KFORCE INC.

Who We Are

We are a national provider of professional and technical specialty staffing services. Kforce Inc. (Kforce) was formed in August 1994 as a result of the combination of Romac & Associates, Inc. and three of its largest franchises. Following an Initial Public Offering in August 1995, Kforce grew to 31 offices in 18 major markets. On April 20, 1998, Kforce consummated a merger whereby Source Services Corporation, was merged into Kforce. On June 7, 2004, we completed a transaction whereby Hall, Kinion and Associates, Inc. was merged into Kforce. At March 1, 2005, we operated 82 field offices in 45 markets and we currently provide services in 45 states through these offices or from our headquarters in Tampa, Florida. The Firm currently has no operations outside the United States. We provide our clients staffing services through three business segments: Technology, Finance and Accounting, and Health and Life Sciences. Substantially all Technology and Finance and Accounting services are sold and delivered through our field offices. The Health and Life Sciences segment includes our Clinical Research (formerly Pharmaceutical), Scientific, Healthcare-Nursing and Healthcare-Non Nursing specialties. The sales and delivery functions of substantial portions of Health and Life Sciences, particularly Clinical Research and Healthcare-Non Nursing, are concentrated in our headquarters, with services being provided for certain clients through our field offices. Our headquarters provides support services to our field offices in areas such as human resources, nationwide recruiting, training, and national sales initiatives, in addition to the traditional back office support services such as payroll, billing, accounting, legal, tax, data processing and marketing, which are highly centralized.

Kforce is focused on providing staffing services to our clients. Our staffing services include Flexible Staffing Services (Flex) and Search Services (Search). Kforce anticipates continued growth which may be either organic or through acquisition of other entities that enhance or expand our existing businesses. We believe that we are positioned to acquire and integrate other businesses that are strategically beneficial. Acquisitions entail significant risks which are described below.

Flex

Through Flex, we provide clients with qualified individuals (consultants) on a temporary basis with the appropriate skills and experience, when it is determined it is the right match . To be successful, our employees (associates) endeavor to (1) understand the clients needs, (2) determine and understand the capabilities of the consultants being recruited, and (3) deliver and manage the

Table of Contents

client-consultant relationship to the satisfaction of both the clients and the consultants. Typically, the better job Kforce and our consultants do, the longer the assignments last and the more often those clients turn to Kforce for additional needs.

The Flex business comprised 93.7% of our revenues for the year ended December 31, 2004. Flex revenues are driven by hours billed and billing rates. Flex gross profit is determined by deducting consultant pay, benefits and other related costs from Flex revenues. Flex associate commissions, related taxes and other compensation and benefits as well as field management compensation are included in selling, general and administrative expenses along with administrative and corporate employee compensation. The Flex business model involves attempting to maximize consultant hours and billing rates, while optimizing consultant pay rates and benefit costs and commissions and other compensation and benefits for associates, as well as minimizing operating costs necessary to effectively support such activities.

Search

The Search business is a smaller, yet important part of our business that involves locating permanent employees for our clients. We primarily perform searches on a contingency basis, with fees being earned only if personnel are hired by our clients. Fees are typically structured as a percentage of the placed individual's first-year annual compensation. We recruit permanent employees from our Flex consultant population, from the job boards, and from candidates we identify who are currently employed and not actively seeking another position. Sometimes consultants initially work with clients on a Flex basis and then later are converted into permanent employees, for which we also receive Search fees. There can be no assurance or expectation that Search revenues will increase if economic conditions improve, as has been the case in previous economic cycles. Clients and recruits are often targets for both Flex and Search services, and this common focus contributes to our objective of providing integrated solutions for all of our clients' human capital needs.

Search revenues are driven by placements made and the rates billed. There are no consultant payroll costs associated with the placement and thus all search revenue generally increases gross profit by a like amount. Search associate commissions, compensation and benefits are also included in selling, general and administrative expenses. Search revenues comprised 6.3% of revenue in 2004.

- (1) We do not know when or in what amounts a selling shareholder may offer shares for sale. The selling shareholders might not sell any or all of the shares offered by this prospectus. Because the selling shareholders may offer all or some of the shares pursuant to this offering, and because there are currently no agreements, arrangements or understandings with respect to the sale of any of the shares, we cannot estimate the number of the shares that will be held by the selling shareholders after completion of the offering. However, for purposes of this table, we have assumed that, after completion of the offering, none of the shares covered by this prospectus will be held by the selling shareholders.

None of the selling shareholders listed above has, or within the past three years has had, any position, office or other material relationship with us or any of our predecessors or affiliates.

