PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON JULY 14, 2005

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy is solicited on behalf of the Board of Directors of Embarcadero Technologies, Inc., a Delaware corporation (the *Company*), for use at the annual meeting of stockholders of the Company to be held on July 14, 2005 at 2:00 p.m. local time, or at any adjournment or postponement of the meeting, for the purposes set forth in this Proxy Statement and in the accompanying Notice of Annual Meeting. The annual meeting will be held at the Company's offices at 100 California Street, 12th floor, San Francisco, California 94111. The Company's telephone number is (415) 834-3131.

These proxy solicitation materials, together with the Company's 2004 Annual Report, are being mailed on or about June 1, 2005 to all stockholders of record on May 25, 2005.

Record Date

Stockholders of record at the close of business on May 25, 2005 (the *Record Date*) are entitled to notice of, and to vote at, the meeting. Stockholders who hold shares of the Company in street name may vote at the annual meeting only if they hold a valid proxy from their broker. At the Record Date, approximately 26,342,384 shares of the Company's common stock were issued and outstanding.

Voting and Solicitation

Holders of the Company's common stock are entitled to one vote for each share held as of the record date. Stockholders do not have cumulative voting rights. Stockholders may vote their shares by using the proxy card enclosed with this Proxy Statement. All proxy cards received by the Company which are properly signed and have not been revoked will be voted in accordance with the instructions contained in the proxy cards.

Edgar Filing: EMBARCADERO TECHNOLOGIES INC - Form DEF 14A

If a signed proxy card is received which does not specify a vote or an abstention, the shares represented by that proxy card will be voted:

for the nominees to the Board of Directors listed on the proxy card and in this Proxy Statement; and

for the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005.

The Company is not aware, as of the date hereof, of any matters to be voted upon at the annual meeting other than those stated in this Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders. If any other matters are properly brought before the annual meeting, the enclosed proxy card gives discretionary authority to the persons named as proxies to vote the shares represented by the proxy card in their discretion.

Solicitation of proxies may be made by directors, officers and other employees of the Company by personal interview, telephone, facsimile or other method. No additional compensation will be paid for such services. Costs of solicitation, including preparation, assembly, printing and mailing of this Proxy Statement, the proxy and any other information furnished to the stockholders, will be borne by the Company. The Company may reimburse the

reasonable charges and expenses of brokerage houses or other nominees or fiduciaries for forwarding proxy materials to, and obtaining authority to execute proxies from, beneficial owners for whose account they hold shares of common stock.

Quorum, Abstentions, and Broker Non-Votes

In order to constitute a quorum for conduct of business at the annual meeting, a majority of shares of common stock outstanding on the Record Date must be present in person or represented by proxy at the annual meeting. Stockholders of record who are present at the meeting in person or by proxy and who abstain from voting, including brokers holding customers' shares of record who cause abstentions to be recorded at the meeting, will be included in the number of stockholders present at the meeting for purposes of determining whether a quorum is present.

If a quorum exists at the meeting:

the nominees for director who receive the plurality of votes cast will be elected to the Board of Directors; and

the proposal to ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005 will be approved if it receives the affirmative vote of majority of the shares of the Company's common stock voting in person or by proxy on such proposal at the annual meeting.

Abstentions and broker non-votes will have no impact on the election of directors since they have not been cast in favor of or against any nominee, nor will they have any effect on the proposal to ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005, since approval of these proposals is based solely on the number of votes actually cast.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Secretary of the Company at 100 California Street, 12th Floor, San Francisco, California 94111, a written notice of revocation or a duly executed proxy bearing a date later than the date of the proxy being revoked, or by attending the meeting and voting in person. Attending the meeting will not, by itself, revoke the proxy.

STOCKHOLDER PROPOSALS FOR 2006 MEETING

The deadline for submitting a stockholder proposal for inclusion in the Company's proxy statement and form of proxy for the Company's 2006 annual meeting of stockholders pursuant to Rule 14a-8 of the Securities and Exchange Commission is February 1, 2006. Stockholders wishing to submit proposals or director nominations that are not to be included in such proxy statement and proxy must do so on or before March 16, 2006, in accordance with the Company's bylaws. Stockholders are also advised to review the Company's bylaws, which contain additional requirements with respect to advance notice of stockholder proposals and director nominations.

