audits of nine common trust funds maintained by FCB and two SAS 70 third-party review reports. We expect that its fees for those services will amount to an aggregate of \$168,500.

Tax Fees. Dixon Hughes PLLC did not provide us with or bill us for any tax-related services following its engagement as our independent accountants. Prior to that time, the firm provided us with tax services consisting of the preparation of final tax returns for a bank that we acquired during 2003 and for which it previously had served as independent accountants and prepared tax returns, and for assistance with other general tax matters. We paid Dixon Hughes PLLC an aggregate of \$10,500 for those services.

All Other Fees. Dixon Hughes PLLC did not provide us with or bill us for any other services during 2004.

PROPOSALS FOR 2006 ANNUAL MEETING

Any proposal of a shareholder that is intended to be presented for action at our 2006 Annual Meeting must be received by us in writing at our main office in Raleigh, North Carolina, no later than November 18, 2005, to be considered timely received for inclusion in the Proxy Statement and form of appointment of proxy that we will distribute in connection with that meeting. In order to be included in our proxy materials for a particular meeting, the person submitting the proposal must own, beneficially or of record, at least 1% or \$2,000 in market value of shares of our stock entitled to be voted on that proposal at the meeting and must have held those shares for a period of at least one year and continue to hold them through the date of the meeting. Also, the proposal and the shareholder submitting it must comply with certain other eligibility and procedural requirements contained in rules of the Securities and Exchange Commission.

Under our Bylaws, written notice of a shareholder proposal intended to be presented at our 2006 Annual Meeting but which is not intended to be included in our Proxy Statement and form of appointment of proxy, or of a shareholder's intent to nominate a person for election as a director at our 2006 Annual Meeting, must be received by us at our main office in Raleigh, North Carolina, no earlier than December 18, 2005, and no later than February 1, 2006, in order for that proposal or nomination to be brought before that Annual Meeting. The same notice requirements apply in the case of a shareholder proposal other than a nomination in order for that proposal to be considered timely received for purposes of the Proxies' discretionary authority to vote on other matters presented for action by shareholders at our 2006 Annual Meeting. However, if, following our 2005 Annual Meeting, our Board of Directors increases the number of our directors, thereby creating an unfilled vacancy that will be filled at our 2006 Annual Meeting, and if there is no public announcement naming the nominee to fill the vacancy at least 100 days prior to the first anniversary of our 2005 Annual Meeting, then a shareholder's written notice of a nomination to fill the vacancy will be treated as timely if it is received by us not later than the close of business on the tenth day following the day on which our public notice actually is given. To be effective, notices of shareholder proposals or nominations are required to contain certain information specified in our Bylaws. Shareholder proposals or nominations not made as provided in our Bylaws will not be considered at Annual Meetings.