PLAN OF DISTRIBUTION

The shares covered by this prospectus may be offered and sold from time to time by the selling shareholders. The term selling shareholders includes donees, pledgees, transferees or other successors-in-interest selling shares received after the date of this prospectus from a selling shareholder as a gift, pledge, partnership distribution or other non-sale related transfer. The selling shareholders will act independently of us in making decisions with respect to the timing, manner and size of each sale. Such sales may be made on one or more exchanges or in the over-the-counter market or otherwise, at prices and under terms then prevailing or at prices related to the then current market price or in negotiated transactions. The selling shareholders may sell their shares by one or more of, or a combination of, the following methods:

purchases by a broker-dealer as principal and resale by such broker-dealer for its own account pursuant to this prospectus;

ordinary brokerage transactions and transactions in which the broker solicits purchasers;

block trades in which the broker-dealer so engaged will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

an over-the-counter distribution in accordance with the rules of the NASDAQ National Market;

in privately negotiated transactions; and

in options transactions.

In addition, any shares that qualify for sale pursuant to Rule 144 may be sold under Rule 144 rather than pursuant to this prospectus.

In connection with distributions of the shares or otherwise, the selling shareholders may enter into hedging transactions with broker-dealers or other financial institutions. In connection with such transactions, broker-dealers or other financial institutions may engage in short sales of the common stock in the course of hedging the positions they assume with selling shareholders. The selling shareholders may also sell the common stock short and redeliver the shares to close out such short positions. The selling shareholders may also enter into option or other transactions with broker-dealers or other financial institutions which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). The selling shareholders may also pledge shares to a broker-dealer or other financial institution, and, upon a default, such broker-dealer or other financial institution, may effect sales of the pledged shares pursuant to this prospectus (as supplemented or amended to reflect such transaction).

In effecting sales, broker-dealers or agents engaged by the selling shareholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling shareholders in amounts to be negotiated immediately prior to the sale.

Edgar Filing: KFORCE INC - Form S-3

In offering the shares covered by this prospectus, the selling shareholders and any broker-dealers who execute sales for the selling shareholders may be deemed to be underwriters within the meaning of the Securities Act of 1933 in connection with such sales. Any profits realized by the selling shareholders and the compensation of any broker-dealer may be deemed to be underwriting discounts and commissions.

Table of Contents

In order to comply with the securities laws of some states, if applicable, the shares must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, some states may restrict the selling shareholders from selling their shares unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

We have advised the selling shareholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling shareholders and their affiliates. In addition, we will make copies of this prospectus available to the selling shareholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling shareholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

At the time a particular offer of shares is made, if required, a prospectus supplement will be distributed that will set forth the number of shares being offered and the terms of the offering, including the name of any underwriter, dealer or agent, the purchase price paid by any underwriter, any discount, commission and other item constituting compensation, any discount, commission or concession allowed or reallocated or paid to any dealer, and the proposed selling price to the public. To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution.

We have agreed to indemnify the selling shareholders against certain liabilities, including certain liabilities under the Securities Act.

We have agreed with the selling shareholders to keep the Registration Statement of which this prospectus constitutes a part effective until the earlier of (i) the date when all shares covered by the Registration Statement have been sold; (ii) the date on which all shares covered by the Registration Statement may be sold without registration pursuant to Rule 144(k) of the Securities Act; or (iii) the second anniversary of the date the Registration Statement is declared effective.

Item 15. Indemnification of Directors and Officers.

The Registrant is a Florida corporation. The Florida Business Corporation Act, as amended (the Florida Act), provides that, in general, a business corporation may indemnify any person who is or was a party to any proceeding (other than an action by, or in the right of, the corporation) by reason of the fact that he is or was a director or officer of the corporation, against liability incurred in connection with such proceeding, including any appeal thereof, provided certain standards are met, including that such officer or director acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, and provided further that, with respect to any criminal action or proceeding, the officer or director had no reasonable cause to believe his conduct was unlawful. In the case of proceedings by or in the right of the corporation, the Florida Act provides that, in general, a corporation may indemnify any person who was or is a party to any such proceeding by reason of the fact that he is or was a director or officer of the corporation against expenses and amounts paid in settlement actually and reasonably incurred in connection with the defense or settlement of such proceedings, including any appeal thereof, provided that such person acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification shall be made in respect of any claim as to which such person is adjudged liable unless a court of competent jurisdiction determines upon application that such person is fairly and reasonably entitled to indemnity. (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by Kforce pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of Kforce's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to its articles of incorporation, bylaws, by agreement or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the

payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