The Board held five meetings, including one telephone conference meeting, during 2004. The Audit Committee met 22 times during 2004, the Compensation Committee met three times during 2004 and the Nominating Committee met twice during 2004. In 2004, each director attended 75% or more of the total number of meetings of the Board and committees of the Board on which he served that were held during the period that he served.

The Board has determined that the following directors are independent under the current rules of the NASDAQ Stock Market: Timothy C.K. Chou, Gary Haroian, Frank M. Polestra, Michael J. Roberts and Samuel T. Spadafora.

Standing committees of the Board include an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Audit Committee. Timothy C.K. Chou, Gary Haroian (Chairman), Frank M. Polestra and Michael J. Roberts are the current members of the Company's Audit Committee. Mr. Haroian was elected Chairman of the Audit Committee, replacing Mr. Roberts, upon joining the Board in July 2004. The Board has determined that each member of the Audit Committee is independent under the current rules of the NASDAQ Stock Market and each of them is able to read and understand fundamental financial statements. The Board has determined that Mr. Haroian qualifies as an audit committee financial expert as defined by the rules of the Securities and Exchange Commission. The Audit Committee oversees the accounting and financial reporting processes of the Company and audits of its financial statements. The Audit Committee operates under a written charter adopted and amended by the Board, a copy of which is attached to this Proxy Statement as Appendix A.

Compensation Committee. Timothy C.K. Chou, Michael J. Roberts and Samuel T. Spadafora (Chairman) are the current members of the Company's Compensation Committee. Mr. Spadafora was elected to the

Compensation Committee in October 2003 to replace Frank M. Polestra. Mr. Spadafora was elected Chairman of the Compensation Committee in January 2004. The Board has determined that each member of the Compensation Committee is independent under the current rules of the NASDAQ Stock Market. The Compensation Committee makes recommendations to the Board regarding our stock and compensation plans, approves the compensation of our executive officers and grants stock options. The Compensation Committee operates under a written charter adopted by the Board.

Nominating and Corporate Governance Committee. Frank M. Polestra and Michael J. Roberts (Chairman) are the current members of the Company's Nominating and Corporate Governance Committee. The Nominating Committee was established in December 2002 to make recommendations to the Board regarding the nomination of candidates to stand for election to, or be appointed by, the Board. In April 2005, the Board expanded the responsibilities of the then Nominating Committee to evaluate the Board's performance, develop and recommend to the Board corporate governance guidelines and provide oversight with respect to corporate governance and ethical conduct. At that time, the Committee was re-named the Nominating and Corporate Governance Committee and Mr. Roberts was elected its Chairman. The Board has determined that each member of the Committee is independent under the current rules of the NASDAQ Stock Market. The Nominating and Corporate Governance Committee operates under a written charter adopted by the Board, a copy of which is attached to this Proxy Statement as Appendix B.

COMMUNICATIONS WITH DIRECTORS

Stockholders who wish to communicate with directors to report complaints or concerns related to accounting, internal accounting controls or auditing may do so using the Audit Committee procedures for the receipt of such communications, which may be viewed at our website www.embarcadero.com under the tab entitled Investor Relations and Corporate Governance.

Each member of the Board is encouraged to attend each annual meeting of our stockholders. We have scheduled the 2005 annual meeting on the same day as a regular meeting of the Board of Directors to make it convenient for all of the directors to attend.

DIRECTOR COMPENSATION

During 2004, non-employee directors received cash compensation of \$4,000 for each meeting of the Board attended in person, \$500 for each meeting of a Board committee attended in person and \$250 for each Board or Board committee meeting attended by teleconference; provided that each non-employee director's cash compensation was capped at \$25,000 for any fiscal year.

In March 2005, the Board of Directors approved an increase in the cash compensation to be paid to non-employee directors. In addition, the Audit Committee Chairperson receives a quarterly retainer of \$4,000 and the Compensation and Nominating and Corporate Governance Committee Chairpersons each receive a quarterly retainer of \$2,500. Directors are also reimbursed for their reasonable out-of-pocket expenses incurred in connection with their attendance at Board and Board committee meetings.

Pursuant to the Company's 2000 Non-employee Directors Stock Option Plan (the *Directors Plan*), non-employee directors receive non-discretionary, automatic option grants to purchase 25,000 shares of our common stock upon joining the Board and also receive non-discretionary, automatic option grants to purchase 5,000 shares of our common stock on the date of the first regularly scheduled meeting of the Board on or after the first

day of each calendar quarter, as long as the non-employee director was then in office for at least three months. The options vest over three years from the date of the grant in equal quarterly installments and are full exercisable on the third anniversary of the option grant. The options have a term of ten years.

In July 2004, upon joining the Board, Mr. Haroian was granted an option to purchase 25,000 shares of our common stock with an exercise price equal to \$8.35 per share pursuant to the Directors Plan.

In July 2004, Messrs. Chou, Polestra, Roberts and Spadafora each received an option to purchase 5,000 shares of our common stock with an exercise price equal to \$8.41 per share pursuant to the Directors Plan. In October 2004, Messrs. Chou, Haroian, Polestra, Roberts and Spadafora each received an option to purchase 5,000 shares of our common stock with an exercise price equal to \$8.90 per share pursuant to the Directors Plan.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No interlocking relationship exists, or in the past fiscal year has existed, between any member of our compensation committee and any member of any other company's board of directors or compensation committee.

CODE OF ETHICS

The Company has adopted a code of ethics that applies to all officers and employees, including its principal executive officer, principal financial officer and controller. This code of ethics is included as Section 2 of the Company's Code of Conduct, which may be viewed at our website www.embarcadero.com under the tab entitled "Investor Relations" and "Corporate Governance."

DIRECTOR NOMINATION

Criteria for Board Membership. In selecting candidates for appointment or re-election to the Board, the Nominating and Corporate Governance Committee considers the appropriate balance of experience, skills and characteristics required of the Board of Directors, and seeks to ensure that at least a majority of the directors are independent under the rules of the NASDAQ Stock Market. The Nominating and Corporate Governance Committee also seeks to ensure that members of the Company's Audit Committee meet the financial literacy and sophistication requirements under the rules of the NASDAQ Stock Market and at least one of them qualifies as an audit committee financial expert under the rules of the Securities and Exchange Commission. Nominees for director are selected on the basis of their depth and breadth of experience, integrity, ability to make independent analytical inquiries, understanding of the Company's business and willingness to devote adequate time to Board duties.

Stockholder Nominees. The Nominating and Corporate Governance Committee will consider written proposals from stockholders for nominees for director. Any such nominations should be submitted to the Nominating and Corporate Governance Committee c/o the Secretary of the Company in the time frame described in the Bylaws of the Company and under the caption "Stockholder Proposals for 2006 Meeting" above.

Edgar Filing: EMBARCADERO TECHNOLOGIES INC - Form DEF 14A

and should include the following information:

all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected);

the names and addresses of the stockholders making the nomination and the number of shares of the Company's common stock which are owned beneficially and of record by such stockholders; and

appropriate biographical information and a statement as to the qualification of the nominee.

Process for Identifying and Evaluating Nominees. The Nominating and Corporate Governance Committee believes the Company is well-served by its current directors. In the ordinary course, absent special circumstances or a material change in the criteria for Board membership, the Nominating and Corporate Governance Committee will renominate incumbent directors who continue to be qualified for Board service and are willing to continue as directors. If an incumbent director is not standing for re-election, or if a vacancy on the Board occurs between annual stockholder meetings, the Nominating and Corporate Governance Committee will seek out potential candidates for Board appointment who meet the criteria for selection as a nominee and have the specific qualities or skills being sought. Director candidates will be selected based on input from members of the Board, senior management of the Company and, if the Nominating and Corporate Governance Committee deems appropriate, a third-party search firm. The Nominating and Corporate Governance Committee will evaluate each candidate's qualifications and check relevant references; in addition, such candidates will be interviewed by at least one member of the Nominating and Corporate Governance Committee. Candidates meriting serious consideration will meet in person or by telephone with all members of the Board. Based on this input, the Nominating and Corporate Governance Committee will evaluate which of the prospective candidates is qualified to serve as a director and whether the committee should recommend to the Board that a candidate be appointed to fill a current vacancy on the Board, or presented for the approval of the stockholders, as appropriate.

The Company has never received a proposal from a stockholder to nominate a director. Although the Nominating and Corporate Governance Committee has not adopted a formal policy with respect to stockholder nominees, the committee expects that the evaluation process for a stockholder nominee would be similar to the process outlined above.

Board Nominees for the 2005 Annual Meeting. Each of the nominees listed in this Proxy Statement is currently a director. Michael J. Roberts is standing for re-election. The Board appointed Samuel T. Spadafora in May 2003 to fill a vacancy on the Board. Mr. Spadafora was initially identified as a candidate for director by Raj Sabhlok, our Chief Financial Officer, and was recommended to the Board for election by our Nominating Committee following an evaluation by that committee.

PROPOSAL NO. 1

At the annual meeting, the stockholders will vote on the election of two Class II Directors to serve for a three-year term until the annual meeting of stockholders in 2008 and until their successors are elected and qualified. Upon the recommendation of the Nominating and Corporate Governance Committee, the Board has unanimously nominated Michael J. Roberts and Samuel T. Spadafora for election to the Board of Directors as Class II Directors. The nominees have indicated that they are willing and able to serve as directors. If Michael J. Roberts or Samuel T. Spadafora becomes unable or unwilling to serve, the accompanying proxy may be voted for the election of such other person as shall be designated by the Board. The proxies being solicited will be voted for no more than two nominees at the annual meeting.

Required Vote

Messrs. Roberts and Spadafora will be elected as directors if, of the shares present or represented and entitled to vote, they receive a plurality of the votes cast.

The Board recommends a vote for the election of Messrs. Roberts and Spadafora

Stock Options Granted in the Fiscal Year Ended December 31, 2004

The following table sets forth information with respect to stock options granted during the year ended December 31, 2004 to each of the Named Executive Officers. All options were granted under the Company's 1993 Stock Option Plan or the 2004 Equity Incentive Plan. Upon adoption of the 2004 Equity Incentive Plan in June 2004, the 1993 Stock Option Plan was terminated and no further options or awards can be granted under this Plan. Unless stated otherwise, options granted under the plans vest over a four-year period in sixteen equal quarterly installments. The Board retains discretion to modify the terms, including the price, of outstanding options, except that options granted under the 2004 Equity Incentive Plan may not be repriced, replaced, regranted or modified if the effect would be to reduce the option price.

The percentage of options granted is based on an aggregate of 777,500 options we granted during the fiscal year ended December 31, 2004. All options listed were granted at an exercise price at least equal to the fair market value of our common stock, based on the closing price of our common stock on the NASDAQ National Market on the trading day preceding the grant date in accordance with our 1993 Stock Option Plan and equal to the closing sales price of our common stock on the date of grant in accordance with our 2004 Equity Incentive Plan.

The potential realizable value amounts in the last two columns of the following chart represent hypothetical gains that could be achieved for the respective options if exercised and sold at the end of the option term. The assumed 5% and 10% annual rates of stock price appreciation from the date of grant to the end of the option term are provided in accordance with rules of the SEC and do not represent our estimate or projection of the future common stock price. Actual gains, if any, on stock option exercises are dependent on the future performance of the common stock, overall market conditions and the option holder's continued employment through the vesting period. This table does not take into account any actual appreciation in the price of the common stock from the date of grant to the present.

AUDIT COMMITTEE REPORT

The following Report of the Audit Committee shall not be deemed to be soliciting material or to be filed with the SEC, nor shall this information be incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates it by reference into a filing.

The Audit Committee, currently comprised of Messrs. Chou, Haroian, Polestra and Roberts, oversees the accounting and financial reporting processes of the Company and audits of its financial statements. Mr. Haroian was elected Chairman of the Audit Committee, replacing Mr. Roberts, upon joining the Board in July 2004. The Audit Committee operates under an Audit Committee Charter that was adopted by the Board of Directors in April 2003 and amended in April 2005. The Audit Committee's responsibilities are more fully described in the Audit Committee Charter which is attached as Appendix A to this proxy statement. All members of the Audit Committee currently meet the independence requirements under the rules of the NASDAQ Stock Market. The Audit Committee met 22 times in fiscal 2004.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent registered public accounting firm, nor can the Audit Committee certify that the independent registered public accounting firm is independent under applicable rules. The Audit Committee serves a board-level oversight role in which it provides advice, counsel and direction to management and the independent registered public accounting firm on the basis of the information it receives, discussions with management and the auditors, and the experience of the Audit Committee's members in business, financial and accounting matters.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. The Company's management has the primary responsibility for the financial statements and reporting process, including the Company's system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed with management the audited financial statements included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2004. This review included a discussion of the quality and the acceptability of the Company's financial and disclosure reporting and controls, including the nature and extent of disclosures in the financial statements.

The Audit Committee also reviewed with the Company's independent registered public accounting firm, who are responsible for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality and the acceptability of the Company's financial reporting and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including Statement on Auditing Standards No. 61. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Statement No. 1. The Audit Committee discussed with the independent registered public accounting firm their independence from management and the Company, including the matters in their written disclosures required by the Independence Standards Board Statement No. 1.

In January 2005, the Audit Committee completed an internal investigation focused on the Company's revenue recognition practices related to transactions with certain distributors and resellers, principally those of the Company's U.K. subsidiary, Embarcadero Europe Ltd. The Committee was assisted in the investigation by independent outside legal counsel and accounting experts. As a result of the investigation, it was determined that the unaudited condensed consolidated financial statements for each of the three month periods ended March 31, 2004 and June 30, 2004 required restatement. In addition, the Audit Committee recommended steps to strengthen the Company's internal controls, which management has implemented. For a more complete discussion of this investigation, see our Annual Report on Form 10-K/A for the year ended December 31, 2004 filed on April 25, 2005.

Edgar Filing: EMBARCADERO TECHNOLOGIES INC - Form DEF 14A

During 2004, management completed the documentation, testing and evaluation of the Company's system of internal controls over financial reporting in response to the requirements set forth in Section 404 of the

Sarbanes-Oxley Act of 2002 and related regulations. The Audit Committee was kept fully apprised of the process and provided oversight and advice to management throughout the process. In connection with its oversight, the Committee received periodic updates from management and the Company's independent registered public accounting firm, PricewaterhouseCoopers LLP, at its meetings. At the conclusion of the process, management provided the Committee with, and the Committee reviewed, a report on the effectiveness of the Company's internal controls over financial reporting. The Committee also reviewed the report of management contained in the Company's Annual Report on Form 10-K/A for the year ended December 31, 2004 filed with the SEC on April 25, 2005, as well as PricewaterhouseCoopers' Report of Independent Registered Public Accounting Firm included in the Form 10-K/A.

In addition to matters discussed above, the Audit Committee discussed with the Company's independent registered public accounting firm the overall scope, plans and estimated costs of their audit. The Committee met with the independent registered public accounting firm periodically, with and without management present, to discuss the results of the independent registered public accounting firm's examinations, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee also discussed the independent registered public accounting firm's reviews of the quarterly financial statements, drafts of the quarterly and annual reports, and drafts of the respective press releases disclosing the financial highlights of the Company.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements should be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The following Compensation Committee Report on Executive Compensation shall not be deemed to be soliciting material or to be filed with the SEC, nor shall this information be incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates it by reference into a filing.

The Company's executive compensation program has been administered by the Compensation Committee of the Board since May 31, 2000. The current members of the Compensation Committee are Timothy C.K. Chou, Michael J. Roberts and Samuel T. Spadafora, each of whom is an independent director under the current rules of the NASDAQ Stock Market, a non-employee director within the meaning of Section 16 of the Exchange Act and an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code. Mr. Spadafora was elected to the

Edgar Filing: EMBARCADERO TECHNOLOGIES INC - Form DEF 14A

Compensation Committee in October 2003 to replace Frank M. Polestra. Mr. Spadafora was elected Chairman of the Compensation Committee in January 2004.

General Compensation Philosophy

The role of the Compensation Committee is to review and administer all compensation arrangements for executive officers and direct reports to the Chief Executive Officer and to be responsible for administering the Company's benefit plans. The Company's compensation policy for officers is to provide market-based

compensation to executives and senior managers, with an emphasis on performance-based cash and equity incentives tied to specific targeted business goals or milestones. Recognizing the competitive environment the Company confronts in recruiting executives and senior managers, and in particular the high cost of living in the San Francisco Bay Area, the Company may use hiring bonuses and relocation assistance, as well as performance-based cash and equity incentives as components of executive compensation.

Executive Compensation

The three major components of the Company's executive officer compensation are (i) base salary, (ii) cash bonus and (iii) stock awards.

Base Salary. Salaries for executive officers for 2004 were generally determined on an individual basis by the Compensation Committee and were set at levels competitive with comparable software businesses and, in the cases of Raj P. Sabhlok and Robert Lamvik, consistent with the employment offer letters between the Company and each of them. For 2005, the Compensation Committee will review the base salaries of the executive officers by evaluating each executive's scope of responsibility and performance, as well as the salaries for similar positions at comparable companies.

Cash Bonus. Executive officers are eligible to receive annual cash performance bonuses that vary based on the specific individual and position. Bonuses are awarded based on individual achievement of goals and based on the Company achieving specific milestones. Mr. Sabhlok received a bonus of \$50,000, and Mr. Lamvik received a bonus of \$20,000 in 2004.

Stock Awards. Executive officers are eligible to receive periodic performance-based equity compensation in the form of stock options and, as of November 1, 2003, restricted stock awards. The Compensation Committee believes that equity-based compensation in the form of stock options and restricted stock awards links the interests of executives with the long-term interests of the Company's stockholders and encourages executives to remain employed by the Company. Pursuant to the 1993 Stock Option Plan and the 2004 Equity Incentive Plan, the Company has issued stock options to executives since 1993 and restricted stock awards to executives beginning in December 2003.

In 2004, the Compensation Committee made stock option grants and restricted stock awards to the Company's executive officers other than Mr. Wong, who requested not to receive any awards. These grants were based on a number of factors, including the amount and term of options already held by the officer, the officer's contributions to the achievement of the Company's financial and strategic objectives, and industry practices and norms.

Chief Executive Officer Compensation

Stephen R. Wong's base salary for 2004 was \$60,000. Mr. Wong's compensation was considerably less than the competitive level of compensation paid to a chief executive officer with similar responsibilities in our industry. Due to his substantial ownership interest in the Company, Mr. Wong requested not to receive additional compensation in 2004. The Compensation Committee continues to review market data for chief executive officers' salary levels of comparable software businesses, and may, if appropriate in the future, set Mr. Wong's compensation to a market competitive level.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Code limits the tax deduction to \$1.0 million for compensation paid to certain executives of public companies. However, performance-based compensation that has been approved by stockholders is not subject to the \$1.0 million limit under Section 162(m) if, among other requirements, the

compensation is payable only upon attainment of pre-established, objective performance goals, and the Board committee that establishes such goals consists only of outside directors. All members of the Compensation Committee qualify as outside directors. Additionally, stock options will qualify for the performance-based exception where, among other requirements, the exercise price of the option is not less than the fair market value of the stock on the date of grant, and the plan includes a per-executive limitation on the number of shares for which options may be granted during a specified period.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since January 1, 2004, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which the Company was or is to be a party in which the amount involved exceeds \$60,000 and in which any current director, executive officer or holder of more than 5% of the Company's common stock had or will have a direct or indirect interest other than the transactions described below.

Employment Agreements and Other Compensation Arrangements

In January 2000, we entered into a letter agreement with Raj P. Sabhlok, our Chief Financial Officer and Senior Vice President of Corporate Development. Pursuant to the agreement, Mr. Sabhlok is entitled to six months severance pay and benefits if we terminate his employment without cause.

In May 2004, we entered into an at-will employment agreement with Robert Lamvik, our Vice President of Sales. Pursuant to the agreement, Mr. Lamvik is entitled to a base salary of \$200,000 and is eligible to receive a bonus of up to \$125,000. He also receives a car allowance of \$700 per month and will receive a housing allowance of \$4,000 per month until May 2005.

Stock Awards

We have granted stock options and restricted stock awards to our directors and executive officers, and we intend to grant additional options and/or awards to our directors and executive officers in the future.

Indemnification Agreements

We have entered into indemnification agreements with our directors and executive officers. Such agreements may require us, among other things, to indemnify our officers and directors, other than for liabilities arising from willful misconduct of a culpable nature, and to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16 of the Exchange Act requires the Company's directors, officers and persons who own more than 10% of the Company's common stock to file initial reports of ownership and reports of changes in ownership with the SEC and the Nasdaq National Market. Such persons are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms that they file.

Based solely on its review of the copies of such forms furnished to the Company and written representations from the executive officers and directors, the Company believes that all Section 16(a) filing requirements were met during the Company's most recent fiscal year.

PROPOSAL NO. 2

Ratification of Appointment of Independent Registered Public Accounting Firm

The Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent registered public accounting firm. Appointment of the Company's independent registered public accounting firm is not required to be submitted to a vote of the stockholders of the Company for ratification. However, the Board is submitting this matter to the stockholders as a matter of good corporate practice. If the stockholders fail to vote on an advisory basis in favor

of the appointment, the Audit Committee will reconsider whether to retain PricewaterhouseCoopers LLP, and may retain that firm or another without re-submitting the matter to the Company's stockholders. Even if the stockholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and the stockholders.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the annual meeting and will have the opportunity to make a statement, if they desire to do so, and are expected to be available to respond to appropriate questions.

Required Vote

The affirmative vote of the holders of a majority of the shares of the Company's common stock voting in person or by proxy on this proposal at the annual meeting is required to ratify the appointment of the independent auditors.

**The Board recommends a vote for the ratification of the appointment
of PricewaterhouseCoopers LLP as independent registered public accounting firm**

ADDITIONAL INFORMATION

The Company's Annual Report for the fiscal year ended December 31, 2004 is being mailed with this Proxy Statement to stockholders of the Company.

HOUSEHOLDING OF ANNUAL DISCLOSURE DOCUMENTS

The Securities and Exchange Commission has approved a rule governing the delivery of annual disclosure documents. This rule allows the Company to send a single set of its Annual Report and this Proxy Statement to any household at which two or more stockholders of the Company reside, if it believes that the stockholders are members of the same family. Some banks, brokers and other intermediaries may be participating in this practice of householding proxy statements and annual reports. This rule benefits both the Company and its stockholders as it reduces the volume of duplicate information received at a stockholder's house and helps reduce the Company's expenses. Each stockholder, however, will continue to receive individual proxy cards or voting instruction forms.

Stockholders that have previously received a single set of disclosure documents may request their own copy this year or in future years by contacting their bank, broker or other nominee record holder. The Company will also deliver a separate copy of the Annual Report and the Proxy Statement to any stockholder upon written request to Embarcadero Technologies, Inc., 100 California Street, 12th Floor, San Francisco, California 94111, Attention: Investor Relations, or upon oral request by calling (415) 834-3131.

OTHER BUSINESS

The Board does not presently intend to bring any other business before the meeting, and, so far as is known to the Board, no matters are to be brought before the meeting except as specified in the Notice of the Meeting. As to any business that may properly come before the meeting, however, it is intended that proxies, in the form enclosed, will be voted in respect thereof in accordance with the judgment of the persons voting such proxies.
